Memo No. LC-803-PA (SS)-2018/ 24816 Dated: 24-08-2018

Subject: Request for approval of revised service plan/estimate in license no 1069-1070 of 2006 dated 14.08.2006 granted for setting up of a Commercial Colony over an area measuring 3.806 acres in Sector-81, Faridabad - Puri Construction Pvt. Ltd.

The revised service plan/estimates of licence no 1069-1070 of 2006 dated 14.08.2006 issued for setting up of an Commercial Colony over an area measuring 3.806 acres situated in Sector-81, Faridabad has been checked and corrected, wherever necessary by the Chief Administrator, HSVP and are hereby approved by the DTCP Haryana subject to the following terms and conditions: -

1. You will have to pay the proportionate cost of external development charges for setting up of commercial colony for the services like water supply, sewerage, storm water drainage, roads, bridges, street lighting, horticulture etc. on gross acreage basis as and when determined by HSVP/Director. These charges are modifiable and modified charges will be binding upon you.
2. The maintenance charges for various services like water supply, sewerage, storm water drainage, Horticulture, roads, street lighting and resurfacing of roads etc. have been included in the estimate as per detail given in it and the total cost of maintenance charges are works out to Rs. 104.73 lac as you are liable to maintain the estate developed by yourself as per norms as determined by the Govt. /Govt. agency.
3. The category wise area shown on the plans and proposed density of population thereof has been treated to be correct for the purpose of services only.
4. All technical notes and comments incorporated in the estimates in two sheets will also apply. A copy of these is also appended as Annexure-A, alongwith recommendation of HSVP dated 11.07.2018 Annexure-B.
5. The wiring system of street lighting will be under ground and the specifications of the street lighting, fixture etc. will be as per relevant standard of HVPNL.
6. The appropriate provision for firefighting arrangement as required in the NBC/ISI should also be provided by you and fire safety certificate should also be obtained by you from the Competent Authority before undertaking any construction. You will be responsible for fire safety arrangement.
7. You shall be fully responsible for making arrangement of disposal of sewerage and storm water drainage till such time these are made available by HSVP/State Govt. and all link connections with the external system shall be made by you at your own cost. The owner will have to ensure that sewer/storm water drainage to be laid by you will be connected by gravity with the master services to be laid/laid by HSVP/State Govt. in this area as per scheme.

8. The correctness of the levels of the colony will be sole responsibility of the owner for integrating the internal sewer/storm water drainage of the colony by gravity with the maser services. In case pumping is required the same will be provided by you.
9. Roof top rain harvesting system shall be provided by you as per norms and the same shall be kept operational/maintained all the time. Arrangement for seggration of first rain not to be entered into the system shall also be made by you.
10. The estimates do not include the provision of electrification of the colony. However, it is clear that the supervision charges and O&M charges shall be paid by you directly to the HVPN.
11. You shall be sole responsible for the construction of various structures such as RCC underground tank etc. according to the standard specification good quality and its workmanship. The structural responsibility will entirely rest upon you.
12. In case some additional structures are required to be constructed and decided by HSVP at a later stage, the same will be binding upon you.
13. You will not make the connection with the master services i.e. water supply, sewerage and storm water drainage without getting its approval from the competent authority.
14. This estimate does not include the common services like water supply, storage tank on the top of the building blocks, lifts, ramps, fire fighting arrangements, plumbing etc. and will for part of the building works.
15. In case some additional structures are required to be constructed and decided by the Competent Authority at a later stage, the same will be binding upon you. Flow control valves will be installed preferably automatic type, on water supply connection with external water supply line.
16. You shall get the electrical service plan estimates approved from the concerned authority regarding power utility within a period of 60 days and submit the same in this office for approval.
17. You shall get the permission of competent Authority, before laying services through Panchayat/Government land, if any.

A copy of the approved service plan/estimates is enclosed herewith. You are requested to supply four additional copies of the approved service plan/estimates to the Chief Administrator, HSVP, Panchkula under intimation to this office.
DA/as above.
