

To Whomsoever it may concern

We have verified the books of accounts and other relevant records produced before us, we certify that the financial figures and particulars furnished in Form REP-1 (Application for the RERA registration of the project "Gaia Residences @ Amstoria 102", at Sector 102 Gurugram are true and fair maintained in the ordinary course of business.

This is a limited purpose certification on the request of management and we have only reviewed the working and documents produced before us. Further, management has taken few judgments while computation which we believe are fair judgment to take while computation.
