"11. POSSESSION

(a) Time of handing over the possession

Subject to terms of this clause and subject to the allottee(s) having complied with all the terms and conditions of this buyer's agreement, and not being in default under any of the provisions of this buyer's agreement and compliance with all provisions, formalities, documentation etc. as prescribed by the company, the company proposes to hand over the possession of the unit within 24 months from the date of execution of buyer's agreement. The allottee(s) agrees and understands that the company shall be entitled to a grace period of 3 months, for applying and obtaining the occupation certificate in respect of the unit and/or the project."

4. The complainants submitted that keeping in view the snail paced work at the construction site, the chances of getting physical possession of the assured unit in near future seems bleak and that the same is evident of the irresponsible and desultory attitude and conduct of the respondent, consequently injuring the interest of the buyers including the complainants. The complainants are seeking possession of the unit in fully habitable condition with all amenities and interest for the delay period till the actual possession of his flats from the respondent immediately. Hence, this complaint inter-alia for the following reliefs:

- i. Direct the respondent to give legal possession of the unit in fully habitable condition with all amenities.

6. The respondent contests the complaint on the following grounds:
 - i. The respondent submitted that complaints pertaining to penalty, compensation and interest are to be decided by the Adjudicating Officer under Section 71 of the Act read with rule 29 of the Rules and not by this hon'ble authority.
 - ii. That the complainants were irregular regarding the remittance of instalments on time. The respondent was compelled to issue demand notices, reminders etc. calling upon the complainants to make payment of outstanding amounts payable by the complainants under the payment plan opted by them.
 - iii. That as per clause 11(b)(iv), in case of any default/delay by the allottees in payment as per schedule of payment

incorporated in the buyer's agreement, the date of handing over of possession shall be extended accordingly.

iv. The respondent submitted that as per clause 13 of the buyer's agreement, the compensation for any delay in delivery of possession shall only be given to such allottees who are not in default of their obligations under the agreement and who have not defaulted in payment of instalments as per the payment plan incorporated in the agreement.

v. The respondent submitted that-

16. *Without admitting or acknowledging in any manner the truth or legality of the allegations levelled by the complainants and without prejudice to the contentions of the respondent, it is submitted that the project has got delayed on account of following reasons which were/are beyond the power and control of the respondent.*

(i) *The building plans for the apartment/tower in question was approved by the competent authority under the then applicable National Building Code (NBC) in terms of which buildings having height of 15 mtrs. or above but having area of less than 500 sq. mtrs. on each floor, were being approved by the competent authorities with a single staircase and construction was being carried out accordingly.*

Subsequently, NBC was revised in the year 2016 and in terms of the same, all high-rise buildings (i.e. buildings having height of 15 mtrs. and above), irrespective of the area of each floor, are now required to have two staircases.

Furthermore, it was notified vide gazette published on 15.03.2017 that the provisions of NBC 2016 supersede those of NBC 2005.

That the Fire Department is seeking to retrospectively apply the said provision and while processing the Fire NOC application, has been insisting on two staircases in all high-rise buildings even in cases where the building plans stood approved with a provision for a single staircase and which have been constructed accordingly. The Fire Department has issued a provisional Fire NOC with the requirement that the second staircase would be constructed by the developer within one year from the date of issuance of provisional Fire NOC...

Eventually, so as not to cause any further delay in the project and so as to avoid jeopardising the safety of the occupants of the buildings in question including the building in which the apartment in question is situated, the respondent has taken a decision to go ahead and construct the second staircase. It is expected that the construction of the second staircase will be completed in a year's time. Thereafter, upon issuance of the OC and subject to force majeure conditions, possession of the apartment shall be offered to the complainants.'

7. Copies of all the relevant documents have been filed and placed on the record. Their authenticity is not in dispute. Hence, the complaint can be decided on the basis of these undisputed documents.
8. The Authority, on the basis of information and other submissions made and the documents filed by the complainants and the respondent, is of considered view that there is no need of further hearing in the complaint.
9. Arguments heard.
10. The Act is to protect the rights of the stake-holders i.e. the promoter, allottee and the real estate agent as provided under the Act and also to balance their interest as per its provisions.

The Authority is empowered to not only monitor the projects but also to ensure their timely compliance and in case where the projects are held up or stopped to take steps so that these are completed in time and interests of allottees are protected.

11. On consideration of the circumstances, the documents and other record and submissions made by the parties and based on the findings of the authority regarding contravention as per provisions of rule 28(2)(a), the Authority is satisfied that the respondent is in contravention of the provisions of the Act. By virtue of clause 11(a) of the buyer's agreement executed between the parties on 17.05.2012, possession of the booked unit was to be delivered within a period of 24 months plus 3 months grace period from the execution of buyer's agreement (i.e. 17.05.2012). The grace period of 3 month is allowed to the respondent due to exigencies beyond the control of the respondent. Therefore, the due date of handing over possession comes out to be 17.08.2014. As such this project is to be treated as on-going project and the provisions of the Act shall be applicable equally to the builder as well as allottee. Accordingly, it is the failure of the promoter to fulfil his obligations, responsibilities as per the buyer's agreement dated 17.05.2012 to hand over the possession within the stipulated period. Accordingly, the non-compliance of the

mandate contained in section 11(4)(a) read with section 18(1) of the Act on the part of the respondent is established. In this case, the respondent has not offered the possession of the unit to the complainants till date. As such the complainants are entitled to delayed possession interest at rate the prescribed rate of 10.20% p.a. w.e.f. 17.08.2014 till the offer of possession as per provisions of section 18(1) of the Act read with rule 15 of the Rules. The complainants have already paid Rs.1,23,63,750/- against the total sale consideration of Rs.1,37,87,563/- as per statement of account dated 22.12.2018 at page 58 and 59 of reply.

12. Hence, the Authority hereby pass the following order and issue directions under section 34(f) of the Act:

- i. The respondent is directed to pay the interest at the prescribed rate i.e. 10.20% per annum for every month of delay on the amount paid by the complainants from due date of possession i.e. 17.08.2014 till the offer of possession.
- ii. The arrears of interest accrued so far shall be paid to the complainants within 90 days from the date of this order and thereafter monthly payment of interest till offer of possession shall be paid before 10th of each subsequent month.

- iii. The complainants are directed to pay outstanding dues, if any, after adjustment of interest for the delayed period.
 - iv. The respondent shall not charge anything from the complainants which is not part of the buyer's agreement.
 - v. Interest on the due payments from the complainants shall be charged at the prescribed rate @10.20% by the promoter which is the same as is being granted to the complainants in case of delayed possession charges.
13. Complaint stands disposed of.
 14. File be consigned to registry.
