The promoter has registered the project in phases and the application of registration of balance area was also applied before the authority on 20.08.2018 along with the registration fee wherein some deficiencies were sought by the authority on 19.09.2018 and 18.12.2018 and the main deficiency was that the license renewal application preferred by the promoter for consideration before DTCP, Haryana was pending. Therefore, the authority rejected the application seeking RERA registration.

Further, the promoter has applied for registration again on 26.05.2021 for common registration of balance area admeasuring 48.00 acres including 87 plots (i.e., J56-J74, J76-J112, J116-J139, J141-J143, J-145-J-146, J149-J150 of block J). the promoter has also stated that the reason for not applying for registration of balance area was solely on account of the previous rejections of the registration applications by the authority beyond their control.

Further, the promoter stated that the conveyance deed dated 08.10.201/ were extended in favor of M/s Adani Brahma Synergy Pvt Ltd for the purpose of redevelopment and /or sale to the end users, after obtaining RERA registration. After the scrutiny of the application applied for registration on 26.05.2021 , deficiencies were noticed, which were conveyed to the promoter vide notice no. HARERA/GGM/RPIN/334 dated 25.05.2021 with directions to remove the deficiencies latest by 05.06.2021 failing which their application may be rejected following the due procedure as provided under section-5 of the Real Estate Regulation and development) Act 2016 and Rule-5 of the Haryana Real Estate (Regulation and Development) Rules, 2017.
