Proceedings

Project is registered with the authority.

On perusal of the complaint, it has been found that there is a gross mismatch w.r.t to the number of unit. Complainant is pleading his case w.r.t unit No.322. However, the papers attached in this complaint, there is a patent mention of flat No.323 in the complaint itself. Keeping in view this ambiguity w.r.t unit, the authority cannot arrive at any conclusive decision in this matter. Complaint is dismissed on this pretext alone with liberty to the complainant to file afresh.

Complaint stands dismissed. File be consigned to the registry.
