cancelled without further notice.

7. This access would be subject to the entry and exit access design as per the approval of GMDA and prepared by renowned consultants in the field of road safety and engineering confirming to IRC Manual. Road safety measures as per applicable rules e.g. IRC etc. shall be followed
8. You should take utmost care in safeguarding the existing utilities such as water supply, sewerage, recycling, drainage, electrical, gas pipeline etc. and any damage caused to utilities at site, the same should be brought to notice of the Nodal Officer of GMDA immediately. In case of any damage to any essential service i.e. water supply, sewerage, drainage, telecommunications, piped natural gas, electricity supply etc., it will be your responsibility to get the services restored to their original or satisfactory condition at your cost within the least possible time otherwise you will be liable to pay the cost of restitution and damages caused to the infrastructure and on business operations of the infrastructure utility owner.
9. This permission can be reconsidered and withdrawn at any stage in case there are any valid objections and violations or concerns raised at any later point in time.
10. In case any violation is detected at any time regarding any of the conditions imposed in this permission then it is subject to be summarily withdrawn
11. That an appropriate entry and exit sign board as approved by the authorized officer of GMDA shall be put up to guide vehicles during the day and should be properly lit to guide them at night as per IRC norms
12. You would be solely responsible for any accident at the worksite including payment of any compensation or legal action. You shall indemnify GMDA for damage caused/likely to be caused/claims or replacements sought for any direct, indirect or consequential damage caused. You shall obtain appropriate insurance against damage to these installation/utilities/facilities
13. All the precautions for traffic management should be taken as per relevant code of IRC. Area should be equipped with caution boards, flags, barricade & manpower and light arrangement at own cost
14. You shall obtain all statutory permissions as may be required including Forest, DHBVN, GAS pipeline, BSNL, or any other Govt. agency before execution of work. Any liability in this regard will be your responsibility solely
15. Temporary access is being granted which will be closed once the adjoining land owners apply for license and construct the service road
16. 12 meter service road as per the IRC/ MoRTH specification in front of the property shall be constructed by the applicant at its cost as per direction of GMDA.
