Independent Auditor's Report

To the Members of Experion Developers Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Experion Developers Private Limited ('the Company'), which comprise the Standalone Balance Sheet as at 31 March 2023, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Cash Flow and the Standalone Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Walker Chandiok & Co LLP

Independent Auditor's Report to the members of Experion Developers Private Limited on the financial statements for the year ended 31 March 2023 (cont'd)

Information other than the Standalone Financial Statements and Auditor's Report thereon

- 4 The Company's Board of Directors are responsible for the other information. Other information does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Directors' Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

- 5 The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 6 In preparing the standalone financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 7 Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

- 8 Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
- 9 As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also

Walker Chandio & Co LLP

Independent Auditor's Report to the members of Experion Developers Private Limited on the financial statements for the year ended 31 March 2023 (cont'd)

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control,
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management,
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

11. Based on our audit, we report that the provisions of section 197 read with Schedule V to the Act are not applicable to the Company since the Company is not a public company as defined under section 2(71) of the Act. Accordingly, reporting under section 197(16) is not applicable.
12. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
13. Further to our comments in Annexure A, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The standalone financial statements dealt with by this report are in agreement with the books of account;

Walker Chandio & Co LLP

Independent Auditor's Report to the members of Experion Developers Private Limited on the financial statements for the year ended 31 March 2023 (cont'd)

- d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
- e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2023 and the operating effectiveness of such controls, refer to our separate Report in Annexure B wherein we have expressed an unmodified opinion; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company, as detailed in note 43A and 43B to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2023;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2023;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2023;
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in note 55A to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or fund of funds) by the Company to or in any persons or entities, including foreign entities ("the intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("the Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, as disclosed in note 55B to the standalone financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("the Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year ended 31 March 2023, and

Walker Chandiok & Co LLP

Independent Auditor's Report to the members of Experion Developers Private Limited on the financial statements for the year ended 31 March 2023 (cont'd)

- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 requires all companies which use accounting software for maintaining their books of account, to use such an accounting software which has a feature of audit trail, with effect from the financial year beginning on 1 April 2023 and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 (as amended) is not applicable for the current financial year.

Walker Chandiok & Co LLP

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Experion Developers Private Limited on the standalone financial statements for the year ended 31 March 2023

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and right of use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets
- (b) The Company has a regular programme of physical verification of its property, plant and equipment and right of use assets under which the assets are physically verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain property, plant and equipment and right of use assets were verified during the year and no material discrepancies were noticed on such verification.
- (c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in note 3 to the standalone financial statements are held in the name of the Company.
- (d) The Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the year.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed as compared to book records.
- (b) The Company has not been sanctioned working capital limits by banks or financial institutions on the basis of security of current assets at any point of time during the year. Accordingly, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) The Company has made investments in and provided loans to subsidiaries and others during the year as per details given below:

Particulars	Loans [Rs. in lakhs]
Aggregate amount granted during the year:	
- Subsidiaries	1,144.74
- Others	11,890.20
Balance outstanding as at balance sheet date in respect of above cases:	
- Subsidiaries	18,899.99
- Others	11,890.20

- (b) The Company has not provided any guarantee or given any security or granted any loans or advances in the nature of loans during the year. However, the Company has made investment in one entity amounting to Rs. 14.51 lakhs (year-end balance Rs. 34.21 lakhs) and in our opinion, and according to the information and explanations given to us, such investments made are, prima facie, not prejudicial to the interest of the Company. Further, in our opinion, and according to the information and explanations given to us, terms and conditions of the grant of all loans are, prima facie, not prejudicial to the interest of the Company.

Walker Chandiok & Co LLP

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Exporion Developers Private Limited on the standalone financial statements for the year ended 31 March 2023 (cont'd)

- (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated for loans amounting to Rs. 11,890.00 lakhs. Further, the loans amounting to Rs. 18,916.26 lakhs are interest free and only the schedule of repayment of principal has been stipulated. The principal amount is not due for repayment currently in any of the loan, however, the receipts of interest is regular in cases where it is applicable.
- (d) There is no overdue amount in respect of loans granted to such companies.
- (e) The Company has granted loans which had fallen due during the year and such loans were extended during the year. The details of the same has been given below:

Name of the party	Total loan amount granted during the year [Rs. in lakhs]	Aggregate amount of overdues of existing loans extended [Rs. in lakhs]	Nature of extension (i.e., renewed/extended/fresh loan provided)	Percentage of the aggregate to the total loans granted during the year
Studhouz Buildcon Private Limited	813.74	3,206.76	Extended	394 %
Studace Accommodation Private Limited	11.00	114.07	Extended	1037 %
Paradox Developers (Amritsar) Private Limited	320.00	14,434.42	Extended	4511 %

- (f) The Company has granted loans which are repayable on demand, as per details given below:

Particulars	Related parties [Rs. in lakhs]
Aggregate of loans – repayable on demand	18,916.26
Percentage of loans to the total loans	61.40%

- (iv) The Company has not entered into any transaction covered under section 185 of the Act. As the Company is engaged in providing infrastructural facilities as specified in Schedule VI of the Act, provisions of section 186 except sub-section (1) of the Act are not applicable to the Company. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of sub-section (1) of section 186 in respect of investments, as applicable.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has specified maintenance of cost records under sub-section (1) of section 148 of the Act in respect of the business activities of the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

Walker Chandok & Co LLP

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Experion Developers Private Limited on the standalone financial statements for the year ended 31 March 2023 (cont'd)

(vii)(a) In our opinion, and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the statute	Nature of dues	Gross amount (Rs. in lakhs)	Amount paid under protest (Rs. in lakhs)	Period to which amount relates	Forum where dispute is pending
Income-tax Act, 1961	Income tax reassessment proceedings	Note 1	-	Assessment Year 2008-09	Hon'ble Delhi High Court
Income-tax Act, 1961	Income tax reassessment proceedings	Note 1	-	Assessment year 2011-12	Hon'ble Delhi High Court
Income tax Act, 1961	Disallowance of expenses	36.50	-	Assessment year 2012-13	Income Tax Appellate Tribunal (ITAT), New Delhi
Income tax Act, 1961	Income tax reassessment proceedings	4,520.54	-	Assessment year 2013-14	Income Tax Appellate Tribunal (ITAT), New Delhi
Income-tax Act, 1961	Addition on account of suppression of revenue and inventories	2,178.30	700.00	Assessment year 2014-15	Income Tax Appellate Tribunal (ITAT), New Delhi
Income-tax Act, 1961	Addition on account of suppression of revenue and inventories	182.30	-	Assessment year 2015-16	Income Tax Appellate Tribunal (ITAT), New Delhi
Income tax Act, 1961	Demand under section 201(1)/201(1A)	276.54	-	Assessment year 2016-17	Hon'ble Delhi High Court
Haryana VAT Act, 2003	Demand under Haryana Value Added Tax Act, 2003	147.07	-	Financial Year 2014-15	Deputy Excise and Taxation Commissioner, Gurugram

Note 1: As disclosed in notes to standalone financial statements, assessment order has been issued by the income tax department in these cases without computing the income-tax demand.

