Business Overview

Real Estate Sector, a key economic sector in terms of its direct GDP contribution and a key employment generator in terms of its forward and backward linkages with over 250 industries, is cyclical in nature and is primarily driven by consumer sentiments, monetary policy and overall economic outlook. After clear majority at center and government inclination to increase investment in real estate, this sector has potential to drive the demand in 2017-18.

Your Company posted a consolidated total income of Rs 151,755.45 lakhs and consolidated profit after tax of Rs 9316.15 lakhs during the year ended March 31, 2016.

Despite the current uncertainties and challenges in the Real Estate environment, the Company is continuously maintaining its focus on project execution & delivery by optimal utilization of available resources, surplus asset sales, targeting mid segment housing markets to ensure sustained order book growth, continuing focus on enhancing the quality of service delivery to its customers and cost management across various functions. We believe our focused approach and large asset base will help us sustain and overcome the overall economic uncertainty in F.Y 2016-17/2017-18 and for future years to come.

DIVIDEND

During the year under review, no dividend was recommended by the Board of Directors of Vatika Limited for F.Y 2015-16.

To the Members of Vatika Limited

Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of Vatika Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements, that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act; safeguarding the assets of the Company; preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016, its loss and its cash flows for the year ended on that date.

Emphasis of Matter

9. We draw attention to Note 31(d) to the standalone financial statements which describes the uncertainty relating to the outcome of certain income tax related matters pending in litigation with courts/appellate authorities. Pending the final outcome of these matters, which is presently unascertainable, no adjustments have been made in the standalone financial statements. Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

10. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.
11. Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the standalone financial statements dealt with by this report are in agreement with the books of account;
 - d. in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2016 from being appointed as a director in terms of Section 164(2) of the Act.

Walker Chandiook & Co LLP

- f. we have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report dated 29 September 2016 as per Annexure B expressed an unqualified opinion; and
- g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. as detailed in Note 31(b) to 31(f) to the standalone financial statements, the Company has disclosed the impact of pending litigations on its standalone financial position;
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

Walker Chandniok & Co LLP

Annexure A to the Independent Auditor's Report of even date to the members of Vatika Limited, on the standalone financial statements for the year ended 31 March 2016

- (iii) The Company has granted both interest bearing and interest free unsecured loans to companies covered in the register maintained under Section 189 of the Act; and with respect to the same:
- in our opinion the terms and conditions of grant of such loans are not, *prima facie*, prejudicial to the company's interest;
 - in respect of interest bearing loan - the schedule of repayment of principal and payment of interest has been stipulated and are not due for repayment/payment currently. Further in respect of interest free loan - the schedule of repayment of principal has been stipulated wherein the principal amounts are repayable on demand and since the repayment of such loans has not been demanded, in our opinion, repayment of the principal amount is regular; and
 - there is no overdue amount in respect of loans granted to such companies.
- (iv) In our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans, investments, guarantees and security.
- (v) In our opinion, the Company has complied with the directives issued by the Reserve Bank of India, the provisions of Sections 73 to 76 and other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended) as applicable, with regard to the deposits accepted. According to the information and explanations given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal, in this regard.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products/services and are of the opinion that, *prima facie*, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have not been regularly deposited with the appropriate authorities and there have been significant delays in a large number of cases. Undisputed amounts payable in respect thereof, which were outstanding at the year end for a period of more than six months from the date they became payable are as follows:

Walker Chandniok & Co LLP

Annexure B to the Independent Auditor's Report of even date to the members of Vatika Limited, on the standalone financial statements for the year ended 31 March 2016

Annexure B

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the standalone financial statements of Vatika Limited ("the Company") as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting ("IFCoFR") of the Company as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Walker Chandniok & Co LLP

Annexure B to the Independent Auditor's Report of even date to the members of Vatika Limited, on the standalone financial statements for the year ended 31 March 2016

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2016

(All amounts are in Indian Rupees in lacs, unless otherwise specified)

1. Corporate Information

Vatika Limited ('the Company') was incorporated in India on 02 July 1998. The Company is primarily engaged in the business of promotion, construction, development, sale and maintenance of real estate properties in India.

2. Summary of significant accounting policies

a) Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014 (as amended). The financial statements have been prepared on an accrual basis and under the historical cost convention.

All assets and liabilities have been classified as current or non-current, wherever applicable as per the operating cycle of the Company as per guidance as set out in Schedule III to the Companies Act, 2013.

b) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) Tangible fixed assets and depreciation

Recognition and measurement

Tangible fixed assets are stated at cost, net of tax or duty credits availed, less accumulated depreciation and impairment losses, if any. Cost includes original cost of acquisition, including incidental expenses related to such acquisition and installation.

