The application for registration of project namely "ICONIC TOWER"on land measuring 28.90 acres received by the Authority and the same came up for consideration of the Authority today.

The representative of the promoters during the last hearing stated that no outstanding EDC is pending against the said licence and relying on the statement made by the representative, Authority decided to grant them the registration. However, during the course of the hearing today which was held with reference of his latest communication with the authority, it was found by the Authority that they have paid Rs. 37.39 in account of EDC and further requires to pay an amount of Rs. 40 crores.

The false statement made by the representative of the promoter invited further cost of Rs. 50,000/- on the promoter.

The Authority further directed the promoter for providing correct information about the outstanding liabilities and status of licence.

The case is adjourned to 28.08.2018.