Walker Chandio & Co LLP

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Experion Developers Private Limited on the standalone financial statements for the year ended 31 March 2023 (cont'd)

- (viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.
- (ix) (a) According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us including representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year and did not have any term loans outstanding at the beginning of the current year. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us, the Company has not raised any funds on short term basis during the year. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company has been noticed or reported during the period covered by our audit.
- (b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.
- (c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.

Walker Chandniok & Co LLP

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Experion Developers Private Limited on the standalone financial statements for the year ended 31 March 2023 (cont'd)

- (xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company, with the related parties are in compliance with section 188 of the Act. The details of such related party transactions have been disclosed in the standalone financial statements etc., as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act. Further, according to the information and explanations given to us, the Company is not required to constitute an audit committee under section 177 of the Act.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as per the provisions of section 138 of the Act which is commensurate with the size and nature of its business.
- (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi)(a), (b) and (c) of the Order are not applicable to the Company.
- (d) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC.
- (xvii) The Company has not incurred any cash losses in the current financial year as well as the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) According to the information and explanations given to us, the Company does not have any unspent amounts towards Corporate Social Responsibility in respect of any ongoing or other than ongoing project as at the end of the financial year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

Walker Chandiok & Co LLP

Annexure A referred to in Paragraph 12 of the Independent Auditor's Report of even date to the members of Experion Developers Private Limited on the standalone financial statements for the year ended 31 March 2023 (cont'd)

- (xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Walker Chandio & Co LLP

Annexure B to the Independent Auditor's Report of even date to the members of Experion Developers Private Limited on the standalone financial statements for the year ended 31 March 2023

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Experion Developers Private Limited ('the Company') as at and for the year ended 31 March 2023, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Walker Chandiok & Co LLP

Annexure B to the Independent Auditor's Report of even date to the members of Experion Developers Private Limited on the standalone financial statements for the year ended 31 March 2023 (cont'd)

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Experion Developers Private Limited

Notes to the standalone financial statements for the year ended 31 March 2023

(Amount in Rupees lakhs, unless otherwise stated)

1. Corporate information

Experion Developers Private Limited ('the Company') is a private limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company is wholly owned subsidiary of Experion Holdings Pte. Ltd., Singapore. The registered office of the Company is located at F-9, First Floor, Manish Plaza 1, Plot No. 7, MJU, Sector 10, Dwarka, New Delhi – 110075.

The Company is engaged in the business of real estate development which includes townships, group housing, commercial premises, recreational facilities and regional level infrastructure.

These standalone financial statements for the year ended 31 March 2023 were authorized and approved for issue by the Board of Directors on 20 September 2023. The revision to standalone financial statements is permitted by Board of Directors after obtaining necessary approvals or at the instance of regulatory authorities as per provisions of the Companies Act 2013 ('the Act').

2. Summary of significant accounting policies

2.1 Basis of preparation

The standalone financial statements ('financial statements') of the Company have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015 (by Ministry of Corporate Affairs ('MCA')), as amended and other relevant provisions of the Act.

The financial statements have been prepared on going concern basis using a historical cost convention, except certain financial assets and financial liabilities which are measured at fair value as explained in relevant accounting policies. Fair valuations related to financial assets and financial liabilities are categorised into level 1, level 2 and level 3 based on the degree to which the inputs to the fair value measurements are observable.

The financial statements are presented in 'Indian Rupee (Rs.)' which is assessed to be the functional and presentation currency of the Company in accordance with Ind AS. All values are rounded to the nearest lakhs (Rs. 00,000), except indicated otherwise.

2.2 Significant accounting policies

a. Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

b. Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are stated at cost (i.e., cost of acquisition or construction inclusive of freight, erection and commissioning charges, non-refundable duties and taxes, expenditure during construction period, borrowing costs (in case of a qualifying asset) upto the date of acquisition/installation). Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Subsequent measurement

Property, plant and equipment are subsequently measured at cost net of accumulated depreciation and impairment losses, if any. Depreciation on property, plant and equipment is provided on a straight-line basis, computed on basis of useful lives (as set out below) prescribed in Schedule II of the Act.

Experion Developers Private Limited
Notes to the standalone financial statements for the year ended 31 March 2023
(Amount in Rupees lakhs, unless otherwise stated)

Particulars	Useful lives (in years)
Building	60
Furniture and fixtures	10
Office equipment	5
Plant and machinery	15
Computers	3-6
Vehicles	8
Temporary structures	3

Leasehold improvements are amortized on a straight-line basis over the period of the lease of 1-3 years or the useful life of the asset, whichever is lower.

The useful lives, residual values and method of depreciation of property, plant and equipment are reviewed at each financial year end.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

c. Intangible assets

Recognition and initial measurement

Intangible assets comprise of computer softwares which are measured at cost of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and impairment losses, if any.

Subsequent measurement (amortisation)

Intangible assets are amortised on a straight-line basis over their estimated useful life or 5 years whichever is lower.

De-recognition

Intangible asset is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

d. Where the Company is lessee – Right of use assets and lease liabilities

For any new contracts, the Company considers whether a contract is, or contains a lease. A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'.

Classification of leases

The Company enters into leasing arrangements for various assets. The assessment of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/purchase etc.

Recognition and initial measurement of right of use assets

At lease commencement date, the Company recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company, an estimate of any costs to dismantle and remove the asset at the end of the lease (if any), and any lease payments made in advance of the lease commencement date (net of any incentives received).

Experion Developers Private Limited

Notes to the standalone financial statements for the year ended 31 March 2023

(Amount in Rupees lakhs, unless otherwise stated)

Subsequent measurement of right of use assets

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

Lease liabilities

At lease commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed payments) and variable payments based on an index or rate. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is re-measured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is re-measured, the corresponding adjustment is reflected in the right-of-use asset.

The Company has elected to account for short-term leases using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in statement of profit and loss on a straight-line basis over the lease term.

e. Inventories

Inventory comprises of developed properties, real estate properties under development and construction/development material.

Developed properties and real estate properties under development

Developed properties and real estate properties under development are valued at lower of cost and net realizable value. Cost includes cost of land/land development rights, materials, services, borrowing costs and other related overheads, incurred in bringing the inventories to their present location and condition.

Construction/development material

Construction/development material is valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost comprises of purchase price and other costs incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

f. Revenue recognition

Revenue is recognised when control is transferred and is accounted net of rebate and taxes. The Company applies the revenue recognition criteria to each nature of the revenue transaction as set out below.

Revenue with contract from customer

Revenue is recognized upon transfer of control of promised products at an amount that reflects the consideration received/receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government and is net of rebates and discounts. The Company assesses its revenue arrangements against specific criteria to determine if it is acting as principal or agent. The Company has concluded that it is acting as a principal in all of its revenue arrangements.