Capital work-in-progress represents expenditure incurred in respect of capital projects under development and are carried at cost. Cost includes development/ construction costs, borrowing costs and other direct expenditure.

Depreciation

With effect from 01 April 2014, depreciation on fixed assets is provided on the written-down value method, computed on the basis of useful life prescribed in Schedule II to the Companies Act, 2013, on a pro-rata basis from the date the asset is ready to put to use subject to adjustments arising out of transitional provisions of Schedule II.

d) Intangible assets and amortisation

Intangible assets comprise softwares including ERP, related licences and implementation cost of ERP. Intangible assets are stated at cost of acquisition less impairment (if any) and include all attributable costs of bringing intangible assets to its working condition for its intended use. These are amortised on a straight line basis over the expected benefit period or the legal life, whichever is lower, as follows:

Vatika Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2016

(All amounts are in Indian Rupees in lacs, unless otherwise specified)

e) Borrowing costs

Borrowing costs that are attributable to the acquisition and/or construction of qualifying assets are capitalized as part of the cost of such assets, in accordance with notified Accounting Standard 16 "Borrowing Costs". A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary interruption. All other borrowing costs are charged to the Statement of Profit and Loss as incurred.

Upfront fees/interest and processing charges paid on borrowings are amortized and charged off to Statement of Profit and Loss, over the tenure of the loan.

f) Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

g) Investments

Investments are classified as long term or current, based on management's intention at the time of purchase. Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Trade investments are the investments made for or to enhance the Company's business interests. Current investments are stated at lower of cost or fair value determined on an individual investment basis. Long-term investments are stated at cost and provision for diminution in their value, other than temporary, is made in the financial statements. Profit/loss on sale of investments is computed with reference to the average cost of the investment.

h) Inventories

Inventory comprises of land, completed properties for sale and project in progress are valued as under:

- i. Completed property for sale is valued at lower of cost and net realizable value. In case of self constructed property cost includes cost of land (including development rights and land under agreement to purchase), license related costs (accrued on receipt of letter of intent for license from government authorities), construction cost, overheads, borrowing cost and development/construction materials.
- ii. Projects in progress are valued at lower of cost (determined on weighted average cost method) and net realizable value. Cost includes cost of land (including development rights and land under agreement to purchase), license related costs, construction/development costs, overheads, borrowing cost and development/construction materials. However, cost in case of transferable development rights acquired by way of development/construction of built up area is the amount to be spent on development/construction of built up area.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(All amounts are in Indian Rupees in lac, unless otherwise specified)

i) Revenue recognition

Revenue is recognised when the substantial risks and rewards related to ownership are transferred in favour of the customers.

i. Revenue from sale of constructed properties and developed plots

Revenue from sale of constructed properties and developed plots is recognised on the "Percentage of Completion method" of accounting. Sale consideration receivable as per the agreements to sell (where the property/plot is specifically identified) entered into for constructed properties and developed plots is recognised as revenue on the basis of percentage of actual project costs incurred thereon to total estimated project cost, subject to such actual cost incurred being 30 per cent or more of the total estimated project cost in case of constructed properties and 67 per cent or more of the total estimated project cost in case of developed plots.

Project cost includes cost of land (including development rights), estimated internal development charges, external development cost, other related government charges, borrowing costs, overheads, construction costs and development/ construction materials of such properties, to determine percentage of completion. The estimates of the saleable area and costs are reviewed periodically by the management and any effect of changes in estimates is recognized in the period such changes are determined. However, when the total project cost is estimated to exceed total revenues from the project, the loss is recognized immediately. Liquidated damages/penalties are provided for, based on management's assessment of the estimated liability, as per contractual terms.

With effect from April 01, 2012 in accordance with the Revised Guidance Note issued by Institute of Chartered Accountants of India ("ICAI") on "Accounting for Real Estate transactions (Revised 2012)", the Company revised its accounting policy of revenue recognition for all projects commencing on or after April 01, 2012 or project where the revenue is recognized for the first time on or after the above date. As per this Guidance Note, the revenue have been recognized on percentage of completion method provided all of the following conditions are met at the reporting date.

