Dear Sir,

In regard to the above-mentioned subject, we are applying for the Terms of Reference (ToR) for our project of Proposed Residential Plotted Colony in Sector-76 & 77, Gurugram, and Haryana is being developed by M/s DLF Ltd.

We have earlier obtained Environmental Clearance (EC) for Proposed Residential Plotted Colony in Sector-76 & 77, Gurugram, and Haryana for total built-up area of 1,47,578 m² and to develop on 1,10,762.5 m² (27.37 acres), out of Plot area of 4,60,111.387 m² (113.696 Acres) through vide letter no. SEIAA/HR/2014/1357 dated 07/11/2014 which was valid till 06.11.2021. Thus, the validity of EC has expired.

We have also applied for expansion in EC on dated 08.12.2014. But the same proposal was de-listed by SEIAA, Haryana through Memo no. SEIAA/HR/2017/633 dated 14.09.2017.

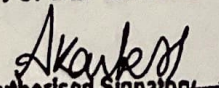

Further, we have not carried out any construction activities till now at the project. Now, we wish to obtain fresh EC with revised planning and accordingly, we are applying for Terms of Reference (ToR) to SEIAA, Haryana under fresh category and as the total built-up area of the Project is more than 1,50,000 m² thus project will fall in 8 (b) category along with the following required documents:

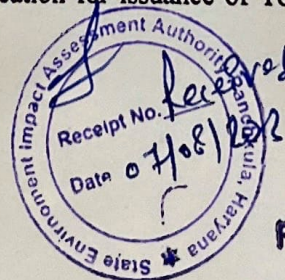

- 1.) Form I, Form- IA & Conceptual Plan
- 2.) Necessary Annexure

Therefore, we request you to kindly process our application for issuance of ToR for our above-mentioned project at the earliest.

Thanking you.
