1. An application for registration of project cited above was received from the promoter on 29.07.2026. License No. 45 of 2023 dated 01.03.2023 valid upto 29.02.2028 for an area measuring 28.3275 acres has been granted in favour of Aravali Infratech Private Limited. The project has been registered by the Authority vide Registration no. HRERA-PKL-PKL-460-2023 dated 01.06.2023 valid upto 01.03.2030. 2. The application was examined and following observations were conveyed on 07.08.2026:

- vi. Valuation reports have not been mentioned on net worth certificates of directors.
- vii. Net worth certificate of company has not been submitted.
- viii. Payment plan at CP-339 is not in order.
- ix. REP-I Part G is incomplete.
- x. Specification of construction in Part H should be brand specific.
- xi. The promoter should explain as to why the application for registration of floors has been filed as an ongoing project.
- xii. List of plots mortgaged with DTCP Haryana be submitted.
- xiii. Projected cash inflows and outflows of the project be submitted.

- xvii. The table showing-plot nos./permissible FAR/proposed FAR/no. of storeys to be constructed be submitted.
- xviii. Whether any ban exists on the construction of four storey apartments as on date-the same be submitted by way of an affidavit.

3. Vide reply dated 11.08.2026, the deficiencies mentioned above have been partly complied by the promoter except at serial no ii, iii, iv, vi, viii, ix, x, xiv, xv and xviii.

4. As regards xviii, the Authority on the last date of hearing i.e., 12.08.2026 observed that as per interim order dated 02.04.2026 issued by Hon'ble High Court in CWP-PIL No. 212 of 2024 titled as "Sunil Singh vs. State of Haryana and another", there is a stay on construction of S+4 floors on residential plots. The promoter was directed to comply with the remaining observations before the next date of hearing i.e., 26.08.2026.

5. Vide reply dated 25.08.2026, the promoter has complied with the observations mentioned at Serial no. ii, iv, ix, x and xiv. As regards ban on the construction of four storey apartments, the promoter has reiterated that no ban exists on the construction of four storey apartments as on date in respect to the project Hill View Estate Floors as the building plans have been approved by the Department of Town & Country Planning, Haryana much prior to the stay order dated 02.04.2026 passed by the Hon'ble High Court of Punjab and Haryana in the matter titled as Sunil Singh Vs State of Haryana bearing CWP - PIL no. 212 of 2024. Further, the relevant operative paragraph is only applicable in respect to the future sanctioning of the construction of floors and is not applicable to the approved floors which were sanctioned prior to the passing of the order dated 02.04.2026. The relevant operative para of the order dated 02.04.2026 reads as under: - "12. Since, the arguments are taking long time to conclude for reasons attributed to the counsel for the rival parties, is deemed appropriate by this Court, at this stage, without commenting on the validity of the impugned

order notification dated 02.07.2024 (Annexure P-6) passed by the Additional Chief Secretary, Government of Haryana, Town and Country Planning Department, Haryana, to restrain the State from going ahead with the stilt + 4 floor Policy for the residential plots and to stay the effect and operation of the impugned order notification (Annexure P-6) for the time being, till the next date of hearing."

Further vide order dated 27.04.2026, the Hon'ble High Court had stated as follows:-
"The interim order was passed after conducting a spot inspection of a particular area of Gurugram, especially in Sector 28, DLF, Phase-I, Gurugram, therefore we would like to clarify that the order dated 02.04.2026, relates exclusively to the District of Gurugram and not to any other districts of State of Haryana. However, the impugned order dated 02.07.2024 (vide Annexure P-6), which relates to all the districts of the State of Haryana shall remain subject to the final outcome of this petition. We also clarify that interim orders are always prospective in nature."

Therefore, the promoter mentioned that it is clear from the order dated 27.04.2026, that the order dated 02.04.2026 is only applicable in respect to the District Gurugram and the said order is prospective in nature. Therefore, since, the approvals for carrying out the construction of floors is granted to the promoter much prior to the order dated 02.04.2026 therefore there is no ban on the construction of floors. Further, the promoter requested that the Authority had granted the RERA registration for construction of floors to the promoter M/s True Villas Developers Private Limited vide registration no. HRERA-PKL-JJR-945-2026 on 20.07.2026, after passing of the said order dated 02.04.2026 and therefore, he submitted that the registration of their project may also be granted at the earliest. The copy of the registration granted to M/s True Villas Developers Private Limited is also annexed by the promoter.

6. After consideration, the Authority grants another opportunity to the applicant promoter to submit reply to the observations mentioned at serial no. iii, vi, viii, and xv by 27.08.2026 so that a decision by circulation could be taken within the stipulated time failing which the said application will be rejected.
