1. This order shall dispose of above captioned complaints filed by the complainants before this Authority under Section 31 of the Real Estate (Regulation & Development) Act, 2016 (for short Act of 2016) read with Rule 28 of the Haryana Real Estate (Regulation & Development) Rules, 2017 for violation or contravention of the provisions of the Act of 2016 or the Rules and Regulations made thereunder, wherein it is inter-alia prescribed that the promoter shall be responsible to fulfill all the obligations, responsibilities and functions towards the allottee as per the terms agreed between them.
2. The above captioned three complaints are taken up together as facts and grievances of these complaints are more or less identical and relate to the same project of the respondent, i.e., "Springwoods City", situated in the revenue estate of Village Maheshwari, Sector-22, Tehsil Dharuhera, District Rewari, Haryana. The fulcrum of the issue involved in these cases pertains to failure on the part of respondent/promoters to deliver timely possession of unit in question. Therefore, Complaint No. 2741 of 2023 titled "Neha versus Ambition Colonisers Pvt. Ltd." has been taken as lead case for disposal of these two matters.

B. FACTS OF THE COMPLAINT No. 2741 OF 2023

5. Case of the complainant is that in the beginning of September 2020, the Respondent, approached the complainant with an offer to purchase a residential plot in its project namely “Springwoods City”, situated in the revenue estate of Village Maheshwari, Sector-22, Tehsil Dharuhera, District Rewari, Haryana. On 11.09.2020, the Complainant visited the Respondent's branch office, where the Respondent explained the project details, development plan and amenities of the said Project, including round-the-clock security and development under the Deen Dayal Jan Awas Yojna (DDJAY) of the Government of Haryana. Relying upon these assurances of the respondent, Complainant enquired about the availability of Plot No. 11, admeasuring 135.77 square yards. That relying upon these assurances, Complainant booked Plot No. 11 measuring approximately 135.77 sq. yards and paid a sum of ₹1,25,000/- vide cheque No. 25002 dated 11.09.2020 towards booking amount.

6. That as per the Application Form, the sale price of the said plot was agreed at the rate of ₹21,000/- per square yard, inclusive of EDC and IDC as prevailing at the time of grant of licence. At the time of execution of the Application Form, Respondent categorically agreed and promised that there would be no change, amendment or variation in either the area or the sale price of the said plot from what was committed in the application form.
7. That for arranging finances, the Complainant applied for a housing loan with HDFC Bank vide Application No. 656654540 dated 06.11.2020, which was duly approved by the bank on 21.11.2020. A copy of the loan application is annexed as Annexure-P2, and a copy of the loan approval email is annexed as Annexure-P3.
8. That on 14.12.2020, the Respondent executed a Plot Buyer's Agreement in respect of the said plot and got the same registered at the office of the Sub-Registrar, Dharuhera, vide Registration No. 1481 dated 14.12.2020. A copy of the said Buyer's Agreement dated 14.12.2020 is annexed as Annexure-P1. The agreement imposes severe and oppressive consequences upon the Complainant for even a single alleged breach, including forfeiture of 20% of the total consideration value under the guise of "earnest money", as well as imposition of penal interest @ 20% per annum on delayed payments, which the Respondent claimed to be its "standard company policy".

9. That the Complainant strongly objected to these illegal, arbitrary and one-sided clauses contained in the provisional allotment letter and Buyer's Agreement. However, the Complainants was left with no real bargaining power, as refusal to sign the agreement or stoppage of further payments would have resulted in immediate cancellation of the allotment and forfeiture of 20% of the total sale consideration from the amount already paid. Under such coercive circumstances, the Complainant was compelled to sign the Buyer's Agreement.
10. That as per Clause 7.1 of the Plot Buyer's Agreement dated 14.12.2020, the Respondent categorically agreed and undertook to complete development of the said plot and hand over possession within a period of 24 months plus a grace period of 12 months from the date of execution of the Buyer's Agreement. Accordingly, the committed date for handing over possession of the said plot was 14.12.2022. However, to the utter shock and dismay of the Complainant, the Respondent failed to deliver possession within the agreed time frame and has thus blatantly breached the terms of the Plot Buyer's Agreement.
11. That even as on the committed possession date and thereafter, the Respondent had not completed basic and essential development works at the project site. The Respondent failed to complete or make functional the STP and sewerage

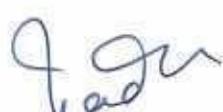

system, provide storm water drainage facilities, ensure availability of drinking water supply, commence or complete internal roads and start or provide electricity infrastructure. The project site remains grossly underdeveloped and unfit for possession, rendering the Respondent's promise of timely delivery false and illusory.

