- e) That the cause of action to file the instant complaint has occurred within the jurisdiction of this Authority as the unit which is the subject matter of this complaint is situated in Sector 63A, Gurugram, which is within the jurisdiction of this Authority.

9. The complainant has sought the following relief(s):

- I. Direct the respondent to pay interest @ 8.65% p.a. at prevailing MCLR plus 2% on paid amount of Rs.22,46,610/- for delay period starting from

- 15.03.2021 till actual handover of physical possession or offer of possession plus two months after obtaining OC, whichever is earlier and wave of illegal and unreasonable interest etc. raised by respondent.

10. On the date of hearing, the authority explained to the respondent/ promoter about the contraventions as alleged to have been committed in relation to Section 11(4) (a) of the act to plead guilty or not to plead guilty.

D. Reply by the respondent

11. The respondent has contested the complaint on the following grounds.
- a) That the complainant applied to the respondent for allotment of the unit vide an application form dated 14.04.2015 and was allotted a unit bearing no. A-143 in tower A, having carpet area of 605.10 sq. ft. and balcony area of 94.94 sq. ft. vide allotment letter dated 11.01.2016. The complainant represented to the respondent that they should remit every instalment on time as per the payment plan. The respondent had no reason to suspect the Bonafide of the complainant and proceeded to allot the unit in question in their favor.
 - b) Thereafter, a builder buyer agreement was executed between the parties. The agreement was consciously and voluntarily executed between the parties and terms and conditions of the same are binding on the parties.
 - c) That as per clause 4.1 of the agreement, the due date of possession was subject to the allottee having complied with all the terms and conditions of the agreement. That being a contractual relationship, reciprocal

promises are bound to be maintained. The rights and obligations of the allottee as well as the builder are completely and entirely determined by the covenants incorporated in the agreement which continue to be binding upon the parties thereto with full force and effect.

- d) That, as per clause 4.1 of the agreement, the respondent endeavored to offer possession within a period of 4 years from the date of obtainment of all government sanctions and permissions including environment clearance, whichever is later. The possession clause of the agreement is on par with clause 1(iv) of the Affordable Housing Policy, 2013.
- e) That the building plan of the project was approved on 10.03.2015 from DGTCP and the environment clearance was received on 16.09.2016. Thus, the proposed due date of possession, as calculated from the date of EC, comes out to be 21.08.2021. The Ld. Authority vide notification no.9/3-2020 dated 26.05.2020 had allowed an extension of 6 months for the completion of the project the due of which expired on or after 25.03.2020, on account of unprecedented conditions due to outbreak of Covid-19. Hence, the proposed due date of possession comes out to be 16.03.2021.
- f) That the offer of possession was also subject to the incidence of force majeure circumstances under clause 16 of the agreement. The construction and development of the project was affected by circumstances which are beyond the control of the respondent. The respondent faced certain other force majeure events including but not limited to non-availability of raw material due to various orders of Hon'ble Punjab and Haryana High Court and National Green Tribunal thereby regulating the mining activities, brick kilns, regulation of the construction and development activities by the judicial authorities in

NCR on account of the environmental conditions, restrictions on usage of water, etc. These orders in fact inter-alia continued till the year 2018. Similar orders staying the mining operations were also passed by the Hon'ble High Court of Punjab and Haryana and the National Green Tribunal in Punjab and Uttar Pradesh as well. The stopping of mining activity not only made procurement of material difficult but also raised the prices of sand/gravel exponentially. It was almost for 2 years that the scarcity as detailed aforesaid continued, despite which, all efforts were made, and materials were procured at 3-4 times the rate and the construction of the Project continued without shifting any extra burden to the customer. It is to be noted that the development and implementation of the said project have been hindered on account of several orders/directions passed by various authorities/forums/courts. Additionally, even before normalcy could resume, the world was hit by the Covid-19 pandemic. The covid-19 pandemic resulted in serious challenges to the project with no available laborers, contractors etc. for the construction.

