

Architectural floor plan of a 30-story building. The plan shows a symmetrical layout with a central corridor and two wings. Each floor is labeled with its level (e.g., 1ST FLOOR, 2ND FLOOR, etc.) and the corresponding floor level (e.g., F.F.L.V. +12000 MM, F.F.L.V. +12200 MM). The plan includes room layouts, corridors, and elevations. The building is oriented with the ground floor at the bottom and the roof at the top. The plan is drawn at a scale of 1:500.
