TO BE READ WITH LICENSE No. _____ of 2024 dated _____

1. The plan has been prepared for an area of approximately 1,30,000 sq. m. The area is located in the vicinity of Sector 62, Gurgaon, Haryana. The plan includes the layout of the water supply system, including the main line, branches, and service lines. The plan also includes the location of existing and proposed water treatment plants (TMs) and water storage tanks (WSTs).

2. The plan has been prepared in accordance with the provisions of the Water Supply Act, 1956 and the rules made thereunder. The plan has been approved by the Competent Authority, Gurgaon.

3. The plan is subject to the conditions specified in the license. The licensee shall be responsible for the maintenance and repair of the water supply system.

4. The licensee shall be liable for any damage caused to the property of any person as a result of the water supply system.

5. The licensee shall be liable for the cost of the water supply system.