12. That from the date of booking i.e. 06.11.2020 till 14.12.2023, the Respondent raised only two demand notices towards the sale consideration of the said plot. The Complainant duly paid and satisfied both demands strictly in accordance with the Plot Buyer's Agreement, without any delay or default whatsoever.
13. That the Complainant has at all times been ready and willing to perform her contractual obligations and has repeatedly requested the Respondent to raise further demands as per the payment schedule so that the balance consideration could be paid. However, the Respondent deliberately failed to raise further demands and did not respond to repeated communications made by the Complainant. Copies of email communications and payment receipts evidencing due compliance by the Complainant are annexed as Annexure-P4 and Annexure-P5.
14. That as per Schedule-C (Part-I) of the Plot Buyer's Agreement, titled "*Description of Total Price of the Unit*", the total sale consideration for the

said plot was fixed at ₹28,51,170/-, inclusive of applicable government charges such as EDC and IDC. A copy of the Buyer's Agreement containing Schedule-C is annexed as Annexure-P1.

15. That pursuant thereto, the Complainant paid a total amount of ₹5,70,000/- to the Respondent through cheques and RTGS on various dates between 07.11.2020 and 25.02.2021, towards the sale consideration (along with applicable taxes) for Plot No. 11, Springwoods City, Sector-22, Dharuhera, District Rewari, Haryana.
16. That vide letter dated 11.12.2021, the Respondent for the first time informed the Complainant that the Hon'ble Punjab & Haryana High Court at Chandigarh, vide order dated 11.02.2021 passed in the matter titled "Jai Singh vs. State of Haryana & Ors.", had directed that "Status Quo Be Maintained".
17. That the Respondent further stated that due to the said order, all activities at the project Springwoods City were at a standstill owing to a dispute between the Respondent and the project landowners.
18. That it is pertinent to mention that the Respondent intentionally and deliberately concealed the existence of the said litigation from the Complainant at the time of booking, execution of the Buyer's Agreement and receipt of substantial payments. The Respondent failed to disclose that a land

A handwritten signature in black ink, appearing to read "J. G. Verma".

dispute was already pending, which directly affected the legality, feasibility and timeline of the project.

19. That such concealment amounts to fraud, misrepresentation and suppression of material facts, and clearly establishes that the Respondent induced the Complainant to invest in the project despite being fully aware that the project was embroiled in litigation and could not progress as promised. A copy of the email communication dated 11.12.2021 is annexed as Annexure-P6.
20. That the Respondent, vide letter dated 13.02.2023, purportedly invited objections on a Proposed Revised Site Layout; however, the said letter was sent only through a WhatsApp message, and not through any official or prescribed mode of communication. When the Complainant specifically requested the Respondent to share the said communication through official email or registered postal mode, the Respondent deliberately failed and neglected to do so. That the Respondent also did not publish any public notice in any leading newspaper, despite the mandatory requirement under the Buyer's Agreement (BBA) for effecting any revision or modification in the approved site layout. Such conduct clearly reflects arbitrariness, lack of transparency, and violation of contractual obligations. A copy of the Respondent's letter dated 13.02.2023 is appended as Annexure P-8.

21. That on 23rd March 2023, Complainant received a WhatsApp call from mobile number 8860088400, belonging to Ms. Nidhi, an employee/representative of the Respondent Company. During the said call, Ms. Nidhi categorically informed the Complainant that if the Complainant wished to continue with the project, she would be required to pay an additional amount over and above the agreed sale consideration, without any legal basis, approval, or justification. The said demand was completely arbitrary, illegal, and contrary to the terms of the Buyer's Agreement, amounting to coercion and unfair trade practice.
22. That due to the persistent non-cooperation, arbitrary demands, and failure of the Respondent to provide clarity regarding possession and project development, the Complainant was constrained to issue a Legal Notice dated 01.04.2023 through Trinity Law Firm, addressed to the Respondent Company as well as its Directors. Despite due service, the Respondent deliberately chose not to reply to the said legal notice, which further establishes its mala fide intent. A copy of the Legal Notice dated 01.04.2023 is annexed as Annexure P-7.
23. That as per the terms of the Buyer's Agreement, the due date for handing over possession of the Plot was 14th December 2022. From 01.12.2022 till 14.12.2023, the Complainant repeatedly visited the Respondent's office and

made several personal follow-ups seeking information regarding possession of the said Plot. However, despite the lapse of more than 37 months from the date of booking, the Respondent has miserably failed to hand over possession, complete basic development works, or even provide a realistic timeline for completion of the project. Despite repeated oral and written requests, the Respondent has not paid any heed and has intentionally kept the Complainant in the dark, thereby causing immense mental harassment and financial loss.

24. That the conduct of the Respondent in delaying possession, raising unlawful demands, and avoiding official communication clearly manifests that the Respondent never had any bona fide intention to deliver possession of the said Plot within the agreed timeline. It has become evident that the promises, assurances, and representations made at the time of booking were false, misleading, and illusory, made solely to induce the Complainant into purchasing the Plot.

C. RELIEFS SOUGHT

25. Complainant has sought following reliefs:

- a. Pass an order to direct the Respondent to update the Complainant on the status of Construction of the said project and status of Occupation Certificate of the Project.

A handwritten signature in black ink, appearing to read "J. H. D." or a similar initials.

