ABOUT CEREMONY HOMES PRIVATE LTD.

Ceremony Homes Pvt. Ltd. is an existing Private Limited company engaged in construction and development in Panipat. Mr. Mukesh Gulati is the Managing Director of the Company. The company's ability to meet the special requirements of the real estate market and clients stems from the strong foundations of professionalism.

Ceremony Homes Pvt. Ltd. have formed with strategic vision to cater the housing and commercial needs of individuals to provide its customers one brand, one standard, one uniform quality and one value system anywhere in the state of Haryana & Delhi NCR, with an end to end housing solution system. The Promoter is expected to harness the vast housing potential in the region.

COMPANY PROFILE:

In 2020, **Ceremony Homes Pvt. Ltd** originated under the flagship Mr. Mukesh Gulati of real estate professional with 20 years of experience. An emerging new response to the growing need for quality housing and commercial real estate development specifically in city where quality development is dreams for common middle class. Experience, attitude and discipline are what is needed to create a success story in any field. Ceremony Homes is a Real Estate emerging company that is determined to provide the best of residential and commercial project, where the parameters are not only restricted to location and good construction quality but Ceremony Homes take one step forward by ensuring a lifelong bond is created with the customer. Ceremony Homes also focus on smooth transaction and proper guidance through well experienced professionals so that your dream property shall become a ceremony for life.

OUR PHILOSOPHY: Ceremony Homes is an organization in which the company executives play an important decision-making authority as frontline and local managers while reserving all critical decisions at the top. We are benefitting from our decentralized structure as it allows our local leaders to have more ability to adapt quickly to the changes in the local market. If customers want something and they have to wait for area leaders to communicate with centralized leaders it can result in unwanted delays which may alienate top customers but it improves the morale throughout the company as managers and leaders at all levels believe they have a strong involvement in the success or failure of the company.

- We at Ceremony Homes believe in an all-around development which contributes

to various factions like infrastructure, technology, safety and security, social welfare, and more. On these pillars of development, the Ceremony Homes stands proud leading the charge for a better and stronger India.
