As reported above, the total revenue during the financial year ended on March 31, 2020, stood at Rs. 34,552.56 million as compared to Rs. 23,793.10 million during the previous year. The Company has incurred a loss of Rs. (1,530.18) million during the financial year under review as compared to a loss of Rs. (4,170.47) million during the previous year.

As at 31 March 2020, the Company has borrowings of Rs. 6,939.24 million which are due for repayment in the next one year. As per the present business plans, the Company will be able to meet its financial obligations in the next one year. As at 31 March 2020, while the Company's net worth is negative (primarily due to Demerger happened in the financial year 2018-19), the management has considered the fact that the Company has significant asset base, including land inventories or land development rights, which can yield values in excess of their book values on development and can hence be used for raising additional capital, if and when required. Further, the Emaar Properties PJSC, ultimate holding company has agreed that it shall continue to provide support to the Company in arranging for funds to enable the Company to meet its operational and project requirements. Hence, these financial results have been prepared on a going concern basis.

# **Business and Operations**

The Company is principally engaged in the business of promotion, construction, development and sale of integrated townships, residential and commercial multi storied buildings, houses, flats, shopping malls, hotels etc.

At present, the Company is focusing on the development of residential projects in Gurugram, Haryana and elsewhere in Delhi/NCR, Mohali, Indore, Jaipur, Lucknow, Chennai and other key Indian cities. The Company is presently developing 30 residential and 10 commercial/retail projects, with an aggregate saleable area of approximately 47 million square feet spread across 9 cities including Delhi, Gurugram / NCR, Mohali, Chennai, Indore, Jaipur and Lucknow. Most of these projects are in various stages of development and are proposed to be completed in phases over the next 12 to 18 months. Across all projects, the Company has obtained Occupation Certificates for approx. 17,150 units, completed and in the process of applying for Occupation Certificates for approx. 3,360 units. Currently, around 4,000 workers have been deployed on various project sites.

The Company, in furtherance to its commitment to complete and deliver the projects to its esteemed customers and stakeholders, is taking all possible steps to complete all its projects at the earliest possible.

# **Material Changes Affecting Financial Position**

There are no material changes and commitments, affecting the financial position of the Company which has occurred since the end of the financial year i.e. March 31, 2020.

# Corporate Restructuring - Demerger & Related matters

- The National Company Law Tribunal (NCLT) vide its order dated 16 July 2018 had approved the scheme of arrangement (Demerger) between the Company and MGF Developments Limited (MGF) and the same was filed with the Registrar of Companies on 31 July 2018, being the Effective Date. The said Scheme is effective from the appointed date of 30 September 2015.
- On 3 June 2019, MGF had filed an application before the NCLT under Section 231 of the Companies Act, 2013 for enforcement of the Scheme. NCLT vide its order dated 19 November 2019, directed the Company and MGF to mediate the matter before former Supreme Court Judge, Justice D.K. Jain ("Mediator"), and for the Mediator to suggest ways and means for implementation of Scheme by the parties. Pursuant to such appointment of Mediator, the NCLT disposed-off the said Section 231 application filed by MGF. During the mediation process, the Company informed the Mediator that MGF has invoked arbitration proceedings raising various disputes under demerger arrangement before the International Court of Arbitration, International Chamber of Commerce ('ICC'), London. The Company further informed the Mediator that there will be an overlap of arbitration proceedings and the mediation process, hence, the mediation proceedings be terminated. In view of the same, the Mediator vide its order dated 27 January 2020 closed the mediation proceedings, with liberty to the parties to revive the same, as and when considered necessary. Thereafter, MGF again filed an application u/s 231 of the Companies Act, 2013 for implementation of the Scheme and the matters are currently sub-judice before NCLT and ICC, London.
- On 19 November 2019, Emaar Holding II, shareholder & promoter of the Company, filed a petition under Section 241 of the Companies Act, 2013, before the NCLT, New Delhi, seeking relief against MGF Developments Limited, Mr. Shravan Gupta, Ms. Shilpa Gupta and its connected entities (MGF Group). Emaar Holding II has, inter-alia, prayed to direct MGF Group to compensate the Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions along with interest, from the date of respective loss. MGF Group had also filed its reply and thereafter both parties have filed rejoinders. The Company has also filed criminal complaints against MGF and its associates, in respect of certain matters referred to in Section 241 petition filed by Emaar Holding II. The matters are currently sub-judice before NCLT.
- The Company, its ultimate holding company (Emaar Properties PJSC), MGF Developments Limited (MGF) and other parties had entered into certain indemnity agreement(s), which entitled the Company to raise indemnity claims on MGF, Mr. Shravan Gupta and their group companies in respect of certain expenses/losses incurred by the Company. As per the terms of indemnity agreement(s), if MGF does not settle such indemnity claims within ten days from the date of receipt, the Company or its land owning subsidiaries may unilaterally settled such claims by, inter-alia, terminating the development rights of certain land parcel(s) which were earlier transferred to MGF pursuant to the Demerger order dated 16 July 2018. Pursuant to the above, the Company had raised various claims, which MGF had failed to settle. In view of the same, on 17 September 2019, the Company and its land-owning subsidiaries has enforced some of such indemnity claims during the current period, by way of cancellation of development rights over certain land parcel(s). The fair value of such land parcels is Rs. 2,250.00 million. In terms of the indemnity agreements, the development rights of such land parcel(s) vest with the Company. Accordingly, the Company has recognised inventory of Rs. 2,250.00 million and claim income of Rs. 2,020.44 million.

Against such termination, on 02 November 2019, MGF had filed two petitions, under Section 9 of the Arbitration and Conciliation Act, 1996 before the Hon'ble Punjab and Haryana High Court (the 'High Court'). The High Court through its orders dated 28 November 2019 had directed that the parties shall not create third party rights on such land parcels over which the development rights were terminated by the subsidiaries of the Company and to maintain the corpus subject-matter of dispute in status-quo. The High Court further directed MGF to invoke the arbitration clause under the indemnity agreements and initiate the International Arbitration process. The Request for Arbitration ("RFA") was submitted by MGF on 22 December 2019 to the International Court of Arbitration, International Chamber of Commerce ('ICC'), London. The RFA, inter-alia, requested for resolution of disputes by arbitration over various matters pertaining to demerger arrangement between the parties, including the said indemnity agreements. The Arbitral Tribunal has been constituted with the Company and MGF each nominating their arbitrators and both these arbitrators have appointed a third arbitrator who is acting as president for such arbitration proceedings seated in London.

Subsequent to the close of financial year, on 7 April 2020, the Company had further asked MGF to settle certain additional indemnity claims. However, on 21 April 2020, MGF had filed an Application for Temporary Restraining Order & Interim Measures ("TRO") before the Arbitral Tribunal against the Company's unilateral settlement such further indemnity claims. After hearing both the parties, vide its order dated 15 May 2020, the Arbitral Tribunal has dismissed MGFs TRO application and ordered that the Company should be free to exercise their contractual rights to enforce the security provided by MGF, by way of termination of development rights over certain land parcels, on the basis that damages will be an adequate remedy if the Company does so in breach of agreements. The Arbitral Tribunal further confirmed that, not only the Company may unilaterally settle indemnity claims raised vide its letter dated 7 April 2020, but the Company could also settle its claims of 17 September 2019, as it did against certain assets, and that there should be no restraint on alienation of the development rights in those assets. Accordingly, the order of the Punjab & Haryana High Court dated 28 November 2019 was superseded and discharged by Arbitral Tribunal Order.

Pursuant to the said Order of the Arbitral Tribunal dated 15 May 2020, the Company and its land owning subsidiaries have enforced the additional indemnity claims of 7 April 2020, by way of termination of development rights over certain land parcel(s), having a value of Rs. 1,375.00 million and development rights of such land parcel(s) now vest with the Company.

The matter pertaining to RFA is currently sub-judice before ICC London.

Further, your Company conduct effectiveness review of the Board as part of its efforts to evaluate, identify improvements and thus enhance the effectiveness of the Board of Directors, its Committees, and individual directors.

# **Audit Committee**

Pursuant to Section 177 of the Companies Act, 2013, the Company has constituted an Audit Committee and the current composition of the Committee is as under:

| S. No. | Name of the Member           | Designation                            |
|--------|------------------------------|--|
| 1      | Mr. Jason Kothari (Chairman) | Independent Director                   |
| 2      | Ms. Shivani Bhasin           | Independent Director                   |
| 3      | Mr. Haroon Siddiqui          | Non-Independent Non-Executive Director |

The roles and responsibilities of the Audit Committee are in terms of Section 177 of the Companies Act, 2013. The Audit Committee has formulated and recommended various policies with respect to Related Party Transactions, Vigil mechanism and other matters which has already been approved by the Board of Directors.

All the recommendations made by the Audit Committee were accepted by the Board.

# **Auditors**

# 1. Statutory Auditors

M/s. Walker Chandiok & Co. LLP, Chartered Accountants (Firm Registration No.001076N/N500013), are acting as Statutory Auditors of the Company for a period of 5 years commencing from the conclusion of 12<sup>th</sup> Annual General Meeting of the Company held on 29<sup>th</sup> September, 2017 till the conclusion of the 17<sup>th</sup> Annual General Meeting of the Company.

# 2. Cost Auditors

As per Section 148 of the Companies Act, 2013, the Company is required to have the audit of its cost records conducted by a Cost Accountant in practice. In this connection, the Board of Directors of the Company has at its meeting held on May 14, 2019, on the recommendation of the Audit Committee, approved the appointment of M/s. Jitender, Navneet & Co., Cost Accountants (Firm Registration No. 000119), as Cost Auditors of the Company for conducting Cost Audit of the Company for the financial year 2019-20, at a remuneration of Rs.5,00,000/- (Rs. Five lacs only) plus taxes and other out of pocket expenses.

M/s. Jitender, Navneet & Co. has appropriate experience in the field of cost audit and has conducted the audit of the cost records of the Company for the past years.

#### 3. Secretarial Auditor

As per Section 204 of the Companies Act, 2013 inter-alia requires to annex with its Board's Report, a Secretarial Audit Report given by a Company Secretary in practice, in the prescribed form.

The Board had appointed M/s Grover Ahuja & Associates, Company Secretaries, as Secretarial Auditors to conduct the Secretarial Audit for the financial year 2019-20 and their report is annexed to this Board Report as **Annexure -4.** The para-wise observations in the Secretarial Audit Report and respective explanations are given herein below:

1. During the financial year 2019-20, the Company has filed all the ROC forms within time, except for certain forms mentioned in the Report.

The Board would like to clarify that the reason for delayed filing for most of the forms mentioned in the report was due to technical issue with the MCA Website, which restricts filing of subsequent forms in case the previous similar form is pending approval. However, all the forms were ultimately filed on payment of additional fee.

Annual Performance Report (APR) for the financial year 2018-19, was not filed by the Company due to non-availability of
financial statement of Dubai Real Estate Institute FZ-LLC (foreign Entity). The same was required to be filed under the
provisions of Section B.14 (iii) of Master Direction-Direct Investment by Residents in Joint Venture (JV) / Wholly Owned
Subsidiary (WOS) Abroad dated January 1, 2016.

The Board would like to submit that, in 2007, the Company had made an Investment of AED 1,500,000 (Rs. 16.65 Million) in Dubai Real Estate Institute FZ-LLC (DREI), Dubai, for acquiring its 5% stake.

DREI was a real estate educational institution in Dubai and due to the restructuring exercise undertaken by the Government of Dubai, in 2009, the control of DREI was taken over by the Real Estate Regulatory Authority (RERA), Government of Dubai and dissolution process of DREI was initiated by the Government of Dubai.

Pursuant to the provisions of FEMA, the Company is required to file Annual Performance Report (APR) of DREI with RBI. However, despite our several requests in the past, DREI & RERA had not provided us the financial statement. Hence, in view of the non-availability of such financial statements of DREI, the Company was not able to file the Annual Performance Report (APR). Considering the same, the Company had made already made provision of the said investment in the prior period, as diminution in value of investment.

In June 2019, the Company was informed that the liquidation process of DREI has been completed and the proportionate proceeds in the bank accounts of DREI will be distributed amongst its shareholders. In February 2020, HSBC (Authorised Dealer) informed the Company that an inward remittance of AED 15,269.58 has been received by the Company, which were liquidation proceeds of DREI. Hence, subject to the approval of Reserve Bank of India, the Board has approved write-off of such investment.

3. Newspaper publication for the half yearly unaudited financial results as on 30<sup>th</sup> September, 2019 as approved on 11<sup>th</sup> November, 2019 and were published on 15<sup>th</sup> November, 2019 whereas it was required to be published on or before 13<sup>th</sup> November, 2019 as prescribed under Regulation 52(8) of SEBI (Listing Obligations & Disclosure requirements) Regulations, 2015.

The Board would like to clarify that the delay in publication of results was mainly due to November 12, 2019 being a public holiday and thereafter due to coordination issues with the publication house. However, the Board would endeavor that in future the said regulation is duly compiled with.

4. As informed by the management, the Company had applied for the prior approval of the Stock exchange on 24.12.2019, in matter of modification in the terms & conditions of 22,600 Listed NCDs, as per Regulation 59 of SEBI (Listing Obligations & Disclosure requirements) Regulations, 2015 and the application is pending for approval.

The Board would like to clarify that since the redemption date of NCDs was 31.12.2019, the Company had filed the necessary application for change in terms of NCDs with the Stock Exchange well in advance on 24.12.2019 for its approval, which is pending. The details of the change in terms of NCDs forms part of Annexure – 1 of this Report.

# **Statutory Auditors' Report**

The Statutory Auditors of the Company in their Audit Report for the year ended March 31, 2020 under the heads "Basis for Qualified Opinion" and "Emphasis of Matter", have highlighted certain ongoing matters as explained below and have expressed their inability to ascertain its possible effects on the standalone and consolidated financial statements of the Company for the year 2019-20:

# I. Basis for Qualified Opinion

As described in note 32(c)(i) of the accompanying standalone financial statements which describes the petition filed by Emaar Holding II, shareholder and promoter of the Company under Section 241 of the Companies Act, 2013 seeking relief against former shareholder, managing director, director and their connected entities (collectively referred to as 'MGF Group') where the Company has also been named as a respondent party. Under this petition, Emaar Holding II has, interalia, prayed to direct MGF Group to compensate the Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions that occurred between the years from 2006 to 2016, along with interest, from the date of respective loss. Pending adjudication of the matter, the management is of the view that the impact of such alleged acts and transactions on the accompanying standalone financial statements is presently unascertainable and hence, in absence of such information, we are unable to comment on the impact, if any, of such alleged acts and transactions on the accompanying standalone financial statements.

Similar matter also appears under the head "Basis for Qualified Opinion" of the Auditor's Report on the Consolidated Financial Statements, as under:

As described in note 35(c)(i) of the accompanying consolidated financial statements which describes the petition filed by Emaar Holding II, shareholder and promoter of the Holding Company under Section 241 of the Companies Act, 2013 seeking relief against former shareholder, managing director, director and their connected entities (collectively referred to as 'MGF Group') where the Holding Company has also been named as a respondent party. Under this petition, Emaar Holding II has, inter-alia, prayed to direct MGF Group to compensate the Holding Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions that occurred between the years from 2006 to 2016, along with interest, from the date of respective loss. Pending adjudication of the matter, the management is of the view that the impact of such alleged acts and transactions on the accompanying consolidated financial statements is presently unascertainable and hence, in absence of such information, we are unable to comment on the impact, if any, of such alleged acts and transactions on the accompanying consolidated financial statements.

# In respect of above qualification, the Board of Directors would like to clarify as under:

On 19 November 2019, Emaar Holding II, shareholder and promoter of the Company, filed a petition under Section 241 of the Companies Act, 2013, before the Hon'ble National Company Law Tribunal ('NCLT'), New Delhi, seeking relief against MGF Developments Limited, Mr. Shravan Gupta, Ms. Shilpa Gupta and its connected entities (MGF Group). Emaar Holding II has, inter-alia, prayed to direct MGF Group to compensate the Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions along with interest, from the date of respective loss. MGF Group had also filed its reply and thereafter both parties have filed rejoinders. The Company has also filed criminal complaints against MGF and its associates, in respect of certain matters referred to in Section 241 petition filed by Emaar Holding II. As the matters are in initial stage or currently sub-judice, any impact of the same on the standalone financial statements is not ascertainable at this stage.

Please also refer to Note no. 32(c)(i) of the Standalone Financial Statements and Note nos. 35(c)(i) of the Consolidated Financial Statements.

# II. Emphasis of Matters

Auditors have also drawn attention to:

A. Note 32(b)(x) in relation to investment made in and advances given to one of the subsidiary Company, Emaar MGF Construction Private Limited, aggregating Rs. 362.78 million and Rs. 1,420.23 million respectively as at 31 March 2020. As described in the note, there are various significant ongoing litigations in the said subsidiary company relating to a project undertaken by it, the outcome of which is presently unascertainable.

Similar matter also appears under the head "Emphasis of Matter" of the Auditor's Report on the Consolidated Financial Statements, as under:

Note 35(b)(xii) and 35(b)(xiii) in relation to inventory and advances given by one of the subsidiary company, Emaar MGF Construction Private Limited, aggregating Rs. 489.73 million and Rs. 1,830.00 million respectively as at 31 March 2020. As described in the note, there are various significant ongoing litigations in the said subsidiary company relating to a project undertaken by it, the outcome of which is presently unascertainable.

B. Note 32(b)(xi) which describes the uncertainty with respect to the outcome of various ongoing litigations involving the Company and its development partners with Andhra Pradesh Industrial Infrastructure Corporation (APIIC) and other parties alleging certain irregularities relating to a project in Hyderabad. The Company has outstanding assets and liabilities of Rs. 4,100.68 million and Rs. 3,145.19 million respectively, with respect to this project as at 31 March 2020. The final outcome of these litigations is presently unascertainable.

Similar matter also appears under the head "Emphasis of Matter" of the Auditor's Report on the Consolidated Financial Statements, as under:

Note 35(b)(xiv) which describes the uncertainty with respect to the outcome of various ongoing litigations involving the Company and its development partners with Andhra Pradesh Industrial Infrastructure Corporation (APIIC) and other parties alleging certain irregularities relating to a project in Hyderabad. The Company has outstanding assets and liabilities of Rs. 4,100.68 million and Rs. 3,145.19 million respectively with respect to this project as at 31 March 2020. The final outcome of these litigations is presently unascertainable.

C. Note 55, which describes the uncertainties due to the outbreak of Covid-19 pandemic and the management's evaluation of the same on the standalone financial statements of the Company as at the balance sheet date. In view of these uncertainties, the impact on the Company's operations is significantly dependent on future developments.

Similar matter also appears under the head "Emphasis of Matter" of the Auditor's Report on the Consolidated Financial Statements, as under:

Note 59, which describes the uncertainties due to the outbreak of Covid-19 pandemic and the management's evaluation of the same on the consolidated financial statement of the Group as at the balance sheet date. In view of these uncertainties, the impact on the Group's operations is significantly dependent on future developments.

# In respect of (A) above, the Board of Directors would like to clarify as under:

As at 31 March 2020, the Company has investments of Rs. 362.78 million (31 March 2019: Rs. 362.78 million) in the form of equity share capital in one of its subsidiary companies, Emaar MGF Construction Private Limited ('EMCPL') and a recoverable of Rs. 1,420.23 million (31 March 2019: Rs. 1,495.31 million).

EMCPL is under various litigations with respect to the Commonwealth Games (CWG) Village project undertaken by it, including with –

- Delhi Development Authority (DDA) under Project Development Agreement for the development and construction of the project, whereby EMCPL has raised claims over DDA aggregating to Rs. 14,182.38 million (31 March 2019: Rs. 14,182.38 million), against which DDA has raised counter claims aggregating to Rs. 14,460.44 million (31 March 2019: Rs. 14,460.44 million) on EMCPL. DDA is also alleging extra usage of Floor Area Ratio (FAR) by EMCPL; and
- M/s Ahluwalia Contracts (India) Limited, contractor appointed for the construction of the project, wherein claims by the contractor and counter claims by EMCPL aggregating to Rs. 4,200.19 million (excluding interest) (31 March 2019: Rs. 4,200.19 million) and Rs. 11,702.55 million (31 March 2019: Rs. 11,702.55 million) respectively are pending for decision with the arbitration tribunal.

Unfavorable outcome of the outstanding litigations may result in the said subsidiary not being able to meet its obligations fully and may lead to impairment in the value of the investment that the Company holds in EMCPL besides non recovery of the aforesaid advance. Further, the Company has undertaken to provide continued financial support to EMCPL as part of its business strategy for meeting its operating and capital funding requirements for the next financial year and in the near future.

Please also refer to Note no. 32(b)(x) of the Standalone Financial Statements and Note nos. 35(b)(xii) & 35(b)(xiii) of the Consolidated Financial Statements.

# In respect of (B) above, the Board of Directors would like to clarify as under:

The Company, vide a Development Agreement dated 3 November 2006 (subsequently amended by the agreement dated 25 July 2007) entered into with Emaar Hills Township Private Limited ("EHTPL"), had undertaken the development of land in Hyderabad, which was sold to EHTPL by Andhra Pradesh Industrial Infrastructure Corporation through a duly registered Conveyance Deed dated 28 December 2005. The Company also, vide Assignment Deed dated 3 November 2006 entered into with Boulder Hills Leisure Private Limited ("BHLPL"), had undertaken the development and operation of a 'Golf Course' in Hyderabad.

The Company, EHTPL and BHLPL have been subjected to litigations relating to the allegations of irregularities in allotment of project land, notice for termination of project, notice for termination of development agreement by one of the shareholders of the development partner, stoppage of registration of properties in the project, etc. Further, in one of the matters mentioned herein, Central Bureau of Investigation has filed charge sheets against various persons, including the Company, its former Managing Director and certain officers of the Company. Under the said matter, the Company has also received an attachment order of its certain properties from Directorate of Enforcement.

The Company has assets and liabilities of Rs. 4,100.68 million (31 March 2019 - Rs. 4,087.25 million) and Rs. 3,145.19 million (31 March 2019 - Rs. 3,323.45 million) respectively. The matters mentioned herein are pending with judicial authorities at various levels.

Based on the legal advices received and internal assessments, the management believes that the allegations/matters raised above are untenable and contrary to the factual position. The Company also believes that the matters are possible but not probable, that outflow of economic resources are required, and hence no provision has been made in these standalone financial statements.

Please also refer to Note no. 32(b)(xi) of the Standalone Financial Statements and Note no. 35(b)(xiv) of the Consolidated Financial Statements.

# In respect of (C) above, the Board of Directors would like to clarify as under:

The outbreak of 'Covid-19' in March 2020, has severely impacted the businesses & economic activities around the world including India. Governments, both State & Central, have imposed lock down and other emergency restrictions which has led to the disruption of all regular business operations, including that of the Company.

The Company is monitoring the situation closely and has initiated steps to resume business activities in phased manner as per the Government's directives. During the month of May this year, the Company has resumed operations at some of its offices in a phased manner with limited workforce, as per the directives of the Government issued from time to time. Preventive measures such as thermal screening, regular sanitization etc. have been put in place to ensure the good health and safety of the employees of the Company. The Company has also initiated *in situ* construction activities at some its sites within the said framework of Government directives.

While the Company has made assessment of its liquidity/financial position (including recoverability/carrying values of its trade receivables, business & other advances, inventory and investments), given the situation where the pandemic is still unravelling, the actual impact of Covid-19 pandemic on the Company's financial position remains uncertain. The same is also dependent on further spread of the disease and various steps taken by the Government to mitigate the economic impact.

In this evolving situation, the overall financial impact and duration thereof cannot be predicted with reasonable certainty. The Company will continue to monitor the situation and will take appropriate actions within the regulatory framework.

Please also refer to Note no. 55 of the Standalone Financial Statements and Note no. 59 of the Consolidated Financial Statements.

# **Internal Financial Controls**

The Company has in place adequate internal financial controls with reference to financial statements. During the year, such controls were tested and no reportable material weakness in the design or operation was observed.

