4. That for the case of appreciation undisputed factual background of the project is being given herein below: -

- i. The license bearing no. 44 of 2008 granted by the Directorate Town and Country Planning Haryana to set up a group housing colony over an area of 16.331 acres situated in Sector-80, Faridabad, Haryana which was valid upto 06.03.2010.

- iii. - vi. That on 16.10.2017, this Hon'ble Authority vide Registration No. 297 of 2017 granted RERA Registration for 10.74 acres out of 16.331 acres for towers A,B,F,C,H,J,K,L,M and EWS. It is pertinent to mention here that neither in the application form REP-I the Promoter has disclosed that project/licensed area land is bifurcated in two phases nor in the Registration Certificate it finds any mention. It is submitted that nowhere in the application of registration it is mentioned that how the entire project land will be developed meaning thereby that whole 16.331

- acre is to be developed under 1 project 1 name. true copy of the RERA Registration No. 297 of 2017 is annexed herewith as Annexure C-3.
- vii. That the Promoter had applied for multiple extensions of the RERA-PKL297-2017 which was valid upto 12.10.2020. RERA Authority, Panchkula vide order dated 08.05.2024 item no. 252.14 granted extension of one year under section- 7(3) of RERD Act, 2016. Vide order dated 08.05.2024, the Ld. A true copy of the -order dated 08.05.2024 is annexed as Annexure C-4.
- viii. That on the official website of the RERA Authority Panchkula, the status of the Registration of the project is showing lapsed as the last extension sought by the Promoter was valid upto 08.05.2025 and thereafter no extension has been applied by the Promoter but in strange manner the Promoter is uploading the quarterly progress report on the official website. The last document uploaded by the Promoter is on 14.04.2026 which the Promoter could not have uploaded in view that project has been lapsed and no extension application has been filed by the Promoter.
- ix. The licenses of which is granted under original license of 44 of 2008. true copy of the RERA Registration bearing no, HRERA-PKL-FBD-881-2026 dated 09.04.2026 is annexed as Annexure C-Z,
5. That the grievance of the applicant-allottees is that the Promoter has fraudulently taken the RERA Registration bearing no. HRERA-PKL-FBD-881-2026 dated 09.04.2026 on project land measuring 5.931 acres showing the building plans as fresh plans. The promoter has not disclosed the fact that the project land area, used in the new project Sky nest Towers is nothing but the land parcel of the project, namely Discovery Parks. The License no. 44 of 2008 was granted by DTCP for setting up a group housing colony for land measuring 16.331 acres, wherein the promoter got the building plans approved on 27.06.2012 and as per the same the promoter was under obligation to develop 12 main residential, 02 EWS towers, one nursery school, one primary school and shopping complex along with clubhouse. In order to prove the same a copy of building plans is already annexed herein above. The promoter in the

3/5

year 2012 to 2015, sold the project as one showcasing that in the project namely Discovery parks following 12 main residential, 02 EWS towers, one nursery school, one primary school and shopping complex along with clubhouse would be constructed over 16.331 acres. This fact can also be proved by Builder Buyer agreement and Deed of Declaration which is annexed as Annexure C-6 and C-7.

6. That the site plan as annexed in the builder buyer agreement for the project Discovery Parks would show that the project had 12 main residential, 02 EWS towers, one nursery school, one primary school and shopping complex along with clubhouse. That the promoter has defrauded and cheated all the allottees of the project Discovery Park by not adhering to the original building plan and further by decreasing the total project area from 16.331 acres to 10.74 acres.

7. That the present complainant cum allottees had invested there earned money after the promises made by the promoter that the project would be developed strictly as per the original building plan, Brocher and in terms of the builder buyer agreement which has one nursery school, one primary school, shopping complex along with clubhouse. That till date the promoter has developed only nine towers and 02 EWS towers with no schools as promised.

8. That now the builder has got the building plan revised dated 05.03.2026 wherein over a land area measuring 05.391 acres, the promoter proposes to develop 02 towers of 14 floors on each tower, which would be a high rise building, changing the total façade of the project.

9. That as per, Section 14 of the RERD Act, 2016, where it is specifically stated that "there can be no alteration or addition in the sanctioned plan, layout plan and specification of the building without the previous written consent of the 2/3rd allottees other than the promoter". Further as per the public notice dated 16.07.2022, issued by DTCP, Haryana it is stated that any change, alteration, addition, modification in the approved building plans cannot be entertained without the consent of the 2/3rd allottees of the project. That the promoter in the present scenario has completely ignored the provisions of the RERD Act, 2016 and notifications issued by DTCP, Haryana.

10. That one of the grievance of the allottees cum complainants is that the project namely Discovery Park which initially represented to compromise 12 towers, 02 schools and a shopping complex spreading over a total area of 16.331 acres is now been altered and reduced to 10.74 acres, with only 9 towers, without 02 schools and a shopping complex, thereby materially diminishing the common amenities and defeating the very purpose of the

4/5

investment in the said project. The whole idea of investing in the project Discover Park was that the 02 schools would be operating in the project and allottees will benefit from the same.

11. That by reducing the area of Discovery Park and introducing a new project by the name Sky Nest Towers, the Promoter has indulged in unfair trade practice and committed violations of provisions of HUDA Act, 1975 and RERD Act, 2016.

12. PRAYER:

In view of the above, the representation being submitted on behalf of the Applicant-Allottees may kindly be accepted and following relief may kindly be granted:

- i. It is respectfully prayed that a Suo moto complaint be initiated against the Promoter and/or:

- iii. To call for all the records regarding both the Project namely Discovery Park and Sky Nest Towers.