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably.

Revenue is recognized either at point of time and over a period of time based on the conditions as included in the contracts with customers.

Experion Developers Private Limited

Notes to the standalone financial statements for the year ended 31 March 2023

(Amount in Rupees lakhs, unless otherwise stated)

Point of time:

Revenue from sale of real estate properties

Revenue is recognized at a point in time with respect to sale of real estate properties, including land, plots, apartments, commercial properties, development rights as and when performance obligations are essentially complete and credit risks have been significantly eliminated. The performance obligations are considered to be complete when control over the property has been transferred to the buyer i.e., offer for possession (possession request letter) of properties have been issued to the customers and substantial sales consideration is received from the customers.

The Company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring property to a customer, excluding amounts collected on behalf of third parties (for example, indirect taxes). The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

The costs estimates are reviewed periodically and effect of any change in such estimate is recognized in the period such changes are determined. However, when the total estimated cost exceeds total expected revenues from the contracts, the loss is recognized immediately.

Other operating revenues

- i) Income from transfer charges received from customers on transfer of ownership of property during the construction period is accounted for as and when due basis
- ii) Interest due on delayed payments and compensation income is accounted as and when the certainty of payments is established in relation to such income.
- iii) Other operating income (including forfeiture income) is recognised as and when due to the extent certainty of payments is established in relation to such income.

Other income

- i) Interest income is recorded on accrual basis using the effective interest rate (EIR) method

g. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective assets. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds

h. Foreign currency

Functional and presentation currency

The financial statements are presented in Indian Rupee (Rs.) which is also the functional and presentation currency of the Company.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at functional currency spot rates at the date the transaction first qualifies for recognition.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction

Experion Developers Private Limited
Notes to the standalone financial statements for the year ended 31 March 2023
(Amount in Rupees lakhs, unless otherwise stated)

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

i. **Impairment of non-financial assets**

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

j. **Impairment of financial assets**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. The Company factors historical trends and forward-looking information to assess expected credit losses associated with its assets and impairment methodology applied depends on whether there has been a significant increase in credit risk.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach (provision matrix approach) of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition, if the financial asset is determined to have low credit risk at the balance sheet date.

k. **Financial instruments**

Non-derivative financial assets

Recognition and initial measurement

All financial assets (except trade receivables) are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Subsequent measurement

Debt instruments at amortised cost – A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Experion Developers Private Limited

Notes to the standalone financial statements for the year ended 31 March 2023

(Amount in Rupees lakhs, unless otherwise stated)

Equity investments – All equity investments in scope of 'Ind AS 109 Financial Instruments' ('Ind AS 109') are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

Mutual funds – All mutual funds in scope of Ind AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset measured at amortized cost (or, depending on the business model, at fair value through other comprehensive income).

Non-derivative financial liabilities

Recognition and initial measurement

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted.

Subsequent measurement

Subsequent to initial recognition, financial liabilities are measured at amortised cost using the effective interest method, except for certain financial liabilities which are measured at fair value.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability measured at amortized cost (or, depending on the business model, at fair value through other comprehensive income). The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

1. Taxes

Tax expense comprises of current tax and deferred tax.

Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted by the balance sheet date. Current income tax relating to items recognized directly in equity or other comprehensive income is recognized in equity or other comprehensive income and not in the statement of profit and loss.

Deferred tax

Deferred income tax is provided using the liability method on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Experion Developers Private Limited
Notes to the standalone financial statements for the year ended 31 March 2023
(Amount in Rupees lakhs, unless otherwise stated)

Deferred income tax assets are recognized for all deductible temporary differences (except in some of the cases as prescribed in the accounting standard), carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date. Deferred income tax relating to items recognized directly in equity or other comprehensive income is recognized in equity or other comprehensive income and not in the statement of profit and loss.

Deferred income tax assets and deferred income tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred income taxes relate to the same taxable entity and the same taxation authority.

m. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, cheques on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

n. Employee benefits

Short-term employee benefits

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognized on the basis of the amount paid or payable for the year during which services are rendered by the employee.

Defined contribution plan

The Company's contribution to provident fund is charged to the statement of profit and loss or inventorized as a part of real estate properties under development, as the case may be. The Company's contributions towards provident fund are deposited with the regional provident fund commissioner under a defined contribution plan.

Defined benefit plan

The Company has unfunded gratuity as defined benefit plan where the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The gratuity plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. This is based on standard rates of inflation, salary growth rate and mortality. Current service cost and interest cost are recognised immediately in the statement of profit and loss. Actuarial gains/losses resulting from re-measurements of the liability are included in other comprehensive income.

Compensated absences

The Company also provides benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. The said calculation is as per policy of the Company. The expense for the year including actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recorded in the statement of profit and loss.

Experion Developers Private Limited

Notes to the standalone financial statements for the year ended 31 March 2023

(Amount in Rupees lakhs, unless otherwise stated)

o. Provisions, contingent liabilities and contingent assets

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company; or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are disclosed only when inflow of economic benefits therefrom is probable and recognize only when realization of income is virtually certain.

p. Earnings per share

Basic earnings per equity share are computed by dividing net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares (including number of equity shares that are issuable on the conversion of mandatorily conversion of instruments in fixed ratio) outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

q. Investments

Investment in equity instruments of subsidiaries are measured at cost as per Ind AS 27 'Separate Financial Statements'.

r. Convertible instruments

Convertible instruments are separated into liability and equity components based on the terms of the contract. On issuance of the convertible instruments, the fair value of the liability component is determined using a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost (net of transaction costs) until it is extinguished on conversion or redemption. The remainder of the proceeds are allocated to the conversion option that is recognised and included in equity if conversion option meets Ind AS 32 criteria for fixed-to-fixed classification. If the fixed-to-fixed criteria is not met, then the entire instrument is classified as financial liability.

The compulsorily convertible debentures issued by the Company do not meet the Ind AS 32 criteria for fixed-to-fixed classification, hence, it is shown as financial liability in the financial statements.

s. Barter transaction

In case of joint development/collaboration agreements involving barter transaction, revenue and cost are measured at the fair value of the goods or services received, adjusted by the amount of any cash or cash equivalents transferred. Where the fair value of the goods or services received cannot be measured reliably, the revenue and cost are measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

2.3 Recent accounting pronouncement

Amendment to Ind AS 1, Presentation of Financial Statements

The Ministry of Corporate Affairs ("MCA") vide notification dated 31 March 2023, has issued an amendment to Ind AS 1 which requires entities to disclose material accounting policies instead of significant accounting policies. Accounting policy information considered together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The amendment also clarifies that immaterial accounting policy information does not need to disclose. If it is disclosed, it should not obscure material accounting information. The Company is evaluating the requirement of the said amendment and its impact on these financial statements.

