The holder of this registration or his agent, if any shall, within one month from the date of this registration, appoint a manufacturer of lift or a company of Electrical and Mechanical Engineers responsible for working of the lift in healthy condition and shall communicate the same to the Inspector. Any change of the above so appointed, shall be communicated.
4. No additions or alterations to the lift and its installation shall be carried out without previous permission in writing of the Inspector.
5. If the holder of this registration ceases to have interest in the lift installation for which the registration is granted the same shall be deemed to be invalid and it shall be returned to the Inspector.
6. Whoever contravenes any of the provisions of the Act or the rules made there under or the terms and conditions of a permission or of a registration or a direction given by the Inspector or any person appointed under section 3 (i) of the Act to assist him, shall on conviction be punishable with imprisonment for a term which may extend to three months or with a fine which may extend to Rs. 50,000/- (Rupees fifty thousand only) or with both and in the case of a continuing contravention with a further fine which may extend to Rs. 1,000/- only for every day during which such contravention is continued after such conviction for the first such contravention.