- g) That as per license condition, developer are required to complete these projects within a span of 4 years from the date of issuance of environmental clearance since they fall in the category of special time bound project under Section 7B of the Haryana Development and Regulation of Urban Area Act 1975, for a normal Group Housing Project there is no such condition applied hence it is required that 4 years prescribed period for completion of construction of Project shall be hindrance free and if any prohibitory order is passed by competent authority like National Green Tribunal or Hon'ble Supreme Court then

the same period shall be excluded from the 4 years period or moratorium shall be given in respect of that period also.

- h) That in a similar case where such orders were brought before the Ld. Authority was in Complaint No. 3890 of 2021 titled "Shuchi Sur and Anr. vs. M/s. Venetian LDF Projects LLP" which was decided on 17.05.2022, wherein the Hon'ble Authority was pleased to allow the grace period and hence, the benefit of the above affected 166 days need to be rightly given to the respondent.
- i) That even the UPRERA Authority at Gautam Budh Nagar has provided benefit of 116 days to the developer on account of various orders of NGT and Hon'ble Supreme Court directing ban on construction activities in Delhi and NCR, 10 days for the period 01.11.2018 to 10.11.2018, 4 days for 26.70.2019 to 30.10.2019, 5 days for the period 04.11.2019 to 08.11.2019 and 102 days for the period 04.17.2019 to 74.02.2020. The Authority was also pleased to consider and provided benefit of 6 months to the developer on account of the effect of COVID also.
- j) That the Hon'ble UP REAT at Lucknow while deciding appeal No. 541 of 2011 in the matter of Arun Chauhan Versus Gaur sons Hi- Tech Infrastructure Pvt Ltd vide order dated 02.11.2021 has also granted the extension of 116 days to the promoter on account of delay in completion of construction on account of restriction/ban imposed by the Environment Pollution (Prevention & Control) Authority as well vide order of Hon'ble Supreme Court Dated 14.11.2019.
- k) That Karnataka RERA vide notification No. K-RERA/Secy/04/2019-20 and No. RERA/SEC/CR-04/2019-20 has also granted 9 months extension in lieu of Covid-19 pandemic. Moreover, this Ld. Authority had in similar

matters of the had allowed the benefit of covid grace period of 6 months in a no. of cases.

- l) Despite there being several defaulters in the project, the respondent had to infuse funds into the project and have diligently developed the project in question. Despite the default caused, the respondent got sanctioned loan from SWAMIH fund of Rs. 44.30 Crores to complete the project and has already invested Rs. 35 Crores from the said loan amount towards the project. The respondent has already received the FIRE NOC, LIFT NOC, the sanction letter for water connection and electrical inspection report.
- m) That the respondent has applied for occupation certificate on 08.12.2023. Once an application for grant of occupation certificate is submitted for approval in the office of the statutory authority concerned, respondent ceases to have any control over the same. Therefore, the time utilized by the statutory authority to grant occupation certificate to the respondent is required to be excluded from computation of the time utilized for implementation and development of the project.
- n) That the complainant has been allotted unit under the Affordable Housing Policy, 2013 which under clause 5(iii)(b), clearly stipulated the payment of consideration of the unit in six equal installments. The complainant is liable to make the payment of the installments as per the government policy under which the unit is allotted. At the time of application, the complainant was aware of the duty to make timely payment of the installments. Not only as per the Policy, but the complainant was also under the obligation to make timely payment of installments as agreed as per the BBA.
- o) That the complainant has failed to make any payment of installment at "within 36 months from the due date of Allotment" along with partial

payment towards previous instalments. The complainant cannot rightly contend under the law that the alleged period of delay continued even after the non-payment and delay in making the payments. The non-payment by the complainant affected the construction of the project and funds of the respondent. That due to default of the complainant, the respondent had to take loan to complete the project and is bearing the interest on such amount. The respondent reserves the right to claim damages before the appropriate forum.