# **Corporate Social Responsibility**

Pursuant to Section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014, the Company has constituted a Corporate Social Responsibility Committee ("CSR Committee") and the current composition of the Committee is as under:

| S. No. | Name of the Member           | Designation                            |
|--------|------------------------------|--|
| 1      | Mr. Jason Kothari (Chairman) | Independent Director                   |
| 2      | Ms. Shivani Bhasin           | Independent Director                   |
| 3      | Mr. Hadi Badri               | Non-Independent Non-Executive Director |
| 4      | Mr. Haroon Siddiqui          | Non-Independent Non-Executive Director |

The CSR Committee has formulated and recommended to the Board, a Corporate Social Responsibility Policy (CSR Policy) of the Company in accordance with Section 135 of the Companies Act, 2013 and rules made thereunder indicating the activities to be undertaken by the Company, which has already been approved by the Board. A copy of the CSR policy is available on the Company's website viz <a href="http://emaar-india.com/policies">http://emaar-india.com/policies</a>.

Since the Company has been incurring losses for over last 3 financial years, the Company has not incurred any significant expenditure on CSR activities / projects.

# Risk Management

Your Company recognizes that risk is an integral part of business and is committed to managing the risks in a proactive and efficient manner. The Company faces and manages various risks, including business risks, such as the highly competitive and rapidly changing nature of our markets. Other risks are financial in nature, such as currency movements, interest rate fluctuations, liquidity, insurance and credit risks.

The company has an enterprise risk management policy to periodically assess risks in the internal and external environment and through its risk management process, strives to contain the impact and likelihood of the risks.

While there are no risks, which in the opinion of the Board, threaten the existence of your Company, however, we would like to draw your kind attention to "Basis of Qualified Opinion" and "Emphasis of Matter" referred to in the Statutory Audit Report along with the Note no. 39 of the Standalone Financial Statement and Note no. 45 of the Consolidated Financial Statements.

# Vigil Mechanism

The Company has established a vigil mechanism to promote ethical behaviour in all its business activities and has in place a mechanism for employees to report any genuine grievances, illegal, unethical behaviour, suspected fraud or violation of laws, rules and regulation or conduct to the Ethic Committee and the Audit Committee of the Board of Directors. The policy also provides for adequate protection to the whistle blower against victimization or discriminatory practices.

The Vigil Mechanism policy is put on the Company's website and can be accessed on the Company's website viz <a href="http://emaar-india.com/policies">http://emaar-india.com/policies</a>.

# **Board Evaluation**

The Board of Directors has carried out an annual evaluation of its own performance, board committees, and individual directors pursuant to the provisions of the Companies Act 2013.

# **Investor Education & Protection Fund**

During the year under review, the Company was not liable to deposit any amount to the Investor Education and Protection Fund.

#### Significant & Material Orders Passed by the Regulators/ Courts/ Tribunals

The Hon'ble Supreme Court had, vide its judgment dated 9 August 2019 disposed of the bunch of writ petitions and has upheld the constitutional validity of provisions inserted by the Insolvency and Bankruptcy Code (Second Amendment) Act, 2018 ("Code"). As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code. However, pursuant to the Insolvency and Bankruptcy Code (Amendment) Ordinance, 2019 promulgated on 28 December 2019, the said Code was amended to provide minimum thresholds in case of real estate projects, that if an allottee wants to initiate the insolvency process, the application should be filed jointly by at least 100 allottees of the same real estate project, or 10% of the total allottees under that project, whichever is less. After promulgation of the Ordinance, a number of homebuyers had approached the Hon'ble Supreme Court by filing writ petitions challenging the said provisions of Ordinance to be ultra vires the Constitution of India and in violation of Articles 14 and 21 (Fundamental Rights).

The Supreme Court has recently issued notice to the Government in the matter and have stayed the proceedings before NCLT in the matters wherein amendment of petition as per Ordinance is required. The matter is currently sub-judice. Based on the developments and legal advice received, management is confident that no material liability will devolve in respect of Company matters pending before NCLT.

# **EMAAR MGF LAND LIMITED STANDALONE** FINANCIAL STATEMENT (2019 - 2020)

#### **Independent Auditor's Report**

To the Members of Emaar MGF Land Limited

Report on the Audit of the Standalone Financial Statements

#### **Qualified Opinion**

- 1. We have audited the accompanying standalone financial statements of Emaar MGF Land Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
- 2. In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2020, and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

#### **Basis for Qualified Opinion**

3. As described in note 32(c)(i) of the accompanying standalone financial statements which describes the petition filed by Emaar Holding II, shareholder and promoter of the Company under Section 241 of the Companies Act, 2013 seeking relief against former shareholder, managing director, director and their connected entities (collectively referred to as 'MGF Group') where the Company has also been named as a respondent party. Under this petition, Emaar Holding II has, inter-alia, prayed to direct MGF Group to compensate the Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions that occurred between the years from 2006 to 2016, along with interest, from the date of respective loss. Pending adjudication of the matter, the management is of the view that the impact of such alleged acts and transactions on the accompanying standalone financial statements is presently unascertainable and hence, in absence of such information, we are unable to comment on the impact, if any, of such alleged acts and transactions on the accompanying standalone financial statements.

4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### **Emphasis of Matters**

- 5. We draw attention to the following notes in the accompanying standalone financial statements:
  - a. Note 32(b)(x) in relation to investment made in and advances given to one of the subsidiary Company, Emaar MGF Construction Private Limited, aggregating Rs. 362.78 million and Rs. 1,420.23 million respectively as at 31 March 2020. As described in the note, there are various significant ongoing litigations in the said subsidiary company relating to a project undertaken by it, the outcome of which is presently unascertainable.
  - b. Note 32(b)(xi) which describes the uncertainty with respect to the outcome of various ongoing litigations involving the Company and its development partners with Andhra Pradesh Industrial Infrastructure Corporation (APIIC) and other parties alleging certain irregularities relating to a project in Hyderabad. The Company has outstanding assets and liabilities of Rs. 4,100.68 million and Rs. 3,145.19 million respectively, with respect to this project as at 31 March 2020. The final outcome of these litigations is presently unascertainable.
  - c. Note 55, which describes the uncertainties due to the outbreak of Covid-19 pandemic and the management's evaluation of the same on the standalone financial statements of the Company as at the balance sheet date. In view of these uncertainties, the impact on the Company's operations is significantly dependent on future developments.

Our opinion is not modified in respect of these matters.

#### **Key Audit Matters**

- 6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
- 7. In addition to the matters described in the Basis for Qualified Opinion, we have determined the matters described below to be the key audit matters to be communicated in our report.

#### Accounting for certain indemnity claims

Refer to the note 32(c)(iii) of the accompanying standalone financial statements.

The Company had raised various indemnity claims on MGF Developments Limited (MGF), as per the terms of indemnity agreement(s). As per such agreement(s), if MGF does not settle such indemnity claims within ten days from the date of receipt, the Company or its land owning subsidiaries may unilaterally settle such claims by, inter-alia, terminating the development rights of certain land parcel(s) which were earlier transferred to MGF pursuant to the Demerger order dated 16 July 2018.

Pursuant to above, during the current year on 17 September 2019, the Company together with its land-owning subsidiaries has enforced action under the terms of indemnity agreement(s) by way of cancellation of development rights over certain land parcel(s) with a fair market value of Rs. 2,250.00 million. Accordingly, the Company has recognised inventory of Rs. 2,250.00 million and claim income of Rs. 2,020.44 million as disclosed under Note 9 and Note 32(c)(iii) respectively to the accompanying standalone financial statements.

In reference to the said matter, MGF had filed an arbitration application before the International Court of Arbitration, International Chamber of Commerce London.

Subsequent to the year-end, the Company asked MGF to settle additional claim against which MGF filed a Temporary Restraining Order & Interim Measures application ("TRO") before the Arbitral Tribunal, which has been dismissed vide the order of tribunal dated 15 May 2020.

The Arbitral Tribunal further confirmed that, not only the Company may unilaterally settle indemnity claims raised vide its letter dated 7 April 2020, but the Company can also settle its claims of 17 September 2019 and that there should be no restraint on alienation of the land parcels by the Company, the development rights of which are terminated.

This transaction was an area of focus during our audit due to the complex contractual terms, multiple agreements and significance of the amounts involved and accordingly it has been considered as a key audit matter for the current year audit.

#### How our audit addressed the key audit matter

Our audit procedures in relation accounting for indemnity claims included, but not limited to the following:

- Obtained an understanding of identification process relating to indemnity claims and evaluated the design and tested the operating effectiveness of management's control on ensuring completeness of conditions precedent to the transactions before recording the transactions;
- Understood the nature of transaction i.e. understanding of the terms of indemnity agreements, claims filed with MGF and enforcement of the terms under indemnity agreements;
- Assessing the valuation methodology used by the management's valuation expert to estimate the fair value of the land parcels and tested the independence, competence and objectivity of such management expert;
- Read through the correspondences exchanged between the Company and MGF including legal correspondences;
- Obtained legal expert opinion on the tenability of the claim filed by MGF and related proceedings;
- Obtained the orders of International Court of Arbitration, International Chamber of Commerce London passed subsequent to year-end; and
- Evaluated appropriateness and adequacy of disclosures in the standalone financial statements with respect to these transactions and arbitration proceedings.

#### Assessment of going concern

Refer note 49 of the accompanying standalone financial statements.

The Company has incurred a loss of Rs. 1,530.54 million during the year ended 31 March 2020. The Company is continuously incurring cash losses over the years. The Company's net worth is completely eroded as at 31 March 2020. Further, Company has borrowings amounting to Rs. 6,939.24 million which are due for repayment in the next one year.

Management has prepared a cash flow forecast and undertaken sensitivity analysis of the key assumptions to ascertain whether the Company can operate as a going concern for at least 12 months from the date the financial statements are approved.

Further, the Ultimate Holding Company has provided financial support to the Company to meet its financial obligations falling due in the aforesaid period.

Basis the above factors, the going concern basis of accounting has been considered as appropriate in preparation of accompanying financial statements.

The matter has been considered to be of significance to our audit, considering its pervasive impact on the financial statements and significant judgements and estimates involved in preparing the cash flow projections, and concluding that no material uncertainty exists in respect of the company's ability to continue as a going concern.

#### How our audit addressed the key audit matter

Our audit procedures in relation to management's assessment of going concern included, but were not limited to, the following:

- Tested the cash flow projections prepared by the management for the period of 12 months from the date of the financial statements which involved:
  - a) reconciliation of the input data used in the cash flow projections to budgets approved by Board of Directors and evaluating the reasonableness of those budgets;
  - b) compared the cash flow forecasts for prior periods to the actual outcomes to understand the efficacy of the management's budgeting process;
  - c) evaluated the reasonableness of key assumptions such as growth rates, discount rate, expected saving in costs, etc., based on our knowledge of the business and industry;
  - d) performed sensitivity analysis which included assessing the effect of reasonably possible variations in the above key assumptions; and
  - e) tested the arithmetical accuracy of the calculations.
- Obtained the financial support assistance and management agreement with the Ultimate Holding Company. Further, assessed the ability of the Ultimate Holding Company to provide such financial assistance from its latest available published financial information; and
- Evaluated appropriateness and adequacy of disclosures in the standalone financial statements with respect to this matter in accordance with the applicable accounting standards.

#### Assessing the carrying value of inventory

Refer note 2.2(g) for the accounting policy and note 9 for the related disclosures.

Inventories of the Company comprise of real estate properties (including land) amounting to Rs. 58,299.46 million as disclosed under Note 9.

Our procedures in relation to the assessment of carrying value of inventory included, but were not limited to the following:

 Obtained an understanding of the management process for identification of possible

Impairment assessment of inventory is considered as a significant risk as there is a risk that recoverability of the carrying value of the inventory could not be established, and potential impairment charge might be required to be recorded in the standalone financial statements.

Management's assessment of the recoverable amounts is a judgmental process which requires the estimation of the net realisable value, which takes into account the valuations of the properties held and cash flow projections of real estate properties under development.

Due to the materiality of inventory in the context of the Company's financial statements as a whole and significant degree of judgement and subjectivity involved in the estimates and key assumptions used in determining the cash flows used in the impairment evaluation, this has been considered to be one of the significant areas in our overall audit strategy.

#### How our audit addressed the key audit matter

- impairment indicators and process performed by the management for impairment testing and the management process of determining the Net Realisable Value (NRV);
- Enquired of the management and tested the relevant internal financial controls related to inventory valuation along with the process followed to recover/adjust these and assessed whether impairment is required;
- Held detailed management discussions and inquires for material real estate properties under development as at 31 March 2020 for their plan of recovery/adjustment;
- For real estate properties under development, obtained and assessed the management's evaluation of the NRV and the management's valuation methodology applied in determining the recoverable amount by testing the underlying assumptions used by the management in arriving at those projections;
- Challenged the management on the underlying assumptions used for the cash flow projections, considering evidence available to support these assumptions and our understanding of the business;
- Where the management involved valuation specialists to perform valuations, evaluated the objectivity and independence of those specialists and assessed the valuation methodology used by the valuation specialists;
- For land parcels, obtained and verified the valuation of land parcels as per the government prescribed circle rates and also performed stress testing, wherever necessary;
- Engaged in discussions with the management to assess the impact of Covid-19 on the valuations and performed additional stress testing to validate these valuations;
- Tested the arithmetical accuracy of the cash flow projections; and
- Evaluated the appropriateness and adequacy of the disclosures made by the management for the impairment losses recognized in accordance with applicable accounting standards.

#### How our audit addressed the key audit matter

# Provision for compensation payable to customers on delay of projects

Refer note 2.2(m) for the accounting policy and note 20 for the related disclosures.

The Company has outstanding provision of Rs. 7,319.97 million for compensation in respect of litigations filed by the customers due to delay in handing over the properties as disclosed under Note 20 of the standalone financial statements. The recognition of provision for compensation requires the management to individually assess such cases and determine the possibility of paying compensation to the customers for delay basis the assessment of the contracts with the customers and applicable real estate governance laws such as Real Estate (Regulation and Development) Act 2016 (RERA) and related RERA policy of the respective State.

The amounts involved are material and the application of accounting principles as given under Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets, in order to determine the amount to be recorded as a provision or to be disclosed as a contingent liability, in each case, is inherently subjective, and needs careful evaluation and judgement to be applied by the management.

Considering the significant judgement involved in determining the possible outcome of the cases, and the materiality of the amounts involved, this matter was determined to be a key audit matter for the current year audit.

Our audit procedures in relation to the provisions for compensation payable to customers on delay of projects, included, but were not limited to, the following:

- Obtained the understanding of the management process to estimate the provision for compensation payable to customers for delay in projects;
- Evaluated the design and tested the operating effectiveness of the internal controls related to completeness of customer litigation cases and management's assessment of the possible outcome of the cases;
- Evaluated the percentage of interest used by management to create provision for compensation basis the trends in earlier years from similar contracts/projects and applicable RERA laws and regulations;
- For samples selected from compensation cases arisen/settled during the year, inspected, evaluated management's assessment of likely outcome of such cases by inspection of underlying supporting documents such as court orders, notices, settlement agreements etc.;
- Tested the arithmetical accuracy of the calculation for provision amount outstanding as at 31 March 2020; and
- Evaluated appropriateness and adequacy of the disclosures made with respect to the provision for compensation payable to customers for delay in projects in note 20 to the standalone financial statements;

#### Assessment of impairment of advances

Refer note 2.2(f) for the accounting policy and note 8 for the related disclosures.

The Company has outstanding advances amounting to Rs. 2,953.63 million (including advances for acquisition of land under agreement to sell and memorandum of understanding) as at 31 March 2020.

Our audit procedures in relation to management's assessment for impairment of advances included, but were not limited to, the following:

 Obtained the understanding of the management process to estimate the recoverable value of the advances outstanding as at year-end;

Such advances are long standing and expected to be settled once the transfer of title to such land parcels are completed as per the respective agreements to sell and as per regulatory requirements. Assessment of any impairment provision requires the management to individually determine the stage of such transaction and the possibility of non-recoverability of such advances.

Considering the significant judgement involved leading to high estimation uncertainty, and the materiality of the amounts involved, the matter is considered as a key audit matter.

#### How our audit addressed the key audit matter

- Evaluated the design and tested the operating effectiveness of the internal controls related to completeness of the list of advances and identifying impairment indicators and measuring the impairment required in respect of such advances;
- For the significant advances paid during the year, underlying supporting documents such as development agreements entered between the parties, agreements to sell and memorandum of understanding were verified;
- For all significant advances outstanding as at 31 March 2020, we reviewed the agreements, discussed the status of transaction with the Company's management and legal team, reviewed the recent correspondence with the party, performed confirmation procedure obtained, legal status/opinion where the matter is under litigation and tested subsequent settlement of such advances for transactions completed post year-end, where relevant obtained specific representation from the Company's management; and
- Evaluated appropriateness and adequacy of disclosures made with respect to the advances outstanding as at 31 March 2020 in note 8 to the standalone financial statements.

# Impairment assessment of loans and advances made to subsidiaries/related parties

Refer note 2.2(p) for the accounting policy and note 13 and 8 for the related disclosures.

The Company has outstanding loans amounting to Rs. 6,259.39 million and advances amounting to Rs. 30,489.10 million from its subsidiaries/related parties as at 31 March 2020. The impairment loss (including the one disclosed as exceptional item in note 45(b)) recognised on these loans and advances in the current year amounts to Rs. 991.22 million.

Impairment assessment of these loans and advances is considered as a significant risk as the recoverability of these loans and advances is inherently subjective, due to reliance on either the net worth of investee or valuations of the properties held or cash flow Our procedures in relation to the impairment assessment of loans and advances included, but were not limited to the following:

- Obtained an understanding of the management process to estimate the recoverable value of the loans and advances outstanding as at year-end;
- Enquired of the management and understood the internal controls related to completeness of the list of loans and advances along with the process followed to recover/adjust these and assessed whether further provisioning is required;
  - a. For all significant additions made during the year, verified the underlying supporting

projections of real estate properties in these investee companies.

Due to the materiality of the amounts involved and a significant degree of judgement and subjectivity involved in the estimates and key assumptions used in determining the cash flows used in the impairment evaluation, this matter is considered as a key audit matter for the current year audit.

#### How our audit addressed the key audit matter

- documents to ensure that the transaction has been accurately recorded in the standalone financial statements;
- b. For all significant loans and advances outstanding as at 31 March 2020, obtained independent confirmations and tested the significant reconciling items, if any;
- c. All material loans and advances as at 31 March 2020 were discussed on case to case basis with the management for their plan of recovery/adjustment;
- d. Compared the carrying value of material loans and advances to the net assets of the underlying entity, to identify whether the net assets, being an approximation of their minimum recoverable amount, were in excess of their carrying amount;
- e. Wherever the net assets were lower than the recoverable amount, for material amounts, obtained and verified the valuation of land parcels as per the government prescribed circle rates and also obtained management remarks for recoverability;
- f. Ensured impairment has been provided for based on such evaluation carried by the management where necessary; and
- g. Evaluated the appropriateness and adequacy of the disclosures made by the management for the impairment losses recognized in accordance with applicable accounting standards.

#### Information other than the Standalone Financial Statements and Auditor's Report thereon

8. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

- 9. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 10. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 11. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

- 12. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
- 13. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

- 17. As required by section 197(16) of the Act, based on our audit, we report that the Company has not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable.
- 18. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.

- 19. Further to our comments in Annexure A, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
  - a) we have sought and except for the matter described in the Basis for Qualified Opinion section, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
  - b) except for the possible effect of the matter described in the Basis for Qualified Opinion section, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) the standalone financial statements dealt with by this report are in agreement with the books of account;
  - d) except for the possible effect of the matter described in the Basis for Qualified Opinion section, in our opinion, in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
  - e) the matter described in paragraph 3 under the Basis for Qualified Opinion section and the matter described in paragraph 5 under the Emphasis of Matters, in our opinion, may have an adverse effect on the functioning of the Company;
  - f) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of section 164(2) of the Act;
  - g) we have also audited the internal financial controls with reference to financial statements of the Company as on 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report dated 29 July 2020 as per Annexure B expressed an unmodified opinion; and
  - h) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
    - i. except for the possible effect of the matter described in paragraph 3 of the Basis for Qualified Opinion section, the standalone financial statements disclose the impact of pending litigations on the standalone financial position of the Company as at 31 March 2020, as detailed in Note 32(b) and 32(c) to the standalone financial statements;
    - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2020;
    - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2020; and

iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these standalone financial statements. Hence, reporting under this clause is not applicable.

# Annexure A to the Independent Auditor's Report of even date to the members of Emaar MGF Land Limited, on the standalone financial statements for the year ended 31 March 2020

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, capital work-in-progress, right of use assets and intangible assets.
  - (b) The Company has a regular program of physical verification of its property, plant and equipment and capital work-in-progress under which assets are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain property, plant and equipment and capital work-in-progress were verified during the year and no material discrepancies were noticed on such verification.
  - (c) The title/lease deeds of all the immovable properties (which are included under the head 'property, plant and equipment' and 'right of use assets') are held in the name of the Company.
- (ii) In our opinion, the management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- (iv) In our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans and investments. Further, in our opinion, the Company has not entered into any transaction covered under Section 185 and Section 186 of the Act in respect of guarantees and security.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products/services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii)(a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, goods and services tax, cess and other material statutory dues, as applicable, to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
  - (b) The dues outstanding in respect of income-tax, sales-tax, service-tax, duty of customs, duty of excise, value added tax and goods and services tax on account of any dispute, are as follows:

- (viii) The Company has not defaulted in repayment of loans or borrowings to any financial institution or a bank or any dues to debenture-holders during the year. The Company did not have any outstanding loan payable to government during the year.
- (ix) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments). In our opinion, the term loans were applied for the purposes for which the loans were obtained, though idle funds which were not required for immediate utilisation have been invested in liquid investments, payable on demand.
- (x) No fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period covered by our audit.
- (xi) The Company has not paid or provided for any managerial remuneration. Accordingly, the provisions of Clause 3(xi) of the Order are not applicable.
- (xii) In our opinion, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.
- (xiii) In our opinion all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the requisite details have been disclosed in the financial statements etc., as required by the applicable Ind AS.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures.
- (xv) In our opinion, the Company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Place: Ghaziabad Date: 29 July 2020 Annexure B to the Independent Auditor's Report of even date to the members of Emaar MGF Land Limited on the standalone financial statements for the year ended 31 March 2020

# Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Emaar MGF Land Limited ('the Company') as at and for the year ended 31 March 2020, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

## Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

# Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

- 3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

#### Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and

Annexure B to the Independent Auditor's Report of even date to the members of Emaar MGF Land Limited on the standalone financial statements for the year ended 31 March 2020 (cont'd)

dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

#### 2. Summary of significant accounting policies

#### 2.1 Basis of preparation

The standalone financial statements ('financial statements) of the Company have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules 2015 (by Ministry of Corporate Affairs ('MCA')), as amended and other relevant provisions of the Act.

The financial statements have been prepared on going concern basis using a historical cost convention, except certain financial assets and financial liabilities which are measured at fair value as explained in relevant accounting policies. Fair valuations related to financial assets and financial liabilities are categorised into level 1, level 2 and level 3 based on the degree to which the inputs to the fair value measurements are observable.

The financial statements are presented in INR which is assessed to be the functional currency of the Company in accordance with Ind AS. All values are rounded to the nearest million (INR 000,000), except when otherwise indicated.

#### 2.2 Significant accounting policies

#### a. Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Companies Act 2013. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

#### b. Property, plant and equipment

#### Recognition and initial measurement

Property, plant and equipment and capital work in progress are stated at cost [i.e., cost of acquisition or construction inclusive of freight, erection and commissioning charges, non-refundable duties and taxes, expenditure during construction period, borrowing costs (in case of a qualifying asset) upto the date of acquisition/ installation]. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

The useful life of the assets is either lower or equal to those indicated in Schedule II to the Companies Act 2013.

Leasehold improvements are amortized on a straight line basis over the period of the lease of 1-3 years or the useful life of the asset, whichever is lower.

No amortisation is made for leasehold land which is under perpetual lease.

The useful lives, residual values and method of depreciation of property, plant and equipment are reviewed at each financial year end.

#### De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

#### c. Intangible assets

#### Recognition and initial measurement

Intangible assets comprise of computer softwares which are measured at cost of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation.

#### Subsequent measurement (amortisation)

Intangible assets are amortised on a straight-line basis over the useful economic life which is assessed to be between one to three years by the management.

