Present Proxy Counsel Chahat Arya on behalf of Solutrean Building Technologies Pvt Ltd and filed revised affidavit that they shall apply for registration prior to selling but authority is of view that, since Building plans of commercial component are already approved, the promoters must apply for registration with in 20 days. Further it is noticed from affidavit that OC of project (Chintels Caladium) Sector 109, Gurugram was registered on 08.11.2017 which is after that date of coming into force of the Act of 2017. Hence, they are directed to apply for registration of project as it was an ongoing project as on date of implementation of RERA. They must apply for registration within 20 days and to show cause as to why penalty proceedings u/s 59 should not be initiated and why penalty for non-registration should not be imposed as OC received on 08.11.2017 was not an OC received prior to act coming in force as fire NOC was received by promoters on 10.10.2017.
