Memo No. Ch-3/SE/C-SOL-189

Dated: 3/5/2017

Sub:

Approval for Sanction of partial load of 1000 KW or 1111 KVA against ultimate load of 5570 KW or 6189 KVA and approval of electrification scheme of ultimate load of 5570 KW or 6189 KVA to M/s Consolidate Realtor Pvt. Ltd. Sector-67, Gurugram applied vide A&A No. 38174/HT/BS/DS dated 3.10.2016 under HT Bulk Domestic Category.

Please refer to CE/Op Delhi office memo no. Ch-2/WO/DRG-1808/GGN dated 1.12.2016 vide which the subject cited case has been sent to this office for sanction of partial load of 1000 KW or 1111 KVA against ultimate load of 5570 KW or 6189 KVA and approval of electrification scheme of ultimate load of 5570 KW or 6189 KVA to M/s Consolidate Realtor Pvt. Ltd. Sector-67, Gurugram applied vide A&A No. 38174/HT/BS/DS dated 3.10.2016 under HT Bulk Domestic Category.

The case was deliberated by technical feasibility committee of SE/Op, SE/TS, HVPN and SE/NCR in its meeting held on 27.12.2016 and it was recommended as under:-

"The proposal for feeding the ultimate load of 5570KW or 6189KVA on 33KV supply pressure from proposed 220/33KV S/stn. Sector-65 Gurugram through proposed 33KV Independent feeder with 3cx300mm<sup>2</sup> XLPE U/G cable D/Run at the cost of the applicant was considered and recommended from 33KV switching station to be created by DHBVN at load centre which will be fed from proposed 220/33KV, Sector-65 S/Stn..

The applicant has demanded partial load of 1000KW/1111KVA. 11KV Independent feeder has already sanctioned in the name of M/s Afresh Buldcon Pvt. Ltd. from 66KV S/Stn. Sector-51 with partial load 750KW under HT/NDS category of the same consumer. Another partial load of M/s Martial Buldcon Pvt. Ltd. 1000KW under HT/NDS category has also been sanctioned. As per DHBVN, the partial load of 1000KW/1111KVA under Bulk Domestic category which can also be fed from above 11KV Afresh Buldcon Pvt. Ltd. Due to R.O.W. problem, since the consumer is of different category while allowing partial load this fact may be considered, please.

However HVPN is of the opinion that the above case for partial load does not fulfill the provision of HERC regulations.

The electrification plan has been examined from the aspect of sufficiency of infrastructure with respect to the ultimate load only and not from any design / specification aspect, in accordance with SI No. 21/2015. The ultimate load of 5570KW or 6189KVA will be fed on 33KV supply pressure from proposed 220/33KV S/stn. Sector-65 Gurugram through proposed 33KV Independent feeder with 3cx300mm<sup>2</sup> XLPE U/G cable D/Run at the cost of the applicant from 33KV switching station to be created by DHBVN at load centre which will be fed from proposed 220/33KV, Sector-65 S/Stn. The developer will install 4X2000, 33-11/0.4 KV Dry Type DTs.

As per sales circular No. D-40/2016, CE/Commercial is empowered to sanction the above electrification plan of instant case with ultimate load of 5570KW or 6189KVA alongwith and sanction of partial load of 1000 KW or 1111 KVA with the approval of Director/OP, DHBVN, Hissar. As such, approval of Electrification Plan with ultimate load of 5570KW or 6189KVA on 33KV supply pressure alongwith sanction of partial load of 1000 KW or 1111 KVA of M/s Consolidate Realtor Pvt.