#### De-recognition

Intangible asset is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

#### d. Where the Company is lessee - Right of use assets and lease liabilities

Till previous year, assets acquired on leases where a significant portion of risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rental are charged to statement of profit and loss on straightline basis except where scheduled increase in rent compensate the lessor for expected inflationary costs.

For any new contracts entered into on or after 1 April 2019, the Company considers whether a contract is, or contains a lease (the transition approach has been explained and disclosed in notes). A lease is defined as

# Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'.

#### Classification of leases

The Company enters into leasing arrangements for various assets. The assessment of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/purchase etc.

#### Recognition and initial measurement

At lease commencement date, the Company recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company, an estimate of any costs to dismantle and remove the asset at the end of the lease (if any), and any lease payments made in advance of the lease commencement date (net of any incentives received).

#### Subsequent measurement

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

At lease commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed payments) and variable payments based on an index or rate. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is re-measured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is re-measured, the corresponding adjustment is reflected in the right-of-use asset.

The Company has elected to account for short-term leases using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in statement of profit and loss on a straight-line basis over the lease term.

#### e. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are charged to statement of profit and loss in the period in which they occur. Borrowing costs consist of interest and other borrowing costs that an entity incurs in connection with the borrowing of funds.

#### f. Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

#### g. Inventories

Inventory comprises of developed properties and real estate properties under development.

- (i) Developed properties are valued at lower of cost and net realizable value. Cost includes cost of land/land development rights, materials, services, borrowing costs and other related overheads, incurred in bringing the inventories to their present location and condition.
- (ii) Real estate properties under development are valued at lower of cost and net realizable value. Cost includes land and cost of land/land development rights, materials, services, borrowing costs and other related overheads. Cost incurred/items made specifically for properties are taken as consumed as and when incurred/received.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

#### h. Revenue Recognition

Revenue is recognised when control is transferred and is accounted net of rebate and taxes. The Company applies the revenue recognition criteria to each nature of the revenue transaction as set out below.

Revenue from sale of properties and developed plots

Revenue from sale of properties is recognized when the performance obligations are essentially complete and credit risks have been significantly eliminated. The performance obligations are considered to be complete when control over the property has been transferred to the buyer i.e. offer for possession (possession request letter) of properties have been issued to the customers and substantial sales consideration is received from the customers.

The Company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring property to a customer, excluding amounts collected on behalf of third parties (for example, indirect taxes). The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

For each performance obligation identified, the Company determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at a point in time. If an entity does not satisfy a performance obligation over time, the performance obligation is satisfied at a point in time. A receivable is recognised by the Company when the control is transferred as this is the case of point in time recognition where consideration is unconditional because only the passage of time is required.

When either party to a contract has performed, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the customer's payment.

The costs estimates are reviewed periodically and effect of any change in such estimate is recognized in the period such changes are determined. However, when the total estimated cost exceeds total expected revenues from the contracts, the loss is recognized immediately.

#### Revenue from collaboration agreements

Revenue from collaboration agreements is recognized as and when services are rendered, in accordance with the terms of the agreements entered with the collaborators, based on the percentage share of gross revenue of the collaborators.

(Amount in Rupees million, unless otherwise stated)

#### Revenue from joint development agreement (JDA)

JDAs entered into with land owners for the exchange of land against consideration in the form of property or development rights are treated as exchange of dissimilar goods and are accounted for at fair value. The revenue arising out of the same is measured at the fair value of the goods received. When the fair value of the goods received cannot be measured reliably, the revenue is measured at the fair value of the goods given up.

#### Income from compulsory acquisition of land

Income in respect of compulsory acquisition (both original and enhanced compensation) of land by the Government is recognised upon receipt of compensation order from the Government or Court at an amount equivalent to gross amount received/receivable, net of the cost of the land acquired by the Government.

#### Claim income

The Company, its ultimate holding company (Emaar Properties PJSC), MGF Developments Limited (MGF) and other parties had entered into certain indemnity agreement(s), which entitled the Company to raise indemnity claims on MGF, Mr. Shravan Gupta and their group companies in respect of certain expenses/losses incurred by the Company. In terms of the said indemnity agreements, the Company has raised various claims during the year and recognised income accordingly. For details, refer note 32(c)(iii).

#### Interest due on delayed payments, forfeiture income, transfer fees and holding charges

Revenue is recognised as and when due to the extent certainty of payments/realisation is established in relation to such income.

#### Revenue from leisure activities

Revenue is recognized as and when services are completely rendered and right to receive money has been established, except in cases where ultimate collection is considered doubtful.

#### Other interest income

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR).

#### Dividend income

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

#### i. Foreign currency

#### Functional and presentation currency

The financial statements are presented in Indian Rupee (Rs.) which is also the functional and presentation currency of the Company.

#### Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at functional currency spot rates at the date the transaction first qualifies for recognition.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

#### j. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, cheques on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

#### k. Taxes

#### Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted in India, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets is offset against current tax liabilities if, and only if, a legally enforceable right exists to set off the recognised amounts and there is an intention either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

#### Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

#### 1. Employee benefits

#### Defined contribution plan

The Company's contribution to provident fund is charged to the statement of profit and loss or inventorized as a part of real estate properties under development, as the case may be. The Company's contributions towards provident fund are deposited with the regional provident fund commissioner under a defined contribution plan.

#### Defined benefit plan

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. Gratuity is a defined benefit obligation. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method. Re-measurements comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to statement of profit or loss in subsequent periods.

#### Other long-term employee benefits

The Company also provides benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recorded in the statement of profit and loss in the year in which such gains or losses arise.

#### Short-term employee benefits

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

#### m. Provisions, contingent liabilities and contingent assets

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will
  be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be
  made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

#### n. Earnings per share

Basic earnings per equity share are computed by dividing net profit after tax for the year attributable to equity shareholders by the weighted average number of equity shares (including number of equity shares that are issuable on the conversion of mandatorily conversion of instruments) outstanding during the year.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

#### o. Investments

Investment in equity instruments of subsidiaries and associates are measured at cost as per Ind AS 27 'Separate Financial Statements'.

#### p. Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. The Company factors historical trends and forward-looking information to assess expected credit losses associated with its assets and impairment methodology applied depends on whether there has been a significant increase in credit risk.

#### Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

#### Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition, if the financial asset is determined to have low credit risk at the balance sheet date.

#### q. Financial instruments

#### Non-derivative financial assets

Recognition and initial measurement

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Subsequent measurement

**Debt instruments at amortised cost** – A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

**Equity investments** – All equity investments in scope of 'Ind AS 109 Financial Instruments' ('Ind AS 109') are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

**Mutual funds** – All mutual funds in scope of Ind AS 109 are measured at fair value through profit and loss (FVTPL).

#### De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset measured at amortized cost (or, depending on the business model, at fair value through other comprehensive income).

#### Non-derivative financial liabilities

#### Recognition and initial measurement

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted.

#### Subsequent measurement

Subsequent to initial recognition, financial liabilities are measured at amortised cost using the effective interest method.

#### De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability measured at amortized cost (or, depending on the business model, at fair value through other comprehensive income). The difference in the respective carrying amounts is recognised in the statement of profit and loss.

#### Financial guarantees

Financial guarantee contracts are recognised as financial liability at the time guarantee is issued. The liability is initially measured at fair value and subsequently measured at higher of:

- The amount of loss allowance (calculated as described in policy for impairment of financial assets)
- The amount initially recognised less, where appropriate, cumulative amount of income recognised in accordance with principles of Ind AS.

#### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### 2.3 Recent accounting pronouncement issued but not made effective

#### Amendment to Ind AS 103, Business Combinations

On 24 July 2020, Ministry of Corporate Affairs ("MCA") has issued an amendment to Ind AS 103 whereby definition of the business has been amended. Additionally, new amendments also provide new aspects to evaluate a set of activities as business. The effective date of these amendments is 1 April 2020. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

# Amendment to Ind AS 116, Leases

On 24 July 2020, Ministry of Corporate Affairs ("MCA") has issued an amendment to Ind AS 116 in respect of rent concessions occurring as a direct consequence of the Covid-19 pandemic. The effective date of these amendments is 1 April 2020. However, in case an entity (lessee) has not yet approved the financial statements before the issuance of this amendment, then the same may be applied for annual reporting periods beginning on or after 1 April 2019 as well. Currently, the Company does not have any such scenario and hence, the Company has not considered any impact of this amendment on these financial statements.

# Amendment to Ind AS 1, Presentation of Financial Statements

On 24 July 2020, Ministry of Corporate Affairs ("MCA") has issued an amendment to Ind AS 1 whereby definition of the word 'Material' has been enhanced to make it more explanatory and it now covers more scenarios. The effective date of these amendments is 1 April 2020. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

# Amendment to Ind AS 10, Events After the Reporting Period

On 24 July 2020, Ministry of Corporate Affairs ("MCA") has issued an amendment to Ind AS 10 in respect of disclosure requirement related to non-adjusting event. This amendment requires additional information to be disclosed for material non-adjusting events. The effective date of these amendments is 1 April 2020. The Company is evaluating the requirements of the amendments and their impact on the financial statements.

# 2.4 Significant accounting judgments and estimates

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these judgements, assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

# Impairment of non-financial assets

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

# Impairment of financial assets

The Company estimates the recoverable amount of trade receivables and other financial assets where collection of the full amount is expected to be no longer probable. For individually significant amounts, this estimation is performed on an individual basis considering the length of time past due, financial condition of the counter- party, impending legal disputes, if any and other relevant factors.

# Cash flow projections

The Company has prepared these financial statements on going concern basis assuming that it will be able to continue its operations for next one financial year. In making this assumption, the management has made certain projections relating to cash collections from various properties, fund requirements, asset base, etc. for the next one financial year.

# Recognition of deferred tax assets

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

# **Provisions**

At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

# Contingencies

In the normal course of business, contingent liabilities may arise from litigation, taxation and other claims against the Company. A tax provision is recognised when the Company has a present obligation as a result of a past event; it is probable that the Company will be required to settle that obligation. Where it is management's assessment that the outcome cannot be reliably quantified or is uncertain the claims are disclosed as contingent liabilities unless the likelihood of an adverse outcome is remote. Such liabilities are disclosed in the notes but are not provided for in the financial statements.

When considering the classification of a legal or tax cases as probable, possible or remote there is judgement involved. This pertains to the application of the legislation, which in certain cases is based upon management's interpretation of country specific tax law, in particular India, and the likelihood of settlement. Management uses in-house and external legal professionals to inform their decision.

Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on the Company's financial position or profitability.

# Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

# Revenue and inventories

The estimates around total budgeted cost i.e. outcomes of underlying construction and service contracts, which further require estimates to be made for changes in work scopes, claims (compensation, rebates, etc.), the cost of meeting other contractual obligations to the customers and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making these estimates, the Company used the available contractual and historical information and also its expectations of future costs. The estimates of the saleable area are also reviewed periodically and effect of any changes in such estimates is recognised in the period such changes are determined.

# Assessment of operating cycle

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has determined its operating cycle as sixty months for Construction and Development business and as twelve months for Leisure and Hospitality business, having regard to the nature of business being carried out by the Company. The same has been considered for classifying assets and liabilities as 'current' and 'non-current' while preparing the financial statements.

# Useful lives of depreciable/amortisable assets

Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

# Fair value measurement

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

# Defined benefit obligation (DBO)

Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

# \*Other equity comprise of:

# (a) Equity component of compulsorily convertible debentures:

For compound financial instruments that have both equity as well as liability component, Ind AS 32 requires splitting the two components and separately recognizing 'equity component of compound financial instrument'. Such equity component is required to be presented as a part of 'Other Equity' under this head. On the other hand, the 'liability component of compound financial instrument' is required to be presented as a part of 'Borrowings' (refer note 17).

# (b) Securities premium:

Securities premium is created to record the premium on issue of equity shares. This can be utilised for certain limited purposes in accordance with provisions of the Companies Act, 2013.

#### (c) Debentures redemption reserve:

The Company had issued redeemable non-convertible debentures. Accordingly, the Companies (Share capital and Debentures) Rules, 2014 (as amended), requires the Company to create Debenture Redemption Reserve (DRR') out of profits of the Company available for payment of dividend. DRR is required to be created for an amount which is equal to 25% of the value of debentures issued and would be utilised for redeeming the said debentures. In the absence of adequate profits, there is no further requirement for creation of debenture redemption reserve.

# (d) Retained earnings:

Retained earnings is used to record balance of statement of profit and loss.

# 32. Commitments and contingencies

# a) Commitments

# (i) Capital commitments

• Estimated amount of contract remaining to be executed on capital account and not provided for (net of advances) is Rs. Nil (31 March 2019: Rs. 7.03 million).

# (ii) Other commitments

- The Company has entered into certain agreements with Joint Development Agreement (JDA') partners to develop properties on such land and operate such properties. In lieu of the same, the Company has agreed to share certain percentage of future revenues arising from the operations of the same, as assignment cost to these parties. Since the estimated future revenues and consequential assignment cost cannot be ascertained as on date, the amount payable in exchange of getting such development and operating rights is not being separately disclosed in the standalone financial statements.
- The Company has undertaken to provide continued financial support to certain subsidiaries as and when required.

# b) Contingent liabilities

# Claim against the Company not acknowledged as debts

- (i.) The Company has received a demand notice of Rs. 7.15 million including interest on account of various additions to the income tax return filed for the Assessment Year 2006-07 and penalty of Rs. 26.80 million, which has been adjusted against subsequent tax refunds. The said demand of Rs. 7.15 million was reduced to Rs. 0.75 million including interest by CIT (Appeals). Both the tax department and the Company have filed an appeal with the Income Tax Appellate Tribunal (ITAT) against the order of CIT (Appeals). Further, ITAT had set aside all above matters and has referred back the same to Assessing Officer for fresh assessment. Further the Company's appeal against the penalty demand of Rs. 26.80 million has been deleted by CIT (Appeals).
- (ii.) On 12 September 2007, the Company was subjected to search and seizure operations under Section 132 and surveys under Section 133A of the Income Tax Act, 1961 (the "Act"). The search and seizure operations were conducted at various locations of the Company and on the premises of certain Executive Directors and employees of the Company and certain Promoters, companies of Promoters, members of the Promoter Company, and relatives of the Promoters and employees of the Promoter companies. During the course of the search and seizure operations, the Income Tax authorities have taken custody of certain materials such as documents, records, computer files and hardware, and recorded statements of certain officials of these entities. Subsequently, the income tax authorities had sought further information/documents and explanations from time to time. In connection with the search and seizure operations, the Company received a notice dated 8 October 2008 under section 153A of the Act, from the Assistant Commissioner of Income Tax, Central Circle - 7, New Delhi (the "Assistant Commissioner") requiring it to furnish returns of income for the assessment years 2002-03 to 2007-08, which the Company complied with. Further, pursuant to the search conducted by Enforcement Directorate under Section 37 of the Foreign Exchange Management Act, 1999 in December 2009, consequential proceedings under section 132 A of the Income Tax Act, 1961 were initiated by the Income Tax department, resulting into abatement of pending proceedings to be reinitiated under section 153A/153C of the Income Tax Act, 1961. Pending completion of above referred proceedings, the tax liability, if any, that may ultimately arise on this account cannot presently be ascertained.

On 19 June 2014, the Company was subjected to search and seizure operation under section 132 of the Income Tax Act, 1961. The Company also received the notice under section 153A/143(3) of the Income Tax Act, 1961 for Assessment Year 2009-10 to Assessment Year 2015-16 on 3 February 2015 to file the Income Tax Return (ITR) within 30 days of receipt of notice. The Company duly filed the ITR under section 153A for the Assessment Year 2009-10 to Assessment Year 2014-15 within stipulated time mentioned in the notice.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

On 28 December 2016, the Company has received assessment orders under section 153A/143(3) for Assessment Year 2009-10 to Assessment Year 2015-16, whereby the Assessing Officer has made disallowances on certain matters amounting to Rs 4,506.58 million. The said disallowances resulted in reducing the brought forward business losses and capital losses of the Company, however did not have any impact on the normal tax liability of the Company. Further, due to the aforesaid assessments, the Assessing Officer has computed additional MAT liability of Rs. 63.64 million (including interest of Rs. 28.48 million) for Assessment year 2010-11. The Company based on its assessment is of the view that the said demand would not sustain and no additional liability would devolve on the Company.

Accordingly, the Company has filed an appeal before CIT (Appeals) for the Assessment Years 2009-10 to 2015-16 w.r.t. the above mentioned disallowances and received partial favorable order from CIT(A) for the Assessment Year 2009-10 to Assessment Year 2015-16 giving the relief amounting to Rs 3,215.35 million further reducing the disallowances to Rs 1,291.23 million. For the remaining disallowances, the Company has filed an appeal before Income Tax Appellate Tribunal (TTAT') for the Assessment Year 2009-10 to 2015-16, the case is yet to be listed for hearing. Further, the Company has received penalty demand for Assessment Year 2013-14 in which an addition is made for Rs 17.69 million and tax demand for Rs 5.74 million. The Company has filed an appeal before CIT (Appeals) for the same and the matter is yet to be listed for hearing.

- (iii.) During earlier years, Company was served a Show Cause Notice ("SCN") alleging that the activities of transfer charges was taxable under service tax during the period from 1 April 2006 to 30 June 2012. The Company on the basis of legal advice is of the view that no service tax is leviable on such transfer, as they are not the real estate agents, the category under which tax demanded. Service tax has neither been charged and recovered by us for changing the name in our records, from old buyers' name to new buyers' name in our books nor therefore paid to the department. The Company has deposited Rs 24.73 million under protest to avoid any interest liability. The Company has received final order dated 9 September 2019, quashing SCN amounting to Rs. 24.73 million. Pursuant the said order, the Company has received refund of Rs. 24.73 million on 17 January 2020.
- (iv.) Director General of Goods and Services Tax Intelligence ('DGGSTI'), Delhi Zonal, earlier Directorate General of Central Excise Intelligence ('DGCEI') has issued Show Cause Notice "SCN" dated 21 March 2018 received on 26 March 2018 to Emaar MGF Land Limited and its land-owing companies proposing demand of service tax of Rs. 493.04 million (includes Rs. 68.70 million upon the Company) on transfer of land development rights for the period from 1 July 2012 to 30 June 2017. The Company has transactions of development rights both with group companies, as well as, with outside parties. The Company had deposited service tax amounting to Rs. 47.20 million (includes Rs. 42.20 million through CENVAT Credit deposited by the Company) on the transaction of land development rights. The Company shall submit its reply to SCN to the adjudicating authority in due course. The management on the basis of legal advice is hopeful of a favorable outcome at the forum, at which this is pending.
- (v.) The Company has received a Demand Show Cause Notice ('SCN') dated 27 April 2018 from the Principal Commissioner, Central Goods and Services Tax ('CGST'), Delhi-South, proposing to levy service tax amounting to Rs. 505.51 million (excluding interest and penalty) for the financial years from 2012-13 to 2015-16, on income from termination of collaboration agreement; forfeiture of customer's advances; external development charges/infrastructure development charges ("EDC/IDC") charges collected from customers and income from sale of developed plots. The department's contention is that after the negative list i.e. from 1 July 2012, the amount collected from customers under any head is liable to service tax. The management on the basis of legal advice is hopeful of a favorable outcome at the appellate level. Another follow-on SCN dated 16 April 2019 demanding service tax of Rs. 155.38 million (excluding interest and penalty) for the subsequent period from FY 2016-17 upto 30 June 2017 has also been received on 23 April 2019. The Company shall submit its reply to on follow-on SCNs to the adjudicating authority when called for personal hearing in due course.
- (vi.) The Company has received Assessment order/notice of demand under section 15(3) of the Haryana Value Added Tax Act, 2003 ("HVAT") dated 06 March 2018, 16 November 2018 and 9 October 2019 received on 24 April 2018, 28 February 2019 and 4 January 2020 for Rs. 1,010.75 million, Rs. 464.03 million and Rs. 141.29 million (including interest) for the financial year 2014-15, 2015-16 and 2016-17 respectively for levy of Works Contract Tax, in respect of development and construction of residential and commercial properties for

prospective buyers. Such an excessive and unreasonable demand has been raised on account of faulty Rule 25. Therefore, continuing with earlier stand taken by the Company that Rule 25 is bad in law, the order for financial year 2016-17 has also been challenged before Hon'ble Punjab and Haryana High Court. Interim stay for financial year 2014-15 and 2015-16 has been granted and petition for the financial year 2016-17 has been filed but has not been listed because of on going COVID-19 crisis. The Company has deposited Rs 41.83 million, Rs. 12.52 million and Rs. 35.26 million for the financial years 2014-15, 2015-16 and 2016-17 respectively under protest, calculated on the basis of purchase method.

For all periods starting 01 April 2014, the Company is depositing VAT amount based on purchase method and based on contractual terms with customers the same has been treated as recoverable in these standalone financial statements.

- (vii.) Claims sought by customers, not accepted by the Company are Rs. 39.37 million (31 March 2019: Rs. 83.53 million).
- (viii.) There are various claims against the Company, by vendors/contractors aggregating to Rs. 269.07 million (31 March 2019: Rs. 269.07 million), against which the Company is in litigation, against which no material liability is expected.
- (ix.) In December 2009, the Company and certain of its directors, employees, an independent real estate broker of the Company and other persons were subjected to search and seizure operations conducted by the Enforcement Directorate under Section 37 of the Foreign Exchange Management Act, 1999, as amended ("FEMA"), read with Section 132 of the Income Tax Act, 1961. During the search at the Company's offices, the Enforcement Directorate took custody of certain documents and recorded the statements of certain directors/officers of the Company. Subsequently, the Enforcement Directorate had also sought further information/documents and explanations from time to time, which were duly furnished by the Company.

Pursuant to the aforementioned search and seizure operations, a complaint was filed by the Assistant Director, Enforcement Directorate under Section 16(3) of FEMA on 17 May 2013, and subsequently the Enforcement Directorate, on 4 June 2013, issued Show Cause Notices ("SCN") under FEMA to the Company, some its directors and its four subsidiaries namely Accession Buildwell Private Limited, Emaar MGF Construction Private Limited, Shrestha Conbuild Private Limited and Smridhi Technobuild Private Limited. The SCN alleges contravention of the provisions of Section 6(3) (b) of FEMA read with provisions relating to receipt of Foreign Direct Investment ("FDI") in Construction Development Projects and the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000, by the Company and the said subsidiaries, by utilizing the FDI aggregating to approximately Rs. 86,000.00 million (including Rs. 75,645.80 million in respect of the Company) in purchase of land, including agricultural land. The Enforcement Directorate has also initiated Adjudication Proceedings in the said matter.

On 8 January 2014, the Company and its subsidiaries have filed its replies to the SCN with the Enforcement Directorate and have also challenged initiation of Adjudication Proceedings against the Company and its subsidiaries. The Company, basis available legal opinions and clarifications obtained from the Reserve Bank of India and Department of Industrial Policy and Promotion (Government of India), believes that the purchase of land, including agricultural land, for the conduct of its business of construction and development is in compliance of applicable provisions of law, including the FEMA and FDI.

Further, on 8 April 2014, the Adjudicating Authority directed the Enforcement Directorate to provide certain documents to the Company. The Enforcement Directorate vide its letter dated 22 July 2015 had asked the Company to take the documents from the office of the relevant Enforcement Directorate department and the Company had vide its letter dated 6 August 2015 requested the relevant department to provide the requisite documents, which the Company is yet to receive. While the last hearing before the Adjudicating Authority was fixed for 1 March 2019, no proceedings took place on the said date and no further hearing date has been fixed. Further, no formal demand has been received by the Company till date.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

(x.) As at 31 March 2020, the Company has investments of Rs. 362.78 million (31 March 2019: Rs. 362.78 million) in the form of equity share capital in one of its subsidiary companies, Emaar MGF Construction Private Limited ('EMCPL') and a recoverable of Rs. 1,420.23 million (31 March 2019: Rs. 1,495.31 million).

