Subject:-

Approval of right of way (ROW) for laying of underground pipe line from Km. 15.706 to 26.625 of STP channel for carrying water from Km. 61.925 of NCR channel to Model Economic Township Ltd. (MET) Jhajjar.

Superintending Engineer, J.W.S Circle, Jhajjar has sought approval for laying underground pipe line of 900 mm dia (D.I/M.S.) pipe from Km. 15.706 to 26.625 along STP channel (CP-1). The Model Economic Township (MET) formerly known as Reliance Haryana SEZ Ltd. (CP 2-3) has sought permission for laying underground pipe of 900 mm dia for carrying water from Km. 61.925 of NCR channel to Model Economic Township Ltd. Jhajjar. Govt. has accorded approval of tap off 2cs. raw water at Km. 61.925 of NCR channel for Model Economic Township vide memo No. 2/108/2016-IIW dated 08.08.2016 (copy at CP-4). The pipes are to be laid 1.5 mtr. below bed level of the channel and in the extreme left end of the Govt. land of STP channel.

Right of way charges have been worked out on the basis of approved Govt. policy named as "Communication & Connectivity Infrastructure policy 2013" (CP 5-30). The company has submitted necessary documents required as per IT policy.

The company has agreed with the guideline mentioned in the policy and accordingly agreed to submit bank guarantee of Rs. 54.60 lacs @ Rs. 500/- per route meter for unpaved katcha portion and Rs. 42.51 lacs as land lease charges @ 6% of circle rate on cost of land with an increase of 5% every year for a period up to 5 years. The same will be re-fixed after period of 5 years for another block of 5 years and so on and so forth with reference to the circle rate applicable at that time and Rs. 5.46 lacs as right of way charges.

The site plan showing the proposed location of the underground pipe is placed at CP-31. The typical x-section of channel showing laying of pipe is placed at CP-32. The pipe is to be laid by open trench method. The MET has given the under taking to maintain safety of the channel (CP 33-34).
