Total field nos. 22, total measuring 93 Kanal 7 Marla i.e. 11.66875 Acres, as more particularly described in the Chapter II of this Report (hereinafter referred to as the "Said Land"). At the request of the said Company, I have conducted a search on the title of the said Land owned by the Company.

(A) General Scope of Work

The scope of the investigation involved the search of the title of the Company over the Said Land by causing searches to be taken including at the offices of concerned Sub-Registrar and Patwari. The search was taken on the basis of number of years, how the said Land was acquired by the respective owners/companies, devolution of title, encumbrances and whether the Company has a clear and marketable title thereto.

(B) Methodology

Based upon the aforementioned scope of work, I have perused various documents and conducted searches at various offices as stated in this Report.

(C) Scope Limitation

The scope of our review is limited by the following general parameters:

1. I have assumed that the documents perused by us are copy(ies) of the original version(s).
2. To the extent possible, I have relied upon documents and records provided to me by the said Company.
3. I have also conducted searches at various offices as stated in the Report.
4. The Report is solely for the use of the said Company.