- a. all critical approvals necessary for the commencement of project have been obtained;
- b. the expenditure incurred on construction and development cost is not less than 25% of the total estimated construction and development costs;
- c. at least 25 % of the saleable project area is secured by agreements with buyers; and
- d. at least 10% of the total revenue as per the agreements are realised at the reporting date in respect of each of the contracts and it is reasonable to expect that the parties to such contracts will comply with the payment terms as defined in the contracts.

ii. Revenue from sale of land, completed property and development right

Revenue from sale of land, completed property and development right is recognised in the financial year in which the agreement to sell is executed and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale.

iii. Amounts earned on account of transfer of projects

Amounts earned on account of transfer of projects are recognized in the financial year in which the underlying agreements are executed, and no significant uncertainty exists regarding the amount of consideration that will be derived from the transfer.

l) Foreign currency transactions

i) Initial recognition:

Foreign currency transactions are recorded at the rates prevailing on the date of transaction.

ii) Subsequent recognition:

Foreign currency monetary items are restated at the rate prevailing on the balance sheet date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

iii) Exchange differences:

Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

m) Employee benefits

i) Provident fund

The Company makes contributions to statutory provident fund in accordance with the Employees Provident Fund and Miscellaneous Provisions Act, 1952, which is a defined contribution plan. The Company's contributions paid/payable under the scheme is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

ii) Gratuity

Gratuity is a post employment benefit and is in the nature of a defined benefit plan. The liability recognised in the balance sheet in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date less the fair value of plan assets, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is determined by actuarial valuation as on the balance sheet date, using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged or credited to the Statement of Profit and Loss in the year in which such losses or gains are determined.

iii) Compensated absences

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognised on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the Statement of profit and loss in the year in which such gains or losses are determined.

iv) Other short term benefits

Expense in respect of other short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

ii) Leases

i) Where the Company is the lessee

Finance leases which effectively transfer to the company substantially all the risks and benefits incidental to ownership of the leased item, are capitalised at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets.

Lease payments are apportioned between the finance charges and reduction of the lease liability based on a rate of return implicit in the lease. Finance charges are charged directly against income. Lease management fees, legal charges and other initial direct costs are capitalised.

If there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, capitalised leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

ii) Where the Company is the lessor

Assets given under a finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease rentals are apportioned between principal and interest on the IRR method. The principal amount received reduces the net investment in the lease and interest is recognised as revenue. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Statement of profit and loss.

Assets subject to operating leases are included in fixed assets. Lease income is recognised in the Statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognised as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Statement of Profit and Loss.

o) Taxes on income

Tax expense comprises current income tax and deferred income tax.

Current tax is determined as the amount of tax payable in respect of taxable income for the year, in accordance with the Income Tax Act, 1961.

Deferred income tax reflects the impact of timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable/virtual certainty, depending on the nature of the timing differences, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form MAT credit available for adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal tax in subsequent years. The Company evaluates this matter at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will be able to utilize that credit. MAT credit is available for carry forward for a period of ten years.

p) Earnings per share

Basic earnings per share is calculated by dividing net profit or loss for the year attributable to equity shareholders by weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue, share split and any new equity issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

q) Provisions, contingent liabilities and contingent assets

Depending upon the facts of each case and after due evaluation of legal aspects, claims against the Company not acknowledged as debts are treated as contingent liabilities. The Company makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of obligation can be made. In respect of statutory dues disputed and contested by the Company, contingent liabilities are provided for and disclosed as per original demand without taking into account any interest or penalty that may accrue thereafter. Possible future or present obligations that may but will probably not require outflow of resources or where the same cannot be reliably estimated, has been disclosed as a contingent liability in the financial statements.

Contingent assets are neither recognised nor disclosed in the financial statements.

r) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statements comprise cash at bank and in hand and short-term bank deposits with an original maturity of three months or less.

d. The Company has outstanding tax demands from the Income tax authorities aggregating to Rs. 25,022.39 lacs (previous year Rs. 25,490.33 lacs) pertaining to financial year ended 31 March 1996 to 31 March 2013 on account of various additions to income and disallowances of expenditure. The Company has paid Rs. 6,952.23 lacs (previous year Rs. 6,409.11 lacs) under protest towards above tax demands. The Company's appeals against the said demands are pending before courts/appellate authorities.

Based on management assessment and upon consideration of advice from the independent legal counsel, the management believes that the Company has reasonable chances of succeeding before the courts/appellate authorities and does not foresee any material liability. Pending the final decision on the matters, no adjustment has been made in the financial statements.

e. The Company has certain litigations involving customers, stamp duty and other land related matters. Based on advice of in-house legal team, the management believes that no material liability will devolve on the Company in respect of these litigations.

f. The Hon'ble Supreme Court (Larger Bench) in the case of T&T (Larsen & Toubro Limited) v/s State of Karnataka, 2013-VIL-03-SC-LB, has held that under agreement for sale of flat which is to be constructed by the developer/promoter, element of 'works contract' is also involved and hence, the same is liable for the levy of VAT (value added tax). Further, the Court held that the value addition made to the goods transferred after the agreement is entered into with the flat purchaser can only be made chargeable to tax by the State Government.

