GOVT. OF INDIA NOTARY Ram Niwas Gurugram Reg. No. 8224

Pardos Craft Homes Private Limited

Superintending Engineer,
Gurugram Metropolitan Development Authority

WHEREAS GMDA has been established under The Gurugram Metropolitan Development Authority Act, 2017, hereinafter referred to as the "Act of 2017" passed by the Haryana Legislature and the area of Gurugram District comprised in Schedule – I and II annexed with Haryana Government notification dated 12.08.2017 issued by the State Government, has been declared as Gurugram Metropolitan Area. The land described as aforesaid vests in the GMDA under the provisions of the Act of 2017.

AND WHEREAS the Licensee has applied to GMDA, for permission to construct an access road on GMDA land with necessary provision for drainage, road signs and marking to their property located on GMDA service **road (Asset Id-76) at km. 0.569 LHS(From starting point as per Asset ID) in Village Hayatpur Sector-90, Sub Tehsil-Harsaru, District-Gurugram, Haryana** more particularly described in the Schedule annexed hereto and shown in the drawing attached here to (hereinafter referred to as "the said land"

AND WHEREAS GMDA have agreed to grant such permission on the following terms and conditions:

Now, this Agreement witness that, in consideration of the terms and conditions hereinafter contained to be observed and performed by the licensee, GMDA hereby grants to the licensee, permission to construct an access road to the said premises as per approved drawing attached subject to the following terms and conditions, namely-

1. That the said access road shall not be brought into use after its completion until GMDA grants a completion certificate after satisfying itself that the access road has been completed as per the sanctioned drawings and specifications and issue duly signed License Deed.
2. That on the completion of the said work, that part of the access road, which lies within the limits of GMDA road including land in the right of way along the road together with any culvert of drain therein constructed shall be and remain the absolute property of GMDA to be used as a public access road whether by the licensee or any other person for ingress and egress.
3. The licensee shall at his own cost keep the said access road, and any culvert of drain therein, in proper repair and condition to the satisfaction of GMDA.
4. That whenever GMDA establishes a green space or service road along the road from which access permission is granted, the licensee shall be directed to remove, at his own cost, the said access road or any drainage work constructed in connection therewith and restore the land to its original condition when required by GMDA or by any person duly authorized on its behalf. The Licensee shall not be entitled to any compensation on account of such removal and restoration except the refund of lease money for the balance period of lease, if any. Ingress and egress required thereafter shall be taken from the service road only.
5. That within three months' notice given by GMDA to the licensee in this behalf, the licensee shall at his own cost remove the said access road or any drainage work constructed in connection therewith and restore the land to its original condition when required by GMDA or by any person duly authorized on its behalf. The Licensee shall not be entitled to any compensation on account of such removal and restoration.
6. That the access road shall not be used for any purpose other than that ingress and egress i.e. access from the premises of the licensee on to GMDA road. If the said access road is found to be used for purpose besides or other than access, the access permission granted shall be cancelled after a notice of 3 days to the licensee to cure the breach.

7. That the licensee shall not, without the prior permission in writing of GMDA, extend/alter/modify the access road or any culvert of drainage thereon.

8. That the Licensee shall at all times permit any officer or authorized agent of GMDA to inspect the said access road including any culvert or drainage therein. The licensee shall keep the said access road clear and shall not be entitled to impede easement on the access road for any person.

9. That licensee shall not have the right to object to the construction of a green space, any future extension or improvement of service road or main carriageway, carrying of any public utilities in connection with access road.

10. That the licensee shall pay the lease charges as demanded by GMDA.

11. That the permission granted by this license shall not in any way be deemed to convey to the licensee any right into or over or any interest in land, road or property owned by or under the control and management of GMDA other than the access herein expressly granted.

12. That in case the said access road is damaged or removed due to any action by or on behalf of GMDA in general public interest, the licensee shall not be entitled to claim any right to construct another access road in lieu of that destroyed.

