Independent Auditor's Report To the Members of PERFECT BUILDWELL PRIVATE LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of PERFECT BUILDWELL PRIVATE LIMITED ('the Company'), which comprise the Balance Sheet as at 31st March 2017, and the Statement of Profit & Loss for the year ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

thir responsibility is to express an opinion on these financial statements based on our audit

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor.

considers internal control relevant of the company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of PERFECT BUILDWELL PRIVATE LIMITED ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

PERFECT BUILDWELL PRIVATE COMPANY

Note: - 21 SIGNIFICANT ACCOUNTING POLICIES

FOR THE YEAR ENDED MARCH 31, 2017 (All amounts in rupees)

1. BACKGROUND

Perfect Buildwell Private Limited ('the Company') is engaged primarily in the business of colonization and real estate development. The operations of the Company span all aspects of real estate development, from the identification and acquisition of land, to planning, execution, construction and marketing of projects. The Company is also engaged in the business of leasing, maintenance services and recreational activities which are related to the overall development of real estate business. The Company is domiciled in India and its registered office is situated at D-64, First Floor, Defence Colony, New Delhi-110 024.

2. GENERAL INFORMATION AND STATEMENT OF COMPLIANCE WITH IND AS

These standalone financial statements ('financial statements') of the Company have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies during the periods presented.

These financial statements for the year ended 31 March 2017 are the first financial statements which the Company has prepared in accordance with Ind AS. For all periods up to and including the year ended 31 March 2016, the Company had prepared its financial statements in accordance with accounting standards notified under Section 133 of the Act, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Previous GAAP), which have been adjusted for the differences in the accounting principles adopted by the Company on transition to Ind AS.

3. BASIS OF PREPARATION

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies

4. RECENT ACCOUNTING PRONOUNCEMENT

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of cash flow' and Ind AS 102, 'Share-based payment.' The amendments are applicable to the Company from 1 April 2017.

Amendment to Ind AS 7

The amendment to Ind AS 7 requires the entitles to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement. The Company is evaluating the requirements of the amendment and its impact on the financial statements.

5. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared using the significant accounting policies and measurement basis summarised below. These were used throughout all periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS. The significant accounting policies are as follows:

(a) Current and non-current classification-

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set-out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

(b) Capital work-in-progress under development-

Capital work-in-progress under development represents expenditure incurred in respect of capital projects/intangible assets under development and are carried at cost. Cost includes land, related acquisition expenses, development/construction costs, borrowing costs and other direct expenditure.

(c) Inventories-

- Land and plots other than area transferred to constructed properties at the commencement of
 construction are valued at lower of cost/approximate average cost/ as re-valued on conversion to
 stock and net realizable value. Cost includes land (including development rights and land under
 agreement to purchase) acquisition cost, borrowing cost, estimated internal development costs
 and external development charges.
- Construction work-in-progress of constructed properties other than Special Economic Zone (SFZ)
 projects includes the cost of land (including development rights and land under agreements to
 purchase), internal development costs, external development charges, construction costs,
 overheads, borrowing cost, development/ construction materials and is valued at lower of cost/
 estimated cost and net realizable value.
- Development rights represent amount paid under agreement to purchase land/development rights and borrowing cost incurred by the Company to acquire irrevocable and exclusive licenses/development rights in identified land and constructed properties, the acquisition of which is either completed or is at an advanced stage.
- Construction/ development material is valued at lower of cost and net realizable value.

(d) Revenue Recognition

Revenue is recognized when it is probable that the economic benefits will flow to the Company and it can be reliably measured. Revenue is measured at the fair value of the consideration received/receivable net of rebate and taxes. The Company applies the revenue recognition criteria to each nature of revenue transaction as set-out below:

Revenue from real estate projects

Revenue from constructed properties for all projects is recognized in accordance with the "Guidance Note on Accounting for Real Estate Transactions" ('Guidance Note'). As per this Guidance Note, the revenue has been recognized on percentage of completion method and on the percentage of actual project costs incurred thereon to total estimated project cost, provided the conditions specified in Guidance Note are satisfied.

Sale of land and plots

Sale of land and plots (including development rights) is recognized in the financial year in which the agreement to sell/application forms (containing salient terms of agreement to sell) is executed and there exists no uncertainty in the ultimate collection of consideration from buyers. Where the Company has any remaining substantial obligations as per agreements, revenue is recognized on 'Percentage of Completion method' as explained above under 'revenue from real estate projects.

Rental income

Rental income is recognized on a straight-line basis over the terms of the lease, except for contingent rental income which is recognized when it arises and where scheduled increase in rent compensates the lessor for expected inflationary costs. Parking income and fit out rental income is recognized in statement of profit and loss on accrual basis.

(e) Unbilled receivables

Unbilled receivables represent:

- Revenue recognized based on percentage of completion method, as per policy on revenue, over and above the amount due as per the payment plans agreed with the customers; and
- Balance on account of straight lining of rental income over the estimated rent free period.

(f) Cost of revenue-

Cost of real estate projects

Cost of constructed properties other than SEZ projects, includes cost of land (including cost of development rights/land under agreements to purchase), estimated internal development costs, external development charges, borrowing costs, overheads, construction costs and development/construction materials, which is charged to the statement of profit and loss based on the revenue recognized as explained in accounting policy for revenue from real estate projects above, in