EMCPL is under various litigations with respect to the Commonwealth Games (CWG) Village project undertaken by it, including with –

- Delhi Development Authority (DDA) under Project Development Agreement for the development and construction of the project, whereby EMCPL has raised claims over DDA aggregating to Rs. 14,182.38 million (31 March 2019: Rs. 14,182.38 million), against which DDA has raised counter claims aggregating to Rs. 14,460.44 million (31 March 2019: Rs. 14,460.44 million) on EMCPL. DDA is also alleging extra usage of Floor Area Ratio (FAR) by EMCPL; and
- M/s Ahluwalia Contracts (India) Limited, contractor appointed for the construction of the project, wherein claims by the contractor and counter claims by EMCPL aggregating to Rs. 4,200.19 million (excluding interest) (31 March 2019: Rs. 4,200.19 million) and Rs. 11,702.55 million (31 March 2019: Rs. 11,702.55 million) respectively are pending for decision with the arbitration tribunal.

Unfavorable outcome of the outstanding litigations may result in the said subsidiary not being able to meet its obligations fully and may lead to impairment in the value of the investment that the Company holds in EMCPL besides non recovery of the aforesaid advance.

The auditors have expressed an emphasis of matter on the same.

(xi.) The Company, vide a Development Agreement dated 3 November 2006 (subsequently amended by the agreement dated 25 July 2007) entered into with Emaar Hills Township Private Limited ("EHTPL"), had undertaken the development of land in Hyderabad, which was sold to EHTPL by Andhra Pradesh Industrial Infrastructure Corporation through a duly registered Conveyance Deed dated 28 December 2005. The Company also, vide Assignment Deed dated 3 November 2006 entered into with Boulder Hills Leisure Private Limited ("BHLPL"), had undertaken the development and operation of a 'Golf Course' in Hyderabad. The Company, EHTPL and BHLPL have been subjected to litigations relating to the allegations of irregularities in allotment of project land, notice for termination of project, notice for termination of development agreement by one of the shareholders of the development partner, stoppage of registration of properties in the project, etc. Further, in one of the matters mentioned herein, Central Bureau of Investigation has filed charge sheets against various persons, including the Company, its former Managing Director and certain officers of the Company. Under the said matter, the Company has also received an attachment order of its certain properties from Directorate of Enforcement. The Company has assets and liabilities of Rs. 4,100.68 million (31 March 2019 - Rs. 4,087.25 million) and Rs. 3,145.19 million (31 March 2019 - Rs. 3,323.45 million) respectively. The matters mentioned herein are pending with judicial authorities at various levels. Based on the legal advices received and internal assessments, the management believes that the allegations/matters raised above are untenable and contrary to the factual position. The auditors have expressed an emphasis of matter on the same.

Regarding the liabilities stated in note 32 (b) above, the Company believes that the matters are possible but not probable, that outflow of economic resources are required, and hence no provision has been made in these standalone financial statements.

# c) Other litigations

(i.) On 19 November 2019, Emaar Holding II, shareholder and promoter of the Company, filed a petition under Section 241 of the Companies Act, 2013, before the Hon'ble National Company Law Tribunal ('NCLT'), New Delhi, seeking relief against MGF Developments Limited, Mr. Shravan Gupta, Ms. Shilpa Gupta and its connected entities (MGF Group). Emaar Holding II has, inter-alia, prayed to direct MGF Group to compensate the Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions along with interest, from the date of respective loss. MGF Group had also filed its reply and thereafter both parties have filed rejoinders. The Company has also filed criminal complaints against

MGF and its associates, in respect of certain matters referred to in Section 241 petition filed by Emaar Holding II. As the matters are in initial stage or currently sub-judice, any impact of the same on the standalone financial statements is not ascertainable at this stage. The auditors have expressed qualification on the same.

- (ii.)The National Company Law Tribunal (NCLT) vide its order dated 16 July 2018 had approved the scheme of arrangement (Demerger) between the Company and MGF Developments Limited (MGF) and the same was filed with the Registrar of Companies on 31 July 2018. The said Scheme is effective from the appointed date of 30 September 2015. On 3 June 2019, MGF had filed an application before the NCLT under Section 231 of the Companies Act, 2013 for enforcement of the Scheme. NCLT vide its order dated 19 November 2019, directed the Company and MGF to mediate the matter before former Supreme Court Judge, Justice D.K. Jain ("Mediator"), and for the Mediator to suggest ways and means for implementation of Scheme by the parties. Pursuant to such appointment of Mediator, the NCLT disposed-off the said Section 231 application filed by MGF. During the mediation process, the Company informed the Mediator that MGF has invoked arbitration proceedings raising various disputes under demerger arrangement before the International Court of Arbitration, International Chamber of Commerce (ICC'), London, as referred in Note No. (iii) below. The Company further informed the Mediator that there will be an overlap of arbitration proceedings and the mediation process, hence, the mediation proceedings be terminated. In view of the same, the Mediator vide its order dated 27 January 2020 closed the mediation proceedings, with liberty to the parties to revive the same, as and when considered necessary. Thereafter, MGF again filed an application under section 231 of the Companies Act, 2013 for implementation of the Scheme and the matter is currently sub-judice before NCLT.
  - (iii.) The Company, its ultimate holding company (Emaar Properties PJSC), MGF Developments Limited (MGF) and other parties had entered into certain indemnity agreement(s), which entitled the Company to raise indemnity claims on MGF, Mr. Shravan Gupta and their group companies in respect of certain expenses/losses incurred by the Company. As per the terms of indemnity agreement(s), if MGF does not settle such indemnity claims within ten days from the date of receipt, the Company or its land owning subsidiaries may unilaterally settled such claims by, inter-alia, terminating the development rights of certain land parcel(s) which were earlier transferred to MGF pursuant to the Demerger order dated 16 July 2018. Pursuant to the above, the Company had raised various claims, which MGF had failed to settle. In view of the same, on 17 September 2019, the Company and its land owning subsidiaries has enforced some of such indemnity claims during the current period, by way of cancellation of development rights over certain land parcel(s). The fair value of such land parcels is Rs. 2,250.00 million. In terms of the indemnity agreements, the development rights of such land parcel(s) vest with the Company. Accordingly, the Company has recognised inventory of Rs. 2,250.00 million and claim income of Rs. 2,020.44 million.

Against such termination, on 02 November 2019, MGF had filed two petitions, under Section 9 of the Arbitration and Conciliation Act, 1996 before the Hon'ble Punjab and Haryana High Court (the 'High Court'). The High Court through its orders dated 28 November 2019 had directed that the parties shall not create third party rights on such land parcels over which the development rights were terminated by the subsidiaries of the Company and to maintain the corpus subject-matter of dispute in status-quo. The High Court further directed MGF to invoke the arbitration clause under the indemnity agreements and initiate the International Arbitration process. The Request for Arbitration ("RFA") was submitted by MGF on 22 December 2019 to the International Court of Arbitration, International Chamber of Commerce ('ICC'), London. The RFA, inter-alia, requested for resolution of disputes by arbitration over various matters pertaining to demerger arrangement between the parties, including the said indemnity agreements. The Arbitral Tribunal has been constituted with the Company and MGF each nominating their arbitrators and both these arbitrators have appointed a third arbitrator who is acting as president for such arbitration proceedings seated in London. The matter is currently sub-judice.

Subsequent to the close of financial year, on 7 April 2020, the Company had further asked MGF to settle certain additional indemnity claims. However, on 21 April 2020, MGF had filed an Application for Temporary Restraining Order & Interim Measures ("TRO") before the Arbitral Tribunal against the Company's unilateral settlement such further indemnity claims. After hearing both the parties, vide its order dated 15 May 2020, the Arbitral Tribunal has dismissed MGFs TRO application and ordered that the Company should be free to exercise their contractual rights to enforce the security provided by MGF, by way of termination of

development rights over certain land parcels, on the basis that damages will be an adequate remedy if the Company does so in breach of agreements. The Arbitral Tribunal further confirmed that, not only the Company may unilaterally settle indemnity claims raised vide its letter dated 7 April 2020, but the Company could also settle its claims of 17 September 2019, as it did against certain assets, and that there should be no restraint on alienation of the development rights in those assets. Accordingly, the order of the Punjab & Haryana High Court dated 28 November 2019 was superseded and discharged by Arbitral Tribunal Order.

Pursuant to the said Order of the Arbitral Tribunal dated 15 May 2020, the Company and its land owning subsidiaries have enforced the additional indemnity claims of 7 April 2020, by way of termination of development rights over certain land parcel(s), having a value of Rs. 1,375.00 million and development rights of such land parcel(s) now vest with the Company.

- (iv.) The Hon'ble Supreme Court had, vide its judgment dated 9 August 2019 disposed of the bunch of writ petitions and has upheld the constitutional validity of provisions inserted by the Insolvency and Bankruptcy Code (Second Amendment) Act, 2018 ("Code"). As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code. However, pursuant to the Insolvency and Bankruptcy Code (Amendment) Ordinance, 2019 promulgated on 28 December 2019, the said Code was amended to provide minimum thresholds in case of real estate projects, that if an allottee wants to initiate the insolvency process, the application should be filed jointly by at least 100 allottees of the same real estate project, or 10% of the total allottees under that project, whichever is less. After promulgation of the Ordinance, a number of homebuyers had approached the Hon'ble Supreme Court by filing writ petitions challenging the said provisions of Ordinance to be ultra vires the Constitution of India and in violation of Articles 14 and 21 (Fundamental Rights). The Supreme Court has recently issued notice to the Government in the matter and have stayed the proceedings before NCLT in the matters wherein amendment of petition as per Ordinance is required. The matter is currently sub-judice. Based on the developments and legal advice received, management is confident that no material liability will devolve in respect of Company matters pending before NCLT.
- (v.) Loans and advances include amounts paid to certain parties directly or through the subsidiaries of the Company, for acquiring land/land development rights for development of real estate projects, either on collaboration basis or self-development basis. Of these, with respect to advances of Rs. 2,169.26 million (31 March 2019: Rs. 2,169.51 million) for land or development rights associated with the land, the matters are currently under litigation for which necessary legal proceedings are on.

# 33. Employee benefit plan

# Defined contribution plan

The Company contributed a total of Rs. 42.24 million during the year ended 31 March 2020 (31 March 2019: Rs. 41.00 million) to the defined contribution plan described below.

# Central provident fund

In accordance with The Employees Provident Funds Act, 1952 employees are entitled to receive benefits under the provident fund. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (12% for fiscal year 2020 and 2019) of an employee's basic salary. All employees have an option to make additional voluntary contributions. These contributions are made to the fund administered and managed by the Government of India (GOI). The Company has no further obligations under the fund managed by the GOI beyond its monthly contributions which are charged to the statement of profit and loss in the period they are incurred.

# Defined benefit plan

# **Gratuity:**

The Company has a defined benefit gratuity plan for its employees. Under the plan, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the

- The sensitivity analysis above has been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions shown above occurring at the end of the reporting period.
- Sensitivities due to mortality and withdrawals are insignificant and hence ignored.
- Sensitivities as to rate of inflation, rate of increase of pensions in payments, rate of increase of pensions before retirement and life expectancy are not applicable being a lump sum benefit on retirement.

The expected contribution to the defined benefit plan during the next financial year is Rs. 22.66 million.

# Risk analysis

Company is exposed to a number of risks in the defined benefit plan. Most significant risks pertaining to defined benefits plan, and management's estimation of the impact of these risks are as follows:

# Interest risk

A decrease in the interest rate on plan assets will increase the plan liability.

# Longevity risk/life expectancy

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability.

# Salary growth risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

# Investment risk

The Gratuity plan is funded with Life Insurance Corporation of India (LIC). Company does not have any liberty to manage the fund provided to LIC. The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to Government of India bonds. If the return on plan asset is below this rate, it will create a plan deficit.

34. As at 31 March 2020, various land parcels held by the subsidiaries of the Company have been notified by the State Governments to be acquired by the development authority under compulsory acquisition. In some cases, the subsidiaries have filed applications with the relevant authorities against such acquisition notifications of the State Government while in some other cases; the award is not yet received. Pending final order/settlement or announcement of such award, no accounting against these has been considered in these standalone financial statements. Management believes that the expected award value would be greater than the book value of such land parcels.

- **D.** The Company, vide a revenue sharing agreement dated 07 April 2008 entered into with Emaar MGF Constructions Private Limited ('EMCPL'), had agreed to collaborate and develop the project through pooling of financial resources. On account of the same and as per the terms of the arrangement, the Company w.e.f 01 July 2009 was entitled to 24% (up to 30 June 2009 25%) of the gross revenue derived by EMCPL through sale proceeds from building and structures proposed to be constructed in Commonwealth Games Village 2010 project, except in the case of sale of flats to Delhi Development Authority, wherein the Company was entitled to 17% of the Gross Revenue derived by EMCPL. Accordingly, revenue amounting to Rs. 6.70 million (31 March 2019: Nil) has been recognised for by the Company during the year.
- **E.** During earlier years, the Company had entered into joint development agreements, as amended, with two of its subsidiaries for co-development of certain land parcels. Pursuant to the said joint development agreements, the two subsidiaries have acquired right to undertake co-development of projects on the said land parcels and have accordingly made an aggregate advance of Rs. 4,249.50 million (31 March 2019: Rs. 4,249.50 million) to the Company. The said joint development agreements provided for sharing of revenue from such projects in the ratio of 80:20 between the Company and subsidiaries respectively. The Company is under discussions with the other shareholder of the two subsidiaries for a revised arrangement and joint development of alternate land parcels. As at 31 March 2020, the Company has not recognized any revenue on the said projects and consequently, no amount has been shared with the two subsidiaries.
- **F.** The Demerger Scheme as approved by NCLT provides for transfer of the following to the Resulting Company, as part of Demerged Undertaking:

"Identified cash flows not exceeding an amount of Rupees Eleven Billion Five Hundred Million (INR 11,500,000,000) and applicable service tax and value added tax thereon, if any, arising out of the cash flows from the (i) Marbella project of the Demerged Company in Gurgaon, Haryana bearing licence No. 97 of 2010 dated November 18, 2010 admeasuring 108.006 acres and 41 of 2011 dated May 3, 2011 admeasuring 1.063 acres, and (ii) Emerald Hills Extension project of the Demerged Company in Gurgaon, Haryana bearing licence No. 113 of 2011 dated December 22, 2011 admeasuring 95.29505 acres, which projects are at various stages of development and thus cannot be transferred to the Resulting Company, to be monetised to the extent and manner as agreed between the Demerged Company and the Resulting Company. Such cash flows when accrued to the Demerged Company as part of the Demerged Undertaking, shall be paid to the Resulting Company as its income and shall be deemed to be the income of the Resulting Company. All ownership and development rights in relation to above projects shall, at all times, remain with the Demerged Company."

In view of the same, as on 31 March 2020, an amount of Rs. 3,195.33 million (as on 31 March 2019: Rs. 2,391.14 million) has been accrued in the books of accounts of the Company since the Appointed Date i.e. during the period 01 October 2015 to 31 March 2020.

### Notes:

- a. Investments in equity shares of subsidiaries and joint ventures which are measured at cost are not covered under Ind AS 107 and hence not been included above.
- b. The management assessed that fair value of financial assets such as cash and cash equivalent, other bank balances, trade receivables, loans and advances, etc. and all the financial liabilities excluding non-current borrowings, lease liabilities and non-current interest accrued significantly approximate their carrying amounts due to their short-term maturity profiles.
- c. The Company determines fair values of financial assets or liabilities by discounting the contractual cash inflows/outflows using prevailing interest rates of instruments with similar terms. The initial measurement of financial assets and financial liabilities is at fair value. The fair value of investments in mutual funds is determined using quoted net assets value of the funds at each reporting date.
- d. All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:
  - Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities
  - Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
  - Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable
- e. The following methods and assumptions were used to estimate the fair values:
- (i) Fair value of quoted mutual funds is based on the quoted net asset value as at the reporting date, a level 1 technique.
- (ii) The fair value of unquoted instruments and other financial assets and liabilities is estimated either by reference to the net assets value as at the reporting date or by discounting future cash flows using rates currently applicable for debt on similar terms, credit risk and remaining maturities, a level 3 technique.

### 39. Financial risk management objectives and policies

The Company's business is subject to several risks and uncertainties including financial risks

The Company's principal financial liabilities comprise of loans and borrowings, trade and other payables, security deposits and employee liabilities. The main purpose of the Company's financial liabilities is to finance the acquisition and development of the Company's property portfolio. The Company's principal financial assets include loans and advances, trade and other receivables, and cash and short-term deposits that derive directly from its operations. The Company also holds short term investments in mutual funds.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management is guided by a Risk Management Compliance Policy that describes the key financial risks and the appropriate financial risk governance framework for the Company. Regular review of the policy by the Company's senior management ensures that the policies and procedures are in line and that financial risks are identified, measured and managed. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

### Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk, price risk and currency risk.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

Financial instruments affected by market risk include trade receivables, unbilled receivables, borrowings, bank deposits and investments measured at fair value through Statement of Profit and Loss account. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimizing the return.

### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of change in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long and short term debt obligations with floating interest rate.

During the past two financial years, the Company has not experienced significant increase (i.e. more than 200 basis points) in floating interest rates and therefore has not purchased any formal interest rate swaps and derivatives for the floating interest rate borrowings. The Company's treasury department manages the interest rate risk by regularly monitoring the requirement to hedge any of its floating interest rate debts.

At 31 March 2020, approximately 47.71% of the Company's borrowing are at fixed rate of interest (31 March 2019: 37.63%).

The maximum exposure in relation to Company's floating rate borrowings is Rs. 32,402.85 million as at 31 March 2020 (31 March 2019: Rs. 35,419.36 million).

The below mentioned table demonstrates the sensitivity to a reasonably possible changes in interest rates, with all variables held constant, of the Company's profit before tax (through the impact on floating rate borrowings)

| Particulars                       | Effect on profit before tax |          |
|-----------------------------------|-----------------------------|----------|
|                                   | 31 March 2020 31 March 201  |          |
| Increase/decrease in basis points |                             |          |
| +50                               | 161.86                      | 154.45   |
| -50                               | (161.86)                    | (154.45) |

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment.

### Price risk.

The Company's exposure to price risk arises from investments held and classified in the balance sheet either as fair value through other comprehensive income or at fair value through profit or loss. To manage the price risk arising from investments in such securities, the Company diversifies its portfolio of assets.

Sensitivity – Profit or loss and equity is sensitive to higher/lower prices of instruments on the Company's profit/(loss) for the years -

| Particulars                   | 31 March 2020 | 31 March 2019 |
|-------------------------------|---------------|---------------|
| Price sensitivity             |               |               |
| Price increase by (2%)- FVTPL | 0.50          | 11.19         |
| Price decrease by (2%)- FVTPL | (0.50)        | (11.19)       |

### Foreign currency risk

Fluctuations in foreign currency exchange rates may have an impact on the statement of profit and loss, the statement of change in equity, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the Company. Considering the economic environment in which the Company operates, its operations are subject to risks arising from the fluctuations primarily in the AED against the functional currency of the Company:

The increase/(decrease) in foreign currency exchange rates are not expected to have any significant impact in these standalone financial statements.

### Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and advances given under collaboration agreement for land development).

### Concentration of credit risk

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

The carrying value of the financial assets represents the maximum credit exposure. The Company's maximum credit exposure to credit risk is Rs. 11,166.41 million as at 31 March 2020 (31 March 2019: Rs. 12,098.63 million).

Regarding trade receivables, loans and other financial assets (both current and non-current), there were no indications as at 31 March 2020, that defaults in payment obligations will occur except as described in note 5, 6, 7, 10, 11, 12, 13 and 14 on allowance for provision/impairment in respective categories. The receivables/assets where the provision/impairment has been done are assessed to be carrying high credit risk.

### Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the Company's customer base, including the default risk of the industry and country, in which customers operate, has less influence on credit risk. The Company earns its revenue form a large number of customer spread across a single geographical segment. Geographically, the entire Company's trade receivables are based in India.

The Company has entered into contracts for sale of residential and commercial units and plots of land on an installment basis. The installments are specified in the contracts. The Company is exposed to credit risk in respect of installment due. However, the legal ownership of residential, commercial units and plots of land is transferred to the buyer only after all installments are recovered. In addition, installment dues are monitored on an ongoing basis with the result that Company exposure to bad debts is not significant.

An impairment analysis is performed at each reporting date that represents its estimate of expected losses in respect of trade and other receivables. The main components of this allowance are a specific loss component that relates to individually significant exposures and a collective loss component established for Companies of similar assets in respect of losses that have been expected but not yet identified. The collective loss allowance is determined based on historical data of payment statistics for similar financial assets. The exposure to credit risk at reporting date is not significant.

Summary of significant accounting policies and other explanatory information for the year ended  $31\,\mathrm{March}\,2020$ 

(Amount in Rupees million, unless otherwise stated)

Credit risk on receivables is limited as all sales are secured against Company's contractual right of forfeiture of customer's advances and cancellation of contract under which property is sold.

Moreover, given the nature of the Company's businesses, trade receivables are spread over a number of customers with no significant concentration of credit risk. No single customer accounted for 10% or more of revenue on a consolidated basis in any of the years presented. The history of trade receivables shows a negligible provision/impairment. Therefore, the Company does not expect any material risk on account of non-performance by any of the Company's counterparties.

Loans, other bank balances and other financial assets

Loans and other financial assets measured at amortized cost includes long-term bank deposits, security deposits and other receivables. Credit risk related to these financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system are in place ensure the amounts are within defined limits. Credit risk is considered low because the Company is in possession of the underlying asset (in case of security deposit) or as per trade experience. Further, the Company creates provision by assessing individual financial asset for expectation of any credit loss basis 12 month expected credit loss model.

### Liquidity risk

Liquidity risk is the risk the Company will not be able to meet its financial obligation as they fall due. The Company monitors its risk of a shortage of funds using a fund management plan approved by the Board of Directors. The Company's strategy is to invest in highly liquid investments which can be encashed on demand. This plan considers the maturity of financial assets (e.g. trade receivables and other financial assets), business requirements and projected cash flow from operations and accordingly decisions regarding purchase and sale of highly liquid funds are made by the centralized Company treasury team.

The cash flows, funding requirements and liquidity of Company are monitored on a centralized basis under the control of Company Treasury. The objective of this centralized system is to optimize the efficiency and effectiveness of the management of the Company's capital resources. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans, debentures and finance leases. Approximately 23.76% of the Company's debt will mature in less than one year at 31 March 2020 (31 March 2019: 64.67%) based on the carrying value of borrowings reflected in the standalone financial statements. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding and debt maturing within 12 months can be rolled over with existing lenders.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

As at 31 March 2020, the Company had available Rs. 4,339.58 million (31 March 2019: Rs. 2,316.41) of undrawn committed borrowing facilities.

### 40. Segment reporting

The Company publishes these financial statements along with its consolidated financial statements. In accordance with Ind AS 108, Operating Segments, the Company has disclosed the segment information in the consolidated financial statements.

### 41. Capital management

Net debts comprises of non-current and current debts (including trade payables and other financial liabilities) as reduced by cash and cash equivalents, other bank balances and current investments. Equity comprises all components of equity including other comprehensive income.

The objective of the Company's capital management structure is to ensure that there remains sufficient liquidity within the Company to carry out committed work programme requirements. The Company monitors the long term cash flow requirements of the business in order to assess the requirement for changes to the capital structure to meet that objective and to maintain flexibility. The Company also ensures that it remains within the quantitative debt covenants and maintains a strong credit rating. Breaches in meeting the financial covenants would permit the debt issuers to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest bearing loans and borrowings in the current year.

The Company manages its capital structure and makes adjustments to it, in light of changes to economic conditions. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital, issue new shares for cash, repay debt, put in place new debt facilities or undertake other such restructuring activities as appropriate.

No changes were made in the objectives, policies or processes during the year ended 31 March 2020 and 31 March 2019.

There is Rs. 4,339.58 million of undrawn borrowing available at 31 March 2020 (31 March 2019: Rs. 2,316.41 million).

**46.** During the year ended 31 March 2019, pursuant to the insolvency proceedings initiated by NCLT against the Company, IDFC First Bank Limited ("IDFC Bank") recalled the Working Capital Demand Loan facility of Rs. 1,000 million granted to the Company, stating that such initiation of insolvency proceedings by NCLT has led to material adverse effect under the financing documents/agreements. Consequent to this, IDFC Bank invoked the SBLC provided by Abu Dhabi Commercial Bank (ADCB) as security for the said Working Capital Demand Loan facility, which had counter guarantee from the ultimate holding company. As a result, the amount aggregating to Rs. 1,001.74 million is now payable on demand by the Company to its ultimate holding company and carries no interest provision.

