		Engineer's Co	ertificate Annexure		
C		quarter ending	31st March, 2021		
Sui	bject		Certificate of percentage of completion of construction work		
	1-		of the project at the end of the guarantee		
1.	I'we have undertaken assignment as engineer for certifying perce		entage of completion of		
	. ,	Pro die approved plans and approved structural drawing	gs duly vetted by the proof consultant.		
	Sr.	Particulars	Information		
	No.				
	1.	Project/phase of the project	Project Area 11302.54 Sqr Mtr. Commercial Cum Residential		
	2.	Location	Colony, Royal Residency, Faridabad		
	3.	Licensed area in acres	Village Bhatola, Sector-79, Faridabad		
	4.	Area for registration in acres	11.49375 Acres		
	5.	HARERA Registration No.	2.80 Acres		
	6.	Name of licensee	124 of 2017		
	7	Name of collaborator	Robust Buildwell Private Limited		
	8.	Name of developer	N.A.		
2.		Is related to inspection are as under	Robust Buildwell Private Limited		
	1.	Date of certifying of percentage of construction work/ site			
		inspection	30-Apr-21		
	2.	Name of engineering firm/ individual	AV F		
	3.	Date of site inspection	A.K. Engineering & Associates		
١.	Follow	ing technical professionals are appointed by promoter: - (as	24-Apr-21		
	Sr.	Consultants			
	No.		Name		
		Site engineer	Mr Deep Chand Panth		
	2.	Structural consultant	Mr Pankaj Varshney		
	3.	Proof consultant	and I diskaj vai siniev		
		MEP consultant	Mr Dharmendra Singh		
	5.	Quantity surveyor	Mr Ravi Chauhan d allied works, of the building(s) of the project/ phase for which		
	occupation certificate/ completion certificate is to be obtained by the promoter. Our estimated cost calculations are based on structural drawing/ plans made available to us for the project under reference by the developer and consultants & the schedule of items and quantity for the entire work as calculated by quantity surveyor appointed by developer/ engineer and the site inspection carried out by us. (Amount in Lakks)				
	items a	nd quantity for the entire work as calculated by quantity sur out by us. (Amount in Lakhs)	rotoronos has also deservices to the state of the state o		
	items a carried	and quantity for the entire work as calculated by quantity sur out by us. (Amount in Lakhs) Total estimated cost for completion of building(s) in the	rotoronos has also deservices to the state of the state o		
	items a carried	and quantity for the entire work as calculated by quantity sur out by us. (Amount in Lakhs) Total estimated cost for completion of building(s) in the aforesaid project under reference (Total of table A & B)	reference by the developer and consultants & the schedule of veyor appointed by developer/ engineer and the site inspection		
	items a carried 1.	nd quantity for the entire work as calculated by quantity sur out by us. (Amount in Lakhs) Total estimated cost for completion of building(s) in the aforesaid project under reference (Total of table A & B) Estimated cost incurred till date (based on site inspection)	reference by the developer and consultants & the schedule of veyor appointed by developer/ engineer and the site inspection		
	items a carried 1. 2. 3.	and quantity for the entire work as calculated by quantity sur out by us. (Amount in Lakhs) Total estimated cost for completion of building(s) in the aforesaid project under reference (Total of table A & B) Estimated cost incurred till date (based on site inspection) The balance cost of completion of civil work MEP and	reference by the developer and consultants & the schedule of veyor appointed by developer engineer and the site inspection 11047		
	items a carried 1. 2. 3.	out by us. (Amount in Lakhs) Total estimated cost for completion of building(s) in the aforesaid project under reference (Total of table A & B) Estimated cost incurred till date (based on site inspection) The balance cost of completion of civil work MEP and allied works of the building(s) of the project for obtaining	reference by the developer and consultants & the schedule of veyor appointed by developer engineer and the site inspection 11047 8778		
	items a carried 1. 2. 3.	out by us. (Amount in Lakhs) Total estimated cost for completion of building(s) in the aforesaid project under reference (Total of table A & B) Estimated cost incurred till date (based on site inspection) The balance cost of completion of civil work MEP and allied works of the building(s) of the project for obtaining occupation certificate completion certificate from	reference by the developer and consultants & the schedule of veyor appointed by developer engineer and the site inspection 11047 8778		
	items a carried 1.	and quantity for the entire work as calculated by quantity sur out by us. (Amount in Lakhs) Total estimated cost for completion of building(s) in the aforesaid project under reference (Total of table A & B) Estimated cost incurred till date (based on site inspection) The balance cost of completion of civil work MEP and allied works of the building(s) of the project for obtaining occupation certificate completion certificate from department of Town & Country Planning, Harvana	reference by the developer and consultants & the schedule of veyor appointed by developer engineer and the site inspection 11047 8778 2269		
	tems a carried 1. 2. 3. The est purpose competer	nd quantity for the entire work as calculated by quantity sur out by us. (Amount in Lakhs) Total estimated cost for completion of building(s) in the aforesaid project under reference (Total of table A & B) Estimated cost incurred till date (based on site inspection) The balance cost of completion of civil work MEP and allied works of the building(s) of the project for obtaining occupation certificate completion certificate from department of Town & Country Planning, Haryana imated total cost of project is with reference to the Civil work of obtaining occupation certificate completion certificate form authority under whose jurisdiction the aforesaid project is	11047 11047 8778 2269 k/ MEP and allied works required to be completed for the roulding(s) from the HUDA AUTHORITY being the being implemented		
	tems a carried 1. 2. 3. The est purpose compete	out by us. (Amount in Lakhs) Total estimated cost for completion of building(s) in the aforesaid project under reference (Total of table A & B) Estimated cost incurred till date (based on site inspection) The balance cost of completion of civil work MEP and allied works of the building(s) of the project for obtaining occupation certificate completion certificate from department of Town & Country Planning, Haryana imated total cost of project is with reference to the Civil work of obtaining occupation certificate completion certificate for the country under whose jurisdiction the aforesaid project is count of estimated cost incurred so far has been calculated or	11047 8778 2269 k' MEP and allied works required to be completed for the roulding(s) from the HUDA AUTHORITY being the being implemented.		
	tems a carried 1. 2. 3. The est purpose compete The am I certifi	and quantity for the entire work as calculated by quantity sure out by us. (Amount in Lakhs) Total estimated cost for completion of building(s) in the aforesaid project under reference (Total of table A & B) Estimated cost incurred till date (based on site inspection) The balance cost of completion of civil work MEP and allied works of the building(s) of the project for obtaining occupation certificate completion certificate from department of Town & Country Planning, Haryana imated total cost of project is with reference to the Civil work of obtaining occupation certificate completion certificate for authority under whose jurisdiction the aforesaid project is ount of estimated cost incurred so far has been calculated or that the project work has been executed as per completion out to the control of the project work has been executed as per completion of the project work has been executed as per completion of the project work has been executed as per completion out the project work has been executed as per completion of the project work has been executed as per completion of the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as per completion out the project work has been executed as	11047 11047 8778 2269 k' MEP and allied works required to be completed for the roulding(s) from the HUDA AUTHORITY being the being implemented.		
	tems a carried 1. 2. 3.