Amendment to Ind AS 8, Accounting Policies, Change in Accounting Estimates and Errors

The Ministry of Corporate Affairs ("MCA") vide notification dated 31 March 2023, has issued an amendment to Ind AS 8 which specifies an updated definition of an 'accounting estimate'. As per the amendment, accounting estimates are monetary amounts in the financial statements that are subject to measurement uncertainty and measurement techniques and inputs are used to develop an accounting estimate. Measurement techniques include estimation techniques and valuation techniques. The Company is evaluating the requirement of the said amendment and its impact on these financial statements.

Amendment to Ind AS 12, Income Taxes

The Ministry of Corporate Affairs ("MCA") vide notification dated 31 March 2023, has issued an amendment to Ind AS 12, which requires entities to recognise deferred tax on transactions that, on initial recognition, give rise to equal amounts of taxable and deductible temporary differences. This will typically apply to transactions such as leases of lessees and decommissioning obligations and will require recognition of additional deferred tax assets and liabilities. The Company is evaluating the requirement of the said amendment and its impact on these financial statements.

2.4 Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures. Uncertainty about these judgements, assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Below are the details of judgments, estimates and assumptions:

Classification of property

The Company determines whether a property is classified as investment property or inventory property:

- Investment property comprises land and buildings (principally offices, commercial warehouse and retail property) that are not occupied substantially for use by, or in the operations of the Company, nor for sale in the ordinary course of business, but are held primarily to earn rental income and capital appreciation. These buildings are substantially rented to tenants and not intended to be sold in the ordinary course of business.
- Inventory property comprises property that is held for sale in the ordinary course of business. Principally, this is residential property that the Company develops and intends to sell before or on completion of construction.

Impairment of non-financial assets

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Experion Developers Private Limited

Notes to the standalone financial statements for the year ended 31 March 2023

(Amount in Rupees lakha, unless otherwise stated)

Impairment of financial assets

The Company estimates the recoverable amount of trade receivables and other financial assets where collection of the full amount is expected to be no longer probable. For individually significant amounts, this estimation is performed on an individual basis considering the length of time past due, financial condition of the counterparty, impending legal disputes, if any and other relevant factors.

Recognition of deferred tax assets

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

Provisions

At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Contingencies

In the normal course of business, contingent liabilities may arise from litigation, taxation and other claims against the Company. A tax provision is recognised when the Company has a present obligation as a result of a past event; it is probable that the Company will be required to settle that obligation. Where it is management's assessment that the outcome cannot be reliably quantified or is uncertain the claims are disclosed as contingent liabilities unless the likelihood of an adverse outcome is remote. Such liabilities are disclosed in the notes but are not provided for in the financial statements.

When considering the classification of a legal or tax cases as probable, possible or remote there is judgement involved. This pertains to the application of the legislation, which in certain cases is based upon management's interpretation of country specific tax law, in particular India, and the likelihood of settlement. Management uses in-house and external legal professionals to inform their decision.

Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on the Company's financial position or profitability.

Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

Revenue and inventories

The estimates around total budgeted cost i.e., outcomes of underlying construction and service contracts, which further require estimates to be made for changes in work scopes, claims (compensation, rebates, etc.), the cost of meeting other contractual obligations to the customers and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making these estimates, the Company used the available contractual and historical information and also its expectations of future costs.

Useful lives of depreciable/amortizable assets

Management reviews its estimate of the useful lives of depreciable/amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

Experion Developers Private Limited

Notes to the standalone financial statements for the year ended 31 March 2023

(Amount in Rupees lakhs, unless otherwise stated)

Fair value measurement

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Defined benefit obligations

The cost of the defined benefit plan liability and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Claims and compensation

For the purpose of making estimates around provision for claims and compensation, the Company used the available contractual and historical information and also its expectations of future costs (if any).

	31 March 2023	31 March 2022
28. Revenue from operations		
Sale of products		
Income from sale of plots, real estate properties and development rights	92,986.10	55,464.56
Sub-total (A)	92,986.10	55,464.56
Other operating revenues		
Interest income on delayed payments/compensation income	462.85	1,363.56
Income from transfer fees	102.00	103.81
Fortunate income	15.67	94.79
Other operating income	49.85	55.10
Sub-total (B)	630.37	1,637.26
Total (A+B)	93,616.47	57,101.82
Timing of revenue recognition		
Revenue recognised at a point of time (for each contract)	93,616.47	57,101.82
Total revenue from contracts with customers	93,616.47	57,101.82
Contract assets		
Trade receivables (refer note 13)	4.02	71.89
Contract liabilities		
Advances received from customers (refer note 27)	53,118.96	58,057.39

Contract assets are initially recognised for revenue earned on account of contracts where revenue is recognised over the period of time as receipt of consideration is conditional on successful completion of performance obligations as per contract. Once the performance obligation is fulfilled and milestones for invoicing are achieved, contract assets are classified to trade receivables.

Contract liabilities include amount received from customers as per the installments stipulated in the buyer's agreement to deliver properties once the properties are completed and control is transferred to customers.

Set-out below is the amount of revenue recognised from:

	31 March 2023	31 March 2022
Movement of contract liabilities		
Amounts included in contract liabilities at the beginning of the year	58,057.39	50,487.03
Amount received/adjusted against contract liability during the year	58,047.67	61,034.92
Performance obligations satisfied in current year	(92,986.10)	(55,464.56)
Amounts included in contract liabilities at the end of the year	53,118.96	58,057.39

Reconciliation of the amount of revenue recognised in the standalone statement of profit or loss with the contracted price

Revenue as per contracted price	92,986.10	55,464.56
	92,986.10	55,464.56

The aggregate amount of transaction price allocated to the performance obligations yet to complete as at 31 March 2023 is Rs. 53,118.96 lakhs (31 March 2022: Rs. 58,057.39 lakhs). This balance represents the advance received from customers against real estate properties. The management expects to further bill and collect the remaining balance of total consideration in the coming years. These balances will be recognised as revenue in future years as per the policy of the Company.

	31 March 2023	31 March 2022
29. Other income		
Interest income on bank deposits	3,509.34	1,176.70

Total shortfall	129.94	129.94
Reason for shortfall	Refer note (i) below	Refer note (ii) below
Nature of CSR activities	Refer note (iii) below	-

Notes:

(i) The Company has accumulated provision as at 31 March 2023 of Rs. 129.95 lakhs (31 March 2022: Rs. 129.95 lakhs) which is lying unspent.

(ii) The pending corporate social responsibility incurrence (provision) of Rs. 27.39 lakhs for the year ended 31 March 2021 and Rs. 102.55 lakhs for the year ended 31 March 2022 has not been incurred as there is an ongoing litigation (writ petition) in the Hon'ble Delhi High Court filed by the Company for the availment of set off of excess amount contributed to PM Cares Fund during the year ended 31 March 2020. Interim relief has already been granted by Hon'ble Delhi High Court. The next scheduled date of hearing is 03 October 2023. The said excess amount will cover the contribution for year ended 31 March 2021 and 31 March 2022. However, as an abundant caution, the Company has created additional provision for the year ended 31 March 2021 and 31 March 2022.

