

Project Name: Project in Sector-70, V. Mujheri, Faridabad.

Before the full Bench comprised of Chairman and both the Members

Name of the applicant: M/s. Pivotal Infrastructure Pvt. Ltd., Gurgaon

Date of hearing: 05.06.2018

Present: Shri Rohan Gupta, authorized Advocate of the Company

The applicant while submitting the written reply dated 31.05.2018 which was presented before the Authority today informed that he is submitting part information and would require more time for filing the complete information as per the orders of the Authority dated 08.05.2018.

The Authority asked Sh. Rohan Gupta, Advocate to furnish information in revised part 'C' of the REP-1 notified on 16th May, 2018. The information shall be submitted in the office upto 14.06.2018.

It was stated by the applicant that one of the license was valid upto 19th April 2018 and that they have filed an application for the renewal of the same with requisite fee with the Director, Town & Country Planning. He also stated that there are no further outstanding dues against the said licenses. The applicant also stated that the Occupation Certificate in respect of 10 Towers has already been granted by the DTCP in November, 2017. For this Occupation Certificate, an application was filed in December, 2015.

The Authority observed that the renewal of the license is an administrative decision of the department which may be expedited by them. The Authority decided to ask the Director, Town & Country Planning Department, Haryana regarding the status of the renewal of license No. 33 of 2010 dated 20.04.2010 and to state reasons why the occupation certificate has been issued with a delay of 2 years before the next date of hearing in written submissions.

Adjourned to 19th June, 2018.