### 47. Lease related disclosures

The Company has leases for office building. With the exception of short-term leases, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right of use assets. The Company has presented its right-of-use assets in in the balance sheet separately from other assets.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublease the asset to another party, the right-of-use asset can only be used by the Company. Some leases contain an option to extend the lease for a further term. The Company is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and other premises the Company must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease. Further, the Company is required to pay maintenance fees in accordance with the lease contracts.

A. Lease payments not included in measurement of lease liability:

| Particulars       | 31 March 2020 |

### F. Impact on transition:

- 1) Effective 01 April 2019, the Company adopted Ind AS 116 'Leases' applied to all contracts having lease components existing on 01 April 2019 using the modified retrospective method. Accordingly, the Company has not restated comparative information. The Company has measured the lease liabilities at present value of remaining lease payments discounted using the incremental borrowing rate at the date of initial application. Further, right of use assets is measured from the date of transaction, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the balance sheet immediately before the date of initial application. On date of initial application, the adoption of new standard resulted in recognition of right of use asset of Rs. 154.47 million and a lease liabilities of Rs. 168.77 million and difference has been recognised in retained earnings on the date of transition. The effect of this adoption is insignificant on the loss for the year and earnings per share.
- 2) For contracts in place as at 1 April 2019, Company has elected to apply the definition of a lease from Ind AS 17 and has not applied Ind AS 116 to arrangements that were previously not identified as lease under Ind AS 17.
- 3) The Company has elected not to include initial direct costs in the measurement of the right-of-use asset for operating leases in existence at the date of initial application of Ind AS 116, being 1 April 2019.
- 4) Instead of performing an impairment review on the right-of-use assets at the date of initial application, the Company has relied on its historic assessment as to whether leases were onerous immediately before the date of initial application of Ind AS 116.
- 5) The Company has benefited from the use of hindsight for determining the lease term when considering options to extend and terminate leases.
- 6) On transition to Ind AS 116 the weighted average incremental borrowing rate applied to lease liabilities recognised was 10.00%.
- 7) The following is a reconciliation of total operating lease commitments at 31 March 2019 (as disclosed in the financial statements for the year ended 31 March 2019) to the lease liabilities recognised at 1 April 2019:

| Particulars   | Amount  |

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

- 49. As at 31 March 2020, the Company has borrowings of Rs. 6,939.24 million which are due for repayment in the next one year. As per the present business plans, the Company will be able to meet its financial obligations in the next one year. As at 31 March 2020, the Company's net worth has been completely eroded. The management also has considered the fact that the Company has significant asset base, including land inventories or land development rights, which can yield values in excess of their book values on development and can hence be used for raising additional capital, as and when required. Further, Emaar Properties PJSC, the Ultimate Holding Company has agreed that it shall continue to provide support to the Company in arranging for funds to enable the Company to meet its operational and project requirements. Hence, these standalone financial statements have been prepared on a going concern basis.
- **50.** During the year ended 31 March 2020, the Company has allotted 39,062,500 number of equity shares to "The Address Dubai Marina, Dubai" pursuant to early conversion of compulsorily convertible debentures.
- 51. Further, subsequent to the year-end, the Board of Directors of the Company had approved Right Issue of 130,324,485 equity shares of Rs. 10 each at a premium of Rs. 1 per share, for an amount aggregating to Rs. 1,433,569,335 to the existing equity shareholders of the Company, in the proportion of 1 (One) equity share for every 1 (One) equity share held by them. Pursuant to the same, the Company has allotted 39,062,500 equity shares of Rs. 10 per share at a premium of Rs. 1 per share for an amount aggregating to Rs. 429,687,500.
- **52.** The Company has made an internal assessment of the possible utilization of the goods and services tax ('GST') input tax credit lying in its books of accounts as at 31 March 2020 and based on the said assessment, the Company may not be able to fully utilise its GST input tax credit. Hence, as an abundant caution, the Company has recorded a provision of Rs. 526.52 million in its books of accounts.
- 53. Subsequent to the year-end, National Anti-Profiteering Authority ('NAA') passed orders alleging that the Company had undertaken profiteering activities on two projects, namely, Emerald Estate and Emerald Hills amounting to Rs. 133.57 million and Rs. 192.30 million respectively and therefore is liable to pass on such amount to its flat buyers together with interest thereon. The matter was contested on multiple grounds before the NAA including but not limited to, inconsistencies in calculation of profiteering by Director General of Anti-profiteering ('DGAP'), non-consideration of actual benefit passed on to customers etc. but was rejected by NAA. The Company has already passed benefit of Rs. 75.11 million and Rs 110.42 million to various flats buyers in Emerald Estate and Emerald Hills respectively, however the fact was rejected by NAA while passing the above orders. Further, NAA has directed the DGAP to investigate the issue of passing on the benefit of additional input tax credit in respect of 24 other projects of the Company. The Company is in the process of filing a writ petition against this said order before the Hon'ble High Court and is hopeful of a favorable outcome based on the legal advice.
- 54. On June 24, 2020, the Company's offices in New Delhi and Gurgaon were subjected to search and seizure operations conducted by the Enforcement Directorate under Section 17 in the Prevention of Money Laundering Act, 2002. During the search, the Enforcement Directorate took custody of certain documents/records of the Company and some of its subsidiaries. While Enforcement Directorate searched the offices of the Company, we understand that the authorization to Enforcement Directorate to search was issued in the name of "Shravan Gupta, Emaar MGF Business Park, Mehrauli-Gurgaon Road, Sikanderpur Chowk, Sector 28, Gurgaon". Accordingly, the search was directed towards the former Managing Director of the Company (Mr. Shravan Gupta, who is no longer associated with the management or Board of the Company). As these proceedings are believed to be directed against the former managing director of the Company and no notices, charges or accusations were issued, or expected to be issued, against the Company, its directors or officers, the Company does not consider this matter to be material.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

- 55. The outbreak of 'Covid-19' has severely impacted the businesses and economic activities around the world including India. Governments, both State and Central, have imposed lock down and other emergency restrictions which has led to the disruption of all regular business operations. The Company has made assessment of its liquidity position, including recoverability of assets at balance sheet date. Actual impact of Covid-19 pandemic on the Company's results remains uncertain and same is dependent on further spread of the disease, various steps taken by the Government to mitigate the economic impact and may differ from that estimated as at the date of approval of these standalone financial statements. The Company is monitoring the situation closely and expected to resume regular business activities in phased manner as per the Government's directives. The auditors have expressed an emphasis of matter on the same.
- 56. The Company has appointed independent consultants for conducting a Transfer Pricing Study to determine whether the transactions with associated enterprises at "arms-length basis". The management confirms that all international transactions with associated enterprises are undertaken at negotiated contracted prices on usual commercial terms, and adjustments if any, arising from the transfer pricing study shall be accounted for as and when study is completed. Based on preliminary study for the current year and completed study for the financial year ended 31 March 2019, the management is of the view that same would not have a material impact on tax expenses provided for in these standalone financial statements. Accordingly, these standalone financial statements do not include any adjustments for the transfer pricing implications, if any.
- 57. Pursuant to the judgement by the Hon'ble Supreme Court of India dated 28 February 2019, it was held that basic wages, for the purpose of provident fund, to include allowances which are common for all employees. However, there is uncertainty with respect to the applicability of the judgement and period from which the same applies and accordingly, the Company has not provided for any liability on account of this for the periods before 31 March 2019.
- 58. Previous period/year numbers have been regrouped/reclassified wherever considered necessary.

# **EMAAR MGF LAND LIMITED CONSOLIDATED** FINANCIAL STATEMENT (2019 - 20)

### **Independent Auditor's Report**

To the Members of Emaar MGF Land Limited

### Report on the Audit of the Consolidated Financial Statements

### **Qualified Opinion**

- 1. We have audited the accompanying consolidated financial statements of Emaar MGF Land Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), and its joint ventures, as listed in Annexure 1, which comprise the Consolidated Balance Sheet as at 31 March 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
- 2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries and joint ventures, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the consolidated state of affairs of the Group and its joint ventures as at 31 March 2020, and its consolidated loss (including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

### **Basis for Qualified Opinion**

3. As described in note 35(c)(i) of the accompanying consolidated financial statements which describes the petition filed by Emaar Holding II, shareholder and promoter of the Holding Company under Section 241 of the Companies Act, 2013 seeking relief against former shareholder, managing director, director and their connected entities (collectively referred to as 'MGF Group') where the Holding Company has also been named as a respondent party. Under this petition, Emaar Holding II has, inter-alia, prayed to direct MGF Group to compensate the Holding Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions that occurred between the years from 2006 to 2016, along with interest, from the date of respective loss. Pending adjudication of the matter, the management is of the view that the impact of such alleged acts and transactions on the accompanying consolidated financial statements is presently unascertainable and hence, in absence of such information, we are unable to comment on the impact, if any, of such alleged acts and transactions on the accompanying consolidated financial statements.

4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 17 and 18 of the Other Matters section below, is sufficient and appropriate to provide a basis for our qualified opinion.

### **Emphasis of Matters**

- 5. We draw attention to the following notes in the accompanying consolidated financial statements:
  - a. Note 35(b)(xii) and 35(b)(xiii) in relation to inventory and advances given by one of the subsidiary company, Emaar MGF Construction Private Limited, aggregating Rs. 489.73 million and Rs. 1,830.00 million respectively as at 31 March 2020. As described in the note, there are various significant ongoing litigations in the said subsidiary company relating to a project undertaken by it, the outcome of which is presently unascertainable.
  - b. Note 35(b)(xiv) which describes the uncertainty with respect to the outcome of various ongoing litigations involving the Holding Company and its development partners with Andhra Pradesh Industrial Infrastructure Corporation (APIIC) and other parties alleging certain irregularities relating to a project in Hyderabad. The Holding Company has outstanding assets and liabilities of Rs. 4,100.68 million and Rs. 3,145.19 million respectively with respect to this project as at 31 March 2020. The final outcome of these litigations is presently unascertainable.
  - c. Note 59, which describes the uncertainties due to the outbreak of Covid-19 pandemic and the management's evaluation of the same on the consolidated financial statement of the Group as at the balance sheet date. In view of these uncertainties, the impact on the Group's operations is significantly dependent on future developments.

Our audit report is not modified in respect of these matters.

### **Key Audit Matters**

- 6. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries and joint ventures, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
- 7. In addition to the matters described in the Basis for Qualified Opinion, we have determined the matters described below to be the key audit matters to be communicated in our report.

### Accounting for certain indemnity claims

Refer to the note 35(c)(iii) of the accompanying consolidated financial statements

The Holding Company had raised various indemnity claims on MGF Developments Limited (MGF), as per the terms of indemnity agreement(s). As per such agreement(s), if MGF does not settle such indemnity claims within ten days from the date of receipt, the Holding Company or its land owning subsidiaries may unilaterally settle such claims by, inter-alia, terminating the development rights of certain land parcel(s) which were earlier transferred to MGF pursuant to the Demerger order dated 16 July 2018.

Pursuant to above, during the current year on 17 September 2019, the Holding Company together with its land-owning subsidiaries has enforced action under the terms of indemnity agreement(s) by way of cancellation of development rights over certain land parcel(s) with a fair market value of Rs. 2,250.00 million. Accordingly, the Holding Company has recognised inventory of Rs. 2,250.00 million and claim income of Rs. 2,020.44 million as disclosed under Note 11 and Note 35(c)(iii) respectively to the accompanying consolidated financial statements.

In reference to the said matter, MGF had filed an arbitration application before the International Court of Arbitration, International Chamber of Commerce London.

Subsequent to the year-end, the Holding Company asked MGF to settle additional claim against which MGF filed a Temporary Restraining Order & Interim Measures application ("TRO") before the Arbitral Tribunal, which has been dismissed vide the order of tribunal dated 15 May 2020.

The Arbitral Tribunal further confirmed that, not only the Holding Company may unilaterally settle indemnity claims raised vide its letter dated 7 April 2020, but the Holding Company can also settle its claims of 17 September 2019 and that there should be no restraint on alienation of the land parcels by the Holding Company, the development rights of which are terminated.

This transaction was an area of focus during our audit due to the complex contractual terms, multiple agreements and significance of the amounts involved and accordingly it has been considered as a key audit matter for the current year audit.

### How our audit addressed the key audit matter

Our audit procedures in relation accounting for indemnity claims included, but not limited to the following:

- Obtained an understanding of identification process relating to indemnity claims and evaluated the design and tested the operating effectiveness of management's control on ensuring completeness of conditions precedent to the transactions before recording the transactions;
- Understood the nature of transaction i.e. understanding of the terms of indemnity agreement, claims filed with MGF and enforcement of the terms under indemnity agreement;
- Assessing the valuation methodology used by the management's valuation expert to estimate the fair value of the land parcels and tested the independence, competence and objectivity of such management expert;
- Read through the correspondences exchanged between the Holding Company and MGF including legal correspondences;
- Obtained legal expert opinion on the tenability of the claim filed by MGF and related proceedings;
- Obtained the orders of International Court of Arbitration, International Chamber of Commerce London passed subsequent to yearend; and
- Evaluated appropriateness and adequacy of disclosures in the consolidated financial statements with respect to these transactions and arbitration proceedings.

### Assessment of going concern

Refer note 53 of the accompanying consolidated financial statements.

The Group has incurred a loss of Rs. 1,488.99 million during the year ended 31 March 2020. The Group is continuously incurring cash losses over the years. The Group's net worth is completely eroded as at 31 March 2020. Further, Group has borrowings amounting to Rs. 6,939.24 million which are due for repayment in the next one year.

Management has prepared a cash flow forecast and undertaken sensitivity analysis of the key assumptions to ascertain whether the Group can operate as a going concern for at least 12 months from the date the consolidated financial statements are approved.

Further, the Ultimate Holding Company has provided financial support to the Group to meet its financial obligations falling due in the aforesaid period.

Basis the above factors, the going concern basis of accounting has been considered as appropriate in preparation of accompanying consolidated financial statements.

The matter has been considered to be of significance to our audit, considering its pervasive impact on the consolidated financial statements and significant judgements and estimates involved in preparing the cash flow projections, and concluding that no material uncertainty exists in respect of the Group's ability to continue as a going concern.

### How our audit addressed the key audit matter

Our audit procedures in relation to management's assessment of going concern included, but were not limited to, the following:

- Tested the cash flow projections prepared by the management for the period of 12 months from the date of the consolidated financial statements which involved:
  - a) reconciliation of the input data used in the cash flow projections to budgets approved by Board of Directors and evaluating the reasonableness of those budgets;
  - b) compared the cash flow forecasts for prior periods to the actual outcomes to understand the efficacy of the management's budgeting process;
  - c) evaluated the reasonableness of key assumptions such as growth rates, discount rate, expected saving in costs, etc., based on our knowledge of the business and industry;
  - d) performed sensitivity analysis which included assessing the effect of reasonably possible variations in the above key assumptions; and
  - e) tested the arithmetical accuracy of the calculations.
- Obtained the financial support assistance and management agreement with the Ultimate Holding Company. Further, assessed the ability of the Ultimate Holding Company to provide such financial assistance from its latest available published financial information; and
- Evaluated appropriateness and adequacy of disclosures in the consolidated financial statements with respect to this matter in accordance with the applicable accounting standards.

# Assessing the carrying value of inventory

Refer note 2.3(h) for the accounting policy and note 11 for the related disclosures.

Inventories of the Group comprise of real estate properties (including land) amounting to Rs. 90,233.23

Our procedures in relation to the assessment of carrying value of inventory included, but were not limited to the following:

• Obtained an understanding of the

million as disclosed under Note 11.

Impairment assessment of inventory is considered as a significant risk as there is a risk that recoverability of the carrying value of the inventory could not be established, and potential impairment charge might be required to be recorded in the consolidated financial statements.

Management's assessment of the recoverable amounts is a judgmental process which requires the estimation of the net realisable value, which takes into account the valuations of the properties held and cash flow projections of real estate properties under development.

Due to the materiality of inventory in the context of the consolidated financial statements as a whole and significant degree of judgement and subjectivity involved in the estimates and key assumptions used in determining the cash flows used in the impairment evaluation, this has been considered to be one of the significant areas in our overall audit strategy.

### How our audit addressed the key audit matter

management process for identification of possible impairment indicators and process performed by the management for impairment testing and the management process of determining the Net Realisable Value (NRV);

- Enquired of the management and tested the relevant internal financial controls related to inventory valuation along with the process followed to recover/adjust these and assessed whether impairment is required;
- Held detailed management discussions and inquires for material real estate properties under development as at 31 March 2020 for their plan of recovery/adjustment;
- For real estate properties under development, obtained and assessed the management's evaluation of the NRV and the management's valuation methodology applied in determining the recoverable amount by testing the underlying assumptions used by the management in arriving at those projections;
- Challenged the management on the underlying assumptions used for the cash flow projections, considering evidence available to support these assumptions and our understanding of the business;
- Where the management involved valuation specialists to perform valuations, evaluated the objectivity and independence of those specialists and assessed the valuation methodology used by the valuation specialists;
- For land parcels, obtained and verified the valuation of land parcels as per the government prescribed circle rates and also performed stress testing, wherever necessary;
- Engaged in discussions with the management to assess the impact of Covid-19 on the valuations and performed additional stress testing to validate these valuations;
- Tested the arithmetical accuracy of the cash flow projections; and

| Key audit matter   | How our audit addressed the key audit matter  |
|--|---|
| Provision for compensation payable to customers on delay of projects   | Evaluated the appropriateness and adequacy of the disclosures made by the management for the impairment losses recognized in accordance with applicable accounting standards.   |
| Refer note 2.3(n) for the accounting policy and note 21 for the related disclosures.  The Holding Company has outstanding provision of Rs. 7,319.97 million for compensation in respect of litigations filed by the customers due to delay in handing over the properties as disclosed under Note 21 of the consolidated financial statements. The recognition of provision for compensation requires the management to individually assess such cases and determine the possibility of paying compensation to the customers for delay basis the assessment of the contracts with the customers and applicable real estate governance laws such as Real Estate (Regulation and Development) Act 2016 (RERA) and related RERA policy of the respective State.  The amounts involved are material and the application of accounting principles as given under Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets, in order to determine the amount to be recorded as a provision or to be disclosed as a contingent liability, in each case, is inherently subjective, and needs careful evaluation and judgement to be applied by the management.  Considering the significant judgement involved in determining the possible outcome of the cases, and the materiality of the amounts involved, this matter was determined to be a key audit matter for the current year audit. | <ul> <li>Our audit procedures in relation to the provisions for compensation payable to customers on delay of projects, included, but were not limited to, the following:</li> <li>Obtained the understanding of the management process to estimate the provision for compensation payable to customers for delay in projects;</li> <li>Evaluated the design and tested the operating effectiveness of the internal controls related to completeness of customer litigation cases and management's assessment of the possible outcome of the cases;</li> <li>Evaluated the percentage of interest used by management to create provision for compensation basis the trends in earlier years from similar contracts/projects and applicable RERA laws and regulations;</li> <li>For samples selected from compensation cases arisen/settled during the year, inspected, evaluated management's assessment of likely outcome of such cases by inspection of underlying supporting documents such as court orders, notices, settlement agreements etc.;</li> <li>Tested the arithmetical accuracy of the calculation for provision amount outstanding as at 31 March 2020; and</li> <li>Evaluated appropriateness and adequacy of the disclosures made with respect to the provision for compensation payable to customers for delay in projects in note 21 to the consolidated financial statements.</li> </ul> |
| Refer note 2.3(g) for the accounting policy and note 10 for the related disclosures.   | Our audit procedures in relation to management's assessment for impairment of advances included,  |
| The Group has outstanding advances amounting to  | but were not limited to, the following:   |

The Group has outstanding advances amounting to

Rs. 3,529.00 million (including advances for acquisition of land under agreement to sell and memorandum of understanding) as at 31 March 2020.

Such advances are long standing and expected to be settled once the transfer of title to such land parcels are completed as per the respective agreements to sell and as per regulatory requirements. Assessment of any impairment provision requires the management to individually determine the stage of such transaction and the possibility of non-recoverability of such advances.

Considering the significant judgement involved leading to high estimation uncertainty, and the materiality of the amounts involved, the matter is considered as a key audit matter.

### How our audit addressed the key audit matter

- Obtained the understanding of the management process to estimate the recoverable value of the advances outstanding as at year-end;
- Evaluated the design and tested the operating effectiveness of the internal controls related to completeness of the list of advances and identifying impairment indicators and measuring the impairment required in respect of such advances;
- For the significant advances paid during the year, underlying supporting documents such as development agreements entered between the parties, agreements to sell and memorandum of understanding were verified;
- For all significant advances outstanding as at 31 March 2020, we reviewed the agreements, discussed the status of transaction with the Holding Company's management and legal team, reviewed the recent correspondence with the party, performed confirmation procedure, obtained legal status/opinion where the matter is under litigation and tested subsequent settlement of such advances for transactions completed post year-end, where relevant obtained specific representation from the Holding Company's management; and
- Evaluated appropriateness and adequacy of disclosures made with respect to the advances outstanding as at 31 March 2020 in note 10 to the consolidated financial statements.

### Information other than the Consolidated Financial Statements and Auditor's Report thereon

8. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

# Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

- 9. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including joint ventures in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors/management of the companies included in the Group and its joint venture companies covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
- 10. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for assessing the ability of the Group and joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
- 11. Those Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group and of its joint ventures.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

- 12. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
- 13. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint ventures to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and joint ventures, to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the consolidated financial statements, of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
- 14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matters

17. We did not audit the financial statements of 280 subsidiaries, whose financial statements reflect total assets of Rs. 43,820.44 million and net assets of Rs. 368.97 million as at 31 March 2020, total revenues of Rs. 90.75 million and net cash outflows amounting to Rs. 66.57 million for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss (including other comprehensive income) of Rs. 0.96 million for the year ended 31 March 2020, as considered in the consolidated financial statements, in respect of 2 joint ventures, whose financial statements have not been audited by us. These financial statements have been audited by other

auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint ventures, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and joint ventures, is based solely on the reports of the other auditors.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

18. We did not audit the financial statements of 4 subsidiaries, whose financial statements reflect total assets of Rs. 2,418.97 million and net assets of Rs. 1,796.11 million as at 31 March 2020, total revenues of Rs. 101.22 and net cash inflows amounting to Rs. 0.21 million for the year ended on that date, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of aforesaid subsidiaries, are based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the management, these financial statements are not material to the Group.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the financial statements certified by the management.

### Report on Other Legal and Regulatory Requirements

- 19. As required by section 197(16) of the Act, based on our audit and on the consideration of the reports of the other auditors, referred to in paragraph 17 and 18, on separate financial statements of the subsidiaries and joint ventures, we report that the Holding Company and 284 subsidiary companies covered under the Act have not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable in respect of Holding Company and such subsidiary companies. Further, we report that the provisions of section 197 read with Schedule V to the Act are not applicable to 2 joint venture companies covered under the Act, since none of such companies is a public company as defined under section 2(71) of the Act.
- 20. As required by Section 143 (3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiaries and joint ventures, we report, to the extent applicable, that:
  - a) we have sought and except for the matter described in the Basis for Qualified Opinion section, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
  - b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors, except for the possible effects of the matter described in paragraph 3 of the Basis for Qualified Opinion section with respect to the financial statements of the Holding Company;
  - c) the consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
  - d) except for the possible effect of the matter described in the Basis for Qualified Opinion section, in our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act;

- e) the matter described in paragraph 3 under the Basis for Qualified Opinion section and the matters described in paragraph 5 under the Emphasis of Matters, in our opinion, may have an adverse effect on the functioning of the Holding Company and Emaar MGF Construction Private Limited, a subsidiary of the Holding Company;
- f) on the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and joint venture companies covered under the Act, none of the directors of the Group companies and its joint venture companies covered under the Act, are disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act;
- g) with respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, and its subsidiary companies and joint venture companies covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'; and
- h) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries and joint ventures:
  - i. except for the possible effect of the matter described in paragraph 3 of the Basis for Qualified Opinion section, the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and joint ventures as detailed in Note 37(b) and 37(c) to the consolidated financial statements.;
  - ii. the Group and its joint ventures did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2020;
  - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies and joint venture companies covered under the Act, during the year ended 31 March 2020; and
  - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these consolidated financial statements. Hence, reporting under this clause is not applicable.