(iii) The Company has given donation to "Janwar Education Society" and "CanKids KidsCan" during the current year.

Reconciliation of tax expense and the accounting profit multiplied by India's domestic tax rate for 31 March 2023 and 31 March 2022:		
Accounting profit before income tax	50,157.36	15,087.53
Tax on accounting profit at statutory income tax rate 25.168% (31 March 2022: 25.168%)	12,623.60	3,797.23
Adjustments in respect of current year and previous year income tax expense		
Tax impact of expenses which will never be allowed	46.79	30.73
Impact of earlier year items	(24.38)	-
Impact of deferred tax not created in earlier years on interest under sub-section 2 of the section 94B of the Income-tax act, 1961.	(2,881.13)	(23.62)
Others	(12.38)	34.46
Total*	9,752.50	3,838.80

* This reconciles with income tax expense reported in the standalone statement of profit and loss and other comprehensive income

(This space has been intentionally left blank)

Experion Developers Private Limited

Notes to the standalone financial statements for the year ended 31 March 2023

(Amount in Rupees lakhs, unless otherwise stated)

36. Earnings per share (EPS)*

Basic earnings per share amounts are calculated by dividing the net profit attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share amounts are calculated by dividing the profit attributable to equity shareholders of the Company by weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

	31 March 2023	31 March 2022
Profit attributable to equity shareholders of the Company (A)	40,405.85	11,248.48
Add: Interest on compulsorily convertible debentures (net of tax)	4,539.67	4,238.93
Profit attributable to equity shareholders of the Company for calculating diluted EPS (B)	44,945.52	15,487.41
Weighted average number of equity shares (C)	24,47,542	24,47,542
Weighted average number of equity shares adjusted to the effect of dilution (D)	31,12,935	30,93,752
Face value per share	10.00	10.00
Earnings per equity share		
Basic (Rs.) (A/C)	1,650.87	459.58
Diluted (Rs.) (B/D)	1,443.53	459.58

*The number of equity shares likely to be issued on the conversion of compulsorily convertible debentures is computed based on the latest fair value of share for arriving at weighted average number of equity share. For the previous year, the effect of these CCD's is anti dilutive and therefore basic and diluted EPS are equal.

(This space has been intentionally left blank)

37. Fair value measurements

i. Fair value of financial instruments measured at amortised cost

Particulars	Level	31 March 2023		31 March 2022	
		Carrying value	Fair value	Carrying value	Fair value
Financial assets					
Trade receivables	Level 3	4.02	4.02	71.88	71.88
Cash and cash equivalents	Level 3	18,299.78	18,299.78	16,353.46	16,353.46
Other bank balances	Level 3	80,855.71	80,855.71	22,732.57	22,732.57
Loans	Level 3	30,806.46	30,806.46	17,755.26	17,755.26
Other financial assets	Level 3	4,975.03	4,975.03	3,664.01	3,664.01
Total financial assets		1,34,941.00	1,34,941.00	60,577.18	60,577.18
Financial liabilities					
Trade payables	Level 3	2,034.08	2,034.08	2,529.57	2,529.57
Other financial liabilities	Level 3	8,180.93	8,180.93	7,813.85	7,813.85
Total financial liabilities		10,215.01	10,215.01	10,343.42	10,343.42

Notes:

(i) Investments in equity shares of subsidiaries are measured at cost as per Ind AS 27, "Separate Financial Statements" and are not required to disclose here.

(ii) Trade receivables, cash and cash equivalents, other bank balances, loans, other current financial assets, trade payables and other current financial liabilities: Approximate their carrying amounts being due to the short-term nature of these instruments.

ii. Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities:

Financial assets measured at fair value – recurring fair value measurements

31 March 2023	Level 1	Level 2	Level 3	Total
Investments in mutual funds	4,945.25	-	-	4,945.25
Total financial assets	4,945.25	-	-	4,945.25

Financial liabilities measured at fair value – recurring fair value measurements

31 March 2023	Level 1	Level 2	Level 3	Total
Convertible convertible debentures (CCD)	-	-	40,759.94	40,759.94
Total financial liabilities	-	-	40,759.94	40,759.94

Financial assets measured at fair value – recurring fair value measurements

31 March 2022	Level 1	Level 2	Level 3	Total
Investments in mutual funds	17,626.31	-	-	17,626.31
Total financial assets	17,626.31	-	-	17,626.31

Financial liabilities measured at fair value – recurring fair value measurements

31 March 2022	Level 1	Level 2	Level 3	Total
Convertible convertible debentures (CCD)	-	-	40,759.94	40,759.94
Total financial liabilities	-	-	40,759.94	40,759.94

Notes:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2 inputs are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly, or indirectly.

Level 3 inputs are unobservable inputs for the asset or liability.

iii. Valuation techniques used to determine fair value

a) Specific valuation techniques used to value financial instruments include: the use of net asset value for mutual funds on the basis of the statement received from investor party.

b) The fair value of CCD is estimated by the market value approach. The significant unobservable inputs used in the fair value measurements are discount rate 19.33% (31 March 2022: 18.67%) and terminal growth rate 5% (31 March 2022: 3%). As these CCDs are convertible at fair market value of equity shares as on the conversion date or the fair market value computed at the time of issuance of CCD, whichever is higher. Currently, fair value of share is higher than fair value of share on the date of issue, hence, the sensitivity relate to unobservable inputs does not impact standalone statement of profit and loss.

38. Categories of financial instruments

Financial assets and liabilities

The accounting classification of each category of financial instruments and their carrying amounts are as below:

Particulars	31 March 2023		31 March 2022	
	FVTPL*	Amortised cost	FVTPL*	Amortised cost
Financial assets				
Investments in mutual funds	4,945.25	-	17,626.31	-
Trade receivables	-	1.02	-	71.88
Cash and cash equivalents	-	18,299.78	-	16,353.46
Other bank balances	-	80,855.71	-	22,732.57
Loans	-	30,806.46	-	17,755.26
Other financial assets	-	4,975.03	-	3,664.01
Total financial assets	4,945.25	1,34,941.02	17,626.31	60,577.18
Financial liabilities				
Borrowings	40,759.94	-	40,759.94	-
Loans liabilities	-	-	-	19.12
Trade payables	-	2,034.08	-	2,529.57
Other financial liabilities	-	8,180.93	-	7,813.85
Total financial liabilities	40,759.94	10,215.01	40,759.94	10,361.54

* Fair value through profit and loss

Experion Developers Private Limited
Notes to the standalone financial statements for the year ended 31 March 2023
(Amount in Rupees lakhs, unless otherwise stated)

39. Operating segment

The Company has only one business segment i.e., real estate development (with widespread customers) which is considered as single operating segment under Ind AS - 108 "Operating segments". The Company primarily operates in India and there is no other significant geographical segment.

