## **2. INTRODUCTION**

The Industries play a major role in the socioeconomic development of the country since independence through its contribution to the overall Industrial production, foreign exchange earnings and creation of employment opportunities. Their increasing participation in the economic development of Haryana State has forced the Government to extend several incentives and concessions by framing various industrial policies for the growth of Industrial sector. Even during the early days of the development of the state, government realized the importance of industrial growth and established various industrial sectors with all infrastructure facilities especially for the growth of this sector in different parts of the State. The Haryana Government has made an policy in 2005 regarding the grant of change of land use permission for industrial units in Industrial/Agriculture zone which was suitably amended on 01-10-2015 in view of the Enterprises Promotion Policy-2015.

For the growth of Industrial Sector the State Government has further revised its policy of 2015 and has come up with an amended policy in 2017. Under the above industrial policy the Worldwide Resorts and Entertainment Pvt Ltd is proposing to develop an Industrial Plotted Colony in Manesar, Haryana. Manesar is a fast growing industrial town in Gurgaon district of the State of Haryana in India, and is a part of the National Capital Region (NCR) of Delhi.

## 5. SITE

The industrial project has been proposed in Manesar.

The Manesar city falls within the NCR region notified by the government of India and is located on the outskirts of Gurugram and is in the close proximity of both domestic & international airports. The city's surrounding areas are the fast developing areas with lots of industrial, commercial and IT relating activities. Manesar is a village located on National Highway 8. It is about 16 KM from Gurgaon in the North East direction. NCR Regional Plan has identified Gurgaon Manesar complex and accordingly Government of Haryana has prepared combined master plan for Gurgaon Manesar complex for the year 2031. Haryana State Industrial Infrastructure Development Corporation (HSIIDC) has also developed Industrial Model Township in Manesar comprising various sectors. Manesar is a fast growing industrial town in Gurgaon district of the State of Haryana in India, and is a part of the National Capital Region (NCR) of Delhi. Geographically, Manesar is located at 28.57°N latitude and 77.23°E longitude. Industrial model Town (IMT) Manesar is developed in four phases on about 3,400-acre. Manesar has been developed by Haryana

State Industrial Infrastructure Development Corporation (HSIIDC), Phase I (1748 acres) launched in 1997-98, Phase II consist of 175 acres, Phase – III consists of 598 acres and Phase – IV consists of 657 acres.

Manesar is an Integrated and Independent Industrial town having all the basic infrastructure to facilitate Industrialization of the area. Manesar has received billions of investment in several large multinational industries, especially from Japan, such as Maruti Suzuki and Toshiba Eco City. Aadhar's national Data Center is also located here. The proposed industrial project is surrounded by various villages and hence availability of labours for the industrial growth will not be a limiting factor and will thus provide ample opportunity for the local people to have employment.