# Independent Auditor's report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the consolidated financial statements of Emaar MGF Land Limited ("the Holding Company"), and its subsidiaries, (the Holding Company and its subsidiaries together referred to as "the Group") and its joint ventures as at and for the year ended 31 March 2020, we have audited the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and its joint venture companies which are companies covered under the Act, as at that date.

# Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary companies and its joint venture companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

# Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

- 3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and its joint venture companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the ICAI prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and its joint venture companies, as aforesaid.

#### Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Annexure A to the Independent Auditor's Report of even date to the members of Emaar MGF Land Limited, on the consolidated financial statements for the year ended 31 March 2020 (cont'd)

#### Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

8. In our opinion and based on the consideration of the reports of the other auditors on internal financial controls with reference to financial statements of the subsidiary companies and joint venture companies, the Holding Company, its subsidiary companies and its joint venture companies, which are companies covered under the Act, have, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

#### Other Matter

9. We did not audit the internal financial controls with reference to financial statements in so far as it relates to 280 subsidiary companies, which are companies covered under the Act, whose financial statements reflect total assets of Rs. 43,820.44 million and net assets of Rs. 368.97 million as at 31 March 2020, total revenues of Rs. 90.57 million and net cash outflows amounting to Rs. 66.57 million for the year ended on that date as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss (including other comprehensive income) of Rs. 0.96 million for the year ended 31 March 2020, in respect of 2 joint venture companies, which are companies covered under the Act, whose internal financial controls with reference to financial statements have not been audited by us. The internal financial controls with reference to financial statements in so far as it relates to such subsidiary companies and joint venture companies have been audited by other auditors whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements for the Holding Company, its subsidiary companies and its joint venture companies, as aforesaid under Section 143(3)(i) of the Act in so far as it relates to such subsidiary companies is based solely on the reports of the auditors of such companies. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditors.

#### 1. Corporate information

Emaar MGF Land Limited ('the Holding Company' or 'the Parent company'), its subsidiaries and its joint venture companies (hereinafter collectively referred to as 'the Group' or 'EMGF Group') are principally engaged in the business of promotion, construction, development and sale of integrated townships, residential and commercial multi-storied buildings, houses, flats, shopping malls, hotels, IT parks, etc.

The Holding Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Holding Company is 57.33% subsidiary of Emaar Holding II (Dubai, UAE). Its debentures are listed on Bombay stock exchange in India. The registered office of the Holding Company is located at 306-308, Square One, C-2, District Centre, Saket, New Delhi- 110017. The principal place of business of the Holding Company is located at Emaar Business Park, MG Road, Sikanderpur, Sector-28, Gurugram-122002, Haryana.

These consolidated financial statements for the year ended 31 March 2020 were authorized and approved for issue by the Board of Directors on 29 July 2020. The revisions to the consolidated financial statements are permitted by the Board of Directors of the Holding Company after obtaining necessary approvals or at the instance of regulatory authorities as per provisions of the Act.

#### 2. Significant accounting policies

#### 2.1 Basis of preparation

The consolidated financial statements of the Company have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules 2015 (by Ministry of Corporate Affairs (MCA')), as amended and other relevant provisions of the Act.

The consolidated financial statements have been prepared on going concern basis using a historical cost convention, except certain financial assets and financial liabilities which are measured at fair value as explained in relevant accounting policies. Fair valuations related to financial assets and financial liabilities are categorised into level 1, level 2 and level 3 based on the degree to which the inputs to the fair value measurements are observable.

The consolidated financial statements are presented in INR which is also assessed to be the functional currency of the Holding Company in accordance with Ind AS for each entity the Group determines the functional currency and items included in the financial statements of each entity are measured using that functional currency. All values are rounded to the nearest million (INR 000,000), except wherever otherwise indicated.

#### 2.2 Basis of consolidation

Subsidiaries

The consolidated financial statements comprise the financial statements of the Holding Company and its subsidiaries as at 31 March 2020. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee);
- Exposure, or rights, to variable returns from its involvement with the investee; and
- The ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights
- The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent Group, i.e., year ended on 31 March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

#### Consolidation procedures:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group, unless the accounting standard specifies otherwise.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.

Investment in joint ventures

Investments in joint arrangements are classified as either Joint operations or Joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the Joint arrangement. The Group has classified its investment in joint arrangement as joint ventures.

Interest in joint venture are accounted for using the equity method, after initially being recognized at cost. The carrying amount of the investment is adjusted thereafter for the post acquisition change in the share of net assets of the investee, adjusted where necessary to ensure consistency with the accounting principles and policies of the Group. The consolidated statement of profit and loss (including the other comprehensive income) includes the Group's share of the results of the operations of the investee. Dividends received or receivable from joint ventures are recognized as a reduction in the carrying amount of the investment.

On loss of joint control, the difference between proceeds from disposal (including fair value of any retained interests) and the carrying amount of the investment in joint ventures is recognised in consolidated statement of profit and loss.

Business combination

The Group applies the acquisition method in accounting for business combinations. The consideration transferred by the Group to obtain control of a subsidiary is calculated as the sum of the acquisition-date fair values of assets transferred, liabilities incurred by the former owners of the acquired entity. Acquisition costs are generally recognized in the statement of profit and loss as incurred.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their acquisition-date fair values.

Goodwill is initially measured as excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred and where exists clear evidence of underlying reasons of classifying business combinations as bargain purchase, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through other comprehensive income.

Business combinations involving entities or businesses under common control have been accounted for using the pooling of interests method. The assets and liabilities of the combining entities are reflected at their carrying amounts. No adjustments have been made to reflect fair values, or to recognise any new assets or liabilities.

#### 2.3 Summary of significant accounting policies

## a. Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in Companies Act 2013. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

#### b. Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment and capital work in progress are stated at cost [i.e., cost of acquisition or construction inclusive of freight, erection and commissioning charges, non-refundable duties and taxes, expenditure during construction period, borrowing costs (in case of a qualifying asset) upto the date of

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

acquisition/installation]. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

#### Subsequent measurement (depreciation and useful lives)

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets estimated by the management based on technical evaluation:-

|                        | Useful lives estimated by the management (years) |
|------------------------|--|
| Buildings              | 60   |
| Plant and equipment    | 5  |
| Office equipment       | 5  |
| Computers              | 3  |
| Furniture and fixtures | 6.67   |
| Vehicles               | 5  |

The useful life of the assets is either lower or equal to those indicated in Schedule II to the Companies Act 2013.

Leasehold land is amortized on straight line basis over the period of the lease of 1 to 90 years or the useful life of the asset, whichever is lower.

Leasehold improvements are amortized on straight line basis over the period of the lease of 1 to 3 years or the useful life of the asset, whichever is lower.

No amortisation is made for leasehold land which is under perpetual lease.

The useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

#### De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

#### c. Intangible assets

# Recognition and initial measurement

Intangible assets comprise of computer softwares which are measured on at cost upon initial recognition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation.

# Subsequent measurement (amortisation)

Intangible assets are amortised on a straight-line basis over the useful economic life which is assessed to be between one to three years by the management.

### De-recognition

Intangible asset is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

(Amount in Rupees million, unless otherwise stated)

#### d. Lease

#### Group as a lessee - Right of use assets and lease liabilities

Till previous year, assets acquired on leases where a significant portion of risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rental are charged to statement of profit and loss on straightline basis except where scheduled increase in rent compensate the lessor for expected inflationary costs.

For any new contracts entered into on or after 1 April 2019, the Group considers whether a contract is, or contains a lease (the transition approach has been explained and disclosed in notes). A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'.

#### Classification of leases

The Group enters into leasing arrangements for various assets. The assessment of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/purchase etc.

#### Recognition and initial measurement

At lease commencement date, the Group recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Group, an estimate of any costs to dismantle and remove the asset at the end of the lease (if any), and any lease payments made in advance of the lease commencement date (net of any incentives received).

#### Subsequent measurement

The Group depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Group also assesses the right-of-use asset for impairment when such indicators exist.

At lease commencement date, the Group measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Group's incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed payments) and variable payments based on an index or rate. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is re-measured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is re-measured, the corresponding adjustment is reflected in the right-of-use asset.

The Group has elected to account for short-term leases using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in statement of profit and loss on a straight-line basis over the lease term.

#### Group as a lessor

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. The respective leased assets are included in the balance sheet based on their nature. Rental income is recognized on straight-line basis over the lease-term.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

#### e. Investment properties

#### Recognition and initial measurement

Investment properties are held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Though the Group measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual valuation performed by an accredited external independent valuer who holds a recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued.

#### Subsequent measurement (depreciation and useful lives)

The Group based on technical assessment made by it, depreciates building component of investment property on a straight line basis over a period of 60 years from the date of original purchase.

The residual values, useful lives and method of depreciation of are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

#### De-recognition

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of de-recognition.

#### f. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset (that necessarily takes a substantial period of time to get ready for its intended use or sale) are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other borrowing costs that an entity incurs in connection with the borrowing of funds.

#### g. Impairment of non-financial assets

At each reporting date, the Group assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

## h. Inventories

Inventory comprises of developed properties and real estate properties under development.

(i) Developed properties are valued at lower of cost and net realizable value. Cost includes cost of land/land development rights, materials, services, borrowing costs and other related overheads, incurred in bringing the inventories to their present location and condition.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

(ii) Real estate properties under development are valued at lower of cost and net realizable value. Cost includes land and cost of land/land development rights, materials, services, borrowing costs and other related overheads. Cost incurred/items made specifically for properties are taken as consumed as and when incurred/received.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

#### i. Revenue recognition

Revenue is recognised when control is transferred and is accounted net of rebate and taxes. The Group applies the revenue recognition criteria to each nature of the revenue transaction as set out below:

Revenue from sale of properties and developed plots

Revenue from sale of properties is recognized when the performance obligations are essentially complete and credit risks have been significantly eliminated. The performance obligations are considered to be complete when control over the property has been transferred to the buyer i.e. offer for possession (possession request letter) of properties have been issued to the customers and substantial sales consideration is received from the customers.

The Group considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring property to a customer, excluding amounts collected on behalf of third parties (for example, indirect taxes). The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

For each performance obligation identified, the Group determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at a point in time. If an entity does not satisfy a performance obligation over time, the performance obligation is satisfied at a point in time. A receivable is recognised by the Group when the properties are handed over as this is the case of point in time recognition where consideration is unconditional because only the passage of time is required.

When either party to a contract has performed, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the customer's payment.

The costs estimates are reviewed periodically and effect of any change in such estimate is recognized in the period such changes are determined. However, when the total project cost is estimated to exceed total revenues from the project, the loss is recognized immediately.

#### Revenue from collaboration agreements

Revenue from Collaboration Agreements is recognized as and when services are rendered, in accordance with the terms of the agreements entered with the collaborators, based on the percentage share of gross revenue of the collaborators.

#### Revenue from Joint Development Agreement (JDA):

JDAs entered into with land owners for the exchange of land against consideration in the form of property or development rights are treated as exchange of dissimilar goods and are accounted for at fair value. The revenue arising out of the same is measured at the fair value of the goods received. When the fair value of the goods received cannot be measured reliably, the revenue is measured at the fair value of the goods given up.

#### Income from compulsory acquisition of land

Income in respect of compulsory acquisition (both original and enhanced compensation) of land by the Government is recognised upon receipt of compensation order from the Government or Court at an amount equivalent to gross amount received/receivable, net of the cost of the land acquired by the Government.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

#### Claim income

The Holding Company, its ultimate holding company (Emaar Properties PJSC), MGF Developments Limited (MGF) and other parties had entered into certain indemnity agreement(s), which entitled the Holding Company to raise indemnity claims on MGF, Mr. Shravan Gupta and their group companies in respect of certain expenses/losses incurred by the Holding Company. In terms of the said indemnity agreements, the Holding Company has raised various claims during the year and recognised income accordingly. For details, refer note 35(c)(iii).

#### Rental income

Rental income are recognised on a straight-line basis over the terms of the lease, except for contingent rental income, which is recognised when it arises. Rental income is earned from the operating leases of the owned properties.

#### Revenue from leisure activities

Revenue is recognized as and when services are completely rendered and right to receive money has been established, except in cases where ultimate collection is considered doubtful.

#### Income from maintenance services

Income arising from billing of maintenance charges to tenants/customers is recognised in the period in which the services are being rendered. A receivable is recognised by the Group when the services are rendered as this is the case of point in time recognition where consideration is unconditional because only the passage of time is required. Further, the Group considers the terms of the contract and its customary business practices to determine the transaction price. The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

#### Income from electricity and other services

Income from electricity and other services to tenants/customers is recognised in the period in which the services are being rendered. A receivable is recognised by the Group when the services are rendered as this is the case of point in time recognition where consideration is unconditional because only the passage of time is required.

#### Other interest income

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR).

#### Dividend income

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

# j. Foreign currencies

#### Functional and presentation currency

The financial statements are presented in Indian Rupee (Rs.) which is also the functional and presentation currency of the Group.

#### Transactions and balances

Transactions in foreign currencies are initially recorded by the Group at functional currency spot rates at the date the transaction first qualifies for recognition.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

#### Translation of foreign operations

Functional and reporting currencies of foreign operations are different from the reporting currency of the Holding Company. In respect of foreign operations, assets and liabilities are translated at the exchange rate prevailing at the date of the balance sheet. The items in the statement of profit and loss are translated at the average exchange rate (that approximates the actual exchange rates) during the year. The exchange difference arising out of the translation are recognized in other comprehensive income and are accumulated as foreign currency translation reserve, in the balance sheet until the disposal of the net investments at which time they are recognised as income or as expenses.

## k. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, cheques on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

#### 1. Taxes

#### Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted in India, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets is offset against current tax liabilities if, and only if, a legally enforceable right exists to set off the recognised amounts and there is an intention either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

# Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised,

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

#### m. Employee benefits

#### Defined contribution plan

The Group's contribution to provident fund is charged to the statement of profit and loss or inventorized as a part of real estate properties under development, as the case may be. The Group's contributions towards provident fund are deposited with the regional provident fund commissioner under a defined contribution plan.

#### Defined benefit plan

The Group operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. Gratuity is a defined benefit obligation. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method. Re-measurements comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

# Other long-term employee benefits

The Group also provides benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recorded in the statement of profit and loss in the year in which such gains or losses arise.

#### Short-term employee benefits

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

#### n. Provisions, contingent liabilities and contingent assets

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

#### Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

#### o. Earnings per share

Basic earnings per equity share are computed by dividing net profit after tax for the year attributable to equity shareholders by the weighted average number of equity shares (including number of equity shares that are issuable on the conversion of mandatorily conversion of instruments) outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

#### p. Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. The Group factors historical trends and forward-looking information to assess expected credit losses associated with its assets and impairment methodology applied depends on whether there has been a significant increase in credit risk.

#### Trade receivables

In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

#### Other financial assets

In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition, if the financial asset is determined to have low credit risk at the balance sheet date.

# q. Financial instruments

#### Non-derivative financial assets

Recognition and initial measurement

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Subsequent measurement

**Debt instruments at amortised cost** – A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

**Equity investments** – All equity investments in scope of 'Ind AS 109' Financial Instruments' ('Ind AS 109') are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Group decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

**Mutual funds** – All mutual funds in scope of Ind AS 109 are measured at fair value through profit and loss (FVTPL).

#### De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset measured at amortized cost (or, depending on the business model, at fair value through other comprehensive income).

#### Non-derivative financial liabilities

#### Recognition and initial measurement

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted.

#### Subsequent measurement

Subsequent to initial recognition, financial liabilities are measured at amortised cost using the effective interest method.

#### De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability measured at amortized cost (or, depending on the business model, at fair value through other comprehensive income). The difference in the respective carrying amounts is recognised in the statement of profit and loss.

#### Financial guarantees

Financial guarantee contracts are recognised as financial liability at the time guarantee is issued. The liability is initially measured at fair value and subsequently measured at higher of:

- The amount of loss allowance (calculated as described in policy for impairment of financial assets); or
- The amount initially recognised less, where appropriate, cumulative amount of income recognised in accordance with principles of Ind AS.

#### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### 2.4 Recent accounting pronouncement

#### Amendment to Ind AS 103, Business Combinations

On 24 July 2020, Ministry of Corporate Affairs ("MCA") has issued an amendment to Ind AS 103 whereby definition of the business has been amended. Additionally, new amendments also provide new aspects to evaluate a set of activities as business. The effective date of these amendments is 1 April 2020. The Group is evaluating the requirements of the amendments and their impact on the financial statements.

#### Amendment to Ind AS 116, Leases

On 24 July 2020, Ministry of Corporate Affairs ("MCA") has issued an amendment to Ind AS 116 in respect of rent concessions occurring as a direct consequence of the Covid-19 pandemic. The effective date of these amendments is 1 April 2020. However, in case an entity (lessee) has not yet approved the financial statements before the issuance of this amendment, then the same may be applied for annual reporting periods beginning on or after 1 April 2019 as well. Currently, the Group does not have any such scenario and hence, the Group has not considered any impact of this amendment on these financial statements.

#### Amendment to Ind AS 1, Presentation of Financial Statements

On 24 July 2020, Ministry of Corporate Affairs ("MCA") has issued an amendment to Ind AS 1 whereby definition of the word 'Material' has been enhanced to make it more explanatory and it now covers more scenarios. The effective date of these amendments is 1 April 2020. The Group is evaluating the requirements of the amendments and their impact on the financial statements.

#### Amendment to Ind AS 10, Events After the Reporting Period

On 24 July 2020, Ministry of Corporate Affairs ("MCA") has issued an amendment to Ind AS 10 in respect of disclosure requirement related to non-adjusting event. This amendment requires additional information to be disclosed for material non-adjusting events. The effective date of these amendments is 1 April 2020. The Group is evaluating the requirements of the amendments and their impact on the financial statements.

#### 2.5 Significant accounting judgements, estimates and assumptions

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these judgements, assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

#### Impairment of non-financial assets

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

#### Impairment of financial assets

The Group estimates the recoverable amount of trade receivables and other financial assets where collection of the full amount is expected to be no longer probable. For individually significant amounts, this estimation is performed on an individual basis considering the length of time past due, financial condition of the counterparty, impending legal disputes, if any and other relevant factors

# Cash flow projections

The Group has prepared these financial statements on going concern basis assuming that it is able to continue its operations for next one financial year. In making this assumption, the management has made certain

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

projections relating to cash collections from various properties, fund requirements, asset base, etc. for the next one financial year.

#### Recognition of deferred tax assets

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilized.

#### **Provisions**

At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

# Contingencies

In the normal course of business, contingent liabilities may arise from litigation, taxation and other claims against the Group. A tax provision is recognised when the Group has a present obligation as a result of a past event; it is probable that the Group will be required to settle that obligation. Where it is management's assessment that the outcome cannot be reliably quantified or is uncertain the claims are disclosed as contingent liabilities unless the likelihood of an adverse outcome is remote. Such liabilities are disclosed in the notes but are not provided for in the financial statements.

When considering the classification of a legal or tax cases as probable, possible or remote there is judgement involved. This pertains to the application of the legislation, which in certain cases is based upon management's interpretation of country specific tax law, in particular India, and the likelihood of settlement. Management uses in-house and external legal professionals to inform their decision.

Although there can be no assurance regarding the final outcome of the legal proceedings, the Group does not expect them to have a materially adverse impact on the Group's financial position or profitability. The liabilities which are assessed as possible and hence are not recognised in these financial statements are disclosed in note 35 (b).

#### Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease.

#### Revenue and inventories

The estimates around total budgeted cost i.e. outcomes of underlying construction and service contracts, which further require estimates to be made for changes in work scopes, claims (compensation, rebates, etc.), the cost of meeting other contractual obligations to the customers and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making these estimates, the Group used the available contractual and historical information and also its expectations of future costs. The estimates of the saleable area are also reviewed periodically and effect of any changes in such estimates is recognised in the period such changes are determined.

#### Assessment of operating cycle

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has determined its operating cycle as sixty months for Construction and Development business and as twelve months for Leisure and Hospitality business, having regard to the nature

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

of business being carried out by the Group. The same has been considered for classifying assets and liabilities as 'current' and 'non-current' while preparing the financial statements.

#### Useful lives of depreciable/amortisable assets

Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

#### Fair value measurement

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

#### Defined benefit obligation (DBO)

Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Description of valuation techniques used and key inputs to valuation on investment properties:

| Investment properties   | Valuation<br>technique                  | Significant<br>unobservable<br>Inputs | Assumpt       | ions used     |
|-------------------------|---|---------------------------------------|---------------|---------------|
|                         |   |                                       | 31 March 2020 | 31 March 2019 |
| Retail properties       | Market value<br>method<br>(refer below) | Basic sale price<br>per square feet   | Rs. 21,000    | Rs. 21,000    |
| Commercial office Space | Market value<br>method<br>(refer below) | Basic sale price<br>per square feet   | Rs. 15,840    | Rs. 15,240    |

Under the market value method, the market value of the freehold interest in the property in its current physical condition is the basis of valuation. The market value is defined as, 'the estimated amount for which an asset or liability can be exchanged on the valuation date between a willing buyer and a willing seller in an arm's length transaction after proper marketing and where the each parties has acted knowledgably, prudently and without compulsion.'

Significant increases/(decreases) in estimated basic sale price and annual escalation in isolation would result in a significantly higher/(lower) fair value of the properties. Significant increases/(decreases) in discount rate in isolation would result in a significantly lower/(higher) fair value.

#### \*Other equity comprise of:

#### (a) Equity component of convertible debentures:

For compound financial instruments that have both equity as well as liability component, Ind AS 32 requires splitting the two components and separately recognizing 'equity component of compound financial instrument'. Such equity component is required to be presented as a part of 'Other Equity' under this head. On the other hand, the 'liability component of compound financial instrument' is required to be presented as a part of 'Borrowings' (refer note 18).

#### (b) Unrealised gain on dilution of stake in subsidiaries

Unrealised gain on dilution of stake in subsidiaries reserve has been created at the time of gain on dilution of equity interest in some of the Company's subsidiary companies. This gain will be transferred to the income statement at the time of transfer of such subsidiary companies outside the Group.

#### (c) Securities premium

Securities premium reserve is created to record the premium on issue of equity shares. This can be utilised for certain limited purposes in accordance with provisions of the Companies Act, 2013.

#### (d) Debenture redemption reserve

The Group has issued redeemable non-convertible debentures. Accordingly, the Companies (Share capital and Debentures) Rules, 2014 (as amended), require the Group to create Debenture Redemption Reserve ("DRR") out of profits of the Group available for payment of dividend. DRR is required to be created for an amount which is equal to 25% of the value of debentures issued and would be utilised for redeeming the said debenture. In the absence of adequate profits, there is no further requirement for creation of debenture redemption reserve.

#### (e) Retained earnings:

Retained earnings is used to record balance of statement of profit and loss.

#### (f) Foreign currency translation reserve:

In accordance with Ind AS 21 The Effects of Changes in Foreign Exchange Rates, the exchange differences arising on translation of the financial statements of foreign operation from functional currency to presentation currency needs to be included in this head of other comprehensive income.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

## (ii) Other commitments

• The Group has entered into certain agreements with joint development agreement (JDA') partners to develop properties on such land and operate such properties. In lieu of the same, the Group has agreed to share certain percentage of future revenues arising from the operations of the same, as assignment cost to these parties. Since the estimated future revenues and consequential assignment cost cannot be ascertained as on date, the amount payable in exchange of getting such development and operating rights is not being separately disclosed in these consolidated financial statements.