40. Financial risk management and policies

The Company's principal financial liabilities comprise borrowings, lease liabilities, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include investments, trade and other receivables, cash and cash equivalents, loans and refundable deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by an executive committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The executive committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

(A) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its investing activities i.e., loans, investments, deposits and other advances.

(i) Credit risk management

Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial asset:

- A. Low credit risk
- B. Moderate credit risk
- C. High credit risk

Credit rating	Basis of categorisation	Provision for expected credit loss
Low credit risk	Cash and cash equivalents, other bank balances, trade receivables, loans and other financial assets	12 month expected credit loss/lifetime expected credit loss
High credit risk	Other financial assets	12 month expected credit loss/lifetime expected credit loss

Credit rating	Particulars	31 March 2023	31 March 2022
Low credit risk	Cash and cash equivalents, other bank balances, trade receivables, loans and other financial assets	1,34,941.00	60,577.19
High credit risk	Other financial assets	2,105.19	2,105.19

Credit risk exposure

Provision for expected credit losses

The Company provides for 12 month expected credit losses or lifetime expected credit losses for following financial assets (other than trade receivables and advance for land development rights):

Particulars	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Trade receivables	4.02	-	4.02
Cash and cash equivalents	18,299.78	-	18,299.78
Other bank balances	80,855.71	-	80,855.71
Loans	30,816.46	-	30,816.46
Other financial assets	7,080.22	2,105.19	4,975.03
Total financial assets	1,37,046.19	2,105.19	1,34,941.00

Particulars	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Trade receivables	71.88	-	71.88
Cash and cash equivalents	16,333.46	-	16,333.46
Other bank balances	22,732.57	-	22,732.57
Loans	17,755.26	-	17,755.26
Other financial assets	3,760.20	2,105.19	1,655.01
Total financial assets	60,653.37	2,105.19	58,548.18

Expected credit loss for trade receivables and advance for land development rights

Trade receivables

The Company's trade receivables does not have any expected credit loss as registry of properties sold is generally cleared once the Company receives the entire payments. During the years presented, the Company made no write-offs of trade receivables and no recoveries from receivables previously written off.

Advance for land development rights - the information presented below

Reconciliation of loss allowance	Amount
Loss allowance as on 01 April 2021	2,105.19
Add: Allowance for expected credit loss	-
Loss allowance as on 31 March 2022	2,105.19
Add: Allowance for expected credit loss	-
Loss allowance as on 31 March 2023	2,105.19

(B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company continuously assesses the liquidity of the market in which the entity operates.

Expinion Developers Private Limited
 Notes to the standalone financial statements for the year ended 31 March 2023
 (Amount in Rupees lakhs, unless otherwise stated)

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities

31 March 2023	Less than 1 year	1 - 3 years	More than 3 years	Total
Trade payables	2,034.08			2,034.08
Other financial liabilities	6,156.27		24.66	6,180.93
Total	10,190.35	-	24.66	10,215.01

31 March 2022	Less than 1 year	1 - 3 years	More than 3 years	Total
Trade payables	18.47			18.47
Trade payables	2,529.57			2,529.57
Other financial liabilities	7,797.35		16.50	7,813.85
Total	10,345.04	-	16.50	10,361.54

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk.

i) Foreign currency risk

The Company has international transactions and is exposed to foreign exchange risk arising from foreign currency transactions (imports and exports). Foreign exchange risk arises from future contractual transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency. The Company does not hedge its foreign exchange receivables/payables.

Foreign currency risk exposure:

Particulars	Currency	31 March 2023	31 March 2022
Cash on hand	USD	0.31	0.16
	SGD	0.18	0.16
	Euro	0.09	0.09
	CNY	0.59	0.53

Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments.

Particulars	Currency	Exchange rate increase by 10%		Exchange rate decrease by 10%	
		31 March 2023	31 March 2022	31 March 2023	31 March 2022
Cash on hand	USD	0.02	0.02	(0.02)	(0.02)
	SGD	0.02	0.02	(0.02)	(0.02)
	Euro	0.01	0.01	(0.01)	(0.01)
	CNY	0.06	0.05	(0.06)	(0.05)

ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. This risk does not expose the Company as it does not have any variable rate borrowings.

iii) Price risk

The Company exposure to price risk arises from investments held and classified as fair value through profit and loss. To manage the price risk arising from investments, the Company diversifies its portfolio of assets.

Sensitivity analysis

Profit or loss and equity is sensitive to higher/lower prices of investments

Particulars	31 March 2023	31 March 2022
Price sensitivity		
Price increase by 5% - IN-CPI	247.26	881.32
Price decrease by 5% - IN-CPI	(247.26)	(881.32)

Through, Company's convertible debentures are classified as fair value through profit and loss, but increase and decrease in equity price does not impact the profit or loss as the Company will get the equivalent shares on conversion.

Experion Developers Private Limited

Notes to the standalone financial statements for the year ended 31 March 2023

(Amount in Rupees lakhs, unless otherwise stated)

41. Capital management

For the purpose of the Company's capital management, capital includes issued equity share capital, securities premium and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company issues new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

Particulars	31 March 2023	31 March 2022
Total borrowings* (A)	40,759.94	40,759.94
Total equity (B)	1,79,256.47	1,38,845.60
Gearing ratio (A)/(A+B)	18.53%	22.69%

*Total borrowings includes non-current borrowings and current borrowings

Expon Developers Private Limited
Notes to the standalone financial statements for the year ended 31 March 2023
(Amount in Rupees lakhs, unless otherwise stated)

C. Remuneration to key managerial personnel

Particulars	31 March 2023	31 March 2022
Short-term employee benefits	530.91	405.62
Post-employment benefits	8.05	15.89

D. The Company's material related party transactions are at arm's length and in the ordinary course of business

43A. Contingent liabilities

Particulars	31 March 2023	31 March 2022
Income tax matters in dispute (refer note 12 (a) and (iv) below)	532.87	13,010.96
Demand under Harmonised Value Added Tax (H VAT)	147.07	147.07
Total	679.94	13,158.03

Income tax matters in dispute :

(i) The income tax department has raised demands for the assessment years 2013-14, 2014-15, 2015-16 wherein demand of Rs. 4,520.54 lakhs, Rs. 7,175.36 lakhs and 182.37 lakhs respectively has been raised on the Company on account of disallowances of certain expenses. The Company has challenged the said demand and filed an appeal with Commissioner of Income Tax (Appeals).

During the year, the Company has received partial favorable order on demand raised for assessment year 2013-14 and full favorable order on demand raised for assessment year 2014-15. The Company has filed an appeal with Income Tax Appellate Tribunal (ITAT) against appeal order of Commissioner of Income Tax (Appeals), seeking judgment on certain disallowances where income tax department have raised a demand of Rs. 37.53 lakhs. The department has also challenged the said order from Commissioner of Income Tax (Appeals) for assessment year 2013-14 and matter is pending at ITAT and management believes that this case will not adversely impact its standalone financial statements. Further, the department is still to file an appeal against the order from Commissioner of Income Tax (Appeals) for assessment year 2014-15.

