B. Facts of the complaint

20. The complainant has made the following submissions in the complaint: -

- That in 2021, the respondent issued an advertisement announcing an affordable housing project "**LANDMARK THE HOMES 81**" at Village

Nawada, Sector - 81, Gurugram was launched by **respondent**, under the license no. 04 of 2021 (02-03-2021), issued by DTCP, Haryana, Chandigarh, situated at Sector - 81 Gurugram, Haryana and thereby invited applications from prospective buyers for the purchase of unit in the said project. Respondent confirmed that the projects had got building plan approval from the Authority.

- b. That the complainant while searching for a residential unit was lured by such advertisements and calls from the brokers of the respondent for buying a flat in their project. The respondent told the complainant about the moonshine reputation of the company and the representative of the respondent made huge presentations about the project mentioned above and also assured that they have delivered several such projects in the National Capital Region. The respondent handed over one brochure to the complainant which showed the project like heaven and in every possible way tried to hold the complainant and incited the complainant for payments.
- c. That relying on various representations and assurances given by the Respondent company and on belief of such assurances, complainant, booked a unit in the project by paying a booking amount towards the booking of the said unit bearing no G-1001, 10th floor, tower-G along with one 2 wheeler parking, in Village Nawada Sector 81, Gurugram, having carpet area measuring 559.824 sq. ft. balcony area 105.12 Sq. FT. to the respondent dated 26.08.2021 and the same was acknowledged by the respondent.

- d. That respondent sent an allotment cum demand letter dated 09.10.2021 to the complainant confirming the booking of the unit dated 25.08.2021, allotting a unit no. G-1001, 10th floor, tower-G along with one 2-wheeler parking measuring 559.824 sq. ft. balcony area 105.12 sq. ft. in the aforesaid project of the developer for a total sale consideration of the unit i.e. Rs. 22,89,296.00, which includes basic price Plus EDC and IDC, 2-Wheeler parking charges, PLC, IFMS and other Specifications of the allotted unit and providing the time frame within which the next instalment was to be paid.
- e. That respondent along with aforesaid allotment demand letter dated 09.10.2021 sent time line linked payment plan and as per said plan complainant was required to make the total sale consideration of the unit i.e. Rs. 22,89,296/- in eight instalments. As per the demands raised by the respondent, based on the payment plan, the complainant to buy the captioned unit already paid a total sum of Rs. 23,24,122/-towards the said unit against total sale consideration of Rs. 22,89,296/-.
- f. That after repeated request, emails and reminders respondent on 17.12.2021, got the buyers agreement executed with the complainant. As per clause 7.1 of the agreement respondent undertook to complete the construction of the unit on or before 28.02.2026. Hence the due date of possession comes out to be 28.02.2026.
- g. That allotment of the unit was made on 09.10.2021, after coming into force of the RERA Act,2016 and as per the Act, after coming into force of the Act the respondent is under obligation to get the buyers agreement executed as per the sample agreement provided under the

Act, and HARERA Rules, 2017, made thereafter, but in the present case respondent failed to comply with the same. As the agreement executed with the complainant is not as per the standard agreement provided under the Act, and HARERA Rules, 2017. Hence, the respondent violated the same.

- h. Further, the complainant having dream of its own residential unit in NCR signed the booking application in the hope that the unit will be delivered within four years from the date of execution of agreement. The complainant was also handed over one detailed payment plan. It is unfortunate that the dream of owning a unit of the complainant were shattered due to dishonest, unethical attitude of the respondent.
- i. That the payment plan was designed in such a way to extract maximum payment from the buyers viz a viz or done/completed. The complainant approached the respondent and asked about the status of construction and also raised objections towards non-completion of the project. Such arbitrary and illegal practices have been prevalent amongst builders before the advent of RERA, wherein the payment/demands/ etc. have not been transparent and demands were being raised without sufficient justifications and maximum payment was extracted just raising structure leaving all amenities/ finishing/facilities/common area/road and other things promised in the brochure, which counts to almost 50% of the total project work.
- j. That during the period the complainant went to the office of respondent several times and requested them to allow them to visit the site but it was never allowed saying that they do not permit any buyer

to visit the site during construction period, once complainant visited the site but was not allowed to enter the site and even there was no proper approached road. The complainant even after paying amounts still received nothing in return but only loss of the time and money invested by them.

- k. That the complainant contacted the respondent on several occasions and were regularly in touch with the respondent with regard to execution of the builder buyer agreement. The respondent was never able to give any satisfactory response to the complainant regarding the status of the agreement, construction and were never definite about the delivery of the possession.
- l. That the complainant kept pursuing the matter with the representatives of the respondent by visiting their office regularly as well as raising the matter to when will they get the agreement executed and why construction is going on at such a slow pace, but to no avail. Some or the other reason was being given.
- m. That the respondent despite having made multiple tall representations to the complainant, the respondent has chosen deliberately and contemptuously not to act and fulfil the promises and have given a cold shoulder to the grievances raised by the cheated allottees.
- n. That the respondent has completely failed to honour their promises and have not provided the services as promised and agreed through the brochure, allotment letter and the different advertisements released from time to time. Further, such acts of the respondent is also illegal and against the spirit of RERA Act, 2016 and HRERA Rules, 2017.

