3. As per clause 10(a) of the agreement, the possession was to be handed over within a period of 36 months from the date of start of construction i.e. 09.08.2012 plus grace period of 3 months for applying and obtaining the CC/OC in respect of the unit and/or the project which comes out to be 09.11.2015. Clause 10 of the buyer's agreement is reproduced below:

"10. POSSESSION

(a) Time of handing over the possession

Subject to terms of this clause and subject to the allottee(s) having complied with all the terms and conditions of this buyer's agreement, and not being in default under any of the provisions of this buyer's agreement and compliance with all provisions, formalities, documentation etc. as prescribed by the company, the company proposes to hand over the possession of the unit within 36 months from the date of start of construction, subject to timely compliance of the provisions of the buyer's agreement by the allottee. The allottee(s) agrees and understands that the company shall be entitled to a grace period of 3 months, for applying and obtaining the completion certificate/occupation certificate in respect of the unit and/or the project."

4. The complainant submitted that a period of 7 years has already been passed if calculated from date of execution of the buyer's agreement but neither the possession of the apartment nor the complete amount towards the compensation for delayed possession has been paid to the complainant till date. The respondent has miserably failed to adhere to the terms and conditions clauses set out by the respondent company and the RERA provisions. Hence, this complaint inter-alia for the following reliefs:

- i. Restrain the respondent from cancellation/ alienating/ transferring the subject unit in the project developed by the respondent.
- ii. Direct the respondent to pay interest to the complainant for the inordinate delay in handing over the possession of the unit from the due date of possession as per the flat

- buyer's agreement till the grant of physical possession in terms of the Act.
- iii. Quashing of the clauses in the buyer's agreement pertaining to penal interest chargeable unilaterally by the respondent particularly clause 1.2(b) of the agreement.
 - iv. Quashing of the demand letter dated 06.05.2019 and other related/prior letter as they levy illegal and arbitrary charges including but not limited to holding charges on the complainant.
5. On the date of hearing, the Authority explained to the respondent/promoter about the contravention as alleged to have been committed in relation to section 11(4)(a) of the Act to plead guilty or not to plead guilty.
6. The respondent contests the complaint on the following grounds:
- i. The respondent submitted that complaints pertaining to compensation and interest are to be decided by the Adjudicating Officer under Section 71 of the Act read with rule 29 of the Rules and not by this hon'ble authority.
 - ii. The respondent submitted that the complainant had opted for an instalment payment plan and had agreed and undertaken to make payment in a timely manner as per the payment plan upon demands raised by the

- respondent. However, the complainant was irregular with regard to payment of instalments right from the very beginning and the respondent was constrained to issue reminders to the complainant for payment.
- iii. That as per clause 10(b)(iv), in case of any default/delay in payment of instalments as per the schedule of payment incorporated in the buyer's agreement, the date of handing over of possession shall be extended accordingly, solely on the respondent's discretion till the payment of all outstanding amounts to the satisfaction of the respondent. Since, the complainant has admittedly defaulted in timely remittance of instalments as per schedule of payment, the date of delivery of possession is not liable to be determined in the manner sought to be done in the present case by the complainant.
- iv. The respondent submitted that the time period utilised by the concerned statutory authority to grant OC to the respondent needs to be necessarily excluded from computation of the time period for implementation of the project. Furthermore, no compensation or interest or any other amount can be claimed for the period utilised by the concerned statutory authority for issuing OC in terms of the buyer's agreement.

7. Copies of all the relevant documents have been filed and placed on the record. Their authenticity is not in dispute. Hence, the complaint can be decided on the basis of these undisputed documents.
8. The Authority, on the basis of information and explanation and other submissions made and the documents filed by the complainant, is of considered view that there is no need of further hearing in the complaint.
9. Arguments heard.
10. The Act is to protect the rights of the stake-holders i.e. the promoter, allottee and the real estate agent as provided under the Act and also to balance their interest as per its provisions. The Authority is empowered to not only monitor the projects but also to ensure their timely compliance and in case where the projects are held up or stopped to take steps so that these are completed in time and interests of allottees are protected.
11. On consideration of the circumstances, the documents and other record, submissions made by the parties and based on the findings of the authority regarding contravention as per provisions of rule 28(2)(a), the Authority is satisfied that the respondent is in contravention of the provisions of the Act. By virtue of clause 10(a) of the buyer's agreement executed between the parties on 24.02.2012, possession of the booked

unit was to be delivered within a period of 36 months plus 3 months grace period from the date of start of construction (i.e. 09.08.2012). The grace period of 3 month is allowed to the respondent due to exigencies beyond the control of the respondent. Therefore, the due date of handing over possession comes out to be 09.11.2015. In this case, possession has already been offered to the complainant on 06.05.2019 after receipt of OC dated 02.05.2019. The complainant has already paid Rs.96,38,405/- against the total sale consideration of Rs.95,84,435/- as per statement of account dated 12.06.2019 at page 113 and 115 of reply. As such this project is to be treated as on-going project and the provisions of the Act shall be applicable equally to the builder as well as allottee. Accordingly, it is the failure of the promoter to fulfil his obligations, responsibilities as per the buyer's agreement dated 24.02.2012 to hand over the possession within the stipulated period. Accordingly, the non-compliance of the mandate contained in section 11(4)(a) read with section 18(1) of the Act on the part of the respondent is established. As such the complainant is entitled to delayed possession at rate of the prescribed interest @ 10.20% p.a. w.e.f. 09.11.2015 till the offer of possession as per provisions of section 18(1) of the Act read with rule 15 of the Rules.

12. Hence, the Authority hereby pass the following order and issue directions under section 34(f) of the Act:

- i. The respondent is directed to pay the interest at the prescribed rate i.e. 10.20% per annum for every month of delay on the amount paid by the complainant from due date of possession i.e. 09.11.2015 till the offer of possession i.e. 06.05.2019. The arrears of interest accrued so far shall be paid to the complainant within 90 days from the date of this order.
- ii. The complainant is directed to pay outstanding dues, if any, after adjustment of interest for the delayed period.
- iii. The respondent shall not charge anything from the complainant which is not part of the buyer's agreement.
- iv. Interest on the due payments from the complainant shall be charged at the prescribed rate @10.20% by the promoter which is the same as is being granted to the complainant in case of delayed possession charges.

13. Complaint stands disposed of.

14. File be consigned to registry.
