### Respondent's Reply

23. The respondent submitted that present complaint is not maintainable before the authority and also devoid of any merits, which has been preferred with the sole motive to harass the respondent. In fact the complainants are guilty of "Suppressio veri" and Suggestio Falsi" and has in fact concealed the true facts about their approaching the National Consumer Dispute Redressal Commission (NCDRC) for the

baseless grievances against the respondent and thus try to mislead the authority. That the instant complaint filed by the complainants before the authority is liable to be dismissed in view of section 71 (1) of RERA Act 2016, which specifically states that any complainant who has already filed a complaint before the ld. consumer forum/commission and is pending, in such eventuality such complainants will have to withdraw his complaint with permission from the ld. consumer forum(s)/commission(s) to file an application before the adjudicating officer for adjudication of his dispute, as per the Act.

24. The respondent submitted that the allegations made in the instant complaint are wrong, incorrect and baseless in the fact and law. The respondent denies them *in toto*. Nothing stated in the said complaint shall be deemed to be admitted by the respondent merely on account of non-transverse, unless the same is specifically admitted herein. The instant complaint is devoid of any merits and has been preferred with the sole motive to extract monies from the respondent, hence the same is liable to be dismissed *in limini*.

- 25. The respondent submitted that the complainant has preferred to file their complaint before the authority for adjudication of their complaint, however the same is ought to be filled before Adjudicating Officer as per section 71 (1) of The Real Estate (Regulation and Development) Act, 2016. Hence it is respectfully submitted that, the instant complaint be referred to the ld. adjudicating officer and this authority may dismiss the same forthwith.
- 26. The respondent submitted that the relationship between the complainants and the respondent is governed by the document executed between them i.e. flat buyer's agreement dated 10.08.2012. It is pertinent to mention herein that the instant complaint of the complainant is further falsifying their claim from the very fact that, the complainant has filed the instant claim on the alleged delay in delivery of possession of the provisionally booked unit however the complainant with malafide intention have not disclosed, in fact concealed the material fact from this authority that the complainant has been a wilful defaulter since the beginning, not paying their instalments on time as per the construction link plan opted by

them. It is stated that the complainant has not come before this authority with clean hands and wishes to take advantage of their own misdoings with the help of the provisions of the Act, which have been propagated for the benefit of innocent customers who are end-users and not defaulters, like the complainant in the present complaint.

27. The respondent submitted that it is pertinent to mention here that from the very beginning it was in the knowledge of the complainant, that there is a mechanism detailed in the FBA which covers the exigencies of inordinate delay caused in completion and handing over of the booked unit i.e. enumerated in the "clause 22" of duly executed FBA, which is at page 34 of the FBA filed by the complainant along with their complaint.

28. The respondent submitted that the complainants only after being satisfied with the project in totality that the complainants expressed his willingness to book a unit in the project looking into the financial viability of the project and its future monetary benefits got the said unit booked with the respondent.

- 29. The respondent also submitted that he has already completed the 95% construction of the "Tower C" and has filled extension before this authority vide letter dated 18.09.2018. The respondent would be completing the construction of project and would be applying for occupation certificate for the alleged tower very soon.
- 30. The respondent submitted that the delay in delivering the possession of the flat to the complainants were beyond the control of the respondent, since for completing a project number of permissions and sanctions are to be required from numerous Government authorities which were delayed with no fault of the respondent, in addition to the problems related to labour/ raw material and Government restrictions including National Green Tribunal which imposed a ban on carrying out constructions in Delhi-NCR for several months, the respondent kept on the work moving steadily. That based upon the past experiences the respondent has specifically mentioned all the above contingencies in the FBA dated 29.02.2012 and incorporated them in "clause 39" of FBA at page 59 annexed with the complaint by the complainants.

- in sanctioning of the permissions and sanctions from the departments, in fact as of now no proper connectivity has been provided to the project of the respondent by the Haryana Government. It will also not be out of place to mention that the respondent has been diligently pursuing the matter with various authorities and hence no delay can be attributed on the part of the respondent.
- 32. It is pertinent to mention herein that the agreement for the purpose of getting the adjudication of the instant complaint i.e. the flat buyer agreement dated 10.08.2012 was executed much prior to coming into force of the Act, 2016 and the HARERA Rules, 2017. Further the adjudication of the instant complaint for the purpose of granting interest and compensation, as provided under the Act, has to be in reference to the agreement for sale executed in terms of said Act and said Rules and no other agreement, whereas, the FBA being referred to or looked into in this proceedings is an agreement executed much before the commencement of RERA and such agreement as referred herein above. Hence, cannot

be relied upon till such time the new agreement to sell is executed between the parties. Thus, in view of the submissions made above, no relief can be granted to the complainants on the basis of the new agreement to sell as per the Act.

33. The respondent also submitted that he has made huge investments in obtaining requisite approvals and carrying on the construction and development of 'Indiabulls Enigma' project not limiting to the expenses made on the advertising and marketing of the said project. Such development is being carried on by Developer by investing all the monies that it has received from the buyers / customers and through loans that it has raised from financial institutions. Inspite of the fact that the real estate market has gone down badly the respondent has managed to carry on the work with certain delays caused due to various above mentioned reasons and the fact that on an average more than 50% of the buyers of the project have defaulted in making timely payments towards their outstanding dues, resulting into inordinate delay in the construction activities, still the construction of the project

i.

"Indiabulls Enigma" has never been stopped or abandoned and has now reached its pinnacle.

## **Determination of issues**

- 34. After considering the facts submitted by the complainants, reply by the respondent and perusal of record on file, the authority decides seriatim the issues raised by the parties as under:
  - With respect to issue no. 1 and 2, the authority is of the view that as per reply submitted by the respondent, the construction of the 'Tower C' where the booked unit is located is 95% completed, therefore keeping in view the current status of the project, the refund cannot be allowed in the interest of the other allottees and the project in question. However the respondent has delayed the delivery of possession of the booked unit. This is fortified from the fact that as per clause 21 of the flat buyer agreement dated 10.08.2012, the construction was to be completed within a period of 3 years with a grace period of six months. The due date of possession comes out to be 10.02.2016 which has already lapsed. and therefore the

respondent is liable to pay interest on the delayed possession. Thus the complainant is entitled for interest on the delayed possession at the prescribed rate i.e 10.75% per annum. Delay charges will accrue from the due date of possession i.e. 10.02.2016 till the offer of possession.