13. That during the subsistence of this license, the said access road including the road drainage shall be deemed to have been constructed only with the consent and permission of GMDA and the right of the licensee to use the same shall not become absolute and indefensible by mere lapse of time.

14. That, if the licensee fails to execute any work which he has agreed to under this agreement to the full satisfaction of GMDA, the work may be executed by GMDA at the cost of licensee; and the expenditure incurred shall be recoverable from the licensee under the provisions of GMDA Act without prejudice to any other remedies which may be open to GMDA in this behalf.

15. That this agreement shall remain in force for ..... years from the date of execution in the first instance and may be terminated by a notice of 2 months. The access permission may be renewed at the sole discretion of GMDA on the expiry of the period of one year. In case the agreement is terminated, the access road shall be removed and access to the property of the licensee shall be provided from the service road only.

16. That the license hereby granted shall not be transferable.

17. That the licensee shall bear the cost of execution of this agreement.

18. Notwithstanding anything contained in clause 1, this license can be cancelled at any time by GMDA for breach of any of the terms and conditions of the license and the licensee shall not be entitled to any compensation for loss caused by such cancellation nor shall be absolved from any liability already incurred by him under this agreement or likely to be incurred on such cancellation.

19. The licensee shall at his own cost remove the access road lying within the boundary of the land owned or controlled or managed by GMDA and restore the land to its original condition. In the event of licensee refusing to do so, the restoration of the land to its original condition shall be done by GMDA, at the cost of licensee and the expenditure so incurred shall be recoverable from the licensee, without prejudice to any other remedies, under the provisions of the Act of 2017.

20. The licensee may apply for the renewal of the license at least 2 months before the date of expiry of agreement by depositing the charge/renewal fee equal to 10% of the access charges or as determined by CEO, GMDA. If licensee does not renew the license within the stipulated time period in this clause, then the existing permission shall stand cancelled and the licensee has to apply afresh with all charges as a new application for access permission.

21. All care should be taken to protected the existing utility if any, and you will have not any objection if utility work is to be executed by GMDA in future.

22. That the cross drainage will be provided at cost of licensee.

23. That the ground level of approach road should be kept 300mm down from the metal level of the road and the side drain should be got inspected from the GMDA authority during the construction of side drain.

24. That the approach road constructed on land belonging to or under the control and management of GMDA will be and remain the property of GMDA and the Chief Executive Officer or any officer of GMDA authorized by Chief Executive Officer will have right to remove the access/approach without any further notice, whenever required, for any public purpose.

25. That there should be no encroachment on land belonging to or under the control and management of GMDA in shape of fencing or boundary wall or any other construction, whether temporary or permanent, without the specific approval of the Chief Executive Officer or any officer of GMDA authorized by Chief Executive Officer.

26. That the service lane/road shall be constructed by you as per plan approved by the engineer-in-charge of GMDA under the supervision of authorized officer of GMDA concerned as per approved drawing.

27. That the applicant should not use the land for advertisement or hoarding in any form or manner and any violation in this respect shall result in the termination of this agreement and the taking of consequential action by GMDA without further notice

28. That an appropriate entry and exit sign board as approved by the authorized officer of GMDA shall be put up to guide vehicles during the day and should be properly lit to guide them at night as per IRCnorms.

29. The approved building plans shall be followed and there is no hindrance to the infrastructure laid down by the Govt. and the provisions of FDP GMUC 2031 AD are not violated.

30. This access would be subject to the entry and exit access design as per the approval of GMDA and prepared by renowned consultants in the field of road safety and engineering conforming to IRC Manual. Road safety measures as per applicable rules e.g. IRC etc. shall be followed

31. In addition to the above clauses, the situations given herein below would be treated as breach and violation of the license agreement and GMDA would be within its right to terminate the agreement and cancel the access permission so granted:

    i. Non-maintenance of deceleration lane, acceleration lane service road, drainage system, channels, road markings, road signs, traffic signs and other traffic control devices in good operating condition (as specified above)