- b. Pass an order to direct the Respondent to raise the demands as per the construction link schedule provided in Schedule -C (Part-II) of the BBA.
- c. Pass an order to direct the Respondent to execute the Conveyance Deed in favour of Complainant after obtaining Occupation Certificate of Project
- d. Pass an order to direct the Respondent to furnish the details of Financial Institution which are facilitating Housing Loans allottees of the Project of Respondent.
- e. Pass an order to direct the Respondent to pay delay possession interest to complainant from due date of Possession i.e 14.12.2022 to till the time valid offer of Possession is issued to Complainant.
- f. Pass an order to direct the Respondent to pay an amount of ₹ 55,000/- to the Complainant as cost of the present litigation.
- g. Any other relief/order or direction which this Hon'ble Authority may deems fit and proper considering the facts and circumstances of the present complaint.

D. REPLY ON BEHALF OF RESPONDENT

26. Respondent has filed a detailed reply in the registry on 14.02.2025 pleading therein as under-

27. That the present reply is filed on behalf of the Respondent Company through its Authorized Representative Mr. Yogesh Singh, S/o Shri Randeep Singh, aged about 37 years, R/o House No. 872, Barwala, Panchkula, Haryana-134118, who is duly authorized by virtue of Board Resolution dated 07.01.2023, annexed herewith as Annexure R-1.
28. The complaint discloses no valid cause of action against the answering Respondent. The alleged cause of action is false, illusory and self-created, arising solely due to the Complainant's failure to comply with contractual obligations.
29. That the Respondent Company is the duly licensed and registered promoter of the project "Springwoods City", Village Maheshwari, Sector-22, Dharuhera, District Rewari, Haryana. After grant of licence, the Respondent applied for registration of the said project under the HRERA Act, 2016, and this Hon'ble Authority was pleased to grant RERA Registration No. HRERA-PKL-RWR-99-2019 dated 25.02.2019, valid till 10.02.2026. The Respondent completed a substantial portion of development and accordingly applied for Part Completion Certificate on 28.10.2020, annexed as Annexure R-2.
30. On 31.10.2020, the Complainant applied for allotment of a plot in the developed portion of the project, pursuant to which Plot No. 11 was allotted vide Allotment Letter dated 07.11.2020 under the Down Payment Plan,

annexed as Annexure R-3. Thereafter, a Plot Buyer's Agreement dated 14.12.2020 was executed and duly registered. The agreement strictly conforms to the model agreement approved by HRERA and was executed with the Complainant's full consent, knowledge and acceptance. As per the Down Payment Plan, the Complainant was required to pay the entire sale consideration within the stipulated time.

31. Accordingly, a demand letter dated 15.01.2021 for ₹26,07,540/- was issued. However, the Complainant paid only ₹2,85,000/-, leaving a substantial outstanding amount unpaid. The Complainant has deliberately concealed the said demand letter and has falsely alleged that all demands were paid. A copy of demand letter dated 15.01.2021 is annexed as Annexure R-5. Despite repeated opportunities, the Complainant failed to regularize payments. Consequently, a final demand-cum-reminder dated 16.01.2023 was issued (Annexure R-6).
32. Due to continued non-payment, the Respondent issued Cancellation Notice-I dated 20.02.2023, followed by Final Cancellation Notice-II dated 17.06.2023, strictly in accordance with Clause 9.3 of the Agreement, annexed as Annexure R-7 and R-8 respectively. Thus, the allotment of Plot No. 11 stands validly cancelled, and the Complainant has no subsisting right, title or interest in the said plot. The Complainant, after paying merely ₹5.7 Lakhs, has sought

to claim rights over a property whose value has substantially increased due to the Respondent's investment and development efforts. The Hon'ble NCDRC in *Prateek Realtors (P) Ltd. v. Vivek Kumar Gupta* (08.10.2018) has categorically held that cancellation due to payment default is legal and justified.

33. As per Clause 7.1 of the Agreement, possession was to be delivered within 24 months plus 12 months grace period, i.e., by 14.12.2023. The complaint was filed on 02.01.2024, without accounting for force majeure periods, including COVID-19 pandemic disruptions, Construction bans imposed by NGT /CAQM, Court-ordered status quo. Therefore, even otherwise, the complaint is premature and unsustainable.
34. Clause 33 of the Agreement mandates amicable resolution and arbitration, failing which the matter lies before the Adjudicating Officer appointed under the Act. Further, the Agreement confers exclusive jurisdiction upon courts/tribunals at Delhi, rendering the present proceedings not maintainable.
35. Allegations regarding threats, coercion, demand of extra money, revised layout, or denial of access are false, concocted and denied. Any communication regarding layout revision was in compliance with applicable law and regulatory requirements. The Respondent has applied for Completion

Certificate vide application dated 26.06.2023, pending approval with DTCP, annexed as Annexure R-9.

