**Sub: - Regarding assess permission from 7.5M wide bridge constructed at RD 64600 on Main Drain No. 2, Panipat.**

**Ref: - Your Office letter No. Nil dated 13.08.2024.**

Please refer your above referred letter vide which you have raised a request regarding assess permission from 7.5M wide bridge constructed at RD 64600 on Main Drain No. 2, Panipat as per condition No. 8 of LOI issued by DTCP, Haryana, Chandigarh vide Memo No. LC-5022-JE (RK)/2024/25673 dated 12.08.2024.

In this regard, it is intimated that after approval of Govt., the 7.5M wide bridge at RD 64600 of Main Drain No. 2 has been constructed by this office to make the existing path functional on left side in public interest for general public use.

Hence, your Agency may also use this 7.5M wide bridge constructed at RD 64600 of Main Drain No. 2 as general public subject to following condition:-

1. Your Agency will not create any obstruction/ hindrance in any ways to general public for movement through this bridge & path.
2. If due to movement of any type of vehicles of your Agency, there occurred any loss to bridge or general public, your Agency will be held responsible for the same and liable to pay compensate if any compensation award by any court of law and the repair, maintenance & reconstruction charge if required will be paid by your Agency.

This is for your kind information and further necessary action please.

  
Executive Engineer

CC:- SDO/Sanoli W/S Sub Division, Panipat for information and directed to keep keen watch w.r.t. movement of vehicles movement of the Agency through this bridge.
