7. Adv. Rishabh Jain appearing on behalf of respondents informed that they have filed reply in the registry of the Authority stating that: -

a. Suman Villas Pvt Ltd had obtained completion certificate on 06.08.2019. Before initiation of the subject Suo-motu complaint, the NCLT vide its order dated 8-Apr-2022 had initiated the Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 against Suman Villas Pvt. Ltd and declared moratorium in terms of Section 14 of the IB Code-2016. Moreover, as a necessary consequence of the moratorium in terms of Section 14, some prohibitions were also imposed.

b. That the initiation of the subject suo-motu complaint in October, 2022 against Suman Villas Pvt. Ltd during the pendency of the insolvency proceedings was bad, illegal and not maintainable. Without prejudice to the above submission, the proceedings continued and the HRERA, Panchkula imposed recurring penalty. As per the order dated 8-May-2024 a cumulative penalty of ₹4,71,000/- was imposed as the necessary compliance stood complete even on the date of the order.

c. The NCLT vide its order dated 14-May-2024 has approved the Resolution Plan and vacated the moratorium declared vide order dated 8-Apr-2022 and in view of the same, now 'Max Heights Infrastructure Limited' has become the successful resolution applicant and has taken over Suman Villas Pvt. Ltd with limited liability and obligations, under the supervision of the Supervisory Committee. Moreover, in view of the aforesaid NCLT order dated 14-May-2024, the Successful Resolution Applicant (Max Heights Infrastructure Limited) has to bear limited liability and perform limited obligations.

d. In view of the submission made above, they submitted that firstly, the initiation of proceeding in October, 2022 against Suman Villas Pvt. Ltd, during the moratorium was bad, illegal and not maintainable, and secondly, without prejudice to the above, the liability/claim of penalty imposed by the Authority upon the Suman Villas Pvt. Ltd has not been approved by the NCLT for the Successful Resolution Applicant (Max Heights Infrastructure Limited). Therefore, it is prayed that the proceeding initiated in October, 2022 be dropped being void ab-initio. Further, it is submitted that upon approval of the said resolution plan, the successful resolution applicant (Max Heights Infrastructure Limited) has taken appropriate steps to fulfil all the obligations and duties towards the said project and all the quarterly progress reports of the said project have been filed.

9. The Authority observes that the management of the company was taken over by Resolution Professional who was supposed to comply with the statutory provisions of laws. Declaration of moratorium does not bar this Authority to initiate proceedings against the builder and to ensure that the promoters make all the statutory compliances. Further, since the proceedings initiated against the respondents are not coercive in nature, therefore the Authority grants one more opportunity to deposit the cumulative penalty as directed by the Authority vide its order dated 08.05.2024 in the registry of Authority before the next date of hearing.

9 . The matter was last heard on 09.10.2024 wherein on the request of counsel it was adjourned to 15.01.2025.

10. The respondent vide reply dated 04.12.2024 has informed that a sum of ₹4,71,000/- as cumulative penalty has been deposited with the Authority vide Demand Draft no. 529249 dated 29.11.2024 and the aforesaid project stands completed and they have obtained the completion certificate dated 06 August 2019 and QPRs have been filed till 30.09.2019 on 08.05.2024.

11. In view of above, Authority decides to discharge the show cause notice. The completion certificate submitted by the respondent be taken on record and uploaded on the website of the Authority.
