company has handed over the area falling under 24 meters wide roads of licence colony to District Town Planner, Rohtak which further requested to Estate Officer, HUDA, Rohtak to take over the possession vide letter dated 11.01.2018.

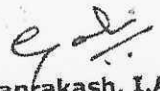

In view of these report, it is hereby certified that the required development works in the said Residential Affordable Plotted Colony at Rohtak comprising of Licence mentioned above for 6.72812 acres as indicated on the enclosed layout plan duly signed by me read in conjunction with the following terms and conditions have been completed to my satisfaction. The development works are water supply, sewerage, storm water, drainage, roads, horticulture, etc. The completion certificate is granted on the following terms and conditions:-

1. The services will be laid by the colonizer upto alignment of proposed external services of the town and connection with the HUDA system will be done by the developer company at his own cost with the prior approval of the competent authority. In case pumping is required, the same will be done by the developer company at its own cost. The services will be provided as per provision in the EDC of Rohtak.
2. That the developer company will be solely responsible for making arrangement of water supply and disposal of sewage and storm water of their colony as per requirement/guidelines of HSPCB/Environment Department till such time, the external services are provided by HUDA/State Government as per their scheme.
3. Level/Extent of the services to be provided by HUDA i.e. water supply sewerage, SWD, roads etc. will be proportionate of EDC provisions.
4. That the roof top rain harvesting system shall be maintained by the society properly and kept operational all the time to come.
5. That in case some additional structures are required to be constructed and decided by HUDA at a later stage, the same will be binding upon you. Flow control valves will be installed, preferably of automatic type on water supply connection with HUDA water supply line.
6. That the NSL formation level of roads have been verified and are correct. You shall be responsible in case of any mistake in levels etc.
7. That you shall be fully responsible for operation, upkeep and maintenance of all roads, open spaces, public parks and public health services like water supply, sewerage and drainage etc. for a period as approved in the service plan estimates of your colony from the date of issuance of final completion certificate or earlier relieved of said responsibility and thereupon transfer all such roads open spaces, public parks and public health services like water supply, sewerage and drainage etc. free of cost to the Government or the Local Authority as directed.
8. That you shall neither erect nor allow the erection of any communication and transmission Tower with in colony without prior approval of competent authority.
9. That you shall use LED fittings for street lighting in the licenced colony.