36. The Complainant has concealed demand letters, suppressed cancellation notices, made false statements regarding payment compliance. It is a settled principle that a litigant who suppresses material facts is not entitled to any equitable relief. Without admitting any liability, the Respondent submits that if any amount is found refundable strictly as per the Agreement, the Respondent is willing to act in accordance with contractual terms.

E. ARGUMENTS OF LEARNED COUNSELS FOR COMPLAINANT AND RESPONDENT

37. Learned Counsels appearing on behalf of both the parties reiterated the submissions made in their respective complaint, reply and supporting documents. The issues arising therefrom have already been addressed and dealt with in the foregoing paragraphs of this order.

F. ISSUE FOR ADJUDICATION

38. Whether the complainant is entitled to the relief of possession of plot booked by her along with interest for delay in handling over the possession in terms of Section 18 of the RERA Act of 2016?

G. OBSERVATIONS AND DECISION OF AUTHORITY

The Authority has gone through the rival contentions. In light of the background of the matter as captured in this order and also the arguments submitted by both the parties.

39. The complainant initially booked Plot No. 11, admeasuring 135.77 sq. yds., in the respondent's project titled "*Springwood City*", situated at Village Maheshwari, Sector-22, Tehsil Dharuhera, District Rewari, Haryana. An Agreement to Sell was entered into between the parties in the year 2020. As per the Agreement, the total sale consideration of the said plot is ₹28,51,170/- against which the complainant has paid a sum of ₹5,70,000/-. The complainant has approached this Authority alleging failure on the part of the respondent to offer possession of the plot within the stipulated time period and has sought relief in the nature of possession along with interest for the alleged delay, and execution of the conveyance deed.
40. With regard to the date of execution of the Agreement to Sell, it is noted that both parties have stated that the Agreement was executed on 14.12.2020. However, upon perusal of the Agreement to sell placed on record, it is observed that the Agreement bears the date 10.12.2020. Further, the stamp affixed on the Agreement issued by the Government of Haryana is also dated 10.12.2020. In view of the aforesaid documentary evidence, this Authority

concludes that the Agreement to sell between the parties was executed on **10.12.2020**.

41. Further, as per Clause 7.1 of the Agreement to sell, "*the Promoter shall hand over the possession of the unit as per the agreed terms and conditions within a period of 24 months, along with a grace period of 12 months, from the date of execution of the Agreement.*" Since the Agreement to Sell has been concluded to have been executed on 10.12.2020, the contractual period for handing over possession, including the grace period, expires on 10.12.2023. Accordingly, the deemed date for offering possession of the unit is **10.12.2023**.

42. Further, respondent has challenged the maintainability of the complaint on the following grounds:

i. *There is no contravention of the provisions of the Real Estate (Regulation and Development) Act, 2016 and further no cause of action has been pleaded in the entire complaint.*

In this regard it is observed that the captioned complaint pertains to sale and purchase of an independent plot bearing no. 11 in the project being developed by the respondent namely "*Springswood City*", situated at Village Maheshwari, Sector-22, Tehsil Dharuhera, District Rewari, Haryana. Agreement to sell was executed between the parties on 10.12.2020. Through this agreement the respondent builder had promised delivery of possession of the unit to the allottee/complainant in a stipulated time period. However, the

respondent has failed to deliver possession of the booked unit and thus there is a deficiency in service, on account of which the complainant/allottee has filed the present complaint. This is a clear violation and contravention of the terms of agreement to sell dated 10.12.2020 as well as provisions under Section 11(4) of the Real Estate (Regulation and Development) Act, 2016. As per Section 11(4) (a) of the RERA Act 2016, the promoter shall be responsible for all obligations, (responsibilities) and function under the provisions of this Act or the rules and regulations made thereunder or to the allottees, as per the agreement for sale. Since, the respondent has failed to fulfill its obligation, a cause of action arose against the respondent promoter and in favor of the complainant on account of deficiency in service, thus the complainant/ allottee becomes entitled to seek relief in terms of Section 18 of the RERA Act. Therefore, the objection of the respondent that the present complaint is not maintainable is rejected.

- ii. *That Clause 33 of the Agreement mandates amicable resolution and arbitration, failing which the matter lies before the Adjudicating Officer appointed under the Act.*

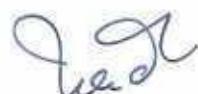

With regard to the above issue, the Authority is of the opinion that jurisdiction of the Authority cannot be fettered by the existence of an arbitration clause in the agreement as it may be noted that section-79 of the RERA Act bars the jurisdiction of civil courts about any matter which falls within the purview of this Authority, or the Real Estate appellate Tribunal. Thus, the intention to

render such disputes as non-arbitrable seems to be clear. Also, section 88 of the RERA Act says that the provisions of this Act shall be in addition to and not in derogation of the provisions of any other law for the time being in force. Further, the Authority puts reliance on catena of judgments of the Hon'ble Supreme Court, particularly on *National Seeds Corporation Ltd. v. M. Madhusudhan Reddy and Anr. (2012) 2 SCC 506*, wherein it has been held that the remedies provided under the Consumer Protection Act are in addition to and not in derogation of the other laws in force, consequently the Authority would not be bound to refer parties to Arbitration even if the agreement between the parties had an arbitration clause. Further, in *Aftab Singh and ors. v. Emaar MGF Land Ltd and ors., Consumer case no. 701 of 2015 decided on 13.07.2017*, the National Consumer Disputes Redressal Commission, New Delhi (NCDRC) has held that the arbitration clause in agreements between the complainant and builder could not circumscribe the jurisdiction of a consumer. The relevant paras are reproduced below:

