Proceedings

Project is registered with the authority.

Arguments heard.

It is a peculiar case as the counsel for the respondent has raised an objection that the complaint has been filed on behalf of the company, namely, M/s Smriti Infotech Pvt. Ltd. However, no authorization has been appended with the complaint, as such, it needs to be dismissed on this ground. The paper book has been checked and there is a weightage in what the respondent is stating at bar that the complaint is lacking in this aspect. As such, the complaint is not maintainable. However, since the matter is not decided on merits, liberty is granted to the complainant to file afresh in an appropriate manner.

Complaint stands dismissed. File be consigned to the registry.