- p) That it is the obligation of the complainant under the Affordable Housing Policy, 2013 (as on the date of Allotment) and the Act to make timely payments for the unit. In case of default by the complainant the unit is liable to be cancelled as per the terms of Affordable Housing Policy, 2013.
- q) That the respondent issued a final reminder letter dated 05.08.2024 via email requesting the complainant to pay the outstanding dues. In complete default, the complainant failed to make the payment in 15 days. Thus, the unit of the complainant is liable to be cancelled in terms of clause 5(iii)(i) of the policy and clause 3.7 of the buyer's agreement.
- r) That the complainant has not only in breach of the buyer's agreement but also in breach of the Affordable Housing Policy and the RERA Act, by failing to make the due payments for installments. The unit has been cancelled, and this complaint is bound be dismissed in favor of the respondent.
- s) That without prejudice, assuming though not admitting, relief of delayed possession charges, if any, cannot be paid without adjustment of outstanding instalment from due date of instalment along with interest @15% p.a. That, moreover, without accepting the contents of the complaint in any manner whatsoever, and without prejudice to the rights

of the respondent, the unit of complainant can be retained only after payment of interest on delayed payments from the due date of instalment till the date of realization of amount. Further delayed interest if any must be calculated only on the amounts deposited by the complainant towards the sales consideration of the unit in question and not on any amount credited by the respondent, or any payment made by the complainant towards delayed payment charges or any taxes/statutory payments, etc

12. It is pertinent to note that complaint case no. 1902 of 2024 and complaint case no. 1918 of 2024 mentioned above were filed on 13.05.2024 in the Authority. Further, the respondent was granted opportunity to put in appearance and file a reply in both the complaint cases. However, despite giving specific multiple directions and providing an opportunity of being heard, no written reply has been filed by the respondent. In view of the same, the matter was proceeded ex-parte against the respondent vide order dated 02.04.2025 in both these complaints.

13. Copies of all the relevant documents have been filed and placed on the record. Their authenticity is not in dispute. Hence, the complaint can be decided on the basis of these undisputed documents and submission made by the parties.

E. Jurisdiction of the authority

14. The authority observes that it has territorial as well as subject matter jurisdiction to adjudicate the present complaint for the reasons given below.

15. In the present case, the project in question is

situated within the planning area of Gurugram District. Therefore, this authority has a complete territorial jurisdiction to deal with the present complaint.

F. Findings on the objections raised by the respondent.

F.I Objection regarding delay due to force majeure circumstances.

18. It is contended on behalf of respondent that due to various circumstances beyond its control, it could not speed up the construction of the project, resulting in delays such as various orders passed by NGT and Hon'ble Supreme Court. All the pleas advanced in this regard are devoid of merit. The passing of various orders to control pollution in the NCR-region during the month of November is an annual feature and the respondent should have

taken the same into consideration before fixing the due date. Similarly, the various orders passed by other Authorities cannot be taken as an excuse for delay as it is a well-settled principle that a person cannot take benefit of his own wrong.

19. It is observed that the respondent was liable to complete the construction of the project, and the possession of the said unit was to be handed over by 16.09.2020 and is claiming benefit of lockdown amid covid-19. In view of notification no. 9/3-2020 dated 26.05.2020, the Authority has allowed six months' relaxation due to covid-19 and thus with same relaxation, even if due date for this project is considered as 16.09.2020 + 6 months, possession was to be handed over by 16.03.2021, but the respondent has failed to handover possession even within this extended period.

G. Findings on the relief sought by the complainant

- G.1 Direct the respondent to pay interest @ 8.65% per annum as per the prevailing MCLR plus 2% on the paid amount of Rs.13,80,371/- for delay period starting from 15.03.2021 till the actual handover of physical possession or offer of possession plus 2 months after obtaining OC, whichever is earlier, as per the provisions of the Act.
20. The factual matrix of the case reveals that the complainant booked a unit in the affordable group housing colony project of the respondent known as "63 Golf Drive" situated at sector 63-A, Gurugram, Haryana and was allotted unit no. 143, in tower A for a sale consideration of Rs.25,79,925/-. Further, the complainant is always ready and willing to retain the allotted unit in question and has paid a sum of Rs.22,46,610/- towards the allotted unit.
21. During the course of proceedings dated 02.04.2025, learned counsel for the respondent submitted that the complainants have instituted proceedings before the Hon'ble National Company Law Tribunal (NCLT) in Case No. 49 of 2025, seeking a refund along with interest at the rate of 24% per annum. It was further submitted that in the said NCLT proceedings, the date of default

has been stated as 31.03.2023, whereas in the present complaint(s) before this Authority, the complainants have asserted the due date as 16.03.2021 and have sought relief in the form of delayed possession charges and delivery of possession. In response, learned counsel for the complainants submitted that the matter before the Hon'ble NCLT is at the admission stage and that no order has been passed therein as of yet.