"49. Support to the above view is also lent by Section 79 of the recently enacted Real Estate (Regulation and Development) Act, 2016 (for short the Real Estate Act"), Section 79 of the said Act reads as follows-

"79. Bar of jurisdiction - No civil court shall have jurisdiction to entertain any suit or proceeding in respect of any matter which the Authority or the adjudicating officer or the Appellate Tribunal is empowered by or under this Act to determine and no injunction shall be granted by any court or other authority in respect of any action taken or to be taken in pursuance of any power conferred by or under this Act."

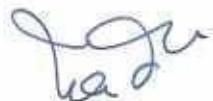

It can thus, be seen that the said provision expressly ousts the jurisdiction of the Civil Court in respect of any matter which the Real Estate Regulatory Authority, established under Sub-section (1) of Section 20 or the Adjudicating Officer, appointed under Sub-section (1) of Section 71 or the Real Estate Appellant Tribunal established under Section 43 of the Real Estate Act, is empowered to determine. Hence, in view of the binding dictum of the Hon'ble Supreme Court in A. Ayyaswamy (supra) the matters/disputes, which the Authorities under the Real Estate Act are empowered to decide, are non-arbitrable, notwithstanding an Arbitration Agreement between the parties to such matters, which, to a large extent, are similar to the disputes falling for resolution under the Consumer Act.....

56. Consequently, we unhesitatingly reject the arguments on behalf of the Builder and hold that an Arbitration Clause in the afore-stated land of Agreements between the Complainants and the Builder cannot circumscribe the jurisdiction of a Consumer Fora, notwithstanding the amendments made to Section B of the Arbitration Act."

While considering the issue of maintainability of a complaint before a consumer forum/commission in the fact of an existing arbitration clause in the application form, the Hon'ble Supreme Court in case titled as *M/s Emaar MGF Land Ltd. V. Aftab Singh in revision petition no. 2629- 30/2018 in civil appeal no. 23512-23513 of 2017* decided on 10.12.2018 has upheld the aforesaid judgement of NCDRC and as provided in Article 141 of the Constitution of India, the law declared by the Supreme Court shall be binding on all courts within the territory of India and accordingly, the Authority is bound by the aforesaid view. The relevant para of the judgement passed by the Supreme Court is reproduced below:

"25. This Court in the series of judgments as noticed above considered the provisions of Consumer Protection Act, 1986 as well as Arbitration Act,

1996 and laid down that complaint under Consumer Protection Act being a special remedy, despite there being an arbitration agreement the proceedings before Consumer Forum have to go on and no error committed by Consumer Forum on rejecting the application. There is reason for not interjecting proceedings under Consumer Protection Act on the strength an arbitration agreement by Act, 1996. The remedy under Consumer Protection Act is a remedy provided to a consumer when there is a defect in any goods or services. The complaint means any allegation in writing made by a complainant has also been explained in Section 2(c) of the Act. The remedy under the Consumer Protection Act is confined to complaint by consumer as defined under the Act for defect or deficiencies caused by a service provider, the cheap and a quick remedy has been provided to the consumer which is the object and purpose of the Act as noticed above."

Furthermore, Delhi High Court in 2022 in *Priyanka Taksh Sood V. Sunworld Residency, 2022 SCC OnLine Del 4717* examined provisions that are "Pari Materia" to section 89 of RERA Act; e.g. S. 60 of Competition Act, S. 81 of IT Act, IBC, etc, it held "*there is no doubt in the mind of this court that giving a purposive interpretation to sections 79, 88 and 89 of the RERA Act, there is no bar under the RERA Act from application of concurrent remedy under the Arbitration & Conciliation Act, and thus, there is no clash between the provisions of the RERA Act and the Arbitration & Conciliation Act, as the remedies available under the former are in addition to, and not in supersession of, the remedies available under the Arbitration & Conciliation Act.*" Remedies that are given to allottees of flats/apartments are therefore concurrent remedies, such allottees of flats/apartments being in a position to avail of remedies under the Consumer Protection Act, 1986, RERA as well as

the triggering of the Code. Therefore, in view of the above judgements and considering the provisions of the Act, the Authority is of the view that complainant is well within right to seek a special remedy available in a beneficial Act such as the Consumer Protection Act and Real Estate (Regulation and Development) Act, 2016 instead of going in for an arbitration. Hence, we have no hesitation in holding that this Authority has the requisite jurisdiction to entertain the complaint and that the dispute does not require to be referred to arbitration necessarily. In the light of the above-mentioned reasons, the Authority is of the view that the objection of the respondent stands rejected.

iii. That the Agreement confers exclusive jurisdiction upon courts/tribunals at Delhi, rendering the present proceedings not maintainable.

