In this context, on basis of the credentials provided by you through online portal GMDA, the permission is hereby granted to purchase treated water from STP Dhanwapur|STP Beharampur|Common Effluent Treatment Plant with the following conditions:-

- i) The permission to continue purchase of treated water through tankers will require to be re-validated after 06 months from the date of issue of this letter.
- ii) If the applicant or his authorised vender found misusing the purchased treated water i.e. by supplying the treated water at the location other than mentioned in his application, the permission will be revoked without any notice and further suitable action as decided by GMDA authority will be taken against him.
- iii) GMDA will be at the liberty to revise the rates of water tanker charges and applicant will be liable to pay the revised charges as and when decided by GMDA.
- iv) Applicant / Vender will inform GMDA about increase / decrease of requirement of water if any in advance.
- v) Applicant will also ensure to follow the guide lines of Hon'ble NGT issued from time to time.
- vi) The water tanker will be filled at the respective location only after scanning of QR Code receipt.
