	4.	project/ phase for which occupation certificate/ completion certificate is to be obtained by the promoter. Ou estimated cost calculations are based on the structural drawing/ plans made available to us for the project under reference by the developer and consultants and the schedule of items and quantity for the entire worl as calculated by the quantity surveyor appointed by the developer/ engineer and the site inspection carried		mpletion certificate is to be obtained by the promoter. Our ctural drawing/ plans made available to us for the project and the schedule of items and quantity for the entire work		
1. Total estimated cost for completion of the building(s) in the aforesaid project under reference		1.		21947.24		

	_		
	2.	Estimated cost incurred till date (based on site inspection)	21869.61
		•	
	3.	The balance cost of completion of the	
		civil work/ MEP and allied works of the building(s) of the project for obtaining	77.63
		occupation certificate/ completion	77.03
		certificate from department of Town &	
		Country Planning, Haryana	
5.	The estimated total cost of project is with reference to the Civil work/ MEP and allied works required to be completed for the purpose of obtaining occupation certificate/ completion certificate for the building(s) from the Q Catalyst_being the competent authority under whose jurisdiction the aforesaid project is being implemented.		
6.	The amount of estimated cost incurred so far has been calculated on the basis of amount of total estimated cost.		
7.	I certify that the project work has been executed as per compliance of standard engineering procedure, conforming to relevant BIS and as per prescribed norms.		
8.	I also certify that the work has been executed as per approved drawings, statutory/ mandatory approvals, Haryana Building Code, 2017/ National Building Code (wherever applicable) and the material used in the construction, infrastructure work and internal development works are as per the projected standard as envisaged in the registration and brochure, publication material and other documents shared with the buyers in this regard		
9.	I also certify that the cost of the civil work/ MEP and allied work for the aforesaid project as completed on the date of this certificate is as given in table A and table B below;		

Date	: 12-10-2022	Yours faithfully,
Place	:	Signature & name (in block letters) with stamp of engineering firm/individual
Local authority license no.	:	
Local authority license no. valid till (date)	:	

* Not	e
1.	The scope of work is to complete entire real estate project as per drawings approved from time to time so as to obtain occupation certificate/ completion certificate.
2.	(*) Quantity survey can be done by office of engineer or can be done by an independent quantity surveyor, whose certificate of quantity calculated can be relied upon by the engineer. In case of independent quantity surveyor being appointed by promoter, the name has to be mentioned at the place marked (*) and in case quantity are being calculated by office of engineer, the name of the person in the office of engineer, who is responsible for the quantity calculated should be mentioned at the place marked (*).
3.	The estimated cost includes all labour, material, equipment and machinery required to carry out entire work.
4.	As this is estimated cost, any deviation in quantity required for development of the real estate project will result in amendment of the cost incurred/ to be incurred.
5.	All component of work with specifications are indicative and not exhaustive.