22. Upon considering the submissions made by both parties, it is observed that the matter before the NCLT is currently at the stage of admission and no order has been passed as on date. Therefore, at this juncture, there exists no bar under law that prevents this Authority from proceeding to adjudicate the present complaint(s) on merits.
23. It is pertinent to note that a final reminder letter dated 22.07.2024 and an e-mail dated 05.08.2024 was being sent to the complainant-allottee, thereby affording him an opportunity to clear the outstanding dues.
24. The Authority notes that the complainant has paid approximately 91% of the sale consideration, and the respondent was required to hand over the project by 16.09.2020 under the Affordable Housing Policy, 2013, excluding the COVID-19 grace period. Even with a six-month grace period in lieu of Covid-19 pandemic to 16.03.2021, the respondent failed to complete the project. More than three years later, the project remained incomplete, and the respondent has obtained the occupation certificate from the competent authority on 31.12.2024. The interest accrued during the delay period significantly reduces the amount payable by the complainant. Upon adjustment of this interest, the respondent would, in fact be liable to pay the complainant.
25. Additionally, as per Clause 9.2 of the Agreement for Sale, annexed as Annexure A to the Rules, 2017, the allottee has the right to stop making

further payments if the promoter defaults on its obligations. The relevant portion is reproduced below:

9.2 In case of Default by Promoter under the conditions listed above, Allottee is entitled to the following:

- (ii) Stop making further payments to Promoter as demanded by the Promoter. If the Allottee stops making payments, the Promoter shall correct the situation by completing the construction/development milestones and only thereafter the Allottee be required to make the next payment without any interest for the period of such delay; or...

(Emphasis Supplied)

26. In the present case, the promoter was obligated to complete the construction within four years from the date of either the environment clearance or the building plan approval, whichever was later, i.e., by 16.09.2020. However, the promoter failed to complete the project within this timeline. Even after granting a six-month extension due to the Covid-19 pandemic, extending the deadline to 16.03.2021, the promoter did not complete the construction. Thus, in accordance with Clause 9.2, the allottee was fully justified in stopping further payments.

27. Herein, the complainant intends to continue with the project and is seeking delay possession charges at a prescribed rate of interest on the amount already paid by him as provided under the proviso to Section 18(1) of the Act, which reads as under:-

"Section 18: - Return of amount and compensation

18(1). If the promoter fails to complete or is unable to give possession of an apartment, plot, or building, —

.....

Provided that where an allottee does not intend to withdraw from the project, he shall be paid, by the promoter, interest for every month of delay, till the handing over of the possession, at such rate as may be prescribed."

28. **Due date of handing over possession:** The project was to be developed under the Affordable Housing Policy, 2013, which clearly mandates that the

project must be delivered within 4 years from the date of commencement of project (as per clause 1(iv) of Affordable Housing Policy, 2013, all such projects shall be required to be necessarily completed within 4 years from the approval of building plans or grant of environmental clearance, whichever is later. This date shall be referred to as the "date of commencement of project" for the purpose of this policy). However, the respondent has chosen to disregard the policy provision. Clause 1(iv) of the Affordable Housing Policy, 2013 is reproduced as under:

"1(iv) All such projects shall be required to be necessarily completed within 4 years from the approval of building plans or grant of environmental clearance, whichever is later. This date shall be referred to as the "date of commencement of project" for the purpose of this policy. The licences shall not be renewed beyond the said 4 years period from the date of commencement of project."

