**Sub: Application for Assurance of Storm Water Connection for our Commercial Project measuring 2.625 acres located at village Dhunela, Sector-34, Sohna, District Gurugram, Haryana.**

Dear Sir,

We, Navi Estates LLP, are in the initial stages of developing our commercial project at Sec 34, Sohna.

We have applied for the Environmental Clearance for our project, therefore, The State Level Environment Impact Assessment Authority (SEIAA), Govt Of Haryana, Haryana RERA and others has demanded for the assurance for the above cited matter from the concerned authority i.e. HSVP/HUDA.

So, in the view of the above matter, we would like to request your good self, to please issue us the requisite assurance as soon as possible, as per HSVP/HUDA rules, so that the same can be submitted to the concerned office/department.

We hereby attach the site marked on the development plan of Sohna and also on the sectoral plan of the Sector 34, Sohna.

Thanking You with Regards