(ii) The income tax department has raised demands for the assessment year 2012-13 wherein demand of Rs. 36.50 lakhs has been raised on the Company on account of disallowance of certain expenses. The Company has challenged the said demand and filed an appeal with Commissioner of Income Tax (Appeals), New Delhi (CIT(A)) and order of CIT(A) has been received on 27 April 2015 rejecting the Company's claim and the Company has filed appeal against the order of CIT(A) to Income Tax Appellate Tribunal (ITAT) on March 2015. There has been no movement in the case since then and the management believes that this case will not adversely impact its standalone financial statements.

(iii) During earlier years, the Company had received income tax notice dated 31 March 2015 for the reopening of assessment for the assessment year 2008-09 meaning the amount of Rs. 53,211.40 lakhs, received as equity contribution by the Company from its Holding Company during the financial year 2007-08, as income instead of securities premium. The Company has challenged the initiation of reassessment proceedings before the Honble Delhi High Court who passed an interim order dated 6 November 2015 followed by order dated 15 March 2016 directing the income tax department that assessment proceedings may continue and order can be passed by the income tax department, however no effect shall be given to any order passed by the income tax department till further order of Honble Delhi High Court.

Subsequently, the income tax department issued assessment order dated 28 March 2016, without computing the income tax demand as such assessed income. Since no tax demand has been raised by the assessing officer and the matter is also sub-judice (pending at Honble Delhi High Court), the Company, based on the legal advice, is of the view that the said assessment order will not be taxable and therefore no adjustment is considered necessary in these standalone financial statements.

The Company has received notice orders from income tax department for assessment year 2011-12 wherein the equity contribution received by the Company from its Holding Company amounting to Rs. 3,183.44 lakhs have been treated as income instead of securities premium. The case for assessment year 2011-12 is pending at Honble Delhi High Court. Since no tax demand has been raised by the assessing officer and the matter is also sub-judice, the Company, based on the legal advice, is of the view that the assessment order passed by assessing officer will not be taxable and therefore no adjustment is considered necessary in these standalone financial statements.

(iv) The Company have received orders under section 201(1)/201(1A) for tax deducted at source (TDS) verification proceedings along demand notice of Rs. 276.54 lakhs including interest on account of non deduction of TDS on external development charges paid to Housing Urban Development Authority (HUDA) during the financial year 2015-16 relevant to assessment year 2016-17. Interim stay have been granted by the Honble Delhi High Court on the aforesaid demands. Subsequent to year-end, the Company has received favorable order against the demands raised by income tax department. Further, the department is still to file an appeal against the order from Honble Delhi High Court for assessment year 2016-17.

43B. Other litigations

(i) There are customer claims against the Company, aggregating to Rs. 39.08 lakhs (31 March 2022: Rs. Nil), against which the Company is in litigation. After considering the circumstances, the management believes that these cases will not adversely impact its standalone financial statements.

(ii) The assessment under Harmonised Value Added Tax Act 2003 (H VAT 2003) has been completed and the department has raised demand orders in name of the Company for the demand amounting to Rs. 715.67 lakhs (31 March 2022: Rs. 715.67 lakhs) related to sub-contractor. This demand is for various assessment years. This demand shall be reduced/adjusted off on submission of the sub-contractor assessment orders. The Company has already obtained major assessment order and is in the process of getting the remaining orders. In case sub-contractor fail to submit their assessment orders, then any liability arising on the non-submission will be recovered by the Company from the sub-contractor and therefore no liability will arise on the Company.

43C. Commitments

The Company has undertaken to provide continued financial support to certain subsidiaries as and when required.

Note - 44

Details of dues to micro enterprises and small enterprises as per MSMEI Act, 2006 (Based on the information, to the extent available with the Company):

The amount of further interest remaining due and payable (if any) in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMEI Act 2006.	Nil	Nil

Note - 45

During the previous year, search was conducted by Income Tax Authority under section 132 of the Income tax Act, 1961 (the Act) at premises of the Company pursuant to the search, the Assistant Director of Income tax, Investigations (ADIT) has issued summons under section 131(1A) of the Act to the Company for seeking certain information. The Company has submitted its responses along with required documents. Post search, the assessment proceedings have commenced for 5 assessment years. Subsequent to year-end, the Company have received summons for assessment year 2014-15, 2015-16, 2019-20 and 2020-21 with no change in reported income/loss. The Company is hopeful that no material income tax demand will be raised in the assessment proceedings for assessment year 2020-21.

Experion Developers Private Limited
Notes to the standalone financial statements for the year ended 31 March 2023
(Amount in Rupees lakhs, unless otherwise stated)

46. Lease related disclosures as lessee

The Company has leases for office building. With the exception of short term leases, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability. The Company has presented its right-of-use assets in in the standalone balance sheet separately from other assets.

For leases of office building, the Company must keep the property in a good state of repair and return the property in their original condition at the end of the lease.

A. Lease payments not included in measurement of lease liability

The expense relating to payments not included in the measurement of the lease liabilities is as follows

Particulars	31 March 2023	31 March 2022
Short-term leases	9.86	10.69

B. Total cash outflow for leases for the year ended 31 March 2023 was Rs. 18.26 lakhs (31 March 2022: Rs. 38.48 lakhs)

C. Total expense recognised during the year

Particulars	31 March 2023	31 March 2022
Interest on lease liabilities	0.14	3.64
Depreciation on right of use asset	14.44	34.67

D. Information about extension and termination options

31 March 2023

Right of use assets	Number of leases	Range of remaining term (in years)	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Office premises	-	-	-	-	-

31 March 2022

Right of use assets	Number of leases	Range of remaining term (in years)	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Office premises	1	0.42	1	-	1

(This space has been intentionally left blank)

Experion Developers Private Limited
Notes to the standalone financial statements for the year ended 31 March 2023
(Amount in Rupees lakhs, unless otherwise stated)

Note - 47

According to the management, section 186(8) of Companies Act, 2013 is not applicable on the Company as per specific exemption given to companies engaged in infrastructural activities.

Note - 48

The Company through a contract agreement dated 7 February 2013 (the contract) had awarded the works of civil (structure, finishing, mechanical, electrical, HVAC) and external development works, including provisional sum items on design and build basis for group housing project Wodehants (the project) to Larsen & Toubro Limited ("Contractor"). Later, disputes and differences arose between the parties under the contract which led to various actions including legal action being initiated by the Company and contractor against each other including invocation of contractor's bank guarantees by the Company and the termination of contract by both, contractor and the Company. During the previous year, the parties have entered into a settlement agreement for all disputes, suits and differences and the Company has paid Rs. 59.00 lakhs (including 18% of goods and services tax) to settle all liabilities.

49. Employer benefit - gratuity

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of continuous service gets a gratuity on departure at fifteen day salary (last drawn salary) for each completed year of service. The Company provides for liability in its books of accounts based on actuarial valuation.