All the projects being executed by Company are located in the state of Haryana and Rajasthan.

In the state of Rajasthan, vide Notification No. F.12(59)/13/Tax/2014-83 dated 30 July 2014, developers have been specifically exempted from paying VAT on the amount received upto 31 March 2014 with regard to the agreement made by them for construction of flats, dwellings or buildings or other premises. The Company has not received any notice from department with respect to additional VAT liability in this regard.

In the state of Haryana, the assessment/reassessment orders have been passed by the assessing authority for financial year 2008-09 till financial year 2013-14 against which the Company has filed appeals with respective appellate authorities challenging the period of limitation and the computation of taxable turnover. Further the revision order for financial year 2007-08 has been set aside by the Hon'ble High Court of Punjab and Haryana and has been remanded back to concerned authorities for disposal in line with the judgment delivered by Hon'ble High Court of Punjab and Haryana. However, the Company is yet to receive a formal notice from the assessing authority for the same.

Haryana Government has vide notification issued on 12 September 2016 released Haryana Alternate Tax Compliance Scheme for Contractors, 2016 ("Amnesty Scheme") under Section 59A of the Haryana Value Added Tax Act, 2003 ("H-VAT Act") for the period upto 31 March 2014. Under the Amnesty Scheme, the Company may opt to pay a lump sum amount at the rate of 1% plus surcharge of 5% on the entire aggregate amount (i.e. revenue recognized as per audited financial statements of the relevant financial year or valuable consideration, whichever is higher, in relation to business), received/receivable for the business carried out during the year, without deduction of any kind. Management intends to opt for the Amnesty Scheme and based on the terms of the agreement with the buyers, is of the opinion that above tax liability is recoverable from the respective buyers as per legally binding agreements with the buyers and therefore does not foresee any material liability which may not be recovered. Accordingly, no adjustment has been made in the financial statements with respect to this matter.

g. The Payment of Bonus (Amendment) Act, 2015 dated 31 December 2015 (which was made effective from 01 April 2014) revised the thresholds for coverage of employee eligible for Bonus and also enhanced the ceiling limits for computation of bonus. However, taking cognizance of the stay granted by various High Courts, the Company has not recognized differential amount of bonus amounting to ₹ 8.94 lacs (previous year Nil) for the period 01 April 2014 to 31 March 2015 and accordingly has recognized the expense as per the amended provisions w.e.f. 1 April 2015 and onwards.

Vatika Limited**Summary of significant accounting policies and other explanatory information for the year ended 31 March 2016***(All amounts are in Indian Rupees in lacs, unless otherwise specified)*

Changes in the present value of the defined benefit obligation are as follows:

| | 31 March 2016 | 31 March 2015 |
|---|---------------|---------------|
| Opening defined benefit obligation | 177.36 | 143.14 |
| Interest cost | 14.18 | 12.88 |
| Past service cost | - | - |
| Current service cost | 34.54 | 35.75 |
| Benefits paid | (22.80) | (28.59) |
| Actuarial (gain)/loss on obligation | (9.96) | 14.18 |
| Closing defined benefit obligation | 193.32 | 177.36 |

Changes in the fair value of plan assets are as follows:

| | 31 March 2016 | 31 March 2015 |
|--|---------------|---------------|
| Opening fair value of plan assets | 148.24 | 155.20 |
| Expected return | 12.97 | 13.58 |
| Contributions by employer | 16.05 | 10.00 |
| Benefits paid | (22.81) | (28.59) |

| Closing fair value of plan assets | 152.32 | 148.24 |
| Actual return on plan assets | 10.84 | 11.63 |

The Company expects to contribute Rs. 55.32 lacs (previous year Rs. 53.44 lacs) to gratuity fund.

The major categories of plan assets as a percentage of the fair value of total plan assets are as follows:

| | 31 March 2016 | 31 March 2015 |
|--|---------------|---------------|
| | % | % |
| Investments with Life Insurance Corporation of India | 100 | 100 |

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

The principal assumptions used in determining gratuity for the Company's plans are shown below:

| | 31 March 2016 | 31 March 2015 |
|-----------------------------------|---------------|---------------|
| Discount rate | 8.00% | 8.00% |
| Expected rate of return on assets | 8.00% | 8.75% |
| Future salary increase | 6.00% | 6.00% |
| Employee turnover | | |
| - Upto 30 years | 3% | 3% |
| - Upto 44 years | 2% | 2% |
| - Above 44 years | 1% | 1% |

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.
