<p>The present complaint was filed on 07.04.2025 and the reply was filed on 24.10.2025. Additional documents were filed on 03.11.2025 by the respondent.</p> <p>It is observed that the complainants have not placed on record a single document such as an application form, allotment letter, builder buyer agreement, payment receipt, or any correspondence indicating that an allotment was ever made in their favour or that any contractual relationship existed between the parties. In the complete absence of any documentary evidence establishing an allotment, the respondent submits that the present complaint is wholly misconceived and unsustainable, as no rights can flow to the complainants against the respondent company without a foundational contract or transaction.</p> <p>Arguments heard.</p> <p>The Authority observes that the complainant is not a allottee in terms of the provision of Section 2 (d) as per RERA Act,2016, hence the present complaint is dismissed. Definitions-</p> <p><i>(d) "allottee" in relation to a real estate project, means the person to whom a plot, apartment or building, as the case may be, has been allotted, sold (whether as freehold or leasehold) or otherwise transferred by the promoter, and includes the person who subsequently acquires the said allotment through sale, transfer or otherwise but does not include a person</i></p>
