The panel so prepared shall be valid for a period of one year.

7. The criteria adopted for working out the merit of the candidates on the basis of academic record is as under: -

Sr. No.	Exam Passed	Weightage/ Points Allocated	Remarks
1.	Matric	20 pts.	<ul style="list-style-type: none"> Up to 49 marks = 0 pts. 50-89= 40 marks 0.5 pt. for every mark beyond 49
2.	+2	20 pts.	<ul style="list-style-type: none"> Up to 49 marks = 0 pts. 50-89= 40 marks 0.5 pt. for every mark beyond 49
3.	BA/BSc	20 pts	<ul style="list-style-type: none"> Up to 44 marks = 0 pts. 45-80= 36 marks 0.555 pt. for every mark beyond 44
4.	LL.B (3 years)	40 pts	<ul style="list-style-type: none"> Up to 44 marks = 0 pts. 45-84= 40 marks 1 pt. for every mark beyond 44
5.	LL.B (5 years)	60 pts.	<ul style="list-style-type: none"> Up to 44 marks = 0 pts. 45-84= 40 marks 1.5 pt. for every mark beyond 44
	Total	100 pts.	

8. While scrutinizing the applications of LLB - 3 years/5 years course, it was observed that some of the Universities have awarded CGPA score. The multiplier factors for converting these scores ranges from 9 to 10, meaning thereby that in case the CGPA score of an applicant is 8.5 taking into consideration 10 as multiplier factor, his score shall be as 85%. While the universities like Panjab University, Kurukshetra University, MDU, Rohtak which are Semi-Government Institutions are awarding marks instead of CGPA, Universities like Punjabi University, Patiala, MMU, Mulana etc. are awarding CGPA in some cases and actual marks in other cases. The private universities like Lovely Professional University, Jalandhar, Symbiosis University, Noida, Bhagat Phool Singh University, Maharaj Agarsain University etc. are awarding CGPA score. Since, the conversion factor (9, 9.5 and 10) adopted by these universities seem to be on higher side, the applicants of the other universities like Panjab University, Kurukshetra University, MDU, Rohtak etc. are at disadvantageous position.

9. In order to have fair assessment, it is considered appropriate to moderate the marks of the applicants under CGPA score in LLB – 3 years/ 5 years by discounting their score with a common multiple factors separately, the detailed formula of which is as under: -

Formula for moderating the CGPA score

Marks obtained by converting CGPA score of the applicant shall be discounted by a common factor, this common factor shall be separately calculated for CGPA score obtained in LLB-3 years course and LLB-5 years course.

Common factor shall be calculated as under: -

- A. Average %age marks obtained by the applicants as per CGPA score (Total %age shall be divided by the number of candidates awarded with marks other than CGPA category).
- B. Average %age marks obtained by the applicants as per marksheet in case of other applicants (Total %age shall be divided by the number of candidates awarded with marks other than CGPA category).
- C. Discounting factor =
$$\frac{[A - B] \times 100}{A}$$

10. After moderating the CGPA score and on the basis of the criteria as mentioned in Para-7, a computer generated merit list has been prepared for each category which is annexed at - I, II & III.