- o. That the respondent has played a fraud upon the complainant and have cheated them fraudulently and dishonestly with a false promise to complete the construction over the project site within stipulated period and not to charge anything not agreed upon. The respondent had further malafidely failed to execute the BBA with the complainant. Hence, the complainant being aggrieved by the offending misconduct, fraudulent activities, deficiency and failure in service of the respondent is filing the present complaint.
- p. That the complainant has suffered a loss and damage in as much as they had deposited the money in the hope of getting the said unit for residential purposes. They have not only been deprived of the timely possession of the said unit but the prospective return they could have got if they had invested in fixed deposit in bank. Therefore, the relief/compensation in such cases would necessarily have to be higher.
- q. That as per the payment plan agreed upon respondent sent a demand letter dated 20.08.2024 on account of within 36 months from the date of issuance of allotment amounting to Rs. 2,89,024/- to the complainant. It is pertinent here that in hope of getting the possession of said unit, complainant duly make the above said payment demanded to the respondent.
- r. That respondent sent letter on account of intimation for offer of possession dated 14.08.2025 to the complainant, mentioning that the construction of the said unit has been completed and the occupation certificate for said project has been applied. The unit is ready for the

possession for the purpose of commencing the fit-outs and interior work and the same can be legitimately offered by the developer to you.

s. That along with the above said letter of offer of possession respondent raised several illegal demands on account of water connection charges-Rs. 4366/-, administrative charges-Rs.17,700/-, meter connection charges- Rs.8,496, external electrification charges- Rs.97,769/-, labour cess-Rs.10,800/-, advance electricity consumption charges- 6000/-, IFSD Charges-Rs.27,991/- and advance operational & servicing charges-Rs.29,500/-, which was never the part of the payment plan provided along with allotment letter and agreement to sell. Therefore, the total demand raised by the respondent in aforesaid mentioned letter is of Rs. 2,02,622.00. It is pertinent to mention here even the respondent asked for the deposit of the amount in non-Escrow account, after coming into force of the RERA Act,2016 and as per the Act, the respondent is under obligation to get the amount in the Escrow account only provided under the Act, and HARERA Rules, 2017, made thereafter, but in the present case respondent failed to comply with the same.

t. That offering possession by the respondent on payment of charges which the buyer is not contractually bound to pay, cannot be considered to be a valid offer of possession. It would be noticed from the details provided above that those charges were never payable by the complainant as per the allotment, by the complainant and hence the offer of possession.

- u. That it has been held by the Honourable NCDRC, New Delhi in many cases that offering of possession on the payment of charges which the unit buyer is not contractually bound to pay, cannot be considered to be a valid offer of possession. In the present case asking for charges as elaborated above, which the allottees are not contractually bound to pay is illegal and unjustified and therefore not a valid offer of possession. In fact, it is a letter for demand of money rather than being an offer of possession.
- v. That the complainant after receiving the aforesaid letter of offer of possession asked the respondent to provide the copy of the OC but respondent fail to provide the same.
- w. That the respondent in respect of the said unit has not received the OC till dated. Hence, respondent without getting the OC sent offer of possession letter which is bad in the eye of law and clearly shows the malafide intention on the part of the respondent to cheat and extract the money from the innocent allottees. Furthermore, as per the provisions of RERA, respondent cannot offer sent the offer of possession letter to complainant without receiving the OC from the concerned department. Therefore, the said letter of possession dated 14.08.2025 is illegal and not valid as per the provisions of the RERA.
- x. That complainant sent various reminders to the respondent challenging the letter of offer of possession and demand raised. Furthermore, complainant repeatedly request the respondent to provide justification for increase in total sale consideration and to withdraw the offer of possession letter and issue fresh offer of

possession without illegal demands but respondent failed to do so till date.

- y. That complainant after receiving the aforesaid demand on account of raised/ challenged the aforesaid demand letter on account raising the concern/objection that on ground reality status of construction of is not the same as the demand of money raised. Furthermore, requested for the inspection of the unit as per the agreement. That thereafter complainant sent several reminders through telephone and emails to the respondent's company but they were never able to give any satisfactory response regarding the aforesaid issues raised by the complainant.
- z. That the complaint sets out the various deficiencies in services, unfair and/or restrictive trade practices adopted by the respondent in sale of their unit and the provisions allied to it. The modus operandi adopted by the respondent, from the respondent point of view may be unique and innovative but from the allottee point of view, the strategies used to achieve its objective, invariably bears the irrefutable stamp of impunity and total lack of accountability and transparency, as well as breach of contract and duping of the allottee, be it either through not implementing the services/utilities as promised in the brochure or through not delivering the project in time.
- aa. That the complainant after losing all the hope from the respondent, having their dreams shattered of owning a shop & having basic necessary facilities in the vicinity of the LANDMARK THE HOMES 81 Project and also losing considerable amount, are constrained to

approach the Authority for redressal of their grievance. Hence the complaint.

C. Relief sought by the complainant:
