In terms of the said arrangement, the ALLOTTEE(S) shall be entitled to only use and utilize particular / identified car parking slot(s) exclusively in perpetuity but the same shall not confer any ownership rights in respect of the car parking slot(s). The ALLOTTEE(S) shall not be entitled to deal with/ transfer/create third party rights in respect of the parking slot independent of the unit. The right to occupy/use the unit and parking slot shall always be held by one entity. The DEVELOPER shall provide fire fighting, lighting, electronic security coverage and other facilities for the parking slots and no extra charges for this purpose shall be liable to be paid by the ALLOTTEE(S). It is reiterated and specified that it is only the inside space in the unit that has been agreed to be allotted and inclusion of common areas in computation does not create any interest therein in favour of ALLOTTEE(S).

The ALLOTTEE(S) shall not store any goods of hazardous or combustible nature or such goods, which are so heavy that they can affect the construction or structure of the building or any part thereof. The ALLOTTEE(S) hereby indemnifies the DEVELOPER

against any penal action, damages or loss due to misuse for which the ALLOTTEE(S) shall be solely responsible. The ALLOTTEE(S) admits and acknowledges that the DEVELOPER shall have the unhindered right to terminate this contract, to reduce / increase the size / dimensions of the allotted area and to change the location.
