Proceedings -cum-orders

The counsel for the respondent states at bar that matter has already been settled between the parties and a copy of settlement deed dated 06.11.2023 to this effect has been placed on record by the counsel for the respondent which is duly signed by both the parties and got notarized on 15.12.2023.

The proxy counsel for the complainant states that they have sent a mail for adjournment of the matter.

It is something very strange that when the matter has already been settled and a settlement deed was executed way back in November, 2023 why the same was not filed in the authority and why the case was not withdrawn. Today, sending of the mail by the complainant on 14.08.2024 is totally unethical and is viewed seriously by the authority as the same has been sent to mislead the authority. Hence the matter stands disposed off as settled.