29. In the present case, the date of approval of building plans is 10.03.2015, and the date of environment clearance is 16.09.2016. The due date of handing over of possession is reckoned from the date of environment clearance being later. Therefore, the due date of handing over of possession comes out to be 16.09.2020. Further as per **HARERA notification no. 9/3-2020 dated 26.05.2020**, an extension of 6 months is granted for the projects having a completion date on or after 25.03.2020. The completion date of the aforesaid project in which the subject unit is being allotted to the complainant is 16.09.2020 i.e., after 25.03.2020. Therefore, an extension of 6 months is to be given over and above the due date of handing over possession in view of notification no. 9/3-2020 dated 26.05.2020, on account of force majeure conditions due to the outbreak of Covid-19. As such the due date for handing over of possession comes out to be 16.03.2021.

30. Admissibility of delay possession charges at prescribed rate of interest:

The complainant is seeking delay possession charges till the date of delivery

of possession to the complainant. Proviso to Section 18 provides that where an allottee does not intend to withdraw from the project, he shall be paid, by the promoter, interest for every month of delay, till the handing over of possession, at such rate as may be prescribed and it has been prescribed under Rule 15 of the Rules, *ibid*. Rule 15 has been reproduced as under:

"Rule 15. Prescribed rate of interest- [Proviso to section 12, section 18 and sub-section (4) and subsection (7) of section 19]

- (1) For the purpose of proviso to section 12; section 18; and sub-sections (4) and (7) of section 19, the "interest at the rate prescribed" shall be the State Bank of India highest marginal cost of lending rate +2%.

Provided that in case the State Bank of India marginal cost of lending rate (MCLR) is not in use, it shall be replaced by such benchmark lending rates which the State Bank of India may fix from time to time for lending to the general public."

31. The legislature in its wisdom in the subordinate legislation under the provision of Rule 15 of the Rules, *ibid*, has determined the prescribed rate of interest. The rate of interest, determined by the legislature, is reasonable and if the said rule is followed to award interest, it will ensure uniform practice in all cases.
32. Consequently, as per website of the State Bank of India i.e., <https://sbi.co.in>, the marginal cost of lending rate (in short, MCLR) as on date i.e., 07.05.2025 is 9.10%. Accordingly, the prescribed rate of interest will be marginal cost of lending rate +2% i.e., 11.10%.
33. The definition of term 'interest' as defined under Section 2(za) of the Act provides that the rate of interest chargeable from the allottee by the promoter, in case of default, shall be equal to the rate of interest which the promoter shall be liable to pay the allottee, in case of default. The relevant section is reproduced below:

"(za) "interest" means the rates of interest payable by the promoter or the allottee, as the case may be.

Explanation. —For the purpose of this clause—

- (i) *The rate of interest chargeable from the allottee by the promoter, in case of default, shall be equal to the rate of interest which the promoter shall be liable to pay the allottee, in case of default.*
- (ii) *the interest payable by the promoter to the allottee shall be from the date the promoter received the amount or any part thereof till the date the amount or part thereof and interest thereon is refunded, and the interest payable by the allottee to the promoter shall be from the date the allottee defaults in payment to the promoter till the date it is paid;"*

34. Therefore, interest on the delay payments from the complainant shall be charged at the prescribed rate i.e., 11.10 % by the respondent which is the same as is being granted to them in case of delayed possession charges.
35. On consideration of the documents available on record and submissions made regarding contravention of provisions of the Act, the Authority is satisfied that the respondent is in contravention of the Section 11(4)(a) of the Act by not handing over possession by the due date as per the agreement.
36. It is the failure of the promoter to fulfil its obligations and responsibilities as per the buyer's agreement to hand over the possession within the stipulated period. Accordingly, the non-compliance of the mandate contained in Section 11(4)(a) read with Section 18(1) of the Act on the part of the respondent is established. As such the complainant is entitled to delay possession charges at the prescribed rate of interest i.e., @ 11.10% p.a. w.e.f. 16.03.2021 till the offer of possession plus 2 months or actual handing over of possession whichever is earlier as per provisions of Section 18(1) of the Act read with Rule 15 of the Rules, *ibid*.

G.II Direct the respondent to handover actual possession of the booked to the complainant.

