Certificate

It is hereby certified that the plans submitted in Form BR-1 for the building detailed above, are in accordance with the Punjab Scheduled Roads and Control Areas Restriction of Area/lot Development Rules, 1950, as amended from time to time and the approved zoning plan of the plot. The structure has been designed in accordance with the provisions of the National Building Code and the relevant Indian Standard Codes (with latest amendments) including Indian Standards Codes for structures resistant to earthquakes and other natural hazards. The local soil conditions, its load bearing capacity and the underground water table etc. have been factored in wherever envisaged by the party.
