The Chairman,
Haryana Real Estate Regulatory Authority,
Gurugram.

Project TEMP ID: Project (RERA-GRG-2002-2025)

Respected Sir / Mam

With reference to the deficiency raised regarding the submission of **mining approval**, we would like to clarify that **no construction activity has commenced at site**. Therefore, we have **not applied for mining permission yet**.

As mining approval is valid only for **1–2 months**, it is practical and appropriate to apply for it closer to the actual commencement of work. We assure you that the mining permission will be obtained and submitted **immediately once site activities begin**.

In view of this, we request you to kindly **consider our submission and waive this deficiency point**.

Regards,

M/s Regional Construction Pvt. Ltd