37. In the present complaint, the grievance of the complainant is that the physical possession has not been handed over by the respondent to the complainants. The authority observes that the respondent-promoter has obtained occupation certificate of the said project from the competent

authority on 31.12.2024. Further, Section 17(1) of the Act of 2016 obligates the respondent-promoter to handover the physical possession of the subject unit to the complainant complete in all respect as per specifications mentioned in BBA and thereafter, the complainant-allottee is obligated to take the possession within 2 months as per provisions of Section 19(10) of the Act, 2016.

38. In view of the above, the respondent is directed to handover the possession of allotted unit to the complainant complete in all respect as per specifications of buyer's agreement within a period of one month from date of this order after payment of outstanding dues, if any, as the occupation certificate for the project has already been obtained by it from the competent authority.

G.III Direct the respondent to raise last demand as per Affordable Housing Policy towards consideration of the said unit in order to make payment.

39. The Authority is of the view that the respondent/promoter shall not charge anything from the complainant which is not the part of the builder buyer agreement and under the Affordable Housing Policy, 2013.
40. It is pertinent to mention here that the Authority, vide its order dated 29.04.2024, had already directed the de-freezing of the respondent's bank accounts to a limited extent, thereby permitting the receipt of incoming funds and authorizing the respondent to withdraw amounts from the escrow account for the specific purpose of discharging statutory liabilities, including renewal of license, furnishing of bank guarantees, and payment of fees to RERA/DTCP.
41. Accordingly, the complainant is directed to deposit the amount raised in the last demand by the respondent, if any outstanding dues remain after adjusting the amount towards delayed possession charges.

G.IV Direct the respondent to get the copy of OC as such the respondent claims that they have applied for OC.

42. As per the submissions made by the counsel for the respondent, the Authority finds that the respondent has obtained the occupation certificate for the said project on 31.12.2024.
43. As per Section 11(4)(b) of Act of 2016, the respondent is under an obligation to supply a copy of the occupation certificate/completion certificate or both to the complainant-allottee. The relevant part of section 11 of the Act of 2016 is reproduced as hereunder: -

"11(4)....

(b) The promoter shall be responsible to obtain the completion certificate or the occupancy certificate, or both, as applicable, from the relevant competent authority as per local laws or other laws for the time being in force and to make it available to the allottees individually or to the association of allottees, as the case may be."

44. Even otherwise, it being a public document, the allottee can have access to the it from the website of DTCP, Haryana.

G.V Direct the respondent to pay litigation charges of Rs.50,000/- and financial loss of Rs.5,00,000/- in terms of extra interest paid to bank, due to delay in handing over of possession of the said unit.

45. The complainants are seeking the above-mentioned relief with respect to compensation. The Hon'ble Supreme Court of India in *Civil Appeal nos. 6745-6749 of 2021 titled as "M/s Newtech Promoters and Developers Ltd. V/s State of UP and Ors."* has held that an allottee is entitled to claim compensation and litigation charges under Sections 12, 14, 18 and Section 19 which is to be decided by the adjudicating officer as per Section 71 and the quantum of compensation and litigation expense shall be adjudged by the adjudicating officer having due regards to the factors mentioned in Section 72. The adjudicating officer has exclusive jurisdiction to deal with the complaints in respect of compensation and legal expenses.

H. Directions of the authority

46. Hence, the authority hereby passes this order and issues the following directions under Section 37 of the Act to ensure compliance of obligations cast upon the promoter as per the function entrusted to the authority under Section 34(f):

- V. The respondent is directed to issue a revised statement of account after adjustment of delayed possession charges, and other reliefs as per above within a period of 30 days from the date of this order. The

complainants are directed to pay outstanding dues if any remains, after adjustment of delay possession charges within a period of next 30 days.

The respondent is directed to handover the possession of the allotted unit to the complainant complete in all aspects as per specifications of buyer's agreement within one month from date of this order, as the occupation certificate in respect of the project has already been obtained by it from the competent authority.

47. This decision shall mutatis mutandis apply to cases mentioned in para 3 of this order.

49. Files be consigned to the registry.
