- (e) The Allottee(s) agrees that any violation of the terms of the Tripartite Maintenance Agreement shall automatically be construed as an event of default under the terms of this Agreement. The Allottee(s) hereby conveys his/ her/their/its no objection in respect of the said Maintenance Agency nominated by the Company for performing such services.
- (f) The Allottee(s) agrees that the Company or its nominated Maintenance Agency shall carry out the maintenance of common services and facilities pertaining to the said Project from the date of issue of final notice of possession to the Allottee(s). In case of the failure of the Allottee(s) to pay the maintenance bills, other charges on or before the due date, the Allottee(s) in addition to permitting the Company to deny him/her the right to avail the maintenance services authorizes the Company to adjust the principal amount of the IFMS against such defaults in the payments of the maintenance bills. If due to such adjustments in the principal amount, the IFMS falls below the agreed sum per sq. ft. of the Super Area of the said Unit, the Allottee(s) further undertakes to make good the resultant shortfall within fifteen (15) days of demand by the Company. The Company reserves the right to increase the IFMS from time to time in keeping with the increase in the cost of maintenance services and the Allottee(s) agrees to pay such increases within fifteen (15) days of the demand by the Company. If the Allottee(s) fails to pay such increase in the IFMS or to make good the shortfall as aforesaid on or before its due date, then the Allottee(s) authorizes the Company to treat this Agreement as cancelled without any notice to the Allottee(s) and to recover the shortfall from the Allottee(s). It is further clarified and agreed and acknowledged by the Allottee(s) that the Company shall always have the right to set off any payment or dues, due and payable by the Company to the Allottee(s) from the IFMS. It is made specifically clear and it is so agreed by and between the Parties hereto that this part of the Agreement relating to the IFMS as stipulated in this clause shall survive the conveyance of title in favor of the Allottee(s) and the Company shall have the first charge/lien on the said Unit in respect of such non-payment of shortfall/increases as the case may be.
