 - (x) That you shall follow provisions of section 46 of 'The Persons with Disabilities (Equal Opportunities, protection of Rights and full Participation) Act, 1995' which includes construction of Ramps in public buildings, adaption of toilets for wheel chair users, Braille symbols and auditory signals in elevators or lifts and other relevant measures for Hospitals, Primary Health Centre and other medical care and rehabilitation units.
 - (xi) That you shall submit electric service plan estimate for approval to concerned power utility under intimation to this office within 30 days from the issuance of

this letter & get the electrical service plan estimates/power load requirement approved from the concerned power utility.

- (xii) That you shall not construct the building having height more than 30 meters without obtaining the NOC from AAI.
- (xiii) That you shall submit the scanned copy of the approved building plans of this scheme to this office from the issuance of this letter.

15. Environment: That you shall strictly comply with the directions of MOEF Guidelines, 2010 while raising construction. In addition, you shall comply with the instructions of Director General, Town & Country Planning, Haryana, Chandigarh issued vide order dated 14.05.2015, available on the Departmental Website www.tcpharyana.gov.in at URL: <https://tcpharyana.gov.in/Policy/Misc392%20OA%20No.%2021%20of%202014%20Vardhaman%20Kaushik%20Vs.%20UOI%20ors.pdf> in compliance of the orders dated 10.04.2015 passed by Hon'ble National Green Tribunal in OA No. 21 of 2014, which are as under:

- (i) You shall put tarpaulin on scaffolding around the area of construction and the building. You are also directed that you shall not store any construction material particularly sand on any part of the street/roads.
- (ii) The construction material of any kind that is stored in the site will be fully covered in all respects so that it does not disperse in the Air in any form.
- (iii) All the construction material and debris shall be carried in the trucks or other vehicles which are fully covered and protected so as to ensure that the construction debris or the construction material does not get dispersed into the air or atmosphere, in any form whatsoever.
- (iv) The dust emissions from the construction site should be completely controlled and all precautions taken in that behalf.
- (v) The vehicles carrying construction material and construction debris of any kind should be cleaned before it is permitted to ply on the road after unloading of such material.
- (vi) Every worker working on the construction site and involved in loading, unloading and carriage of construction material and construction debris shall be provided with mask to prevent inhalation of dust particles.
- (vii) Every owner and or builder shall be under obligation to provide all medical help, investigation and treatment to the workers involved in the construction of building and carry of construction material and debris relating to dust emission.
- (viii) It shall be the responsibility of every owner/builder to transport construction material and debris waste to construction site, dumping site or any other place in accordance with rules and in terms of Hon'ble NGT order dated 10.04.2015 referred above.
- (ix) All to take appropriate measures and to ensure that the terms and conditions of the Hon'ble NGT order dated 10.04.2015 referred above in OA No. 21 of 2014 and the earlier orders passed in said case should strictly comply with by fixing sprinklers, creations of green air barriers.

- (x) Compulsory use of wet jet in grinding and stone cutting.
 - (xi) Wind breaking walls around construction site.
 - (xii) That you shall ensure that least dust has emitted into air/atmosphere and all steps are taken to prevent the same.
 - (xiii) That all the builders, who are building commercial, residential complexes which are covered under the EIA Notification of 2006, shall provide green belt around the building that they construct and compliance of the same shall be ensured prior to issuance of occupancy certificate.
 - (xiv) If any person, owner and or builder is found to be violating any of the conditions stated in this order and or for their non-compliance such person, owner, builder shall be liable to pay compensation of ₹ 50,000/- per default in relation to construction activity at its site and ₹ 5,000/- for each violation during carriage and transportation of construction material, debris through trucks or other vehicles, in terms of Section 15 of the NGT Act on the principle of Polluter Pay. Such action would be in addition not in derogation to the other action that the Authority made take against such builder, owner, person and transporter under the laws in force.
 - (xv) All the owners/builders shall ensure that C & D waste is transported in terms of this order to the site in question only and due record in that behalf shall be maintained by the builders, transporters and NCR of Delhi.
 - (xvi) It is made clear that even if constructions have been started after seeking Environmental Clearance under the EIA notification 2006 and after taking other travel but is being carried out without taking the preventive and protective environmental steps as stated in above said order dated 10.04.2015 passed by NGT and MOEF guidelines, 2010, the State Government, SPCB and any officer of any Department as afore-stated shall be entitled to direct stoppage of work.
16. As per the condition of the licence, you were required to convey ultimate power load requirement to the Department. You have not intimate so far. The same may be supplied within a month from the issuance of this letter.
17. On the basis of IGBC "Platinum Rating" Certificate duly submitted by the colonizer, and as per provision of Code 6.5 of Haryana Building Code, 2017, the additional FAR of 15% is allowed. Since, the final rating will be issued by IGBC "Platinum Rating" after completion of total building complex/project, therefore, final occupation for three times the area of additional FAR which is sought to be availed, as incentive for green building), shall be withheld till the final rating from IGBC "Platinum Rating" is obtained. However, if you fails to achieve the final rating, which is lesser than the provisional rating, the occupation certificate of all building complex shall be issued after compounding the additional FAR (i.e. difference of additional FAR from provisional rating & final rating) at the ten times of the rates of EDC applicable at the time of submission of occupation certificate.
18. That the applicant shall transferred the land forming part of 24 mtr. wide internal circulation road within 30 days after issuance of this letter.

19. That you shall get completed the empanelment of Structural Engineer, Proof Consultant/Supervising Engineer within 60 days from the date of issuance of building plans, failing which the approval of building plans shall be withdrawn.

20. That you shall carry out the inspection of construction through empanelled Third Party Inspection Agencies

This sanction will be void abinitio, if any of the conditions mentioned above are not complied with.