As per notification no. 1/92/2017/ITCP dated 14.12.2017 issued by Town and Country Planning Department, the jurisdiction of Real Estate Regulatory Authority, Panchkula shall be entire Haryana except Gurugram District for all purpose with office situated in Panchkula. In the present case the project in question is situated within the planning area of Rewari district. Therefore, this Authority has complete territorial jurisdiction to deal with the present complaint.

iv. *Objections regarding force majeure conditions.*

The respondent has raised objections contending that the delay in handing over possession of the unit is attributable to force majeure circumstances, including the outbreak of the COVID-19 pandemic, construction bans imposed by NGT/CAQM, and court-ordered status quo affecting the project. It has been pleaded that since the Agreement to Sell was executed in the year 2020 and the due date for handing over possession falls in the year 2023, the construction period substantially overlapped with the COVID-19 pandemic. On this basis, the respondent has sought grant of an additional grace period of nine months for delivery of possession. At the outset, it is noted that as per Clause 7.1 of the Agreement to Sell, the respondent was obligated to hand over possession within a period of 24 months along with a grace period of 12 months from the date of execution of the Agreement. Despite the said contractual stipulation, possession has not been offered to the complainant till date, and therefore, there is a clear delay on the part of the respondent.

Force majeure is a French expression which translates, literally, to "superior force". To appreciate its nuances, jurisprudence of the concept under the Indian Contract Act, 1872 need to be elucidated. In the context of law and business, the Merriam Webster dictionary states that force majeure usually refers to "those uncontrollable events (such as war, labor stoppages, or

extreme weather) that are not the fault of any party and that make it difficult or impossible to carry out normal business. A company may insert a force majeure clause into a contract to absolve itself from liability in the event it cannot fulfill the terms of a contract (or if attempting to do so will result in loss or damage of goods) for reasons beyond its control". Black's Law Dictionary defines Force Majeure as follows, "In the law of insurance, superior or irresistible force. Such clause is common in construction contracts to protect the parties in the event apart of the contract cannot be performed due to causes which are outside the control of the parties and could not be avoided by exercise of due care. Typically, such clauses specifically indicate problems beyond the reasonable control of the lessee that will excuse performance."

In India, it is often referred to as an "act of God". Various courts have, over time, held that the term force majeure covers not merely acts of God, but may include acts of humans as well. The term "Force Majeure" is based on the concept of the Doctrine of Frustration under the Indian Contract Act, 1872; particularly Sections 32 and 56. The law uses the term "impossible" while discussing the frustration of a contract, i.e., a contract which becomes impossible has been frustrated. In this context, "impossibility" refers to an unexpected subsequent event or change of circumstance which fundamentally

strikes at the root of the contract. In the case of Alopi Parshad and Sons Ltd vs Union of India, AIR 1960 SC 588 and the landmark Energy Watchdog and Ors. Vs. Central Electricity Regulatory Commission and Ors (2017) 2017 3 AWC 2692 SC, the Supreme Court of India has categorically stated *that mere commercial onerousness, hardship, material loss, or inconvenience cannot constitute frustration of a contract. Furthermore, if it remains possible to fulfill the contract through alternate means, then a mere intervening difficulty will not constitute frustration. It is only in the absence of such alternate means that the contract may be considered frustrated.*

Section 56 of the Indian Contracts Act (Agreement to do impossible act) states that "a contract to do an act which, after the contract is made, becomes impossible, or, by reason of some event which the promisor could not prevent, unlawful, becomes void when the act becomes impossible or unlawful." It is the performance of contractual obligations that must become unlawful/impossible, not the ability to enjoy benefits under the contract. The Supreme Court in Energy Watchdog and Ors. Vs. Central Electricity Regulatory Commission and Ors (2017)-2017 3 AWC 2692 SC lent further insight into interpreting a Force Majeure situation i.e

- Events beyond the reasonable control of one party should not render that party liable under a contract for performance, if that event prevents the party's performance;
- The language of the agreement relating to duty to mitigate, best efforts, prudent man obligations to nevertheless perform etc., will all be taken into consideration in understanding the parties' intent;
- Force majeure events must be unforeseeable by both parties;
- The requirement to put the other party on notice must be met with if the contract provides for notice requirements; and
- **Burden of proof rests with the party relying on the defense of force majeure for its inability to perform the obligation.**

In the present case, due to the various decisions of the Government of India and the Government of Haryana Authority, force majeure may be accepted for the period of Covid, i.e., 9 months. Reference is made to Advisory issued by Authority in its 93d meeting held on 18.05.2020 wherein time period of 6 months, i.e., 25.03.2020 to 24.09.2020 was considered as force majeure being natural calamity affecting the whole world and extension of three months, i.e., 01.04.2021 to 30.06.2021 due to second wave of Covid-19 was considered as force majeure by the Authority in its meeting held on 02.08.2021. Covid was declared as a pandemic by the Government of India. If we visit the

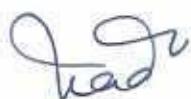

government of India websites, for example <https://covid19.india.gov.in/documentcategory/ministry-of-home-affairs/> it will be clear that Covid was a force majeure event and a number of national and local lockdowns took place during this period. Therefore, it is clear, that no construction work could have been carried out during this period. However, with respect to other events, the respondent has failed to even discharge his fundamental burden of proof as outlined by the Hon'ble Apex Court.

