f) Extension for the period from 12.07.2022 to 12.07.2023 was duly approved/considered by the Hon'ble RERA Authority under Section 6 of the Real Estate (Regulation and Development) Act, 2016. Vide order dated 30.10.2023, the Hon'ble Authority approved the second extension for the period from 12.07.2022 to 12.07.2023. In the said order dated 30.10.2023 (last paragraph), however, there appears to be a clerical/typographical error insofar as the date "12.07.2022" has been mentioned instead of "12.07.2023". Nevertheless, a holistic reading of the facts, circumstances, and chronology of events unequivocally demonstrates that the extension granted by the Hon'ble Authority pertained to the period from 12.07.2022 to 12.07.2023. That by the time the said order dated 30.10.2023 came to be passed, the preceding extension period i.e., 12.07.2022 to 12.07.2023 had already expired. In these circumstances, the Promoter submitted a letter dated 02.11.2023 requesting the Hon'ble Authority to allow the project registration to remain in force till 31.03.2024. Accordingly, the Hon'ble RERA Authority considered our request on hearing dated 21.11.2023 for the further period i.e. third extension and allowed the project registration to remain in force till 31.03.2024, subject to deposit of the requisite extension fee. Accordingly, the Promoter duly complied with the said direction and deposited the requisite extension fee on 14.12.2023. On hearing dated 24.01.2024, the matter under Section 7(3) of the RERA Act, 2016, it was specifically recorded that the extension fee amounting to ₹ 6,65,531/- submitted on 14.12.2023 was found to be in order, and the Promoter was directed to submit the Engineer's and Architect's Certificates. The Authority on 20.03.2024 recorded in its proceedings that the requisite extension fee up to 12.07.2024 had already been deposited by the Promoter. The matter was thereafter adjourned to 08.05.2024 with directions to intimate the status of Towers C, D and E. It is worth mentioning that throughout the aforesaid proceedings, the Hon'ble RERA Authority was merely issuing directions regarding compliances for the purpose of considering continuation/extension of the project registration till 12.07.2024.

Subsequently, after all the compliances were done by the Promoter, vide proceedings dated 08.05.2024, the Hon'ble RERA Authority granted extension of

3/6

registration under Section 7(3) of the RERA Act, 2016 for a period of one year, i.e., from 12.07.2023 to 12.07.2024, since the previous extension for the period from 12.07.2022 to 12.07.2023 had already been approved vide order dated 30.10.2023 under section 6 of the RERA Act, 2016. Further, as directed by RERA authority on 08.05.2024, the status of Tower C, D and E was submitted on the same day.

8. Promoter had requested to adjust the fee already paid in excess while getting RERA extension of "Skynest Towers"- Promoter in its reply additionally submitted that while obtaining the RERA registration of "Sky Nest Towers", the Hon'ble Authority, vide deficiency notice dated 12.03.2026, at Point No. XIII, directed the Promoter to deposit the fee for "Discovery Park" as per the increased FAR of 2.38. Accordingly, a sum of ₹ 11,72,441/- was deposited by the Promoter. However, as per the revised calculation based on FAR 2.38, the RERA registration fee for "Discovery Park" is as follows:

- Revised calculation of RERA Registration Fee for Discovery Park:
71064.421 sq. mtrs. (FAR) $\times$ ₹ 24 = ₹ 17,05,547/-
- RERA Registration Fee actually paid till date:
 - i. ₹ 7,60,317/- (at the time of registration).
 - ii. ₹ 5,69,831/- (as per order dated 08.08.2022).
 - iii. ₹ 11,72,441/- (as per deficiency notice dated 12.03.2026).

Total = ₹ 25,02,589/-

- Excess fee paid:
₹ 25,02,589/- - ₹ 17,05,547/- = ₹ 7,97,042/-
Further, for the RERA registration of "SkyNest Towers", the Promoter has paid a total fee of: ₹ 17,93,240/- + ₹ 5,00,000/- = ₹ 22,93,240/-
However, as per the registered FAR of 75030.981, as also reflected in REP-1, the RERA registration fee payable is calculated as under:
 - RERA Registration Fee for SkyNest Towers:
75030.981 sq. mtrs. (FAR) $\times$ ₹ 24 = ₹ 18,00,744/-
 - Excess fee paid:
₹ 22,93,240/- - ₹ 18,00,744/- = ₹ 4,92,496/- (B)
 - Accordingly, the Promoter has paid an aggregate excess fee of ₹ 12,89,538/- (₹ 7,97,042/- + ₹ 4,92,496/-).

9. Promoter has prayed that the aforesaid excess amount may be adjusted towards the RERA extension fee of "Discovery Park", and any further excess or deficit amount, if found payable, may thereafter be adjusted or demanded accordingly. Promoter also requested to upload the OC of the project in best interest of all concerned.

10. Upon perusal of records, Authority observed that registration of project was valid upto 12.10.2020, first extension granted (for one year) upto 12.10.2021, extension (for nine months) due to COVID- 19 upto 12.07.2022. On 12.07.2022 promoter applied for second extension for one year upto 12.07.2023. During the pendency of extension application, on 21.11.2023, Authority directed the promoter to deposit extension fee upto the period 31.03.2024 (As the promoter requested to grant extension till 31.03.2024). On 20.03.2024 Authority had observed that the Promoter has paid extension fee for two years and has sought extension upto 12.07.2024 (for two years) (Promoter requested to grant extension till 12.07.2024 vide letter dated 20.02.2024). On 08.05.2024, Authority instead of revoking the registration granted, allowed it to remain in force for one year under section 7(3) of RERD Act, 2016, despite the fact extension fee paid uptill 12.07.2024.

11. Vide letter dated 24.06.2026, the Promoter has requested to amend the application of extension dated 09.03.2026 and request to grant extension upto 12.07.2027.

12. In view of above, on 15.07.2026 the Authority observed that proceedings of the meeting dated 08.05.2024 (Item No. 252.14) requires amendment wherein Authority allowed registration to remain in force for a period of one year under Section-7(3) of RERD Act, 2016. Para 6 of the said proceedings be read as :

"6. After consideration, the Authority grants extension of two years under Section-7(3) of RERD Act, 2016. The registration of the project shall be valid upto 12.07.2024. Certificate of extension be issued accordingly. Promoter should also intimate the status of Tower C, D and E having FAR of 34442 Act, sq.mtrs. within a period of next 15 days."

Also, upon re-calculation of registration fee and extension fee (2.38 FAR) and adjusting excess fee paid by the promoter, Registration fee, extension fee from 12.07.2022 to 12.07.2024 and extension fee from 12.07.2024 to 12.07.2027 (present application) is in order. Also, late fee as per resolution dated 29.01.2025 is also in order. However, the penalty as per resolution dated 07.08.2024 and 29.01.2025 is deficit by ₹5,06,520/-.

13. Considering the above, the Authority directed the promoter to deposit penalty amounting to ₹5,06,520/- as per resolution dated 07.08.2024 and 29.01.2025 and an affidavit that no units have been sold after expiry of registration of the project.

The office was also directed to upload amended extension certificate in view of above corrections carried out in the proceedings of the meeting dated 08.05.2024 (Item No. 252.14).

The Office was further directed to upload the Occupation Certificate of the project online on the web portal of the Authority.

14. Today, on perusal of file Authority observed that penalty amounting to ₹5,06,520/- as per resolution dated 07.08.2024 and 29.01.2025 and an affidavit that no units have been sold after expiry of registration of the project as directed to be submitted vide hearing dated 25.03.2026 has not been submitted till date.