## b) Contingent liabilities

## Claim against the Group not acknowledged as debts

- (i) The Holding Company has received a demand notice of Rs. 7.15 million including interest on account of various additions to the income tax return filed for the Assessment Year 2006-07 and penalty of Rs. 26.80 million, which has been adjusted against subsequent tax refunds. The said demand of Rs. 7.15 million was reduced to Rs. 0.75 million including interest by CIT (Appeals). Both the tax department and the Holding Company have filed an appeal with the Income Tax Appellate Tribunal (ITAT) against the order of CIT (Appeals). Further, ITAT had set aside all above matters and has referred back the same to Assessing Officer for fresh assessment. Further the Holding Company's appeal against the penalty demand of Rs. 26.80 million has been deleted by CIT (Appeals).
- On 12 September 2007, the Holding Company was subjected to search and seizure operations under Section 132 and surveys under Section 133A of the Income Tax Act, 1961 (the "Act"). The search and seizure operations were conducted at various locations of the Holding Company and on the premises of certain Executive Directors and employees of the Holding Company and certain Promoters, companies of Promoters, members of the Promoter Company, and relatives of the Promoters and employees of the Promoter companies. During the course of the search and seizure operations, the Income Tax authorities have taken custody of certain materials such as documents, records, computer files and hardware, and recorded statements of certain officials of these entities. Subsequently, the income tax authorities had sought further information/documents and explanations from time to time. In connection with the search and seizure operations, the Holding Company received a notice dated 8 October 2008 under section 153A of the Act, from the Assistant Commissioner of Income Tax, Central Circle - 7, New Delhi (the "Assistant Commissioner") requiring it to furnish returns of income for the assessment years 2002-03 to 2007-08, which the Holding Company complied with. Further, pursuant to the search conducted by Enforcement Directorate under Section 37 of the Foreign Exchange Management Act, 1999 in December 2009, consequential proceedings under section 132A of the Income Tax Act, 1961 were initiated by the Income Tax department, resulting into abatement of pending proceedings to be reinitiated under section 153A/153C of the Income Tax Act, 1961. Pending completion of above referred proceedings, the tax liability, if any, that may ultimately arise on this account cannot presently be ascertained.

On 19 June 2014, the Holding Company was subjected to search and seizure operation under section 132 of the Income Tax Act, 1961. The Holding Company also received the notice under section 153A/143(3) of the Income Tax Act, 1961 for Assessment Year 2009-10 to Assessment Year 2015-16 on 3 February 2015 to file the Income Tax Return (ITR) within 30 days of receipt of notice. The Holding Company duly filed the ITR under section 153A for the Assessment Year 2009-10 to Assessment Year 2014-15 within stipulated time mentioned in the notice.

On 28 December 2016, the Holding Company has received assessment orders under section 153A/143(3) for Assessment Year 2009-10 to Assessment Year 2015-16, whereby the Assessing Officer has made disallowances on certain matters amounting to Rs 4,506.58 million. The said disallowances resulted in reducing the brought forward business losses and capital losses of the Holding Company, however did not have any impact on the normal tax liability of the Holding Company. Further, due to the aforesaid assessments, the Assessing Officer has computed additional MAT liability of Rs. 63.64 million

(including interest of Rs. 28.48 million) for Assessment year 2010-11. The Holding Company based on its assessment is of the view that the said demand would not sustain and no additional liability would devolve on the Holding Company.

Accordingly, the Holding Company has filed an appeal before CIT (Appeals) for the Assessment Years 2009-10 to 2015-16 w.r.t. the above mentioned disallowances and received partial favorable order from CIT(A) for the Assessment Year 2009-10 to Assessment Year 2015-16 giving the relief amounting to Rs. 3,215.35 million further reducing the disallowances to Rs. 1,291.23 million. For the remaining disallowances, the Holding Company has filed an appeal before Income Tax Appellate Tribunal (TTAT') for the Assessment Year 2009-10 to 2015-16, the case is yet to be listed for hearing. Further, the Holding Company has received penalty demand for Assessment Year 2013-14 in which an addition is made for Rs. 17.69 million and tax demand for Rs. 5.74 million. The Holding Company has filed an appeal before CIT (Appeals) for the same and the matter is yet to be listed for hearing.

- (iii) During earlier years, Holding Company was served a Show Cause Notice ('SCN') alleging that the activities of transfer charges was taxable under service tax during the period from 1 April 2006 to 30 June 2012. The Holding Company on the basis of legal advice is of the view that no service tax is leviable on such transfer, as they are not the real estate agents, the category under which tax demanded. Service tax has neither been charged and recovered by us for changing the name in our records, from old buyers' name to new buyers' name in our books nor therefore paid to the department. The Holding Company has deposited Rs 24.73 million under protest to avoid any interest liability. The Holding Company has received final order dated 9 September 2019, quashing SCN amounting to Rs. 24.73 million. Pursuant the said order, the Holding Company has received refund of Rs. 24.73 million on 17 January 2020.
- (iv) Director General of Goods and Services Tax Intelligence ('DGGSTI'), Delhi Zonal, earlier Directorate General of Central Excise Intelligence ('DGCEI') has issued Show Cause Notice "SCN" dated 21 March 2018 received on 26 March 2018 to Emaar MGF Land Limited and its land-owing companies proposing demand of service tax of Rs. 493.04 million (includes Rs. 68.70 million upon the Holding Company) on transfer of land development rights for the period from 1 July 2012 to 30 June 2017. The Holding Company has transactions of development rights both with group companies, as well as, with outside parties. The Holding Company had deposited service tax amounting to Rs. 47.20 million (includes Rs. 42.20 million through CENVAT Credit deposited by the Holding Company) on the transaction of land development rights. The Holding Company shall submit its reply to SCN to the adjudicating authority in due course. The management on the basis of legal advice is hopeful of a favorable outcome at the forum, at which this is pending.
- (v) The Holding Company has received a Demand Show Cause Notice ('SCN') dated 27 April 2018 from Principal Commissioner, Central Goods and Services Tax ('CGST'), Delhi-South, proposing to levy service tax amounting to Rs. 505.51 million (excluding interest and penalty) for the financial years from 2012-13 to 2015-16, on income from termination of collaboration agreement; forfeiture of customer's advances; external development charges/infrastructure development charges ("EDC/IDC") charges collected from customers and income from sale of developed plots. The department's contention is that after the negative list i.e. from 1 July 2012, the amount collected from customers under any head is liable to service tax. The management on the basis of legal advice is hopeful of a favorable outcome at the appellate level. Another follow-on SCN dated 16 April 2019 demanding service tax of Rs. 155.38 million (excluding interest and penalty) for the subsequent period from FY 2016-17 upto 30 June 2017 has also been received on 23 April 2019. The Holding Company shall submit its reply to on follow-on SCNs to the adjudicating authority when called for personal hearing in due course.
- (vi) The Holding Company has received Assessment order/notice of demand under section 15(3) of the Haryana Value Added Tax Act, 2003 ("HVAT") dated 06 March 2018, 16 November 2018 and 9 October 2019 received on 24 April 2018, 28 February 2019 and 4 January 2020 for Rs. 1,010.75 million, Rs. 464.03 million and Rs. 141.29 million (including interest) for the financial year 2014-15, 2015-16 and 2016-17 respectively for levy of Works Contract Tax, in respect of development and construction of residential and commercial properties for prospective buyers. Such an excessive and unreasonable

demand has been raised on account of faulty Rule 25. Therefore, continuing with earlier stand taken by the Holding Company that Rule 25 is bad in law, the order for financial year 2016-17 has also been challenged before Hon'ble Punjab and Haryana High Court. Interim stay for financial year 2014-15 and 2015-16 has been granted and petition for the financial year 2016-17 has been filed but has not been listed because of ongoing COVID-19 crisis. The Holding Company has deposited Rs. 41.83 million, Rs. 12.52 million and Rs. 35.26 million for the financial years 2014-15, 2015-16 and 2016-17 respectively under protest, calculated on the basis of purchase method.

For all periods starting 01 April 2014, the Holding Company is depositing VAT amount based on purchase method and based on contractual terms with customers the same has been treated as recoverable in these consolidated financial statements.

- (vii) During earlier years, one of the subsidiary company, Emaar MGF Construction Private Limited herein referred to as "EMCPL", was served a Show Cause Notice (SCN') alleging that the activities undertaken by EMCPL with Delhi Development Authority (DDA') have been rendered on a contractor to principal basis and are thus covered under the definition of Construction of Complex services. In the year 2013, the EMCPL received an adjudication order of Rs. 1,351.87 million (including cess) from the Service tax department confirming the said SCN. This said adjudication order is challenged at Custom Excise and Service Tax Appellate Tribunal (CESTAT'), Delhi. Pursuant to the stay application, CESTAT, Delhi had directed pre-deposit of Rs. 300 million out of total tax demand of Rs. 1,351.87 million which on appeal was reduced by Hon'ble Delhi High Court to 7.5%. This was complied with by pre-deposit of Rs. 101.39 million. During the year, CESTAT Delhi, has pronouncement order, allowing our appeal by setting aside the adjudication order, on 29 April 2019. EMCPL has received refund of pre-deposit in the month of September 2019.
- (viii) One of the subsidiary company, EMCPL, had received Assessment Orders from the Assessing Officer ('A.O.'), under section 143(3) of Income Tax Act, 1961, in respect of return of income filed by the said subsidiary company for Assessment Years 2009-10, 2010-11, 2011-12, 2012-13, 2013-14 and 2014-15 wherein the A.O. has made certain additions to the total returned income on various accounts including disallowance of certain costs and revenue sharing as per the Collaboration Agreement with the Holding Company. The total amount of additions pursuant to aforementioned reasons for the said Assessment Years aggregated to Rs. 7,563.08 million (31 March 2019: Rs. 7,563.08 million) and accordingly a demand of Rs. 3,352.36 million (including interest) had been raised by the income tax department. The subsidiary company had filed an appeal with the CIT (Appeals) against Assessment Orders for the Assessment Years 2009-10, 2010-11, 2011-12, 2012-13, 2013-14 and 2014-15 and has received partially favorable orders whereby the additions were reduced to Rs. 1,035.98 million and consequential tax liability was reduced to Rs. 540.26 million. The subsidiary company has filed an appeal before the Income Tax Appellate Tribunal and has got the partial favorable order whereby the relief has been granted to Rs. 253.98 million and remanded back the balance disallowance of Rs 782.00 million to Assessing Officer for verification for which tax has already been paid and charged off in the books of accounts.

In respect of above matter, an amount of Rs. 468.35 million which has been paid under protest, has been shown as recoverable in the financial statements.

- (ix) Claims sought by customers, not accepted by the Group are Rs. 334.78 million (31 March 2019: Rs. 391.02 million).
- (x) There are various claims against the Group, by vendors/contractors aggregating to Rs. 269.07 million (31 March 2019: Rs. 269.07 million), against which the Holding Company is in litigation, against which no material liability is expected.
- (xi) In December 2009, the Holding Company and certain of its directors, employees, an independent real estate broker of the Holding Company and other persons were subjected to search and seizure operations conducted by the Enforcement Directorate under Section 37 of the Foreign Exchange Management Act, 1999, as amended ("FEMA"), read with Section 132 of the Income Tax Act, 1961. During the search at the Holding Company's offices, the Enforcement Directorate took custody of certain documents and recorded the statements of certain directors/officers of the Holding Company. Subsequently, the

Enforcement Directorate had also sought further information/documents and explanations from time to time, which were duly furnished by the Holding Company.

Pursuant to the aforementioned search and seizure operations, a complaint was filed by the Assistant Director, Enforcement Directorate under Section 16(3) of FEMA on 17 May 2013, and subsequently the Enforcement Directorate, on 4 June 2013, issued Show Cause Notices ("SCN") under FEMA to the Holding Company, some its directors and its four subsidiaries namely Accession Buildwell Private Limited, Emaar MGF Construction Private Limited, Shrestha Conbuild Private Limited and Smridhi Technobuild Private Limited. The SCN alleges contravention of the provisions of Section 6(3) (b) of FEMA read with provisions relating to receipt of Foreign Direct Investment ("FDI") in Construction Development Projects and the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000, by the Holding Company and the said subsidiaries, by utilizing the FDI aggregating to approximately Rs. 86,000.00 million (including Rs. 75,645.80 million in respect of the Holding Company) in purchase of land, including agricultural land. The Enforcement Directorate has also initiated Adjudication Proceedings in the said matter.

On 8 January 2014, the Group and its subsidiaries have filed its replies to the SCN with the Enforcement Directorate and have also challenged initiation of Adjudication Proceedings against the Holding Company and its subsidiaries. The Holding Company, basis available legal opinions and clarifications obtained from the Reserve Bank of India and Department of Industrial Policy and Promotion (Government of India), believes that the purchase of land, including agricultural land, for the conduct of its business of construction and development is in compliance of applicable provisions of law, including the FEMA and FDI.

Further, on 8 April 2014, the Adjudicating Authority directed the Enforcement Directorate to provide certain documents to the Holding Company. The Enforcement Directorate vide its letter dated 22 July 2015 had asked the Holding Company to take the documents from the office of the relevant Enforcement Directorate department and the Holding Company had vide its letter dated 6 August 2015 requested the relevant department to provide the requisite documents, which the Holding Company is yet to receive. While the last hearing before the Adjudicating Authority was fixed for 1 March 2019, no proceedings took place on the said date and no further hearing date has been fixed. Further, no formal demand has been received by the Holding Company till date.

(xii) One of the subsidiary company, EMCPL, had executed a Project Development Agreement dated 14 September 2007 (PDA) with Delhi Development Authority (DDA) for the development and construction of the Commonwealth Games (CWG) Village on a PPP model. As per the PDA, project completion date was 01 April 2010. Execution of the project was as per the timelines and EMCPL had filed for award of completion certificate with DDA on 29 March 2010.

In earlier years, DDA had acknowledged the project completion by issuing occupancy certificate in the month of September 2010 and the CWG Village was occupied and used by the athletes and the officials during the Commonwealth Games 2010. Subsequently, DDA invoked the performance Bank Guarantee (BG) of Rs. 1,830.00 million on account of Liquidated Damages (LD) and other claims alleging that EMCPL had not been able to achieve the time lines as per the terms of PDA. EMCPL contested the invocation of the BG with the Division Bench of High Court pursuant to which DDA was allowed to take Rs. 900 million and the balance Rs. 930.00 million was deposited with the Court. Further, the High Court disposed of the said appeal by forming an Arbitral Tribunal and referred all disputes to the Arbitral Tribunal. Arbitral Tribunal directed both the parties to file their respective claims. Pursuant to this, EMCPL filed statement of facts along with claims amounting to Rs. 14,182.38 million (31 March 2019: Rs. 14,182.38 million). DDA filed their reply to EMCPL's statement of facts and claims and also filed their counter claims amounting to Rs. 14,460.44 million (31 March 2019: Rs 14,460.44 million) including LD. The above matter is pending before the Arbitral Tribunal.

Management believes that EMCPL has met the requirements as per PDA and the LD imposed/BG invoked and other claims raised by DDA are not justifiable. Accordingly pending settlement of the above disputes and based on legal opinion, the amount of BG encashed/deposited with the High Court

(Amount in Rupees million, unless otherwise stated)

aggregating to Rs. 1,830.00 million (31 March 2019: Rs. 1,830.00 million) is shown as recoverable under loans and advances in the financial statements and no provision for LD and other claims by DDA has been made in the books of account.

Also, during an earlier year, DDA issued sealing orders in respect of certain flats in the CWG Village alleging extra usage of Floor Area Ratio (FAR) by EMCPL. EMCPL challenged the sealing orders before the Appellate Tribunal of Municipal Corporation of Delhi and the Tribunal in its judgment dated 14 May 2012 admitted EMCPL's appeal. DDA (partner of the project) has filed its submission before the Commissioner Planning stating that the construction needs to be regularized. The issue is pending before the Commissioner Planning. As per orders of the Court, EMCPL has been restrained from creating any third party interest on unsold 28 flats of its share till the issue of excess FAR is decided. The completion certificate of these 28 flats along with certain flats belonging to DDA has been suspended till the issue of excess FAR is finally decided. Management believes that actual FAR utilized is well within the Delhi Master Plan - 2021 and the Building Bye laws and the completion certificates would be issued in due course of time and the order refraining EMCPL from creating third party interest on the unsold inventory of 28 flats having a book value of Rs. 489.73 million (31 March 2019 – Rs. 566.57 million) would be vacated.

Also, EMCPL had appointed Ahluwalia Contracts (India) Limited, (Contractor) for the construction of the Commonwealth Games Village (CWGV).

During earlier years, the Contractor had filed certain claims which were not accepted by the EMCPL. Consequently, the Contractor invoked the arbitration under clause 49 of the Contract and during the course of arbitration filed claims amounting to Rs. 4,200.19 million (31 March 2019 - Rs. 4,200.19 million) relating to the works supposed to have been carried out but not accepted by EMCPL. EMCPL also filed counter claims amounting to Rs. 11,702.55 million (31 March 2019 - Rs. 11,702.55 million) against the Contractor for deficient and defective works, adjustments in billing and payments in line with the Contract and also a back to back claim on account of the invocation of the Bank Guarantee as stated in above.

EMCPL believes that the Contractor has defaulted as per the Contract and claims raised by them are not in accordance with the terms of the contract. Accordingly EMCPL is hopeful of a favourable decision from the arbitration panel. However, pending completion of such proceedings, EMCPL has neither accounted for the claims raised by it nor provided for the Contractor's claims in the books of account.

The auditors have expressed an emphasis of matter on the same.

The Holding Company, vide a Development Agreement dated 3 November 2006 (subsequently amended (xiii)by the agreement dated 25 July 2007) entered into with Emaar Hills Township Private Limited ("EHTPL"), had undertaken the development of land in Hyderabad, which was sold to EHTPL by Andhra Pradesh Industrial Infrastructure Corporation through a duly registered Conveyance Deed dated 28 December 2005. The Holding Company also, vide Assignment Deed dated 3 November 2006 entered into with Boulder Hills Leisure Private Limited ("BHLPL"), had undertaken the development and operation of a 'Golf Course' in Hyderabad. The Holding Company, EHTPL and BHLPL have been subjected to litigations relating to the allegations of irregularities in allotment of project land, notice for termination of project, notice for termination of development agreement by one of the shareholders of the development partner, stoppage of registration of properties in the project, etc. Further, in one of the matters mentioned herein, Central Bureau of Investigation has filed charge sheets against various persons, including the Holding Company, its former Managing Director and certain officers of the Holding Company. Under the said matter, the Holding Company has also received an attachment order of its certain properties from Directorate of Enforcement. The Holding Company has assets and liabilities of Rs. 4,100.68 million (31 March 2019 - Rs. 4,087.25 million) and Rs. 3,145.19 million (31 March 2019 - Rs. 3,323.45 million) respectively. The matters mentioned herein are pending with judicial authorities at various levels. Based on the legal advices received and internal assessments, the management believes that the allegations/matters raised above are untenable and contrary to the factual position. The auditors have expressed an emphasis of matter on the same.

- (xiv) During an earlier year, one of the subsidiary company, Emaar MGF Construction Private Limited herein referred to as "EMCPL", had received a show cause notice claiming Rs. 205.81 million for labour cess in relation to the Commonwealth Games Village Project. The said show cause notice was issued after the conclusion of labour cess assessment where labour cess was assessed as Rs. 102.00 million and duly paid by the EMCPL. Thus the show cause sought to charge a further cess of Rs. 103.81 million. EMCPL has filed a writ petition in Delhi High Court challenging validity of the show-cause notice after the assessment has been concluded. The show cause notice has been stayed by the Delhi High Court.
- (xv) One of the subsidiary company, Active Securities Limited, is under litigation for assessment year 2010-11 and assessment year 2012-13 which is pending at Income Tax Appellate Tribunal (TTAT') as the Assessing Officer computed income tax under the head "Income from House Property" rather than "Profits and gains under business and profession". The assessing officer has raised additional demand of Rs 8.10 million and Rs. 12.40 million respectively for assessment year 2010-11 and assessment year 2012-13

Further, the appeal made by the subsidiary company is pending at Commissioner of Income Tax (Appeals) for assessment year 2013-14 and assessment year 2014-15 for which the assessing officer has raised additional demand of Rs.13.68 million and Rs. 13.01 million respectively for assessment year 2013-14 and assessment year 2014-15. The management is hopeful of a favorable outcome for these pending appeals.

Regarding the liabilities stated in note 37 (b) above, the Group believes that the matters are possible but not probable, that outflow of economic resources are required, and hence no provision has been made in these consolidated financial statements.

## c) Other litigations

- (i.) On 19 November 2019, Emaar Holding II, shareholder and promoter of the Holding Company, filed a petition under Section 241 of the Companies Act, 2013, before the Hon'ble National Company Law Tribunal ('NCLT'), New Delhi, seeking relief against MGF Developments Limited, Mr. Shravan Gupta, Ms. Shilpa Gupta and its connected entities (MGF Group). Emaar Holding II has, inter-alia, prayed to direct MGF Group to compensate the Holding Company and Emaar Holding II to the extent of loss caused due to their certain acts and transactions along with interest, from the date of respective loss. MGF Group had also filed its reply and thereafter both parties have filed rejoinders. The Holding Company has also filed criminal complaints against MGF and its associates, in respect of certain matters referred to in Section 241 petition filed by Emaar Holding II. As the matters are in initial stage or currently sub-judice, any impact of the same on the consolidated financial statements is not ascertainable at this stage. The auditors have expressed qualification on the same.
- The National Company Law Tribunal (NCLT) vide its order dated 16 July 2018 had approved the (ii.)scheme of arrangement (Demerger) between the Holding Company and MGF Developments Limited (MGF) and the same was filed with the Registrar of Companies on 31 July 2018. The said Scheme is effective from the appointed date of 30 September 2015. On 3 June 2019, MGF had filed an application before the NCLT under Section 231 of the Companies Act, 2013 for enforcement of the Scheme. NCLT vide its order dated 19 November 2019, directed the Holding Company and MGF to mediate the matter before former Supreme Court Judge, Justice D.K. Jain ("Mediator"), and for the Mediator to suggest ways and means for implementation of Scheme by the parties. Pursuant to such appointment of Mediator, the NCLT disposed-off the said Section 231 application filed by MGF. During the mediation process, the Holding Company informed the Mediator that MGF has invoked arbitration proceedings raising various disputes under demerger arrangement before the International Court of Arbitration, International Chamber of Commerce (ICC'), London, as referred in Note No. (iii) below. The Holding Company further informed the Mediator that there will be an overlap of arbitration proceedings and the mediation process, hence, the mediation proceedings be terminated. In view of the same, the Mediator vide its order dated 27 January 2020 closed the mediation proceedings, with liberty to the parties to revive the same, as and when considered necessary. Thereafter, MGF again filed an application under section

231 of the Companies Act, 2013 for implementation of the Scheme and the matter is currently sub-judice before NCLT.

(iii.) The Holding Company, its ultimate holding company (Emaar Properties PJSC), MGF Developments Limited (MGF) and other parties had entered into certain indemnity agreement(s), which entitled the Holding Company to raise indemnity claims on MGF, Mr. Shravan Gupta and their group companies in respect of certain expenses/losses incurred by the Holding Company. As per the terms of indemnity agreement(s), if MGF does not settle such indemnity claims within ten days from the date of receipt, the Holding Company or its land owning subsidiaries may unilaterally settled such claims by, inter-alia, terminating the development rights of certain land parcel(s) which were earlier transferred to MGF pursuant to the Demerger order dated 16 July 2018. Pursuant to the above, the Holding Company had raised various claims, which MGF had failed to settle. In view of the same, on 17 September 2019, the Holding Company and its land owning subsidiaries has enforced some of such indemnity claims during the current period, by way of cancellation of development rights over certain land parcel(s). The fair value of such land parcels is Rs. 2,250.00 million. In terms of the indemnity agreements, the development rights of such land parcel(s) vest with the Holding Company. Accordingly, the Holding Company has recognised inventory of Rs. 2,250.00 million and claim income of Rs. 2,020.44 million.

Against such termination, on 02 November 2019, MGF had filed two petitions, under Section 9 of the Arbitration and Conciliation Act, 1996 before the Hon'ble Punjab and Haryana High Court (the 'High Court'). The High Court through its orders dated 28 November 2019 had directed that the parties shall not create third party rights on such land parcels over which the development rights were terminated by the subsidiaries of the Holding Company and to maintain the corpus subject-matter of dispute in statusquo. The High Court further directed MGF to invoke the arbitration clause under the indemnity agreements and initiate the International Arbitration process. The Request for Arbitration, International Chamber of Commerce (TCC'), London. The RFA, inter-alia, requested for resolution of disputes by arbitration over various matters pertaining to demerger arrangement between the parties, including the said indemnity agreements. The Arbitral Tribunal has been constituted with the Holding Company and MGF each nominating their arbitrators and both these arbitrators have appointed a third arbitrator who is acting as president for such arbitration proceedings seated in London. The matter is currently subjudice.