The following table summarises the components of net benefit expense recognised in standalone statement of profit and loss and the amount recognised in the standalone balance sheet for gratuity benefit:

(i) Changes in the present value of the defined benefit obligation are as follows:

Particulars	31 March 2023	31 March 2022
Present value of defined benefit obligation at the beginning of the year	144.03	180.61
Current service cost	23.40	19.14
Interest cost	8.79	12.27
Actuarial loss/(gain) on obligation	1.31	(0.33)
Benefits paid	(22.03)	(67.67)
Present value of defined benefit obligation at the end of the year	155.52	144.03

(ii) Expenses recognized in standalone statement of profit and loss

Particulars	31 March 2023	31 March 2022
Current service cost	23.40	19.14
Interest cost	8.79	12.28
Cost recognized during the year	32.19	31.42

(iii) Expenses recognized in other comprehensive income

Particulars	31 March 2023	31 March 2022
Actuarial loss/(gain) (net) on account of:		
Changes in demographic assumptions		1.80
Changes in financial assumptions	(3.06)	7.36
Experience adjustment	6.37	(9.58)
Loss/(gain) recognized during the year	1.31	(0.33)

(iv) The principal assumptions used in determining gratuity benefit obligation for the Company's plan are given below:

Particulars	31 March 2023	31 March 2022
Discount rate	7.18%	6.10%
Salary escalation rate	5.00%	5.00%
Retirement age (years)	58 years	58 years
Average past service	4.52 years	1.60 years
Average age	41.00 years	39.83 years
Average remaining working life	17.00 years	18.20 years
Weighted average duration	3.97 years	3.00 years
Withdrawal rate:		
Up to 30 years	20.00%	20.00%
From 31 to 44 years	20.00%	20.00%
Above 44 years	20.00%	20.00%

Mortality rates inclusive of provision for disability - 100% of IAI-2012-14

(v) Bifurcation of projected current and non-current benefit obligation at the end of the year:

Particulars	31 March 2023	31 March 2022
Current liability (amount due within one year)	44.89	45.72
Non-current liability (amount due over one year)	110.63	98.33
Total projected benefit obligations at the end of the year	155.52	144.05

(This page has been intentionally left blank)

Experion Developers Private Limited

Notes to the standalone financial statements for the year ended 31 March 2023

(Amount in Rupees lakhs, unless otherwise stated)

(vi) Maturity profile of defined benefit obligation

31 March 2023	31 March 2022	Amount 31 March 2023	Amount 31 March 2022
April 2023-March 2024	April 2022-March 2023	44.89	45.72
April 2024-March 2028	April 2023-March 2027	76.41	86.23
April 2028 onwards	April 2027 onwards	34.22	12.10

(vii) A quantitative sensitivity analysis for significant assumption are shown below:

Particulars	31 March 2023	31 March 2022
a) Impact of the change in discount rate		
Present value of obligation at the end of the year	155.52	144.05
Impact due to increase of 1.00%	(4.62)	(4.72)
Impact due to decrease of 1.00%	4.79	5.06
b) Impact of the change in salary increase		
Present value of obligation at the end of the year	155.52	144.05
Impact due to increase of 1.00%	4.87	5.06
Impact due to decrease of 1.00%	(4.74)	(4.81)

Sensitivities due to mortality and withdrawals are not material. Hence impact of change is not calculated.

Sensitivities as to rate of inflation and life expectancy are not applicable being a lump sum benefit on retirement.

Risk

Salary increases	Actual salary increases will increase the plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
Discount rate	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality and disability	Actual deaths and disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact plan's liability.

Note - 50

The Company has appointed independent consultants for conducting a transfer pricing study to determine whether the transactions with associated enterprises at "arms-length basis". The management confirms that all international transactions with associated enterprises are undertaken at negotiated contracted prices on usual commercial terms, and adjustments if any, arising from the transfer pricing study shall be accounted for as and when study is completed. Based on preliminary study for the current year and completed study for the financial year ended 31 March 2022, the management is of the view that same would not have a material impact on tax expenses provided for in these standalone financial statements. Accordingly, these standalone financial statements do not include any adjustments for the transfer pricing implications, if any.

(Amount in Rupees Lakhs, unless otherwise stated)

52. Disclosures as per the requirements of Division II of Schedule III to the Act - Financial ratios

Ratio	Measurement unit	Numerator	Denominator	Numerator	Denominator	31 March 2023 Ratio	31 March 2022 Ratio	Change	Remarks
Current ratio	Times	Current assets	Current liabilities	2,76,234.36	66,873.23	4.13	2.47	20.15%	Refer Note B below
Debt equity ratio	Times	Net debt (Long-term borrowings + Short-term borrowings)	Total equity	40,745.51	1,76,250.47	0.23	0.29	-22.54%	Refer Note A below
Debt service coverage ratio	Times	EBITDA before depreciation and amortisation and interest less after tax + Depreciation and amortisation expense + Interest	Interest expense + Principal repayment (including prepayments)	48,546.69	6,232.59	7.48	2.74	173.35%	Refer Note C below
Return on equity ratio	Percentage	Profit after tax	Average of total equity	40,405.85	1,59,048.04	25.40%	5.44%	201.00%	Refer Note D below
Operating leverage ratio	Times	Cost of revenue	Average inventory	34,292.43	1,25,218.65	0.43	0.27	96.99%	Refer Note E below
Trade receivables turnover ratio	Times	Revenue from operations	Average trade receivables	93,536.47	11.95	2,466.98	94.48	2,470.26%	Refer Note F below
Trade payables turnover ratio	Times	Cost of revenue + other expenses	Average trade payables	66,311.73	2,281.83	26.43	16.68	58.46%	Refer Note G below
Net capital turnover ratio	Times	Revenue from operations	Working capital (Current assets - Current liabilities)	93,616.47	2,69,425.04	0.45	0.33	35.67%	Refer Note H below
Net profit ratio	Percentage	Profit after tax	Revenue from operations	40,405.85	52,616.47	49.10%	15.70%	115.10%	Refer Note I below
Return on capital employed	Percentage	Earnings before interest and tax - Profit before tax + Interest	Capital employed (Fixed assets + Current liabilities + Short-term borrowings)	53,907.30	2,20,183.31	25.47%	11.37%	126.95%	Refer Note J below
Return on investment	Percentage	Interest income on bank deposits + Gain on sale of loans + Investment profit - Fair value gain on current investments	Current and non-current bank deposits + Investments in mutual funds (including sweepers)	4,127.20	85,062.78	1.86%	1.63%	23.76%	Refer Note K below

Notes:

- The change is less than 25% as compared to previous year and hence, no explanation required.
- The increase is not primarily attributable to increase in cash and other bank balances during the year.
- The change in ratio is primarily attributable to increase in profit (on account of increase in business leading to increase in revenue and cost of revenue) as compared to previous year.
- The change in ratio is primarily attributable to increase in income in the current year.
- The change in ratio is due to increase in interest rates on bank deposits.