However, in the present case, the first wave period from 25.03.2020 to 24.09.2020 admittedly falls **prior to the execution of the Agreement to Sell**, which has been determined to be executed on 10.12.2020. Therefore, the said period cannot be taken into consideration for condoning delay in construction or delivery of possession under the Agreement, as it had no bearing on the respondent's contractual obligations arising thereafter. With regard to the second wave period from 01.04.2021 to 30.06.2021, although the same falls after execution of the Agreement, this Authority is of the considered view that no additional extension can be granted to the respondent on this count. This is for the reason that while calculating the deemed date of possession, the Authority has already taken into account the contractually agreed grace period of 12 months, as expressly provided under Clause 7.1 of the Agreement to

Sell. Granting further extension over and above the agreed grace period would amount to rewriting the terms of the contract, which is impermissible in law. As regards the other force majeure events pleaded by the respondent, including construction bans imposed by NGT/CAQM and alleged court-ordered status quo, the respondent has failed to place on record any cogent documentary evidence to establish that such events directly prevented construction activities at the project site or rendered performance of contractual obligations impossible. The respondent has also failed to demonstrate compliance with notice requirements or due-diligence obligations, as mandated by law and judicial precedents. Accordingly, except to the limited extent already subsumed within the contractual grace period, the plea of force majeure raised by the respondent is found to be untenable and is hereby rejected. Therefore, a time period of 9 months is to be excluded from any delay interest calculation.

43. Upon cumulative consideration of the pleadings, documents on record, and submissions made by the parties, this Authority concludes that the complainant booked the subject unit on 10.12.2020, and in terms of Clause 7.1 of the Agreement to Sell, the respondent was contractually obligated to hand over possession of the unit on or before 10.12.2023, inclusive of the agreed grace period. However, it is an admitted and undisputed position that

till date, no offer of possession has been made by the respondent to the complainant. It is further evident from the record that the complainant opted for a time-linked payment plan and duly complied with the same. A careful perusal of page no. 58 of the complaint reveals that the complainant has annexed the payment schedule as *Schedule-C (Part-I)*, wherein a detailed stage-wise payment plan is provided. In accordance with the said schedule, the complainant made payments at the time of booking as well as at the time of execution/registration of the Agreement to Sell. It is also borne out from the record that the complainant made an additional payment on 25.02.2021, i.e., after execution of the Agreement to Sell. Despite receipt of the aforesaid payments, the respondent has failed to place on record any credible material to establish that construction or development at the project site progressed commensurate with the payments received. On the contrary, the respondent has not produced any documentary evidence to demonstrate that development milestones, as contemplated under the payment plan, were ever achieved. Instead of showing progress in construction, the respondent, vide letter dated 11.12.2021, merely informed the complainant that the Hon'ble Punjab and Haryana High Court, by order dated 11.10.2021 passed in *J. Singh v. State of Haryana & Others*, had directed maintenance of status quo on development activities at the project site due to a dispute between the respondent and the

landowners. Even if this plea is accepted for the sake of argument, the respondent has failed to clarify the duration for which the said status quo order remained operative. Moreover, no material has been placed on record to show that the respondent ever kept the complainant duly informed regarding the status of the litigation, lifting of the stay, or resumption of development activities. This omission assumes significance, particularly when the Authority has already granted the respondent the benefit of a contractual grace period of 12 months while computing the deemed date of possession. It is also a matter of record that the respondent has not obtained the completion certificate for the project till date. The respondent has merely stated that an application for completion certificate was filed on 28.10.2020; however, no completion certificate issued by the competent authority has been produced. Absence of a completion certificate clearly establishes that the project has not been completed even as on date, and therefore, the respondent was legally incapable of offering possession within the stipulated or extended time.

44. The Authority also takes note of the objection raised by the respondent relying upon a purported schedule of payment annexed at page no. 51 of the reply book, wherein it is stated that "*the allottee agreed to make at least 50% of the total sale price within 15 days from the date of booking, and the rest as per the development plan.*" Upon comparison of this document with (i) the

payment schedule annexed by the complainant with the complaint, (ii) the original Agreement to Sell, and (iii) the payment schedule annexed by the respondent itself at page no. 47 of the reply book, it is observed that the aforesaid clause does not find mention in any of the contemporaneous or admitted documents. Further, the signature appearing on page no. 51 of the reply book does not match with the admitted signatures of the complainant appearing on the Agreement to Sell and other documents forming part of the complaint. The pagination and placement of signatures also do not correspond with the original agreement record. In view of these glaring discrepancies, this Authority has no hesitation in concluding that the document placed at page no. 51 of the reply book is not genuine and appears to have been subsequently inserted. Accordingly, the said document cannot be relied upon and is rejected.