Subsequent to the close of financial year, on 7 April 2020, the Holding Company had further asked MGF to settle certain additional indemnity claims. However, on 21 April 2020, MGF had filed an Application for Temporary Restraining Order & Interim Measures ("TRO") before the Arbitral Tribunal against the Holding Company's unilateral settlement such further indemnity claims. After hearing both the parties, vide its order dated 15 May 2020, the Arbitral Tribunal has dismissed MGFs TRO application and ordered that the Holding Company should be free to exercise their contractual rights to enforce the security provided by MGF, by way of termination of development rights over certain land parcels, on the basis that damages will be an adequate remedy if the Holding Company does so in breach of agreements. The Arbitral Tribunal further confirmed that, not only the Holding Company may unilaterally settle indemnity claims raised vide its letter dated 7 April 2020, but the Holding Company could also settle its claims of 17 September 2019, as it did against certain assets, and that there should be no restraint on alienation of the development rights in those assets. Accordingly, the order of the Punjab & Haryana High Court dated 28 November 2019 was superseded and discharged by Arbitral Tribunal Order.

Pursuant to the said Order of the Arbitral Tribunal dated 15 May 2020, the Holding Company and its land owning subsidiaries have enforced the additional indemnity claims of 7 April 2020, by way of termination of development rights over certain land parcel(s), having a value of Rs. 1,375.00 million and development rights of such land parcel(s) now vest with the Holding Company.

(iv.) The Hon'ble Supreme Court had, vide its judgment dated 9 August 2019 disposed of the bunch of writ petitions and has upheld the constitutional validity of provisions inserted by the Insolvency and Bankruptcy Code (Second Amendment) Act, 2018 ("Code"). As a result, the homebuyers continued to be considered as financial creditor for the purposes of the said Code. However, pursuant to the Insolvency

(Amount in Rupees million, unless otherwise stated)

and Bankruptcy Code (Amendment) Ordinance, 2019 promulgated on 28 December 2019, the said Code was amended to provide minimum thresholds in case of real estate projects, that if an allottee wants to initiate the insolvency process, the application should be filed jointly by at least 100 allottees of the same real estate project, or 10% of the total allottees under that project, whichever is less. After promulgation of the Ordinance, a number of homebuyers had approached the Hon'ble Supreme Court by filing writ petitions challenging the said provisions of Ordinance to be ultra vires the Constitution of India and in violation of Articles 14 and 21 (Fundamental Rights). The Supreme Court has recently issued notice to the Government in the matter and have stayed the proceedings before NCLT in the matters wherein amendment of petition as per Ordinance is required. The matter is currently sub-judice. Based on the developments and legal advice received, management is confident that no material liability will devolve in respect of Holding Company matters pending before NCLT.

- (v.) Loans and advances include amounts paid to certain parties by the Group, for acquiring land/land development rights for development of real estate projects, either on collaboration basis or self-development basis. Of these, with respect to advances of Rs. 2,169.26 million (31 March 2019: Rs. 2,169.51 million) for land or development rights associated with the land, the matters are currently under litigation for which necessary legal proceedings are on.
- 38. As at 31 March 2020, various land parcels held by the various components of the Group have been notified by the various State Governments to be acquired by the development authority under compulsory acquisition. In some cases, the Group has filed applications with the relevant authorities against such acquisition notifications of the State Government while in some other cases; the award is not yet received. Pending final order/settlement or announcement of such award, no accounting there against has been considered in these consolidated financial statements. Management believes that the expected award value would be greater than the book value of such land parcels.
- **39.** The Group has not made any provision as at 31 March 2020, for Minimum Guaranteed/Enhanced Minimum Guaranteed/Fixed/Enhanced Fixed Return as per the terms of its agreement dated 9 July 2008 entered with Emaar Properties PJSC, Dubai ('EPJSC'), pursuant to which EPJSC has invested Rs. 4,253.55 million (previous year Rs. 4,253.55 million) in certain subsidiary companies, since, as per a legal opinion obtained during an earlier year, it is not liable to pay such returns in terms of the provisions of the applicable laws in India.

# 43. Employee benefit plans

#### Defined contribution plans

The Group contributed a total of Rs. 46.61 million for the year ended 31 March 2020 and Rs. 44.39 million for the year ended 31 March 2019 to the defined contribution plan described below.

# Central provident fund

In accordance with The Employees Provident Funds Act, 1952 employees are entitled to receive benefits under the provident fund. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (12% for fiscal year 2020 and 2019) of an employee's basic salary. All employees have an option to make additional voluntary contributions. These contributions are made to the fund administered and managed by the Government of India (GOI). The Group has no further obligations under the fund managed by the GOI beyond its monthly contributions which are charged to the statement of profit and loss in the period they are incurred.

## Defined benefit plans

## Gratuity:

The Group has a defined benefit gratuity plan for its employees. Under the plan, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. The scheme is funded with an insurance Group in the form of qualifying insurance policy.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

Sensitivities due to mortality and withdrawals are insignificant and hence ignored. Sensitivities as to rate of inflation, rate of increase of pensions in payments, rate of increase of pensions before retirement & life expectancy are not applicable being a lump sum benefit on retirement.

## Risk analysis

Group is exposed to a number of risks in the defined benefit plan. Most significant risks pertaining to defined benefits plan, and management's estimation of the impact of these risks are as follows:

## Interest risk

A decrease in the interest rate on plan assets will increase the plan liability.

## Longevity risk/ life expectancy

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability.

## Salary growth risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

# Investment risk

The Gratuity plan is funded with Life Insurance Corporation of India (LIC). Group does not have any liberty to manage the fund provided to LIC. The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to Government of India bonds. If the return on plan asset is below this rate, it will create a plan deficit.

## Note:

- a. Investments in equity shares of subsidiaries and joint ventures which are measured at cost are not covered under Ind AS 107 and hence not been included above.
- b. The management assessed that fair value of financial assets such as cash and cash equivalent, other bank balances, trade receivables, loans and advances, etc. and all the financial liabilities excluding non-current borrowings, lease liabilities and non-current interest accrued significantly approximate their carrying amounts due to their short-term maturity profiles.
- c. The Group determines fair values of financial assets or liabilities by discounting the contractual cash inflows/outflows using prevailing interest rates of instruments with similar terms. The initial measurement of financial assets and financial liabilities is at fair value. The fair value of investments in mutual funds is determined using quoted net assets value of the funds at each reporting date.
- d. All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:
  - Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities
  - Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
  - Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable
- e. The following methods and assumptions were used to estimate the fair values:
- (i) Fair value of quoted mutual funds is based on the quoted net asset value as at the reporting date, a level 1 technique.
- (ii) The fair value of unquoted instruments and other financial assets and liabilities is estimated either by reference to the net assets value as at the reporting date or by discounting future cash flows using rates using rates currently applicable for debt on similar terms, credit risk and remaining maturities, a level 3 technique.

# 45. Financial risk management objectives and policies

The Group's businesses are subject to several risks and uncertainties including financial risks.

The Group's principal financial liabilities comprise of borrowings, trade and other payables, security deposits and employee liabilities. The main purpose of the Group's financial liabilities is to finance the acquisition and development of the Group's property portfolio. The Group's principal financial assets include loans and advances, trade and other receivables, and cash and short-term deposits that derive directly from its operations. The Group also holds short term investments in mutual funds.

The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management is guided by a Risk Management Compliance Policy that describes the key financial risks and the appropriate financial risk governance framework for the Group. Regular review of the policy by the Group's senior management ensures that the policies and procedures are in line and that financial risks are identified, measured and managed. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

## Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk, price risk and currency

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

risk. Financial instruments affected by market risk include trade receivables, unbilled receivables, borrowings, bank deposits and investments measured at fair value through profit and loss account. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimising the return for the group.

#### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of change in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long and short term debt obligations with floating interest rate.

During the past two financial years, the group has not experienced significant increase (i.e. more than 200 basis points) in floating interest rates and therefore any formal interest rate swaps and derivatives for the floating interest rate borrowings. The Group's treasury department manages the interest rate risk by regularly monitoring the requirement to hedge any of its floating interest rate debts.

At 31 March 2020, approximately 47.71% of the Group's borrowing are at fixed rate of interest (31 March 2019: 37.49%).

The maximum exposure in relation to Group's floating rate borrowings is Rs. 32,402.85 million as at 31 March 2020 (31 March 2019: Rs. 35,619.36 million).

The below mentioned table demonstrates the sensitivity to a reasonably possible changes in interest rates, with all variables held constant, of the Group's profit before tax (through the impact on floating rate borrowings).

| Particulars                       | Effect on profit before tax |               |
|-----------------------------------|-----------------------------|---------------|
|                                   | 31 March 2020               | 31 March 2019 |
| Increase/decrease in basis points |                             |               |
| +50                               | 161.86                      | 154.54        |
| -50                               | (161.86)                    | (154.54)      |

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment.

### Price risk

The Group's exposure to price risk arises from investments held and classified in the balance sheet either as fair value through other comprehensive income or at fair value through profit or loss. To manage the price risk arising from investments in such securities, the Group diversifies its portfolio of assets.

Sensitivity – Profit or loss and equity is sensitive to higher/lower prices of instruments on the Group's profit/(loss) for the years -

| Particulars                   | 31 March 2020 | 31 March 2019 |
|-------------------------------|---------------|---------------|
| Price sensitivity             |               |               |
| Price increase by (2%)- FVTPL | 4.06          | 14.02         |
| Price decrease by (2%)- FVTPL | (4.06)        | (14.02)       |

## Foreign currency risk

Fluctuations in foreign currency exchange rates may have an impact on the consolidated statement of profit and loss, the consolidated statement of change in equity, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the respective consolidated entities. Considering the economic environment in which the Group operates, its operations are subject to risks arising from the fluctuations primarily in the AED and USD against the functional currencies of Emaar MGF Land Limited and its subsidiaries detailed out as under:

The increase/ (decrease) in foreign currency exchange rates are not expected to have any significant impact in these financial statements.

#### Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables and advances given under collaboration agreement for land development).

## Concentration of credit risk

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Group's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Group's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

The carrying value of the financial assets represents the maximum credit exposure. The Group's maximum credit exposure to credit risk is Rs. 6,996.70 million as at 31 March 2020 (31 March 2019: Rs. 7,002.98 million). For the details of trade receivables that are past due as at 31 March 2020 and 31 March 2019 please refer note no. 6B, 7, 12, 13, 14 and 15.

Regarding trade receivables, loans and other financial assets (both current and non-current), there were no indications as at 31 March 2020, that defaults in payment obligations will occur except as described in note 13 on allowance for provision/impairment in respective categories. The receivables/assets where the provision/impairment has been done are assessed to be carrying high credit risk.

## Trade receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the Group's customer base, including the default risk of the industry and country, in which customers operate, has less influence on credit risk. The Group earns its revenue form a large number of customer spread across a single geographical segment. Geographically, the entire group's trade receivables are based in India.

The Group has entered into contracts for sale of residential and commercial units and plots of land on installment basis. The installments are specified in the contracts. The Group is exposed to credit risk in respect of installment due. However the legal ownership of residential, commercial units and plots of land is transferred to the buyer only after all installments are recovered. In addition, installment dues are monitored on an ongoing basis with the result that Group exposure to bad debts is not significant.

An impairment analysis is performed at each reporting date that represents its estimate of incurred losses in respect of trade and other receivables. The main components of this allowance are a specific loss component

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

that relates to individually significant exposures and a collective loss component established for Group's of similar assets in respect of losses that have been incurred but not yet identified. The collective loss allowance is determined based on historical data of payment statistics for similar financial assets. The maximum exposure to credit risk at reporting date is the carrying value of each class of financial assets disclosed in Note 13. The Group does not hold collateral as security.

Credit risk on receivables is limited as all sales are secured against Group's contractual right of forfeiture of customer's advances and cancellation of contract under which property is sold. Moreover, given the nature of the Group's businesses, trade receivables are spread over a number of customers with no significant concentration of credit risk. No single customer accounted for 10.0% or more of revenue on a consolidated basis in any of the years presented. The history of trade receivables shows a negligible provision/impairment. Therefore, the Group does not expect any material risk on account of non-performance by any of the Group's counterparties.

## Loans, other bank balances and other financial assets

Loans and other financial assets measured at amortized cost includes long-term bank deposits, security deposits and other receivables. Credit risk related to these financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system are in place ensure the amounts are within defined limits. Credit risk is considered low because the Group is in possession of the underlying asset (in case of security deposit) or as per trade experience. Further, the Group creates provision by assessing individual financial asset for expectation of any credit loss basis 12 month expected credit loss model.

# Liquidity risk

Liquidity risk is the risk the Group will not be able to meet its financial obligation as they fall due. The Group monitors its risk of a shortage of funds using a liquidity plan approved by the board of directors. The Group's strategy is to invest in highly liquid investments which can be encashed on demand. This plan considers the maturity of financial assets (e.g. trade receivables and other financial assets), business requirements and projected cash flow from operations and accordingly decisions regarding purchase and sale of highly liquid funds are made by the centralised treasury team.

The cash flows, funding requirements and liquidity of Group are monitored on a centralised basis under the control of Group Treasury. The objective of this centralised system is to optimise the efficiency and effectiveness of the management of the Group's capital resources. The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans, debentures and finance leases. Approximately 23.76% of the Group's debt will mature in less than one year at 31 March 2020 (31 March 2019: 64.45%) based on the carrying value of borrowings reflected in the financial statements. The Group assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Group has access to a sufficient variety of sources of funding and debt maturing within 12 months can be rolled over with existing lenders.

The Group remains committed to maintaining a healthy liquidity, gearing ratio, deleveraging and strengthening our balance sheet. The maturity profile of the Group's financial liabilities based on the remaining period from the date of balance sheet to the contractual maturity date is given in the table below. The figures reflect the contractual undiscounted cash obligation of the Group.

The table below summaries the maturity profile of the Group's financial liabilities based on contractual undiscounted payments.

# 46. Capital management

Net debts comprises of non-current and current debts (including trade payables and other financial liabilities) as reduced by cash and cash equivalents, other bank balances and current investments. Equity comprises all components of equity including other comprehensive income but excluding non-controlling interest.

The objective of the Group's capital management structure is to ensure that there remains sufficient liquidity within the Group to carry out committed work programme requirements. The Group monitors the long term cash flow requirements of the business in order to assess the requirement for changes to the capital structure to meet that objective and to maintain flexibility. The Group also ensures that it remains within the quantitative debt covenants and maintains a strong credit rating. Breaches in meeting the financial covenants would permit the debt issuers to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest bearing loans and borrowings in the current year.

The Group manages its capital structure and makes adjustments to it, in light of changes to economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital, issue new shares for cash, repay debt, put in place new debt facilities or undertake other such restructuring activities as appropriate. No changes were made in the objectives, policies or processes during the year ended 31 March 2020.

There is Rs. 4,339.58 million of undrawn borrowing available at 31 March 2020 (31 March 2019 – Rs. 2,316.41 million).

## 49. Disposed off group pursuant to demerger order

- (a) During the year ended 31 March 2019, the National Company Law Tribunal (NCLT) vide its order dated 16 July 2018 approved the arrangement as embodied in the Scheme of arrangement between the Holding Company, MGF Developments Limited (the resulting company) and their respective shareholders and creditors ("Scheme") and the same has been filed with the Registrar of Companies on 31 July 2018. The Scheme is effective from the appointed date of 30 September 2015 ("the appointed date). Accordingly, all the assets, rights, powers, liabilities and duties of the demerged undertaking were demerged from the Holding Company from the appointed date.
- (b) Pursuant to the Scheme, the Holding Company de-recognised the assets and liabilities of the demerged undertaking at the respective book values as appearing in the books at the close of the day immediately preceding the appointed date. The details of assets and liabilities demerged are as follows:

| As on 30 September 2015       | Rs. in million |
|-------------------------------|----------------|
| Tangible assets               | 4,159.06       |
| Capital work-in-progress      | 976.60         |
| Non-current investments       | 1,124.15       |
| Long-term loans and advances  | 229.92         |

| Net assets (A-B)              | 25,418.90      |

- d) The excess of assets over liabilities as on 30 September 2015 has been adjusted in the following manner:
  - (i) Capital reserve- Rs. 2,892.78 million
  - (ii) Capital redemption reserve- Rs. 8,610.25 million
  - (iii) Securities premium account- Rs. 5,701.81 million
  - (iv) Amount of capital reduced- Rs. 8,213.58 million

<sup>\*</sup> Movement on account of bank overdraft has been considered as part of cash and cash equivalents in the consolidated cash flow statement and not as a part of net cash flows from financing activities as per Ind AS – 7 Cash Flows.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

(Amount in Rupees million, unless otherwise stated)

e) The accounting treatment as prescribed in Scheme is not in-line with Appendix A to Indian Accounting Standards (Ind AS) 10 according to which the Holding Company should have de-recognised the assets and liabilities of the demerged undertaking at the respective fair values on the day it is approved by relevant authority i.e. NCLT. But pursuant to the clarifications released by Ind AS Transition Facilitation Group (ITFG) the accounting treatment required under an order of a court or tribunal (or other similar authority) overrides the accounting treatment that would otherwise be required to be followed in respect of the transaction and it is mandatory for the Holding Company concerned to follow the treatment as per the order of the court/tribunal. Considering the facts as stated above, the Holding Company has accounted this transaction in accordance with scheme approved by NCLT.

## F. Impact on transition:

1) Effective 01 April 2019, the Group adopted Ind AS – 116 'Leases' applied to all contracts having lease components existing on 01 April 2019 using the modified retrospective method. Accordingly, the Group has not restated comparative information. The Group has measured the lease liabilities at present value of remaining lease payments discounted using the incremental borrowing rate at the date of initial application. Further, right of use assets is measured from the date of transaction, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the balance sheet

immediately before the date of initial application. On date of initial application, the adoption of new standard resulted in recognition of right of use asset of Rs. 154.47 million and a lease liabilities of Rs. 168.77 million and difference has been recognised in retained earnings on the date of transition. The effect of this adoption is insignificant on the loss for the year and earnings per share.

- 2) For contracts in place as at 1 April 2019, the Group has elected to apply the definition of a lease from Ind AS 17 and has not applied Ind AS 116 to arrangements that were previously not identified as lease under Ind AS 17.
- 3) The Group has elected not to include initial direct costs in the measurement of the right-of-use asset for operating leases in existence at the date of initial application of Ind AS 116, being 1 April 2019.
- 4) Instead of performing an impairment review on the right-of-use assets at the date of initial application, the Group has relied on its historic assessment as to whether leases were onerous immediately before the date of initial application of Ind AS 116.
- 5) The Group has benefited from the use of hindsight for determining the lease term when considering options to extend and terminate leases.
- 6) On transition to Ind AS 116 the weighted average incremental borrowing rate applied to lease liabilities recognised was 10.00%.
- 7) The following is a reconciliation of total operating lease commitments at 31 March 2019 (as disclosed in the financial statements for the year ended 31 March 2019) to the lease liabilities recognised at 1 April 2019:

| Particulars   | Amount  |  |
|---|---------|--|
| Total operating lease commitments disclosed as at 31 March 2019     | 227.47  |  |
| Other adjustments relating to lease commitment disclosures          | -       |  |
| Lease liabilities before discounting                                | 227.47  |  |
| Discounting impact (using incremental borrowing rate)               | (58.70) |  |
| Total lease liabilities recognised under Ind AS 116 at 1 April 2019 | 168.77  |  |

- 55. As at 31 March 2020, the Group has borrowings of Rs. 6,939.24 million which are due for repayment in the next one year. As per the present business plans, the Group will be able to meet its financial obligations in the next one year. As at 31 March 2020, the Group's net worth has been completely eroded. The management also has considered the fact that the Group has significant asset base, including land inventories or land development rights, which can yield values in excess of their book values on development and can hence be used for raising additional capital, if and when required. Further, Emaar Properties PJSC, the Ultimate Holding Company has agreed that it shall continue to provide support to the Group in arranging for funds to enable the Group to meet its operational and project requirements. Hence, these consolidated financial statements have been prepared on a going concern basis.
- **56.** During the year ended 31 March 2020, the Holding Company has allotted 39,062,500 number of equity shares to "The Address Dubai Marina, Dubai" pursuant to early conversion of compulsorily convertible debentures.
- 57. Further, subsequent to the year-end, the Board of Directors of the Holding Company had approved Right Issue of 130,324,485 equity shares of Rs. 10 each at a premium of Rs. 1 per share, for an amount aggregating to Rs. 1,433,569,335 to the existing equity shareholders of the Holding Company, in the proportion of 1 (One) equity share for every 1 (One) equity share held by them. Pursuant to the same, the Holding Company

has allotted 39,062,500 equity shares of Rs. 10 per share at a premium of Rs. 1 per share for an amount aggregating to Rs. 429,687,500.

- 58. The Holding Company has made an internal assessment of the possible utilization of the goods and services tax ('GST') input tax credit lying in its books of accounts as at 31 March 2020 and based on the said assessment, the Holding Company may not be able to fully utilise its GST input tax credit. Hence, as an abundant caution, the Holding Company has recorded a provision of Rs. 526.52 million in its books of accounts.
- 59. Subsequent to the year-end, National Anti-Profiteering Authority ('NAA') passed orders alleging that the Holding Company had undertaken profiteering activities on two projects, namely, Emerald Estate and Emerald Hills amounting to Rs. 133.57 million and Rs. 192.30 million respectively and therefore is liable to pass on such amount to its flat buyers together with interest thereon. The matter was contested on multiple grounds before the NAA including but not limited to, inconsistencies in calculation of profiteering by Director General of Anti-profiteering ('DGAP'), non-consideration of actual benefit passed on to customers etc. but was rejected by NAA. The Holding Company has already passed benefit of Rs. 75.11 million and Rs 110.42 million to various flats buyers in Emerald Estate and Emerald Hills respectively, however the fact was rejected by NAA while passing the above orders. Further, NAA has directed the DGAP to investigate the issue of passing on the benefit of additional input tax credit in respect of 24 other projects of the Holding Company. The Holding Company is in the process of filing a writ petition against this said order before the Hon'ble High Court and is hopeful of a favorable outcome based on the legal advice.
- 60. On June 24, 2020, the Holding Company's offices in New Delhi and Gurgaon were subjected to search and seizure operations conducted by the Enforcement Directorate under Section 17 in the Prevention of Money Laundering Act, 2002. During the search, the Enforcement Directorate took custody of certain documents/records of the Holding Company and some of its subsidiaries. While Enforcement Directorate searched the offices of the Holding Company, we understand that the authorization to Enforcement Directorate to search was issued in the name of "Shravan Gupta, Emaar MGF Business Park, Mehrauli-Gurgaon Road, Sikanderpur Chowk, Sector 28, Gurgaon". Accordingly, the search was directed towards the former Managing Director of the Holding Company (Mr. Shravan Gupta, who is no longer associated with the management or Board of the Holding Company). As these proceedings are believed to be directed against the former managing director of the Holding Company and no notices, charges or accusations were issued, or expected to be issued, against the Holding Company, its directors or officers, the Holding Company does not consider this matter to be material.
- 61. The outbreak of 'Covid-19' has severely impacted the businesses and economic activities around the world including India. Governments, both State and Central, have imposed lock down and other emergency restrictions which has led to the disruption of all regular business operations. The Group has made assessment of its liquidity position, including recoverability of assets at balance sheet date. Actual impact of Covid-19 pandemic on the Group's results remains uncertain and same is dependent on further spread of the disease, various steps taken by the Government to mitigate the economic impact and may differ from that estimated as at the date of approval of these consolidated financial statements. The Group is monitoring the situation closely and expected to resume regular business activities in phased manner as per the Government's directives. The auditors have expressed an emphasis of matter on the same.
- **62.** Pursuant to the judgement by the Hon'ble Supreme Court of India dated 28 February 2019, it was held that basic wages, for the purpose of provident fund, to include allowances which are common for all employees. However, there is uncertainty with respect to the applicability of the judgement and period from which the same applies and accordingly, the Group has not provided for any liability on account of this for the periods before 31 March 2019.
