Subject: Corrigendum to order dated 11.02.2026 passed in Complaint no. (Suo-Motu) 208 of 2025.

It is pertinent to mention here that in para no. 8 of the order dated 11.02.2026, 84.8125 acres have been inadvertently written as 40.18403 acres and Phase-I and II have been written as Phase-II of the project. Hence, para no.8 in order dated 11.02.2026 stands corrected and now be read as:

"Today, the Authority observed that a number of opportunities have already been granted to the promoter. However, the promoter has not submitted any application for the registration of the project. Non-registration of the project shall also attract Late fee as per Resolution dated 26.08.2019. The office is also directed to issue a public notice informing the general public not to book, purchase, invest in, or make any payment for any plot or unit in phase-I and phase-II of the project measuring 84.8125 acres (in total) being developed by MVL limited. Disposed of."