45. Lastly, the respondent has placed reliance on cancellation notices dated 20.02.2023 and 17.06.2023. However, this Authority finds that the respondent itself was in fundamental breach of the Agreement by failing to complete the project, obtain the completion certificate, and offer possession within the stipulated time. A party in default cannot be permitted to take advantage of its own wrong. Since the delay in handing over possession is solely attributable to the respondent, the cancellation notices dated 20.02.2023 and 17.06.2023

are illegal, arbitrary, and unsustainable in the eyes of law, and are accordingly set aside.

46. Since complainant is not interested to withdraw from the project and wants to continue with the project, respondent is directed to pay the complainant upfront interest on the amount paid by her from deemed date of possession along the date of the order and also future interest for every month of delay occurring thereafter till the handing over of possession of the plot. Further respondent is prohibited from alienating the land of the project in question for any purposes except for completion of the project.
47. As per Section 18 of Act, interest shall be awarded at such rate as may be prescribed. Rule 15 of HRERA Rules, 2017 provides for prescribed rate of interest which is as under:

"Rule 15. Prescribed rate of interest- (Proviso to section 12, section 18 and sub-section (4) and subsection (7) of section 19] (1) For the purpose of proviso to section 12; section 18, and sub. sections (4) and (7) of section 19, the "interest at the rate prescribed" shall be the State Bank of India highest marginal cost of lending rate +2%: Provided that in case the State Bank of India marginal cost of lending rate (MCLR) is not in use, it shall be replaced by such benchmark lending rates which the State Bank of India may fix from time to time for lending to the general public".

48. The legislature in its wisdom in the subordinate legislation under the provisions of Rule 15 of the Rules, has determined the prescribed rate of interest. The rate of interest so determined by the legislature, is reasonable and if the said rule is followed to award the interest, it will ensure uniform practice in all the cases.

49. Consequently, as per website of the State Bank of India, i.e. <https://sbi.co.in>, the marginal cost of lending rate (in short MCLR) as on date i.e, 12.01.2026 is 8.85%. Accordingly, the prescribed rate of interest will be MCLR + 2% i.e, 10.85%.

50. The definition of term 'interest' is defined under Section 2(za) of the Act which is as under:

(za) "interest" means the rates of interest payable by the promoter or the allottee, as the case may be.

Explanation.-For the purpose of this clause-

(i) the rate of interest chargeable from the allottee by the promoter, in case of default, shall be equal to the rate of interest which the promoter shall be liable to pay the allottee, in case of default;

(ii) the interest payable by the promoter to the allottee shall be from the date the promoter received the amount or any part thereof till the date the amount or part thereof and interest thereon is refunded, and the interest payable by the allottee to the promoter shall be from the date the allottee defaults in payment to the promoter till the date it is paid;

51. Authority has got calculated the interest on total paid amount from the deemed date of possession till the date of this order at the rate of 10.85.% and said amount works out as per detail given in the table below:

i. Complaint no. 2741 of 2023

Sr. no.	Principal Amount (in ₹)	Deemed date of possession/ date of payment whichever is later	Interest Accrued till 12.01.2026 (in ₹)
1.	5,70,000/-	10.12.2023	1,29,620/-
Monthly interest = ₹5,253/-			

ii. Complaint no. 2747 of 2023

Sr. no.	Principal Amount (in ₹)	Deemed date of possession/ date of payment whichever is later	Interest Accrued till 12.01.2026 (in ₹)
1.	5,70,117/-	07.12.2023	1,30,155/-
Monthly interest = ₹5,254/-			

52. The complainant is also seeking compensation of ₹55,000/- on account of litigation expenses. It is observed that Hon'ble Supreme Court of India in Civil Appeal Nos. 6745-6749 of 2027 titled as "*M/s Newtech Promoters and Developers Pvt. Ltd. V/s State of U.P. & Ors.*" (supra,), has held that an allottee is entitled to claim compensation & litigation charges under Sections 12, 14, 18 and Section 19 which is to be decided by the learned Adjudicating

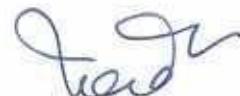

Officer as per section 71 and the quantum of compensation & litigation expense shall be adjudged by the learned Adjudicating Officer having due regard to the factors mentioned in Section 72. The adjudicating officer has exclusive jurisdiction to deal with the complaints in respect of compensation & legal expenses. Therefore, the complainant is advised to approach the Adjudicating Officer for seeking the relief of litigation expenses.

H. DIRECTIONS OF THE AUTHORITY
