

Steps for on-line Quarterly compliance of Projects with HRERA, Panchkula.

Preliminary Instructions:

1. HRERA, Panchkula has initiated the process of on-line applications for registration of projects with effect from 1.10.2018. Prior to that hard copies of the applications used to be submitted in the office of the Authority. In case the project was ordered to be registered, the registration certificate was up loaded on the website of the Authority. A list of registered projects along with their certificates can be viewed on the web site of the Authority.

2. W.e.f. October, 2018 all applications for registration of the projects are being received on-line on proforma A to H. In respect of the projects registered after the commencement of on-line system the registration certificate issued by the Authority along with information submitted by the applicants in proforma A to H can be viewed on the website of the Authority.

3. As per Section 11 of the RERA Act, the developers of the projects are obliged to file quarterly information in respect of progress of the project on certain specified parameters. Various steps to be followed for filing on-line quarterly progress of the projects are given below.

4. All the projects registered with the Authority before commencement of on-line registration process i.e. before October, 2018 are required to first file the information relating to the projects on-line on proforma A to H. For this purpose they should click on the icon “Registration of Projects” and follow the prescribed steps. They should also file the progress of the project from the date of grant of registration upto 31st December, 2018 in accordance with the steps given in these instructions.

5. In case of the project registered after October, 2018 i.e. after commencement of the on-line registration system, the first quarterly information should be filled in before 31st March, 2019 pertaining to the period upto 31st December, 2018.

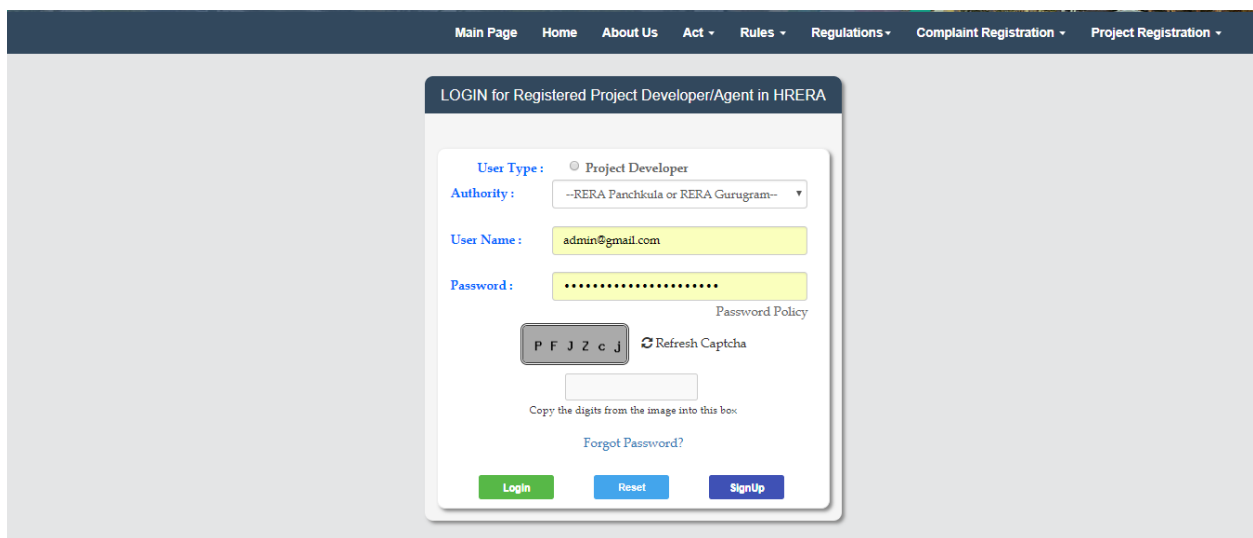

STEPS:-

Step-1. Quarterly progress can be filled up online only in respect of those projects which have been registered online with the Authority and of which proforma A to H has been submitted and approved by the Authority and is being

shown alongwith the registration certificate issued to them.Those promoters who have not submitted online proforma A to H should do so immediately. The registration certificate granted to such projects is liable to be reviewed in case they fail to submit online information by the date already conveyed to them.

Step-2. At the time of submitting online proforma A to H, the promoters have to generate a login ID and Password. Same login and password shall be used for filling up the online quarterly progress.

Step-3. For submitting quarterly progress the promoters should login in the following screens:

The screenshot displays a web application interface for logging in as a Registered Project Developer/Agent in HRERA. At the top, a dark blue navigation bar contains the following menu items: Main Page, Home, About Us, Act, Rules, Regulations, Complaint Registration, and Project Registration. The main content area features a central white login form with a dark blue header that reads "LOGIN for Registered Project Developer/Agent in HRERA".

The login form includes the following fields and elements:

- User Type:** A radio button selection with "Project Developer" selected.
