The project namely "Park Street" being developed by M/s KS Propmart Pvt. Ltd. in sector-85, Gurugram on an area measuring 2.85 acres was registered vide registration no. 41 of 2019 dated 30.07.2019 which was valid upto 31.12.2021 + 6 months COVID = 30.06.2022. Now, the promoter has applied for extension of registration of project under section 6 of the RERA, 2016.		

After the scrutiny of the application, it is found that at the time of registration, the building plans were approved on FAR @ 1.75. The promoter has also not submitted the status of construction in the project and neither submitted the quarterly progress report nor the report under section 4(2)(l)(D) of the Act, 2016 for the project area registered.

Therefore, keeping in view the above a notice was issued to the promoter to appear before the authority and submit the reasons/clarifications on the above points before proceeding further and scrutinize the file in detail as the promoter has already obtained the in-principal approval of revised building plans of the project under TOD policy for which the promoter first needs to register the same.
